

Transcript – Are You Preparing For The Great famine Coming

Alrighty, Shabbat shalom and Shabbat shalom to all those watching with us today. I have a message I want to give today. I've been saying with the COVID-19 virus that has been plaguing the world over the last few months that eventually the virus will subside to one degree or another and then what happens next from there.

So today is a prophetic message. It's called, *Are You Preparing for the Great Famine Coming?* Because I know and I always say this, whatever you focus on becomes most real to you. And for most people in the world today they're focusing on the virus because that's the big thing that's being talked about every day that's affecting the lives of people in every country in the world. But past year we know there's going to be great financial difficulties that are coming in the days ahead and also the famine that's going to be coming.

Matthew 24, I'm going to start there in verse 3. Matthew 24 and verse 3 says,

Matthew 24:3 *And as He (Yahshua) was sitting on the Mount of Olives, the disciples came to Him privately, saying, Tell us, when will these things be? And, what is the sign of Your coming and of the end of the age?*

We went over this even recently about this. It's very clear. There's no doubt what is being said. They're asking Him what is the sign of His coming back to the earth and setting up the Kingdom of Yahweh. And here we are. We're in that end time. So, if it was important to them 2000 years ago, how much more important to us?

Drop down to verse 7.

Matthew 24:7 *For nation will be raised against nation ... War that's coming. We'll talk a little bit about that today. But not so much just a little bit because we see these things coming ... and kingdom against kingdom; and there will be famines and plagues and earthquakes against many places.*

We've been seeing the earthquakes that are coming. Recently we just seen earthquakes just in the past month or even just few weeks, less than a month, in California, major earthquakes Idaho and Utah. What's interesting in Utah, the Mormon headquarters there. They have that big, big gigantic building where their headquarters is there. And they have an angel there with a trumpet. And when the earthquake happened that angel broke and snapped off in the trumpet and maybe something that's prophetic that's coming there.

But we see it. We see the plagues like we're seeing here and the COVID-19, a plague like we've never seen before in modern history, at least anyway. And I would say because of the global world we're living in, probably never seen it like this. Because other plagues, there wasn't a global economy. There weren't airplanes and people traveling, millions of people every day around the world. And you don't have to be a genius.

And actually, if you listen to the news, even a lot of the senators and congressmen are saying it every single day, if they don't open up that economy, it's going to collapse. It can't sustain itself. So even though there's still ... you're looking at a *million* cases just in Babylon, USA Babylon, and they make it sound like it's under control and they're doing good with it. But it hasn't subsided, it may be leveling off some, but it hasn't subsided. It's in the whole world, the same thing.

So, we see plagues and what isn't being talked about right now, what really is the main message today is the famine that's going to come, the famine that will come from there. Because I was reading an article last year,

probably in the second half of 2019, that was talking about the UN saying that currently this is ... in their 70 years of being an organization, this is the worst time they've ever had as far as food shortages and whatnot. And that was before all these things that are coming up with the COVID-19. And also, the locust plague that I'm going to talk about extensively today, what's happening.

Let's go now to Luke 21 in verse 11. Luke 21 in verse 11 says,

Luke 21:11 *And there will be severe earthquakes from place to place and famine and plagues. And there will be fears and terrorist acts and great signs will be seen from Heaven. And the winters will be severe.*

So wow, I mean, what? To a T! And that's why I say, it's interesting. People will say, "Well, it could be a coincidence that we're having more earthquakes today. And it could be a coincidence that knowledge has increased and people are flying on airplanes and doing all these things. And it could be a coincidence that there's a breakdown in society and the most immoral society and the love of many waxing cold."

But you can go down a list, a list, a list, a list, a list. And at what point does it stop being a coincidence? Really, at what point does it? And I say that with Yahshua being the Messiah, I gave those messages last year on all the messages of Him being the Messiah. And I said if you just take these 300 messianic prophecies in Scripture, Yahshua fulfills every single one of them. But if you just take the top 30 that no one even denies, He came from Bethlehem and whatnot, He's born of David, and He was from the lineage of David that just for one person to fulfill all 30 of those is like a number that's out of mind.

Because once you fulfill five prophecies, the law of odds and probability to fulfill the sixth one becomes less, to fulfill the seventh one becomes less, and to keep going down that list and keep fulfilling prophecy after prophecy is amazing. And it's the same thing here. When you look at all the different end time ... even winters will be severe, we've had the worst winters that you can imagine what's happening, weather like we've never seen in the world, up till now.

And that one thing could have been off, but it's not. Every single last thing that Yahweh said is coming to pass. And the main thing that it talks about a lot, besides the earthquakes, that's one of the triggers - is the famines and the plagues. You see it a lot, the earthquakes, the famines and the plagues. Over here it talked about terror attacks, which we've also seen, many, many, many, many of those through the time.

So, let's continue. Let's go to Revelation 6, Revelation the 6th chapter. Starting in verse 5, Revelation 6 in verse 5.

Revelation 6:5-6 *And when He opened the third seal, I heard the third living creature saying, Come and see. And I saw, and behold, a black horse, and the one sitting on it having a balance in his hand. And I heard a voice in the midst of the four living creatures saying, A measure of wheat for a denarius, ... A denarius is like a day's pay. So one measure of wheat is like a full day's pay ... and three measures of barley for a denarius; ... a full day's pay ... and do not harm the oil and the wine.*

Comments: Clearly, this is talking about famine. It's talking about prices rising dramatically because there's a lack of food, right? And we're seeing that now people hoarding grocery stores. And all over the world, you're seeing shelves that are stocked without food. Now up to this point, I don't think we're in a crisis mode. I think

it's more 'panic buying' than a lack of food. We haven't hit that point yet where we're lacking food worldwide. But this is what I think is coming from here as we're going to see today.

Between the virus and the world economy going into maybe depression, the way it looks now, anything is possible. Nobody knows for sure. But if you look at those numbers now, they've never seen numbers like this. And it's like I said, it's worldwide. And the longer that this pandemic goes, the more that's going to happen. So once that kicks in and the locusts and all the other things that we're seeing, the weather patterns, the forest fires, as we're going to see, you don't have to be a genius to figure out you're going to have major food shortages, which they already have, which we'll see.

They already have major shortages already. Like I said, the UN said up to now there was like, I'll read it later, but they said there was like, I think 12 million people in that Horn of Africa that's suffering starvation right now. And that's going to go up by 30 million people because of the locust plague that's coming there. So it will be more than 40 million people that will be suffering. So we see definitely here, this is talking about food shortage.

Verse seven ...

Revelation 6:7-8 *And when He opened the fourth seal, I heard a voice of the fourth living creature saying, Come and see. And I saw, and behold, a pale green horse, and the name of the one sitting on it was Death; ... Because what happens when there's plagues and when there's famine, you get death ... and Hades followed after him. And authority was given to them to kill over the fourth of the earth with sword (with war), and with famine, and with death, and by the wild beasts of the earth.*

So, it's kind of interesting, right? First, you have the sword and I'm not going to talk about it much today, maybe in another message, but I sent out a message a little bit ago, not a message, but I sent out an update and in that update, I sent the video link showing where the virus came from. And in the news now, this isn't some conspiracy theory or something that's in the back pages of some website.

In the front pages of news now they're saying that it's clear that the virus did come from the Wuhan laboratory, the military laboratory that's there, it did not start in a fish market. So, what's going to happen from here? What's not known at this point is - was China using this as a covert way of war mechanism or was it an accident?

But either way, you have a worldwide pandemic, you have people dying all over the world, the world economy crashing and already countries, as you saw in that video, like India and like some other countries, Spain, one of them and many more are putting in the world court cases against China. They want trillions of dollars back that are lost and you better believe China is. They're not even taking responsibility. Never mind giving compensation.

So, this could easily lead to war. There's no doubt. It may not, but it easily could, right? So, and then the famine with death. So, we see the kill of the fourth year with sword, with famine, and with death by the wild beasts of the earth. It comes by the wild beasts of the earth and what was this virus? It was a virus that came from wild beasts and actually was manipulated by humans in a laboratory to put in the proper things in that virus. So, it can be transferred over to a human because naturally it couldn't and they manipulated the virus with certain

proteins to be able to do that. So, we see that there that here we have war, famine, death and wild beasts. The COVID-19 started by wild beasts.

Look at how much the Corona Virus, the COVID-19 is interrupting the world, whether it's world travel, stock markets, people working, like I said, the supermarkets clearing food from the shelves in the supermarkets. And to be honest, from a worldwide level, so far, it's been pretty mild. I mean, you have eight and a half billion people in the world. You have around 200,000 that have died. A couple of million that are infected, but that's nothing compared to how many people are in the world actually, right?

So, this is really ... we're seeing this panic and we're seeing these things happening and we're just really beginning. We have over here; we're talking about a quarter of the earth. You're not talking about a couple of million people. You're talking about **several billion** people having these things and dying from this. So what will happen when the famine increases? When maybe war comes with pestilence, plagues that are going to be worse than the COVID-19? Because like I said, it will subside one way or the other, but then it's not going away like this, that it's coming back.

Let's go to Exodus 10 now, Exodus the 10th chapter. And let's read about one of the plagues that Yahweh had there, Exodus 10 starting in verse 1. And this is again during the Exodus.

Exodus 10:1-2 *And YAHWEH said to Moses, Go in to Pharaoh, for I have made his heart heavy and the heart of his servants, so that I may set these signs of Mine in their midst; and so that you may recount in the ears of your son and the son of your son what I exerted Myself to do against Egypt, and My signs which I have done among them, and you may know that I am YAHWEH.*

Comment: He's doing this so it could be written in the book and we could recount to our children and grandchildren. And that's exactly what we're doing.

Exodus 10:3-4 *And Moses and Aaron went in to Pharaoh and said to him, So says YAHWEH Elohe of the Hebrews, Until when will you refuse to humble yourself before Me? Send away My people so that they may serve Me. For if you refuse to send away My people, behold, I am going to bring locusts into your territory tomorrow.*

Exodus 10:5-6 *And they will cover the eye of the land, and no one will be able to see the land. And they will eat the rest of that which escaped, that which is left to you from the hail. And they will eat every tree that sprouts to you from the field. And your houses will be full, and the houses of all your servants, and the houses of the Egyptians, which neither your fathers nor the fathers of your fathers have seen; from the day of their being on the earth until this day. And he turned and went out from Pharaoh.*

Exodus 10:7-8 *And Pharaoh's servants said to him, How long shall this one be a snare to us? Send away the men that they may serve YAHWEH their Elohim. Do you not yet know that Egypt is perishing? And Moses and Aaron were brought back to Pharaoh. And he said to them, Go, serve YAHWEH your Elohim. Who and who are the ones with you?*

So, then he tells what's going. Then drop down to verse 12.

Exodus 10:12-14 *And YAHWEH said to Moses, Stretch out your hand for the locusts over the land of Egypt, so that they may go up on the land of Egypt and may eat every plant of the land, all that the hail left. And Moses stretched out his staff over the land of Egypt. And YAHWEH brought an east wind on the land all that day and all that night. And at morning the east wind lifted up the locusts. And the locusts went up over all the land of Egypt, and rested on all the territory of Egypt, exceedingly many. Never were there locusts like them before, and afterward none will be like them.*

Comment: But I can tell you one thing what's happening today is close. May not be exactly like that but it's pretty close.

Exodus 10:15-16 *And they covered the eye of the earth, and the land became dark. And they ate every plant of the land, and all the fruit of the trees that the hail had left. And no greenness was left in the trees and in the plants of the field in all the land of Egypt. And Pharaoh hurried to call Moses and Aaron. And he said, I have sinned against YAHWEH your Elohim and against you.*

Exodus 10:17-18 *And now pray forgive my sins only this time, and pray to YAHWEH your Elohim that He may take away from me this death only. And he went out from Pharaoh, and he prayed to YAHWEH.*

Exodus 10:19-20 *And YAHWEH changed to a west wind, very strong. And it carried the locusts and threw them into the Sea of Reeds. Not one locust was left in all the territory of Egypt. And YAHWEH made strong the heart of Pharaoh, and he did not send away the sons of Israel.*

Here we have the sign of the locust and you could read it here and you could imagine like it says it's eating everything. But here we are we're living this today. The same way that I said a Passover that we're living the second Passover. The second Passover started now. The death angel is going over. Yahweh had it where people all over the world were staying in on the Passover night. These things are not coincidences.

Yahweh is working and now this locust swarm we're seeing locust like we've probably never seen since this time in the Bible. And I want to read you an article here that says: *Like an Umbrella Had Covered the Sky': Locust Swarms Despoil Kenya* ...[article is in italics, Elder Don's comments - no italics]

This is happening in Kenya, Sudan, Ethiopia, all the horn of Africa over there. But it's not stopping there. They're moving along. They're going to wind up going now through the spring toward Saudi Arabia and coming up to Pakistan and even China. They'll be getting there by the summer.

At first villagers thought the dark dense blot in the sky was a harmless cloud. Then came the terrifying realization that the locust had arrived. Kenya is battling its worst desert locust outbreak in 70 years ... 70 is an endpoint number from the beginning of the end time till now 70 years ... threatening the food security of millions. But the hope soon turned to terror when the giant blot revealed itself as a swarm of fast-moving desert locust which had been cutting a path of devastation through Kenya since late December.

The sheer size of the swarm stunned the villagers. It was like an umbrella had covered the sky ... just like we've read over here ... When the insects descended the community quickly gathered to try to scare them off using one arm to beat them with the sticks or bang on metal pots and the other to cover their

faces and eyes as the bright yellow insects teamed around them. The cows and camels couldn't see where they were going ... because there were so many like it said here. It was darkness because of how many there were ... Adding to the fear and confusion, there had been no warning the locust were on their way. Kenya is battling its worst desert locust outbreak in 70 years and the infestation has spread through much of the eastern part of the continent in Horn of Africa. Raising pasture and croplands in Somalia and Ethiopia, sweeping it to South Sudan, Uganda and Tanzania.

The highly mobile creatures can travel over 80 miles in one day. There are swarms which can contain as many as 80 million locusts ... and I've seen some that set up to 200 million or more and they said it could possibly even get to more than a trillion if they don't do something. But 80 million in one swarm ... locust adults in each square kilometer.

There are swarms which can contain as many as 80 million locust adults in each square kilometer can eat the same amount of food daily as about 35,000 people ... That's like a major city. So they can eat that much in one day ... Officials said the infestation poses a risk to food security undermines economic growth and if not controlled soon will exacerbate communal conflict over grazing land.

So, what is it? War, famine, pestilence ... In addition to the 12 million people already experiencing acute food shortages in Ethiopia, Kenya and Somalia, the locust crisis now poses a potential threat to the food security of over 20 more million people. According to the Food and Agriculture Organization of the UN, bringing to 32 million ... not 40 million ... 32 million total in that region.

*The magnitude of the problem is just so big, said Cyril Ferrand who leads the organization's resilience team for Eastern Africa. The locusts are a moving target and we are racing against time. The United Nations said that if the locust numbers aren't suppressed soon, they could grow **500 times** this amount by June; which would prove ominous, not just for pastoral communities but also farmers, locust can travel over 80 miles a day and a swarm can consume the same amount of food daily as about 35,000 people. If we don't find a way to get rid of these young ones, he said we will have so much trouble and big food shortages very, very soon.*

So, this isn't just like a guess, it's not a prophecy, its happening. This is happening before us. Very, very interesting though. In the next chapter, Exodus 11 and verse 7,

Exodus 11:7 *And a dog shall not sharpen his tongue against all the sons of Israel, toward man and toward livestock, so that you may know that YAHWEH distinguishes between Egypt and Israel.*

Yahweh distinguishes between His people in the world. And the Passover report that I got from Kenya, the miracle of the locusts passing were there. I want to read to you again. It says it's greetings from the elder there:

Shalom Senior Elder and Chag Semeach,

We were really thankful to Yahweh and feel blessed for this Passover that we had total protection from Him. Immediately I got greetings from you, I gave them an all were overjoyed to hear the Shalom and the greetings from you.

Many things are concurrently happening now, but for sure we have seen the hand of Yahweh in them all. I thank Yahweh for protecting us from the swarm of locust, though these locusts have been devouring everything to the right and the left of them in all the parts of their country. Yahweh made them just fly over our region, canopying the whole region but not landing down to bring destruction. Really, it was a miracle from Yahweh and nothing was lost.

Wow, what an amazing miracle that we see here and encouraging as we're looking here today when we're looking at famine and we're looking at plagues to know though, Yahweh does make a difference between the world and His people. Yahweh does make a difference. It doesn't mean we're not going to go through our own baptisms of fire, but He does make a difference and we don't have to fear.

Joel 1 and starting in verse 1,

Joel 1:1-3 *The Word of YAHWEH that was to Joel, the son of Pethuel: Hear this, you old men, and give ear, all you people of the land. Has this been in your days, or even in the days of your fathers? Tell your sons about it, and your sons to their sons, and their sons to another generation.*

Comment: So again, tell this from generation to generation because we're going to see something that you've never seen before.

Joel 1:4 *What was left by the cutter, the swarming locust ate; and that left of the swarming locust, the locust larvae ate; and that left of the locust larvae, the stripping locust ate.*

Comment: We see it. That I mean these things coming in the hundreds of millions I mean its unbelievable and they're big. They're really, really big like you see them and eating, going 80 kilometers in a day and eating as much as 35,000 people and just wiping out everything like we read an Exodus. There was nothing green that was left. These things are coming and then they lay larva and then more of them come up after that, it's just unbelievable. It says ...

Joel 1:5-6 *Awake, drunkards, and weep. And wail, all wine drinkers, over the grape must, for it is cut off from your mouth ... It's eating all the grapes. There's no grapes there ... For a nation has come up on my land, strong and without number; its teeth are the teeth of a lion, and it has the jaw teeth of a lioness.*

Joel 1:7-10 *There My vine is desolation, and it has splintered My fig tree. He has stripped it, and thrown it down; its branches grow white. Wail like a virgin girded with sackcloth over the husband of her youth. The food offering and the drink offering have been cut off from the house of YAHWEH; the priests, the ministers of YAHWEH, mourn. The field is wasted; the land mourns, for the grain is wasted. The new wine is dried up, the oil tree droops.*

I've given this message several times at Sukkot on the grain, the oil and the wine. These are the supplement to the full life of Yahweh's people. The grain is where you get your bread from; which is the staple of life. The oil that you get for eating of the olives. You also get it for anointing. You get it for medicinal and then the grapes. The grapes they make, the wine that is the happiness, the joy that comes. Here it's all gone. It's all gone. There's no grain, there's no oil and there's no wine. There's nothing there. Everything.

Joel 1:11 *Be withered, farmers, howl, vine-dressers, for the wheat and for the barley; because the harvest of the field has perished.*

Comment: You're talking about a famine that we've probably never seen and remember before. Up until about 1850, we never had more than 500 million people in the world at one time. Now you're at 8.5 billion people. So as this starts to happen, you're going to have famines like we've never seen before.

Joel 1:12 *The vine is dried up and the fig tree droops, the pomegranate, and the palm tree, and the apple tree; all the trees of the field are dried up, because joy has dried up from the sons of men.*

Joy has dried up. And when we're looking, equity abounds because the love of many will wax cold. I don't care who you are today, where you're coming from, like I was saying during the passing of the death angel. The death angel didn't matter if you were rich or poor, didn't matter where you're a buyer or seller, it didn't matter whether you're a royal family or a peasant. The virus hits everybody. Even Prince Charles wound up getting the virus.

We see this here that joy has dried up. Why has joy has dried up? Because nothing good is happening. If you look at it, most people in the world, even atheists would say, and here we are, we're just at the end of April in 2020 that this year has been horrible so far. You hope something changes. You hope that it gets better. But joy has dried up because people can't so much just go out and walk their dog anymore without getting permission from the government.

I know they had to work hard to stop the plague from moving, but wow, when you're living in a time where liquor stores are essential and people can go in liquor stores because that's an essential thing to keep open, but churches are closed. And faith is not something that's considered essential to mental health, but liquor is. We're in a real bad time. I don't see it getting better from what we see. What we see getting better is when the Kingdom of Yahweh comes. That is our hope.

And that's why ... praise Yahweh that this time we're going in isn't a 40-year period. It's not a 70-year period. It's a time period that's going to be for several years when it comes to its full, but it's not going to be that long. And we need to realize this and endure to the end.

Drop down to verse 15.

Joel 1:15-16 *Alas for the day! For the day of YAHWEH is at hand. And it shall come as a destruction from the Almighty. Is not the food cut off before our eyes, joy and gladness from the house of our Elohim?*

Joel 1:17-18 *The seed shrivels under their clods; the storage bins are laid waste, the granaries are broken down, for the grain has dried up. How the beasts groan! The herds of livestock are vexed, for there is no pasture for them. Even the flocks of sheep are perishing ... Because there's no food.*

Joel 1:19-20 *O YAHWEH, to You I will cry, for the fire has burned up the pastures of the wilderness, and has consumed all the trees of the field. The beasts of the field also long for You, for the rivers of water are dried up, and the fire has eaten up the pastures of the wilderness.*

So, we didn't even talk about that. The fires - look at Australia, what's happened, in maybe the past six months, the fires over there. California, the great fires that have been happening over there. In Brazil, in the rain forest, it's doing damage like they said, unbelievable damage that's irreversible. But we're seeing this. We're seeing that this is Yahweh's wrath.

I got an email a couple of days ago from a good friend of mine that asked me, he's a Jewish man that's been a friend of mine for many years and he asked me, "Do you think that Elohim is upset with the world what's happening here?" And I think He is. I don't think you have to be a genius to figure out when you have open homosexuality rampant when these are world rules, world laws that homosexuality is normal. And you have any kind of stopping of faith because face it, coming here with famine and these things, is also the great martyrism.

I'll talk a little bit about that that's coming. And we see the beast power is taking effect. It's taking hold and it's changing so fast that as the people of Yahweh really need to prepare. How bad can it get? 2nd Kings 6. How bad can a famine get? I mean you say, "Well, what if I store food? It can't be that bad, can it?" Well, let's see how bad famines can get. 2nd Kings 6 and verse 25:

2nd Kings 6:25 *And there was a great famine in Samaria. And behold! They were laying siege to it until the head of a donkey was at eighty silver pieces, and a fourth of a cab of dove's dung at five silver pieces.*

Comment: So just take this in for a minute. Remember this the ancient world, the head of a donkey, so they're eating donkey meat, which is not kosher to begin with, but they're eating the head of a donkey, is eighty silver pieces. That's a lot of money. And a fourth of a cab of dove's dung, not the dove, the dung, as five silver pieces. That's how bad the famine was. There was no food anywhere.

2nd Kings 6:26-27 *And it happened, the king of Israel was passing by on the wall. And a woman cried to him, saying, Save, my master, O king. And he said, If YAHWEH does not save you, from where shall I save you? Out of the threshing floor, or out of the winevat? ... There is nothing there.*

2nd Kings 6:28-30 *And the king said to her, What ails you? And she said, This woman said to me, Give your son and we will eat him today; and tomorrow we will eat my son. And we boiled my son and ate him, and I said to her on the next day, Give your son, that we may eat him. But she hid her son. And it happened when the king heard the words of the woman, he tore his garments. And he was passing by on the wall, and the people looked. And, behold, the sackcloth was inside on his flesh.*

How bad can it get? This bad. That's how bad it can get. So it's bad enough that prices go astronomical, that you might pay a hundred dollars for a kilo of flour. That's bad enough, but this is where it gets. Because when people don't have the basics of life, when they don't have food and they don't have water and they don't have medicine, then look out. Because they're going to do **anything** to survive. And the fact of even eating their own children. It's happened before and it will happen again.

Revelation 9 ... Revelation 9 verse 1:

Revelation 9:1-2 *And the fifth cherub trumpeted. And I saw a star out of the heaven falling onto the earth. And the key to the pit of the abyss was given to it. And he opened the pit of the abyss. And smoke went up out of the pit, like smoke of a great furnace. And the sun was darkened, and the air, by the smoke of the pit.*

Revelation 9:3-4 *And out of the smoke locusts came forth to the earth. And authority was given to them, as the scorpions of the earth have authority. And it was said to them that they should not harm the grass of the earth, nor every green thing, nor every tree, except only the men who do not have the seal of YAHWEH on their foreheads.*

Revelation 9:5-6 *And it was given to them that they should not kill them, but that they be tormented five months. And their torment is as the torment of a scorpion when it stings a man. And in those days men will seek death, and they will not find it. And they will long to die, yet death will flee from them.*

Revelation 9:7-8 *And the likenesses of the locusts were like horses having been prepared for war; and they had crowns on their heads like gold; and their faces were like the faces of men. And their hair was like the hair of women; and their teeth were like those of lions.*

Revelation 9:9-10 *And they had breastplates like iron breastplates; and the sound of their wings was like the sound of chariots with many horses running to war. And they have tails like scorpions, and their stings were in their tails; and their authority is to harm men five months.*

Revelation 9:11-12 *And they have a king over them, the messenger of the abyss. In Hebrew his name was Abaddon, and in Aramaic he has the name Breaker. The first woe has passed; behold, after these things come two more woes.*

Drop down to verse 20. Maybe I'll read verse 15 too.

Revelation 9:15-16 *And the four cherubs were released, those having been prepared for the hour and day and month and year, that they should kill the third part of mankind. And the number of the armies of the cavalry was two hundred million; and I heard their number.*

Drop down to verse 20.

Revelation 9:20a *And the rest of men, those not killed by these plagues, ...*

Comment: You would think after seeing all this death and all this horror and all this famine that they would be on their hands and knees praying and begging Yahweh for mercy, right?

Revelation 9:20-21 *And the rest of men, those not killed by these plagues, did not repent of the works of their hands, that they will not worship demons, and "golden idols, and silver, and bronze, and stone, and wooden idols, which neither are able to see, nor to hear, nor to walk." And they did not repent of their murders, nor of their witchcraft, nor of their fornications, nor of their thefts.*

And as this is going on around the world now, and we're just in the beginning of sorrows. I don't hear anybody. I don't hear religious people. I don't hear leaders. I don't hear anybody saying, what are we doing wrong as human beings that is causing this curse of Yahweh to come on us? People just aren't saying that, nowhere near

it. You know what they're saying? They're saying the opposite, *like in Isaiah, the bricks have fallen, but we will rebuild with cut stones*, right?

That's why you keep hearing from President Trump, we're going to be better. We're going to be bigger. We're going to be greater than ever without ever talking about why is Yahweh's blessing been taken from us? Because you know something that's really, really interesting is that and I'm going to read here, we're going to go start now in Ezekiel the fifth chapter, is that Ezekiel 1 through 12 are all end time chapters.

Remember Ezekiel is living at the time where Judah is going into captivity in Babylon, right? So, Israel already went into captivity here several hundred years before this. Yet the message in Ezekiel, at least one through twelve is to the house of Israel. This is an end-time message.

So this is not to Judah, except we're going to read something here to Jerusalem, but we're going to see that primarily this is a message that was told to Ezekiel that he is to go. I'm not going to, for time wise, go into **Ezekiel 2** and **Ezekiel 3**, but he is sent to go to the Israelites in the nations. They're living in the nations.

And even though Israelites are living all over the earth, primarily where is the majority of Israelites living today? They're living in Babylon and they're living in Europe. So now, as we're seeing these things happen, where is the epicenter of this pandemic? Europe and America.

And America is the worst in anybody. And in the end, who knows how many will come from this. But think about this as I'm reading this now to the house of Israel in the nations. This is a message to basically Europe and European colonies, New Zealand and Australia and Babylon, USA because that's where the Israelites are.

So, starting in chapter 5, He says,

Ezekiel 5:1-2 *And you, son of man, take to yourself a sharp sword, the razor of a barber. Take it to yourself and make it pass over your head and over your beard. And take to yourself scales to weigh, and to divide them out. You shall burn a third part in the fire, in the midst of the city, when the days of the siege are fulfilled. And you shall take the third part and beat with a sword all around it. And you shall scatter the third part into the wind, and I will draw out a sword after them.*

Comment: So, what are we seeing here again? We're seeing war. We're seeing famine and we're seeing pestilence, the same things that are coming.

Ezekiel 5:4 *And take from them again, and throw them into the middle of the fire and burn them in the fire. From it shall come forth a fire into all the house of Israel.*

Comment: So, we also see a remnant being saved through what? Through the baptism of fire. This is something that's going to affect everybody, right? Everybody will be affected because all of Yahweh's people even need purifying. The plagues aren't for us to destroy us for sin, but they are there. There are things that we're going to go through for baptism of fire. And He says,

Ezekiel 5:5 *So says Adonai YAHWEH: This is Jerusalem. I have set her in the midst of the nations, and all around her are the lands.*

So now we're going to see what's going to come to Jerusalem and then we're going to see what Yahweh says to the house of Israel living in the nations.

Ezekiel 5:6 *And she has changed My judgments for wickedness more than the nations, and defiled My Torah more than the lands that are all around her. For they have rejected My judgments and My Torah; they have not walked in them.*

And they haven't. I've been saying this for the last several years, how grieved I've been being over there and seeing the evilness all throughout the Land, but Yahweh's Spirit is not in that Land anymore. And face it, it says in the end time that there'll be a point where Yahweh will give over to Jerusalem and Israel over to the beast power and then *after that* Yahweh's Spirit will come back there and Yahshua will come and will destroy the armies in Armageddon. But there's a point where it's not to be there anymore, where the wickedness is overtaken her.

Ezekiel 5:7-8 *Therefore, so says Adonai YAHWEH: Because you rebelled more than the nations that are all around you, not having walked in My statutes, and not having performed My judgments, and you have not done according to the judgments of the nations all around you; therefore, so says Adonai YAHWEH: Behold! I, even I am against you, and will execute judgments in your midst in the sight of the nations.*

Ezekiel 5:9-10 *And I will do in you that which I have not done, and which I will not do the like again, for all your abominations. Therefore, the fathers shall eat the sons in your midst, and the sons shall eat their fathers ... Just like we're reading - cannibalism ... And I will execute judgments against you, and I will scatter the whole remnant of you into every wind.*

Ezekiel 5:11-12 *Therefore, as I live, says Adonai YAHWEH, surely because you have defiled My sanctuary with all your idolatries and with all your abominations, so I also will withdraw. And My eye shall not spare, and I will not have pity. A third part of you shall die by the plague and shall be consumed by the famine in your midst. And a third part shall fall by the sword all around you. And a third part I will scatter into every wind, and I will draw out a sword after them.*

Ezekiel 5:13-15 *And My anger shall be spent, and I will make My fury rest on them, and I will be eased. And they shall know that I, YAHWEH, have spoken in My zeal, in My fulfilling My fury among them. And I will make you into a waste and a reproach among the nations that are around you, in the eyes of all who pass by. And it shall be a reproach and a taunt, an example and a horror, to the nations which are all around you, when I shall execute against you judgments in anger and in fury and in chastisements among them. I, YAHWEH, have spoken it.*

Ezekiel 5:16-17 *When I shall send the arrows of evil famine among them, which shall be for ruin, for which I will send them to destroy you, even I will increase the famine on you and break the staff of bread to you. Yea, I will send famine and evil beasts on you, and you will be bereaved. And pestilence and blood shall pass among you, and I shall bring a sword on you. I, YAHWEH, have spoken.*

So very clearly here this is which prophesied to Jerusalem and then also to Israel in the nations. Go to Ezekiel 6 one page over. Or right there actually in the bottom ... verse 1:

Ezekiel 6:1-2 *And it happened, the Word of YAHWEH came to me, saying, Son of man, set your face towards the mountains of Israel and prophesy against them.*

So first we have Jerusalem for the abominations. And hear now it's to the mountains of Israel. Mountains are what? Mountains are large land mass in Scripture – countries. So, we see here that this is who this prophecy is for. It's to the Israelites in Diaspora. And like I said primarily Europe and US. There are also Israelites living in Africa, Israelites living everywhere, but this is where it's primarily ... Asia.

Ezekiel 6:3 *And say, Mountains of Israel, hear the Word of Adonai YAHWEH: So says Adonai YAHWEH to the mountains, and to the hills, to the ravines, and to the valleys, Behold, I, even I will bring a sword on you, and I will destroy your high places.*

If we drop down to verse 10:

Ezekiel 6:10-12 *And they will know that I am YAHWEH; and not in vain have I said to do this evil to them. So says Adonai YAHWEH: Strike with your hand, and stamp with your foot, and say, Alas, for all the evil abominations of the house of Israel! For they shall fall by the sword, by the famine, and by the plague. He who is far off shall die by the plague, and he who is near shall fall by the sword, and he who remains and is besieged shall die by the famine. So I will fulfill My fury on them.*

By the sword, by the famine and by the plague; war, pestilence and famine. And we see now already, we see two or the three of those things here. If the war comes it will only exasperate it that much more.

Ezekiel 7, next chapter starting in verse 6. Ezekiel 7 and verse 6:

Ezekiel 7:6-8 *An end has come, the end has come! It has awakened against you, behold, it has come! The encirclement has come to you, O dwellers of the earth. The time has come, the day of tumult is near, and not a shout of the hills. I will soon pour out My fury on you and fulfill My anger on you. And I will judge you according to your ways and will put on you all your abominations.*

Ezekiel 7:9-10 *And My eye shall not spare, and I will not have pity; I will put on you according to your ways and your abominations that are in your midst. And you shall know that I am YAHWEH who strikes. Behold the day! Behold, it has come, the encirclement has gone out, the rod has blossomed, and pride has budded.*

So here it is, Yahweh is clearly saying the time is here, drop down to verse 12:

Ezekiel 7:12-13 *The time has come, the day has arrived. Do not let the buyer rejoice, and do not let the sellers mourn, for wrath is on all her multitude ... The whole world economy is collapsing. So neither the buyer nor the seller is rejoicing at this ... For the seller shall not return to that which is sold, although they still are among the living (for the vision is to all her multitude, and it shall not return); and a man shall not hold his life strong in his iniquity.*

Ezekiel 7:14-15 *They have blown the trumpet, even to make all ready, but no one goes to the battle, for My wrath is on all her multitude. The sword is outside, and the plague, and the famine are inside ... So outside there's war going on and inside the country is plague and famine ... He who is in the field shall die with the sword. And he who is in the city, famine and plague shall devour him.*

Ezekiel 7:16-18 *But if their fugitives shall escape, then they shall be on the mountains like doves of the valleys, all of them mourning, each for his iniquity. All hands shall be feeble, and all knees shall go as water. They shall also gird on sackcloth, and trembling shall cover them. And shame shall be on all faces, and baldness on all heads.*

Ezekiel 7:19 *They shall throw their silver in the streets, and their gold shall be an impure thing. Their silver and their gold shall not be able to deliver them in the day of the wrath of YAHWEH ... The world economy is going to collapse. Stocks aren't going to save you. Golden and silver, money is not going to save you in that day ... They shall not satisfy their soul, and they shall not fill their bowels, for their iniquity has become a stumbling-block for them.*

So, it's the day of Yahweh's wrath and no amount of money or no Babylonian commercial Babylon system of finance is going to help when that day comes. And I think this is one thing that we've seen during this COVID-19 situation that now the governments always want to seem like they're in control of everything. But when Yahweh brings something then that's it. Nobody can overcome what Yahweh has done.

Amos 8 verse 11, because what is also going to happen at this time, it's not only going to be a famine of food, but it'll be a famine of the Word of Yahweh. Amos 8 verse 11 says,

Amos 8:11 *Behold, the days are coming, declares Adonai YAHWEH, that I will send a famine into the land, not a famine for bread, nor a thirst for water, but rather a famine for hearing the Words of YAHWEH.*

So, we're starting to see this now, right? That as this thing is progressing; we're seeing a clamp down on churches. We're seeing people getting arrested, even if there's only five or six people going to a church or a synagogue or any house of worship, they're getting arrested because they're breaking the curfew.

We're seeing internet that people are being monitored. If they're saying something that's going against what the government is saying, how the COVID-19 started, that their accounts are being blocked and taken off, and face it, when this time comes, which isn't that far away here, there will be no more freedom on the internet. So, everybody that wanted that internet, that thinks it's so good, that thinks so, all the pleasure seeking, and you've been addicted and hooked into it. Now they got you right where they want you.

And in the meantime, you're being brainwashed every day by what you're reading and what you're looking at there. So here we are. What we need to be doing is we need to be looking at the Word of Yahweh. That's what we need to be looking at. We need to be studying His Word, reading His Word, and studying that.

Revelation 6 in verse 9, because also like, just can touch on this. Also, we know there's a great martyrism that's coming ... great martyrism that will also come from here. Revelation 6 in verse 9,

Revelation 6:9-11 *And when He opened the fifth seal, I saw under the altar the souls of those having been slain for the Word of YAHWEH, and for the witness which they had. And they cried with a great voice, saying, Until when, holy and true Master, do You not judge and take vengeance for our blood, from those dwelling on the earth? And there was given to each one a white robe. And it was said to them that they should rest yet a little time, until might be fulfilled also the number of their fellow-servants and their brethren, those being about to be killed, even as they.*

So that's another point that comes of it. The martyrism that's coming, there'll be a lack of truth at this time and like I said, internet will be completely controlled by the time that this happens.

Revelation 13 in verse 5, we see the beast power persecuting the saints. I don't think I'm going to go there right now, but we also see that when the beast power comes to rise, what does he do? He comes after the people of Yahweh. **Revelation 12**, the same thing. When Satan's cast down to the earth, what does he do? He comes after the woman who's fleeing to the wilderness.

Let's go to Genesis 41 now because let's put this in together with the dream of Pharaoh, Pharaoh's dream because it all is tied in together. Genesis 41 in verse 15, so we see the Pharaoh has this dream, right? Nobody's able to interpret it. They find out they say, "Hey, there's a man Joseph in the prison that can interpret it and then Joseph comes and we'll pick up the story from there. Genesis 41 in verse 15.

Genesis 41:15-16 *And Pharaoh said to Joseph, I have dreamed a dream, and there is no one to interpret it; and I have heard about you, saying, you hear a dream to interpret it. And Joseph replied to Pharaoh, saying, Not I! Elohim will answer the peace of Pharaoh.*

Genesis 41:17-18 *And Pharaoh said to Joseph, In my dream, lo, I was standing on the lip of the River. And, behold, seven cows were going up from the River, fat of flesh and beautiful of form, and were feeding in the reeds.*

Genesis 41:19-20 *And, behold, seven other cows were going up after them, poor and very evil of form, and lean of flesh; I have not seen any like them in all the land of Egypt for badness. And the cows, the lean and the evil, ate the first seven fat cows.*

Genesis 41:21-22 *And they went into their stomachs, and it could not be seen that they had gone into their stomachs; and their appearance was as evil as at the beginning. And I awakened. And I looked in my dream. And, behold, seven ears of grain were coming up on one stalk, full and good.*

Genesis 41:23-24 *And, behold, seven ears, withered, lean, blasted by the east wind, sprouting forth after them. And the lean ears were swallowing the seven good ears. And I spoke to the magicians, but not one is making known the meaning to me.*

Genesis 41:25-27 *And Joseph said to Pharaoh, The dream of Pharaoh is one. Elohim has shown Pharaoh what He is about to do. The seven good cows, they are seven years and the seven good ears, they are seven years; the dream is one (echad). And the seven thin and evil-appearing cows going up after them, they are seven years; and the seven empty ears blasted by the east wind will be seven years of famine.*

Genesis 41:28-30 *This is the word that I spoke to Pharaoh: what Elohim is about to do, He has made Pharaoh see. Behold! Seven years of great plenty are coming in all the land of Egypt ... in the world ... And seven years of famine will arise after them and all the plenty of the land of Egypt will be forgotten; and the famine will consume the land.*

Comments: And if you hear President Trump in his news conferences on this COVID virus, this is what he keeps saying, right? He keeps saying, "This was the greatest economy. This was the greatest economy. It was the greatest it's ever been." Not realizing that these are the words of Yahweh, but they're over. They're over. It's

not just going to go away and everything's going to come back bigger and better. The bricks have fallen, but we will rebuild with cut stones. It's not going to work that way because you could say what you want. You can go out there and lie on TV every day, but you can't overcome the Word of Yahweh. And it's very clear that it looks like the seven years, good years are over.

And I said this before, I said, if you look at the last couple of years of President Obama's presidency, the economy had change and things were getting better. They were much better the last few years. And I said, we don't know. We don't know when those seven years, good years are going to end, but they certainly look now like this is it that we're getting into those bad years. And seven years of famine will rise after them. And all the plenty of the land of Egypt will be forgotten and the famine will consume the land.

Genesis 41:31 *And the plenty in the land will not be remembered because of that famine afterwards; for it will be very severe.*

Comment: So these good years that has been pretty good. In the last few years, they aren't even going to be remembered because of how bad the famine's coming.

Genesis 41:32-34 *And as to the dream being repeated to Pharaoh twice, the thing is settled because it is from Elohim, and Elohim is hastening to do it ... And like I said, 'twice speak' whenever you see it in the Bible like that. It's a dual prophecy ... And now let Pharaoh look for a man who is intelligent and wise, and set him over the land of Egypt. Let Pharaoh act and let him appoint rulers over the land and take a fifth of the land of Egypt in the seven years of plenty.*

Genesis 41:35-36 *And let them gather all the food of these coming good years. And let them heap up grain under Pharaoh's hand as food in the cities, and let them keep it. And let the food be for a store for the land, for the seven years of famine which will be in the land of Egypt and let not the land be cut off by famine.*

And I've been saying this. I've been saying this the last several years. I'm working with our elders. We're working with our communities. We've been having meetings about this that we need to be preparing and some have at least partial, but not nearly enough. And here we are now. We wasted good time and people just didn't take it serious enough. And here we are now. And two years to the Shemita, who knows what things will look in this world by that time, but we really got to prepare now.

Go to verse 53. It says,

Genesis 41:53-55 *And the seven years of plenty which were in the land of Egypt were ended. And the seven years of famine began to come, according as Joseph had said. And the famine was in all lands, but in all the land of Egypt there was bread. And all the land of Egypt hungered and the people cried to Pharaoh for bread. And Pharaoh said to all Egypt, Go to Joseph; what he says to you, do.*

Genesis 41:56-57 *And the famine was on the face of all the land. And Joseph opened all which was in them, and sold to the Egyptians. And the famine was strong in the land of Egypt. And all the earth came to Egypt to buy, to Joseph. For the famine was strong in all the earth.*

So there's a world-wide famine that's coming. And like I said, you don't have to be a genius to figure out, especially if war comes. And with this COVID-19 and going into possibly, if you're looking at these numbers that

are coming out now economically, they used to compare and say, well, it wasn't even this, it's almost as bad as when the depression, they're saying now these numbers, they've never seen anything like it, even during the depression. I mean, to have 20 something million people out of work in a month, 20 something million in one month, we've never seen anything like this of this sweeping so fast, but it's because it's the Word of Yahweh that's coming.

Genesis 47 and verse 12 ... Genesis 47 and verse 12.

Genesis 47:12 *And Joseph nourished his father and his brothers, and all his father's house with bread for the mouth of the little ones.*

Comment: So he prepared, that's why the plan that I've had that we've been working on called, Joseph's Storehouse, if you prepare, then there'll be something there.

Genesis 47:13-15 *And no bread was in the land, because the famine was exceedingly severe. And the land of Egypt and the land of Canaan were completely burned up from the famine. And Joseph gathered up all the silver found in the land of Egypt and in the land of Canaan in return for the grain they were buying. And Joseph brought in the silver to the house of Pharaoh. And the silver failed from the land of Egypt, and from the land of Canaan. And all Egypt came in to Joseph, saying, Give us bread; and, Why should we die before you? For the silver has failed.*

Comment: So first the people, they had no grain, the famine comes, there's no food. And Joseph was smart. He prepared because Yahweh's Word said to and he had plenty of food that he was preparing there. So first they have money. So they're coming and they're buying. That'll be the first, right? The prices will go way up, but people will have some money to buy. Then when the money's gone.

Genesis 47:15-17 *And the silver failed from the land of Egypt, and from the land of Canaan. And all Egypt came in to Joseph, saying, Give us bread; and, Why should we die before you? For the silver has failed. And Joseph said, Give your live-stock, and I will give to you for your livestock, if silver has failed. And they brought in their livestock to Joseph. And Joseph gave bread to them for the horses, and for the livestock of the flocks, for the livestock of the herds, and for the donkeys. And he satisfied them with bread in that year for all their livestock.*

Comment: So first the money fails. Then after that, what happens? Now they're going to bring all their possessions. They'll sell houses. They'll sell lands. They'll sell whatever you have.

Genesis 47:18-19 *And that year ended, and they came in to him in the second year and said to him, We cannot hide from my master that the silver and the livestock of the animals have failed, going to my master. Nothing is left before my master except our bodies and our lands. Why should we die before your eyes, both we and our land? Buy us and our land for bread; and let us, we and our land, become slaves to Pharaoh. And give seed so that we may live and not die, and the land not be desolate.*

Genesis 47:20-21 *And Joseph bought all the land of Egypt for Pharaoh, because each one in Egypt sold his field, because this famine was severe on them; and the land became Pharaoh's. And as for the people, he caused them to pass over into the cities, and from the end of the border of Egypt to its other end.*

And what happens? He makes them slaves. He makes them slaves there. Drop down the verse 23 -

Genesis 47:23 *And Joseph said to the people, Behold, I have bought you and your land today. Behold! Here is seed for you; and you sow the land.*

Genesis 47:24a *And it shall be, as you gather you shall give a fifth part to Pharaoh; ... he talks about there.*

Genesis 47:25 *And they said, You have saved our lives; let us find favor in the eyes of my master, and we will become slaves to Pharaoh.*

So here it is. Isn't it amazing? They use all their money, then they use all their possessions, then they give their lands and even become slaves. What's happening in the end time? Same thing will happen. What happens when they become slaves? The mark of the beast of **Revelation 13** and are the people mad or are they bitter? No, they're happy. Just like it says in Revelation 13, they worship the beast.

So here it is. The beast power is basically causing the world situation just like we're seeing today and then they'll come out with vaccines and everything else to stop the world situation today and then they'll have genetically modified food and all kinds of things for the people. If they give over into this beast system and the people going to complain? No, they're going to be happy.

They're going to say the beast power saved their life, right? But you cannot buy or sell unless you take that mark and we see that's coming. We see that very soon. Money. Why are they throwing the gold and silver in the streets? Because everything is by that chip. Everything is electronically and unless you're prepared, you're not going to make it through that time.

And people will say, "Oh, Yahweh will take care of me. Yahweh will take care of me." Yahweh will take care of you **if you show faith in Him**. But if you're not preparing, then you're showing no faith in Him whatsoever and you're going to be on your own. You're really going to be on your own at that time.

This is where it really matters. And like I said, I've been urging people to do this the last several years. Really since the last Shemita, to say we need to prepare for the next Shemita, which who knows this next seven could be the last seven years. Nobody knows. There could be one more seven, but there's a good chance it could lead into the last seven what's coming.

I've been saying **Amos 3:7** says for *Adonai Yahweh will do nothing unless He reveals a secret counsel to His servants, the prophets*, right? I'm not claiming to be a prophet, but the point of the scripture is that Yahweh will warn his people. And Yahweh has been sharing these things with me for several years now.

And that's why for **five years** we've been building communities. For five years in our communities, we're pretty good because we are growing food and we are storing food and we are getting ready. We need to do more and we better do it quickly, but at least we're on the way there. But for people that aren't doing it, that haven't prepared nothing, you're going to be in big trouble as time comes here.

Genesis 45 and verse 5. Genesis 45 and verse 5 says,

Genesis 45:5 *And now do not be grieved, and let no anger be in your eyes because you sold me ... This is what Joseph's saying to his brothers when he was revealed ... for Elohim sent me before you to save life.*

See Joseph, that's why he went through ... he went through his baptism of fire. Yahweh set his course. He set him to be second next to Pharaoh, why? To save life.

Genesis 45:6 *For the famine has been in the midst of the land for two years. And there are still five years in which no plowing and harvest will be. And Elohim sent me before you to put a remnant in the land for you, and to keep alive for you a great deliverance.*

So now we're entering this time. We're entering this time and Yahweh, He prepares us. He gives us warning to save life. But people have to take it serious. And I think that people are just so conditioned that there's always going to be food in those supermarkets and everything is just going to continue the way it is forever and it's not going to be that way. It's not going to be that way because as this great famine comes, it's really going to be problems and it's time for the people of Yahweh.

You have to go out there and work. Like proverbs, I'm not going to go there but **Proverbs 6:6-11** and verse 15 talks about go to the end, the lazy sluggard. Right? And go to the ant and watch how he works. This is the time the people of Yahweh, we need to **physically be preparing**. And like I said, when we at our meeting in Kenya just a couple of months ago, we're talking about this, I never thought just a few months later, everything already would be closed down and all this, the walls would be closing in on us. But we really need to be preparing, not to panic, but we need to be preparing because we're really short on time of preparing now.

Acts 4, a couple more scriptures we'll be finished here. Acts 4 and verse 31, because I've been saying this for several years now, the reason why Yahweh is opened up community is, community is the easiest way to protect these people in these times, right? Acts 4 and verse 31 says,

Acts 4:31 *And they having prayed, the place in which they were gathered was shaken, and they were all filled with the Holy Spirit and spoke the Word of Elohim with boldness.*

Comment: Praise Yahweh. It talks about Daniel 11, **Daniel 11:32**, the people of Yahweh will be working and doing exploits. It's not a time for fear; it's a time for faith. And Yahweh's people even during this time will be working and bringing people to faith.

Acts 4:32 *The assembly of those men who were believing had but one soul and one mind, and no man among them concerning the possessions that he possessed would say that they were his. Rather, everything that they had was in common.*

Comment: That's the way it is, right? They're not going to have a community of believers and one guy has a bunch of food and somebody else over here is starving, no way.

Acts 4:33-35 *And with great power the apostles were testifying of the resurrection of the Master Yahshua, and great grace was upon them all. And there was no man among them who was lacking, for those who had possessed fields and houses would sell [them] and brought the price of whatever was sold and laid them at the feet of the apostles. And it was distributed to each according as any had need.*

Acts 4:36-37 *And Joseph, the one surnamed Barnabas by the apostles, which being translated is, Son of Comfort, a Levite, a Cypriot by race, a field being his, selling it, he brought the proceeds and placed them at the feet of the apostles.*

So, this is what we're at. It's not the time for hoarding things for yourself. It's the time that if there are some brethren out there who have resources, we need to get them in. I'm getting swamped in the last month from everywhere in the world of brethren in the third world, asking for help where we can put seeds down, where we can build more wells, get more wells, water sources, where we could be growing more food.

Praise Yahweh, like I said, in Kenya, we have a big area there where we can grow a lot now and we're storing it for all the people in that region. But there's a lot of other needs that are still there, a lot of other things we can be planning now because I believe six months a year from now may be too late. We may not be able to. It may be too late for this.

So, if there are brethren there that can help, this is the time really to do it. Community living is a major way that Yahweh can protect His people and supply them with food. And that's why I say **don't leave the camp**. As long as you're in Yahweh's camp, you're protected. Once you leave the camp, you're on your own.

Last scripture, Ezekiel 33. Because there are people that are going to listen and there are people that aren't going to listen. But I do believe that, and I've said this for years, being in Israel that Yahweh set me a watchman from Jerusalem to the nations and to prophesy many of these things. Ezekiel 33 says:

Ezekiel 33:1-4 *And the Word of YAHWEH was to me, saying, Son of man, speak to the sons of your people and say to them: When I bring the sword on it, on a land, and take one man from the people of the land, their borders, and set him for a watchman to them, and when he sees the sword coming on the land, and he blows the ram's horn and warns the people, and the hearer hearing the sound of the ram's horn, and does not take warning, and the sword comes and takes him; his blood will be on his own head.*

Ezekiel 33:5-7 *He heard the sound of the ram's horn and took no warning; his blood shall be on himself. But he who took warning, he shall deliver his soul. But if the watchman sees the sword coming and does not blow the ram's horn, and the people are not warned, and the sword comes and takes a soul from them, he is taken in his iniquity. But I will require his blood from the watchman's hand. And you, son of man, I gave you as a watchman to the house of Israel. And you shall hear the Word from My mouth and warn them from Me.*

So, this is the warning. We see all the warning signs out there. We see what Yahweh is doing. It's a new day. The cloud has moved. The world is turning. And only Yahweh knows the timing. I've come to realize that a while ago, that we don't know this transitional period that's going to go. We have no idea.

But one thing is certain things are moving fast right now. We see that with the swarm of locusts, weather patterns, we already know the millions of people that are already having famine in Africa. And we know the famine is only going to get worse, particularly as the financial situation gets worse.

So I am blowing the horn to the people of Yahweh now and saying, **it's the time to prepare**. You've got to get yourself ready spiritually, of course, first. You've got to get yourself ready. I pray everybody did that at Passover time that just passed.

And now we're in our weekly count to Shavuot. So this is an important time here between Pesach and the forgiveness of sin and taking the leaven out of our life to Shavuot, the giving of the Holy Spirit. So it's a preparation time, these seven weeks that we have between Pesach and Shavuot.

But the time is really here. Like I said, I've been warning making the plans of Joseph's storehouse, helping to build communities, get supplies. But now it's up to the elders and the brethren to take it serious, to plant the harvest, the coordinate exchange programs. This was one of the things we had within our kibbutz's that we wanted to have, where one kibbutz might be growing this and one growing that, and we can exchange. I don't know if that's going to be possible now, but it's a part to it.

And maybe right before I end here, because people always ask about the seven point plan, maybe I could just briefly go over the seven point plan that I sent out a few months ago. Actually sent out the end of the year for the elders and sent out to the brethren back in the end of January.

And basically it's a seven ... a bullet point, seven point plan that I believe every community should put in place starting now to be ready before the coming Shemita. We were planning this before the Shemita. Now we're planning it because of the disasters. But it's basically seven things that make sense.

Number one, water. You have to have water. You can't just rely on city water. You need to have well; you need to have some source of water where you are. Without water, water is life. You'll never survive. Aquaponics system, if possible, that could be great for growing food and also fish. Food dehydrator, so that as you're growing food, you could store food long term with a dehydrator having a vacuum sealer so that if you're even with your grain and whatnot, you don't get bugs and whatnot that you could seal it.

Create a dirt seller. Dirt cellar is a very easy to do. Just dig six, eight feet below the ground and you could store there all kinds of stuff in the dirt cellar. Jarring or canning fruits and vegetables, another great way to preserve.

And number seven, if possible, to acquire small solar panels if you don't have electricity during these times. Even just a small solar panel can help with little lights and whatnot. This is the plan from Joseph's Real Storehouse and the plan that I've been sharing out today.

I pray that Yahweh's people will take the heed and take the warning. As the times are coming ahead, like I said that we're just growing more in faith and getting stronger in our relationship to Yahweh. Because what happens is like it says in **Luke 21:28**, *when you see these things begin to happen, have courage and lift up your heads because your salvation draws near.*

Every single true believer, every believer that has the hope of the resurrection, every believer that fully believes with all his heart, mind and soul of Yahshua coming back to the earth, this should be a happy time. And as much as we see destruction around us on every avenue, it should be a time of joy for us, mixed with sorrow as you see a lot of things going on in the world, but joy for the future that we know Yahweh's Kingdom is coming. Yahweh bless. Shabbat shalom.
