Bible Study – Ezekiel 13

Alrighty, Shabbat Shalom and Shabbat Shalom to everybody who is with us today. Let us start in prayer.

Dear Heavenly Father, we come before Your blessed throne in heaven and we thank You and bless You for another wonderful week of life. We thank You, Father, for allowing us to study Your Word and we thank You for Your Word. What a blessing that word is to us. That Word is life. And Father, we ask Your Spirit to guide and lead us as we study and we pray, Father, for those who need Your prayers this day. We thank You for the great sacrifice of sending Your Son to pay the penalty of our sins and we pray Your kingdom to the earth as is in heaven. We give You all praise and honor and glory. We thank You for Your Sabbath that's drawing on now. In the name of Your Son, Yahshua, we pray. HalleluYah.

Alrighty, praise YAHWEH. This will be our last Bible study for a bit, probably a couple of months, because I will be on the road and be traveling. But I wanted to get one more Bible study in and then later in the summer we will pick up and continue the Bible study until around the end of the Shemita, where I will be traveling once again.

So, praise YAHWEH that this has been a blessed year of visiting the congregations. I look forward to the trip not only to the U.S. that's coming up here, but also to Nicaragua and to be able to see the brethren and give encouragement for the times that we are living in because, wow, you know what's exciting about this? What's exciting about this is, even though there's a lot of evil in the world and, boy, the Bible says it's like not only the days of Lot or the days of Noah, but like both of them.

So, we live through this every day. We know how evil the world is and this is Satan's society. But the good news is that that is almost over now and the kingdom of YAHWEH is on the horizon. So, as His ambassadors, we have to be proclaiming this. We have to be coming out of the system and we have to be getting ready for the work that we'll be doing as soon as Yahshua's feet touch down on the Mount of Olives.

~ World News Update ~

So just a couple of articles here that I will briefly touch on before we get into the Bible study, because it's a pretty big chapter and I want to make sure we get through the whole thing. Okay, the first article here and YAHWEH willing, I hope Sunday, that right before I leave, that I'll be able to send this out. The world news update from these articles that you'll be able to see.

It says **China enters waters off of Vietnam near Russian gas block in worrying escalation**.

China claims it has not violated any exclusive economic zone and operated in its jurisdiction. But we know that in the Chinese see, China is building the islands there and different things and trying to take over the different areas. So, that's all I'll say on this you'll be able to read the article when I send it.

Next and this one is interesting, **The Saudi crown prince revealed his latest vision for Neom, the $1 trillion 'utopian' megacity that critics fear will become a dystopian nightmare**.

So, this is what I talked about when I found...I didn't know about this till I went to Saudi Arabia, that the Saudi crown prince is building a trillion... You know what a trillion dollars is? A trillion dollars is more than almost every gross national product of most countries in the world today. You know, I mean that is a lot of money and that's only the beginning it... it probably would be more than a trillion, but they are building in the desert, where Mount Sinai is.

Where all of these ... where YAHWEH for 3,500 years, can you imagine? 3,500 years He's preserved these carvings of the Israelites. He's preserved the altar that Moses made where they were sacrificing the animals to YAHWEH. He's preserved Mount Sinai. He's preserved Mount Horeb. He's preserved the rock of Horeb. All of these things that have been preserved there and really look … The graveyard where the Israelites were buried, the gravestones are still there and all of these things that have been there for 3,500 years virtually untouched, now they're making it into a, not a city, they're making it into almost like a separate country. So, this is going to be ... if it doesn't destroy the antiquities, it will change dramatically, because it won't be anymore, it's not going to be a desert.

But it says, *In a desert in the arid northwest of Saudi Arabia, plans for a trillion-dollar, futuristic megacity are beginning to take shape.* And they already started this when I was there. That's where a lot of the construction was going on. A matter of fact, there's a paved tarmac road cutting between Mount Sinai, right at the base of Mount Sinai, which used to be nothing but a walking path now is a road that goes through there.

It says, *Neom is the brainchild of Saudi Arabia's crown prince and de facto ruler, Mohammed bin Salman.* The guy who killed that journalist and all this other stuff that this guy has done, not a good guy whatsoever. And it says, *But activists are warning that that rights are being trampled as Saudi Arabia readies parts of the resort to be opened to visitors.* So, there's about 8,000 bedouins that live in that whole area there, which is thousands and thousands of square miles and they're just basically getting rid of these people, killing them, these tribal heads are getting rid of them.

Neom is being billed as a core attraction, and is described on its website as the "world's most ambitious tourism project." The city will be built on 10,200 square miles of desert. 10,200 square miles! They said this project, this whatever they're going to call it, this new state will be the size of Albania. So, that's a pretty big area there and like I said, no matter what happens to the antiquities from Mount Sinai, it'll never be the same place again. They're talking about millions and millions of people coming in there being something for the elite, having skiing in the desert all of this stuff that will be going on there. It's unbelievable. And it got a lot of pictures with this that you'll see when I send this out.

It says, *The main planned residential area of Neom is "The Line," a 130-mile long building tower that cuts through the desert and is described by designers as a horizontal skyscraper.* So, they're going to have like a major city there. It's just going to absolutely destroy it and this is why after all these years, YAHWEH open the door now for us to go down there, for us to be witnesses for this very reason.

Saudi Arabia in May sentenced three men to death from the Howeitat tribe, which traditionally lives on lands earmarked for Neom's development. The cause was that they refused to be evicted from the site. So, because these people lived there for thousands … a matter of fact, this is the way we know everything about Mount Sinai, from these Bedouins that are there. They're the ones that call it the mountain of Moses. They've lived there since the Exodus and because they don't want to be moved or evicted what happened? They get the death sentence.

"Despite being charged with terrorism, they were reportedly arrested for resisting forced evictions in the name of the Neom project and the construction of a 170km linear city called The Line." Which will be in the middle of this 10,000 square foot new state they're building.

The UN alleges that Saudi Arabian officials evicted the tribe from three villages in the area, and despite promises did not compensate them adequately. One man resisting eviction was killed by Saudi special forces, it said in May [2023]. *And experts told Insider that recent deals with China hint at plans for the sweeping surveillance of Neom residents.*

So, we know China has a hundred million cameras all over the place watching everything. They have a picture here showing how every single inch of that place will be watched and monitored and it'll be like that movie the Truman show. It's just unbelievable what's happening here, but sadly... But YAHWEH's in control, right?

So, this is why he has us going there and be witnesses, taking film and video. Most of the time when we go on trips I tell people don't take cameras, don't take pictures, particularly where we are and our places. Don't put this on the internet. But this trip I'll be telling everybody take as much of it as you want to and put it all on the internet, because it's all going to be things that Saudi Arabia is going to try to erase, the Exodus.

Okay, here's another article, came out here just about a day or two ago, it's, **RFK, Robert Kennedy Jr. rips Trump over ties to Big Pharma: 'legalized bribery'**.

And he shows how Donald Trump has a lot of stock in these drug companies, Pfizer, J&J. And we know when Trump was in there, he would honor... he says that he's the one that made that vaccine come out. And I personally know that people have gotten to him, showed him proof of how many people died from the vaccine, how bad it is. And he refuses, because he is filled with pride and he wants to take credit for it. So, he doesn't care. He says he doesn't want to hear it anymore and he's supporting it.

So, I don't know why any believer would support him anyway, being a liar, a rapist, all the things that he's done that are really really evil. Three divorces, cheating on his wife while his last wife... while his youngest son was being born and many many other things that he's done. But this shows it's a very good article where Robert Kennedy Jr. shows some of Trump's officials, Scott Gottlieb and Alex Azar, who was his health official, they are ... their connection to pharmaceutical industries and lobbying for pharmaceutical companies. So, that's just the way it is.

Another one here, **top Chinese scientists concedes that coronavirus may have been leaked from Wuhan lab**. He's not telling us anything new, but now actually one of the top Chinese scientists worldwide, has said, yes, this is most likely the way it's happened.

~ Bible Study ~

So, I think I am going to stop there for now, because we have a lot to do here with the Bible study and we will be going over Ezekiel chapter 13. Chapter 12, I was looking over, it is pretty much a lot of what we've already been going over so I don't think there's a need to really go over 12. But 13 is a very interesting chapter, because it's talking about false prophets.

And I've said this before, when we've been going over Ezekiel, from chapter one, Ezekiel … at least these first 13, 14 chapters and some other parts of Ezekiel are particularly about Israel coming back to the land. It's all about the end time. It's really not about … at this point of when Judah was being taken captive to Babylon, but most of these things when we look at, is talking about the wrath of YAHWEH, the day of YAHWEH.

So, I think it's interesting, because we're living in the time of false prophets and like I said, I believe the TV is the false prophet, because all of these fake news and things. It's not like it was in ancient days. The same way with idolatry, in ancient days, idolatry was maybe somebody carving out a wooden thing of a false deity and bowing down to it. Today it is somebody having a piece of metal that's they call a car or a stereo. That's a form of idolatry that they use.

So, we see that idolatry is idolatry and false prophecy is false prophecy, but it is in a different way and I'll get into that as we go into this chapter here. So, starting in verse 1:

Ezekiel 13:1 *And the Word of YAHWEH was to me,*

It's not the word of g-o-d, it's not the word of Baal, it's the Word of YAHWEH. And we know from *Exodus 3 in verse 15:*

Exodus 3:15 *And Elohim said to Moses again, You shall say this to the sons of Israel,* ***YAHWEH****, the Elohe of your fathers, the Elohe of Abraham, the Elohe of Isaac, and the Elohe of Jacob, has sent me to you.* ***This is My name forever****, and this is how I should be remembered from generation to generation.*

This is My name forever, so whenever I bring this up to people who don't use the sacred name, although they agree the name is YAHWEH and only until the last few years, is people again getting into all kinds of exotic ways to say the tetragrammaton, the four letters. But up until then, everyone has agreed the name is YAHWEH. We have it on inscriptions, we have it on all kinds of things and we know that that's the way that the name is pronounced from the Hebrew, that it's two syllables not three syllables.

Ezekiel 13:1 *And the Word of YAHWEH was to me,*

So again, I'll be getting into this from both sides of false prophets. From the false prophets of the fake news casters out there, who are false prophets. They're telling fake things over and over and over again, but also false prophets in Christianity. There's a lot of them out there that come up with all of these false prophecies.

And even this QAnon stuff that you see out there where all of this crazy stuff about ... when president Trump lost the election to Joe Biden. Which, even though it was fixed, he still lost. I mean, Biden became president, Joe Biden and yet there were people out there with this QAnon movement saying that president Trump is coming back and the army's coming to take them.

And if you read their stuff, Hillary Clinton was actually executed with her husband at Guantanamo Bay and Dick Cheney's daughter, she's all ... she was just killed. I mean, if you read the thing, every other day somebody's getting hung or shot

at Guantanamo Bay, which isn't even really open anymore. It says, about 12 people that are still in there, or 20 people, whatever ...

It is all nonsense. It's all lies and that's part of it. But in Christianity, there's pastors and false prophets out there that believe a lot of this nonsense and they have all these prophecies about America. But right here in Scripture, almost 7,000 times, we see that YAHWEH calls Himself YAHWEH, the Word of YAHWEH. He never uses the word g-o-d for Himself.

So okay, I understand in English, in many Bibles it's been mistranslated, because the Bible was not written in English. I was talking one time to a born-again Christian guy who was trying to say we didn't have to keep the Torah and this stuff and when I was trying to tell him, “Look the Bible was originally written in Hebrew,” he was trying to say the Bible was originally written in English, a language that's only 400 years old or less.

And you can't talk to people like that. People, like today, like I said, people that want to believe that Hillary Clinton was killed at Guantanamo Bay and Nancy Pelosi ... the list goes on and all of these lies. The earth is flat, that's another one that's part of it. People that want to believe these lies, you're never going to get to, because they're already succumbed to Satan and his fake news.

So, the same way if somebody is going to try to argue that the Bible was originally written in English. Come on! It's ridiculous. I understand that in English Bibles they wrongly translated g-o-d in the Bible and people use that word in the Bible, because they think that it's there. But the reality is, the Bible was written, the Tanakh, the first covenant, in Hebrew and the Brit Chadashah, the new covenant, in Aramaic.

And in there there is no g-o-d, except for when Isaiah 65:13 [11] is talking about this false deity, the Babylonian deity called god [Gawd]. So, this is his name, if somebody comes prophesying in the name of god, the Babylonian deity, then we're going to see here that that person is a false prophet, because the Creator would never do that.

He would never come to somebody in the name of a false deity. He would never come to you saying, “I am Baal, because that's all you know, that's all you understand.” So He's coming to you where you're at. Or say, “I am the deity Chemosh.” [1King 11:7] He's not going to do that. He's not ... Like it says in Isaiah [42:8], “I will not give My glory to graven images.” So, He's not going to do that. Isaiah 48 [verses 5-11], He's not going to give His glory the graven images.

So, He will, no matter what a person believes or where they're at or how good their heart is, He will never come to you in the name of a false deity. He just wouldn't do it. He would be lying, because His word says not to use any other name but YAHWEH and not to pray to any other deity in the book of Exodus [23:13], except for YAHWEH.

So, right there you got to throw out these false prophets if they're claiming … Like I said, it's one thing if someone doesn't understand this, but if they are speaking in the first person of the Creator but saying that His name is g-o-d. Well, then they're a false prophet. It's that simple. So, it says:

Ezekiel 13:2 *Son of man, prophesy against the prophets of Israel who prophesy. And say to those who prophesy out of their own heart, Hear the Word of YAHWEH:*

So, *Isaiah 8 in verse 20*, a great scripture to use for Christian pastors that try to do away with the Bible.

Isaiah 8:20 *To the Torah and to the Testimony! If they do not speak according to **this Word**, it is because there is no light to them!*

*S*o, very very clearly, *To the Torah and to the Testimony! If they do not speak according to this Word, it is because there is **no light to them**!* So, it's got to come from the Word of YAHWEH. Deuteronomy 13, let's go to Deuteronomy 13 and see what YAHWEH says about false prophets. *Deuteronomy 13 in verse 1 through 5:*

Deuteronomy 13:1-3 *If a prophet or a dreamer of dreams rises among you, and gives you a sign or a wonder, and the sign or the wonder which he spoke to you occurs, saying, Let us go after other Elohim which you have not known, and let us serve them, you shall not listen to the words of that prophet, or that dreamer of dreams. For YAHWEH your Elohim is testing you, to know if you love YAHWEH your Elohim with all your heart and with all your soul.*

So wow, this is saying, if a false prophet, most of these false prophets … nothing ever comes to pass, they come out with false prophecy after false prophecy and then when it doesn't happen they go to the next false prophecy. And I remember in the 1990's … I know even some Church of God pastors that this was happening to. And you'd see all this stuff about Russian troops in San Diego and they're hiding in a cave. There's 30,000 or 60,000 of them and after like three years of this, I'm like, "Who's feeding these guys?"

You got 60,000 people in a cave, who's feeding them? What are they doing? The equipment ... you can't leave military equipment laying there for years after years. But people don't want to hear the truth and then when it wouldn't happen, when dates would be made up ... "On this date, on July 2nd, martial law is going to be declared by president Clinton" and then it doesn't happen, you think, "Okay, finally now they're going to see that" and they just go to the next lie and the next one and the next one and it's a lying spirit.

It's a lying spirit that comes, but here it is saying if it actually comes true don't even believe it if they're saying something that's against the Torah. So, even if they're doing a lying sign and wonder if it's against the Torah you are not to believe it. So, because YAHWEH is testing us to see if we love Him with all of our heart, mind, soul and strength. Verse 4:

Deuteronomy 13:4-5 *You shall walk after **YAHWEH** your Elohim, and you shall fear **Him**. And you shall keep **His** commandments, and you shall hear **His** voice, and you shall serve **Him**, and you shall cleave to **Him**. And that prophet or that dreamer of dreams shall die, because he has spoken apostasy against YAHWEH your Elohim, who is bringing you out of the land of Egypt, and has redeemed you out of the house of slaves, to drive you out of the way in which YAHWEH your Elohim has commanded you to walk. And you shall put away evil from among your midst.*

And brethren, we need to put away evil now. We're living in such a deceptive, evil time that we have to start putting away evil from us. There's some brethren out there that will meet with other people and again, I've always said, we're not the only true believers. Well, I've never ever said that. I recognize other congregations that YAHWEH's working with, that are particularly through the proper ordination line that I give in the book [The Gates Of Hell Shall Not Prevail Against Her].

But I'm not just talking about brethren going out and meeting with all kinds of different people and going on websites of people who don't use YAHWEH's name and are Sunday keepers and they don't keep the Torah. And you got to be careful, because people that are against YAHWEH's Word or against the ten commandments, they are going to deceive you. You may not think so, but believe me, one way or another they will. *Jeremiah 5, starting in verse 20.*

And I'm not saying that there's nothing worthwhile, that you can't read a book on child rearing of somebody that isn't a sacred name believer or something. What I'm talking about is beliefs, about doctrine. That you cannot go for your doctrine to Sunday people who don't have the doctrine. *Jeremiah 5 in verse 20*:

Jeremiah 5:20-22 *Declare this in the house of Jacob and cry it in Judah, saying, Now hear this, O foolish people, even you without heart, who have eyes and do not see, who have ears and do not hear. Do you not fear Me, declares YAHWEH? Will you not tremble before My face, that I have placed the sand as the limit for the sea by an eternal decree, so that it cannot cross over it? And though they toss themselves, yet they cannot prevail; though its waves roar, yet they cannot cross over it.*

Jeremiah 5:23-25 *But to this people there is a revolting and a rebellious heart; they have turned and are gone. And they do not say in their heart, Let us now fear YAHWEH our Elohim who gives both the former and the latter rain in its season; He keeps for us the appointed weeks of the harvest. Your iniquities have turned away these things, and your sins have withheld good from you.*

Jeremiah 5:26-28 *For among My people are found wicked ones. They lie in wait, as one who sets snares. They set a trap, they catch men. Like a cage full of birds, so their houses are full of treachery. On account of this they have become great and grown rich. They have become fat; they shine. Yes, they pass over the deeds of the evil; they do not judge the cause of the orphan, that they may prosper. And they do not vindicate the right of the needy.*

Jeremiah 5:29-31 *Shall I not visit for these things, declares YAHWEH? Shall not My soul be avenged on such a nation as this? There is an appalling and horrible thing that has happened in the land* ... And we see is in the land of Israel and in America, both places ... *The prophets prophesy falsely, and the priests bear rule by their hands; and My people love it so. And what will you do at the end of it?*

So, we see the same with the rabbis in Israel, we see it with the Christian pastors in America and other places in the world and we see it with the fake news. So, they're all doing the same thing. They're trying to brainwash the people through fake news and fake prophecies that are coming. Verse 3:

Ezekiel 13:3 *So says Adonai YAHWEH, Woe to the foolish prophets who walk after their own spirit and have seen nothing!*

They walk after their own spirit and they've seen nothing. So, they're trying to make things up and a lot of times they're doing it for money, which is even worse. But if we go to Judah, the book of *Judah, verse 3 and 4*. And again, this is another end time book, it says:

Judah 1:3-4 *Having made all haste to write to you about the common salvation, beloved, I had need to write to you to exhort you to contend earnestly for the faith once delivered to the saints. For certain men stole in, those of old having been written before to this condemnation, wicked ones perverting the grace of our Elohim into lasciviousness, and denying the only Sovereign Elohim, and our Master Yahshua Messiah.*

So, lasciviousness is lawlessness, defilement and that's what they've done. There's men that have creeped in to the congregation and they've done this. I saw it even in Church of God. I mean, wow, look what happened after Herbert Armstrong died and Joseph Tkach took over there and totally changed everything; tried to do away with the Sabbath day, the commandments, the holy days, all those things. So, we see this and then verse 4:

Ezekiel 13:4 *O Israel, your prophets are like foxes in the deserts.*

What does He mean? That they're hungry and they're looking for prey. Foxes in the desert haven't eaten much. So, he's hungry and he's looking for prey. That's what Israel's prophets were like and that's the same today. These guys that are out there, all of these millions of ministries out there, who are looking for cash, looking for money, looking to sell books, looking to sell CD's and what happens? This is what we see; they were like foxes in the desert. Verse 5:

Ezekiel 13:5 *You have not gone up into the breaks, nor built a wall around the house of Israel, that it might stand in the battle, in the Day of YAHWEH.*

So, they lie to people instead of preparing them for the judgment to come. That's the biggest thing in this chapter. Which happened then and it does happen the same today. That instead of preparing people for the day of YAHWEH, the tribulation, all these things coming, they lie to them. That it's not going to come.

And even in America, Babylon, you see in the Word how many times is YAHWEH saying in His Word that Babylon will be completely destroyed, the land of Babylon. And yet, I've heard over the years these false prophets say that there will be a place of safety in Babylon, that the remnant will be saved there and there'll be protection. There's not. The Bible literally says not one person will be left. And actually during the day of YAHWEH, in the tribulation, it's actually the headquarters for whom? For Satan the devil. It's the home of every evil spirit during that time.

And wow, I remember 20 years ago in Israel, when it was probably the worst time for terror at that point, we were still living in Jerusalem at the time and at least once a week there'd be a bus being blown up or a terror attack somewhere. And it was just like, wow, you're even walking you were cautious, you're watching it you're seeing … Sometimes even two in a week and this would go on maybe for a month or two and then it would stop for maybe six months and then it happened again.

But today, when you look in Babylon, wow, the shootings are every day. Every single day something is going on. If it's not a shooting, it's something else. I mean the terrorism that's going on there and the mental illness that's going on, it's just so sad to see it. But this is actually what's happening, that we're seeing this. So, but the people are warning them against this. The people are trying to say no it's not going to happen. Verse 6:

Ezekiel 13:6 *They have seen vanity and lying divination, saying, YAHWEH declares! And YAHWEH has not sent them, but they hoped to confirm their word.*

So, it's like the false rapture that's … nowhere in the Bible does it say that Christians will be raptured up to heaven before the wrath of YAHWEH comes and yet, this is what they say. They give this false hope to people and I can't tell you how

many times, when I've been bringing the truth over the years to people witnessing, to Christians and they say, “Well, even if it's true what you're saying, I don't have to worry, because I'm going to be raptured.” Little do they know it's not going to happen. *Jeremiah 23 in verse 31,* says:

Jeremiah 23:31-32 *YAHWEH says, Behold, I am against the prophets who use their tongues and say, He says* ... Talking about YAHWEH. And I literally heard people say, He's saying it without ever using any name of the deity. He says this, He said that, He said this … *YAHWEH says, Behold, I am against those who prophesy false dreams, and tell them, and cause My people to go astray by their lies, and by their foolishness. Yet I did not send them nor command them. And they will not profit this people at all, says YAHWEH.*

So, this is where they were then and this is where we're at now. Verse 7:

Ezekiel 13:7 *Did you not see a vain vision and speak a lying divination? Yet you say, YAHWEH declares, though I have not spoken.*

So, if you want to know what YAHWEH says, look in the Book. And modern day prophets are not like ... they try to act like an ancient Isaiah. Like there was one time when we were in Israel and we met this guy calling himself EliYah, the prophet, when he had one tooth and wild long hair and a little long beard. And they think ... like they watch these Christian movies and they think the prophet out there, “The end of the world is coming. The end of the world is coming.” But these prophets weren't like that.

We look and even like Amos says, I'm not a prophet, I'm a farmer. And most of these prophets were like that. YAHWEH called them to do a job, the same way He's called me to be a pastor and other people. But these people, they're false. They're trying to use ... to act like these fake movies and stuff and they hope to confirm their word, but it's not. And He says:

Ezekiel 13:7 *Did you not see a vain vision and speak a lying divination? Yet you say, YAHWEH declares, though I have not spoken.*

Our note [HRB2021, #1] says: There were many false prophets in these days. Some were false prophets of false deities and some falsely spoke in the name of YAHWEH. There is a similar situation today; many falsely prophesy in the name of the Babylonian deity called “*god*” and others falsely prophesy using the true name of the Creator YAHWEH. No true prophet in Scripture ever used any other personal name for the Creator than YAHWEH.

So it's that simple. Verse 8.

Ezekiel 13:8-9 *So Adonai YAHWEH says this: Because you have spoken vanity and have seen a lie, therefore, behold, I am against you, declares Adonai YAHWEH. And My hand shall be against the prophets who see vanity, and who divine a lie. They shall not be in the council of My people, and they shall not be written in the register of the house of Israel* ... Wow. That's a big punishment ... *and they shall not enter into the land of Israel. And you shall know that I am Adonai YAHWEH.*

So wow. They are actually taken out of the Book of Life. So, this is a really really sad thing. And it says all types of false prophets including those selling the word should not be in the congregation. It's that simple. You know YAHWEH ... freely you receive, freely you give [Mat 10:8].

And like I've always said, people said to me, “Well, if you do that, how will you produce your books? Or this and that?” Well, if YAHWEH wants them, He'll produce the funds for that and if not, then so what. Then we don't produce any books. Now we have everything online. So it's very easy. People could download the Bible. They can download books. It doesn't cost a penny. So, it's that simple. Freely you receive, freely you give. Verse 13.

Ezekiel 13:13 *So Adonai YAHWEH says this: I will even break in My fury with a hurricane type wind. And there shall be a flooding rain in My anger, and hailstones in fury, to consume it.*

So wow. So YAHWEH's talking about bringing, as punishment, hail and storms and heavy rain. It's interesting, not that long ago, I think it was a less than a month before, I was in Saudi Arabia, this actually happened there. And maybe it was because of the punishment of the Neom project. Maybe it was something else. But there was a horrible … and it certainly wasn't a blessing, having hail and storm and things like that that people even died.

So, it certainly wasn't a blessing, but it happened there as part of YAHWEH's judgment. So, we still see this today. *Psalm 148 in verse 8*. Psalm 148 says, fire and hail. Well let me start in verse 7.

Psalm 148:7-8 *Let the sea-monsters and all deeps praise YAHWEH from the earth* ... Right again praising the name of YAHWEH ... *Fire and hail, snow and smoke, stormy wind fulfilling His Word,*

So, I know we've lived in places before, in the mountains, where there would be some really, really bad lightning storms. And wow, you want to see the power of YAHWEH? You could see it in a hurricane. You know you can see it in a tornado. But wow, in lightning storms you also see it and it is nasty when that happens. But this shows YAHWEH's greatness and sometimes His anger like I said. Verse 14. Oh, I think we missed verse 10 here, I'm sorry.

Ezekiel 13:10 *Because, even because they made My people go astray, saying, Peace! and there was no peace. And he builds a wall, and, behold, others smeared it with lime.*

So again, in the days of ... when Ezekiel is writing this, these false prophets were trying to say they weren't going to go to Babylon. That people were going to stay there and there was going to be peace. Today we see, going all the way back to the 1990's to the Oslo [Accords], when they were trying to make peace with the Palestinians with Yasser Arafat, which was not a good move.

And like I said, right after Oslo fell apart, we were living there from that time and we lived there during all the terrorism in Jerusalem. And we saw ... I don't even want to talk about it, what we saw. But it was terrible it was horrible and it certainly was not peace.

And he says they [he] *builds a wall, and, behold, others smeared it with lime*. So, in ancient days, whether it was a cistern or a wall, you had to lime it every year. You had to put lime on it and if you didn't because remember, very little rain happens in the Middle East, the hot sun these walls would get destroyed.

And that's why today, if you go to Israel and many of you hearing this have been there with me, I mean there's thousands of tels that are there, that are just ... a tel is an archaeological ruin that are remained. Very rarely do you see a full wall. You hardly ever see a roof, but very rarely do you see a full wall. You see them some places like Tel Dan where these stones were gigantic stones that they used to build that wall. But most of the walls where they were just using limestone most of those walls collapsed.

Even at the Temple Mount which they call the Temple Mount, which is Fort Antonia, most of those walls were built by Suleiman in the 1500's, the Turkish leader there. So, only on the western wall and a few other spots, part of maybe the southern wall, are some of those stones 2,000 years old. But that's why you had to lime these. Every year you had to lime them, but he's saying that the lime is not going to keep them here. He built a wall and behold others smeared it with lime, but it's going to fall apart. That's basically what he's saying. They're saying peace peace.

Ezekiel 13:11-12 *Say to those plastering with lime, Yea, it will fall. There will be a flooding rain; and you, O hailstones, shall fall, and a tempestuous wind shall break. And, behold, when the wall has fallen, it shall not be said to you, Where is the plaster with which you have smeared?*

So, our note [HRB2021, #3] here says: In ancient times walls had to be plastered yearly with lime to stop rain and mold from eroding the house. Here, the false prophets are telling the people that there will be peace. Elohim uses the analogy of someone plastering with lime that will not stick but fall as Israel will go into captivity and will not be able to plaster their homes.

And you could say the same thing today with the fake news, false prophets. Where for two years, almost three years, they said how the COVID vaccine ... how it worked. And how it stopped transmission and then it didn't stop the transmission. But it stops you from getting sick and then when people got sick. Well, it stops you from dying, then when people died. Well, it wasn't supposed to do those things, it would have been worse [better] without it.

So, you see the same lying, the same fake news that's going on as back then. And what does YAHWEH say? It's not going to hold up and they could put lime on these walls but these walls are going to come crashing down, because they are walls of lies. And that's what they're doing, they're liming their lies, but they're not going to last. Verse 14:

Ezekiel 13:14 *And I will break down the wall that you have plastered with lime and bring it down to the ground; yea, I will bare its base. And it shall fall, and you will be consumed in its midst. And you will know that I am YAHWEH.*

So, we see this around the world with hurricanes and tornadoes and earthquakes. It's prophesied in the end for earthquakes. We just saw an earthquake in Turkey not that long ago, a few months back, that killed I think it was 50,000 people. A lot of people that were killed in that earthquake. So, this is what YAHWEH says. He'll break down the wall and it's not going to hold *and it will be consumed in its midst. And you shall know that I am YAHWEH*. Verse 15:

Ezekiel 13:15 *And I will complete My wrath in the wall, and in those who plastered it with lime. And I will say to you, The wall is not; and, Those who plastered are not.*

So, those lying, trying to preserve the system of Satan, will be punished. It's that simple. And you have to ... this is what they try to say and it's a story. If you tell a lie long enough, then people will believe it. And you know what? That is true and that's why on fake news they keep saying the same lie over and over and people do start believing it. But you know what it doesn't do? It doesn't make it true.

The fact that people keep lying, the same like now with COVID, that they keep lying about it, it doesn't make it true. And the vaccine did kill millions of people and it will kill millions more and it is a really bad unhealthy thing and it and it's not even a vaccine, it's a mRNA technology. So, it's a gene therapy actually. It's not a vaccine.

But again, if they keep telling these lies, unfortunately many people believe it, because they don't love the truth. They're not seeking the truth. And like it says in Thessalonians [2Thes 2:11-12], because they love not the truth, YAHWEH will allow them to be deceived. So, they can't blame anybody but themselves though, because the truth is out there. If anybody wants it, whether it's the Bible, whether it's the doctrine, whether it's the word of YAHWEH, whether it's about Mount Sinai. All these things are there, but people would rather believe the lie than the truth. Verse 16:

Ezekiel 13:16 *The prophets of Israel who are prophesying concerning Jerusalem, and who see visions of peace for her, even there is no peace, declares Adonai YAHWEH.*

Isaiah 48, verse 22. It says:

Isaiah 48:22 *There is no peace, says YAHWEH, to the wicked.*

So, the prophets are prophesying falsely over here in the Bible against Jerusalem. Today it's against the world. *Who see visions of peace for her, even there is no peace, declares Adonai YAHWEH.* So, there is no peace to the wicked, there is no peace to these wicked people and they're evil people and they're bad people and they will get their punishment. There will be a judgment day, there will be the white throne judgment and each person will pay for the things they did. Verse 17:

Ezekiel 13:17-18 *And you, son of man, set your face against the daughters of your people who prophesy out of their heart, and prophesy against them, and say, So says Adonai YAHWEH: Woe to those sewing amulets to all joints of my hands, and make long veils for the head of every man of stature, to hunt souls! Will you hunt the souls of My people, and will you save alive the souls for yourselves?*

So, what is He talking about here? And our study note [HRB2021, #4] says: Referring to women using the occult to curse the innocent and bless those doing evil. All such practices are condemned by the Torah.

So yes, part of this is occultism and they're actually giving these caps to people to supposedly protect them from the falsehoods that they're talking about. But it's interesting, when people graduate from school, at least in the states, I don't know if this is worldwide, they actually wear these kind of caps. And these are actually pagan caps, it's the same thing. They come from paganism. Supposedly, they give people knowledge, they're there for knowledge, but this is what they were doing there. They were harming the people, for them believing these lies. They were giving them things to make them believe that they were smarter.

But it's interesting when you look at COVID, if we compare it to today, it was the same kind of things. If you didn't get vaccinated; you were getting fired, losing your job. But if you were getting vaccinated, you were getting promotions and more money and put on a pedestal. So, we see in verse 19, comes into play a lot with that. It says:

Ezekiel 13:19 *And will you profane Me among My people for handfuls of barley, and for bits of bread, to cause to die the souls that should not die, and to save alive the souls that should not live, by your lying to My people who listen to lies?*

And unfortunately, there were even some believers that took the vaccine and died, because they didn't want to lose a job or they didn't want to … not like here it says, *will you profane Me among My people for handfuls of barley, and for bits of bread, to cause to die the souls that should not die.* And I know it wasn't everywhere, but I know where we were, you couldn't even go to the supermarket unless you took that vaccine.

So, that's what it's saying, are you going to profane YAHWEH for a little bit of food? Are you going to take something that you know is destructive to your body and maybe kill you? And some people died because of that and He says, *to cause to die the souls that should not*. And they shouldn't have died, but they took the vaccine and they did. A*nd to save alive the souls that should not live, by your lying to My people who listen to lies.* Wow and that's all it was for three years and even up until now, they're still lying about it.

They're still saying that the vaccine is helpful and this and that. It's nothing but poison. It causes the spike protein in the body, which is the poison. And the spike protein cause all kinds of things, like myocarditis, the swelling of the heart and swelling of the brain and strokes and all other kinds of things that come from this. And it's just interesting that although, this is written for Jerusalem and things happening there, I think, like I said, because it is end time scriptures, this really fits to what would happen with the vaccine. Verse 20:

Ezekiel 13:20-21 *So Adonai YAHWEH says this: Behold, I am against your amulets with which you are hunting the souls there, to make them fly. And I will tear them from your arms, and will send out the souls, souls which you are hunting, to make them fly. Also I will tear your long veils and deliver My people out of your hand. And they shall not again be in your hand to be hunted. And you shall know that I am YAHWEH.*

So, very clearly, because I know during the whole thing when the lockdowns were there and all of these things, people couldn't travel. Like I said, sometimes couldn't even buy food, people would write me and they'd contact me and what are we going to do? How are we going to survive? And right here, like He says, YAHWEH will take care of them.

And these false prophets and these false, fake newscasters and all the people that are behind all this stuff, to deceive the people. YAHWEH says He will tear away the veils. Because what is the veil? The veil is covering something and He'll tear it away that people will see. Meaning, He's going to reveal the truth and He's going to deliver His people.

And praise YAHWEH, out of the tens and tens of thousands of people that we have in our congregation, I only heard stories of a few people that took the vaccine and those people were people that really weren't even part of us. They might have been people that indirectly were connected to us, but most of our people, especially people living in the communities and our international brethren, nobody took it. And I hear stories as I travel, everywhere I go, that some of the people that were part of Church of God or some of the other groups, even some sacred name groups, that took the vaccine, some did die.

So, unfortunately YAHWEH says that He will be the one to deliver us. And this is only the beginning. That was only the trial run. So now, we're coming up to the digital currency that's starting next month. It's only the beginning of it, but who knows how quick it will go before the mark comes? But now that that digital currency is being used by the Federal Reserve Bank and in Europe and other places around the world, its coming quick.

So, the test one was COVID and the next one is going to be the big one, because you won't be able to get money in a bank, you won't be able to work and have money transferred. We're going to have to go either on a total barter system or you're going to have to have those supplies that you need there. And there will be some places where YAHWEH will rain manna down again and have water come out of the rock again. So, this is where we have to trust in Him. But the key is, we can't compromise and we definitely shouldn't be listening even to a word of these false prophets and this fake news nonsense. Verse 22:

Ezekiel 13:22-23 *Because you have saddened the heart of the righteous with lies, and I have not pained him, and you have made the hands of the wicked strong, so that he should not turn from his evil way, to keep him alive. So you shall not see vanity, and you shall not divine any divination. And I will deliver My people out of your hand. And you shall know that I am YAHWEH.*

So, YAHWEH will expose the false prophets in the end, just like He's doing. And I thank YAHWEH for COVID, because let me tell you something, I've known about the world government. For more than 30 years I've known about world government and until COVID, I never realized two things. I never realized how much control the pharmaceutical companies have in the corporations in Babylon and I never realized how much control the World Economic Forum and Klaus Schwab has.

So, those were two things that were a blessing to me, that YAHWEH opened my eyes to. Because I thought it was mostly these politicians who are the puppets, but it's not the politicians, it's the money people, It's the World Economic Forum with Klaus Schwab and was started by Henry Kissinger, who's like 100 years old now, but still kicking there. Who knows what they're doing with him? Maybe they … I don't know what they're giving him to keep him going, but they have.

These people and the corporations... I knew the corporations lobbied, I knew their money, but I didn't realize how much the corporations, Pfizer and J&J and Astrazeneca and all these ones, that were producing these vaccines. They were the ones calling the shots during COVID, not the doctors. And the doctors are like the politicians, they're puppets. They follow along, they don't want to lose their jobs, they're afraid of not having money.

That's why I say, you better come out of that system now, because if you don't come out now, who knows how long it's going to take for this digital currency that it's here to be fully implemented? Where you're not going to be able to buy and sell without taking that, mark that chip or whatever they're going to use to do it. But once July starts and we see this digital currency being used by banks, credit card companies and all this stuff. It's going to go quick. It's going to go really quick. So, we need to make sure that we're coming out of that system, because I can guarantee you, you will not survive in that system. And right here it says it, YAHWEH will take care of His people.

Ezekiel 13:23b *And I will deliver My people out of your hand. And you shall know that I am YAHWEH.*

So, it's YAHWEH that's going to deliver His people and YAHWEH is the one that we have to trust. And He's the one that we have to rely on, not commercial Babylon, which is all over the world now. You have the daughter of Babylon, which is United States, end time Babylon, but you also have commercial Babylon, which is the system that they've created that they brought all over the world and that system is very close to getting destroyed.

We see now that there's a new currency that's already started against the euro dollar that has been the world reserve currency for the last 75 years, not anymore now as it's falling apart. Only about 50 something percent of world reserve currencies used by euro dollar, used to be 94 percent. We see the Brit [BRIC]countries with Russia and China and South Africa and Brazil and India, we see countries joining them. We see the new currency they're getting and everything is moving really really fast.

So, you could put your head in the sand like an ostrich and wind up thinking, just hoping, oh it's never going to come back again, but I'm telling you, thank YAHWEH for COVID. COVID opened up our eyes and you never think we're going back, because Klaus Schwab said it, “There are people out there thinking we're going back to the old system. This is fantasy.” Because they have control and president Trump isn't going to save the world with all this fake QAnon stuff. It's nonsense.

You know who's going to save the world? Yahshua Messiah. He is going to save the world, but there's going to be a lot of hell to pay before that happens, because of everything that's going on. And YAHWEH has got to allow it to work out now. He's got to show humanity that this is what happens when you reject Him. This is what happens when you make Satan the god of your world and you're part of his society. It's never going to turn out good. So, we got one thing we can do, come out of that. Come out of that and be separate.

So, I thought this was a good chapter to go over. It's been a long time since we really talked about false prophets, but with everything going on today with the news and with TV and internet, we really have to see how television and all of the fake news ... Man, I think that's even more of the part of the false prophet in the end. And even pastors that are part of the false prophet, because they're affecting people all over the world, these false prophets.

So, praise YAHWEH and like I said, we will not be having the Bible study for a while, till later in the summer when I am back. And I hope everybody has a blessed Shabbat. So, be well, be praying for me on my trips. I will be updating everybody as we go along. And YAHWEH bless. Shabbat Shalom.
