

Transcription – The Foolishness of Man

Okay, Chag Semeach again! The message today is called, *The Foolishness of Man ... The Foolishness of Man*. I would like to start in Proverbs (**Psalms**) the second chapter ... he says:

Psalm 2:1-5 *Why have the nations raged and the peoples are meditating on emptiness? The kings of the earth have placed themselves; yea, the rulers have plotted against YAHWEH and His Messiah, saying, We will break their bands in two, and throw off their cords from us. He who sits in the heavens shall laugh; YAHWEH will mock at them. Then He will speak to them in His anger, and in His wrath He will terrify them.*

So we're living the fulfillment of this, right? This is what happened, mankind and the kings of the earth they've been planning for this, whatever they want to call it but before it was New World Order, now it's the Great Reset, and planning for global government for actually thousands of years; which **specifically this plan** has been from the beginning of World War 1 and World War 2. They're planning to create a new world without Elohim but with nature to be worshipped instead of Yahweh. They work on developing an educational system for a long time since the 1920's to indoctrinate our children in a false educational system and indoctrinate all youth with this communistic thinking in almost all public schools and colleges.

And I had a video that I don't think we'll have time to watch but it's called, *Indoctrination*. I don't know if anybody has ever seen it where this man in America he got this school bus and he went around America and was exposing the public schools system; but if you have it, it's an interesting video. And it's in all public schools, colleges, everywhere, now to really the *umph* degree. And it started though with the paradigm and the premise that Yahweh didn't create the world in six literal days and rest on the seventh day as stated in Scripture; and that He does not even exist. Part of the video we'll watch tonight is one clip from the *Genesis is History*; it's a clip on carbon dating that's pretty neat that I put in there also that will be in that video. But I think that's a great series to watch. You can get it on the internet for free even though they sell the video. It's called, *Is Genesis History?* And it's really, really good. It's one of the best I've seen because it's very interesting in explaining why the creation account is provable. Why it's scientific fact. And they talk to many, many different scientists and all kinds of people that are experts in the field proving Yahweh's existence.

And this is why I believe Sabbath-keeping is vital; as it proves Yahweh's creation. Because from creation there's always been somebody keeping every seventh day in honor of Yahweh's creation. So they've tried to indoctrinate our children with evil-lution and lies for the last hundred years or more; and even though science over the last thirty to fifty years through DNA and archaeology has proved it false. And they just ignore ... they ignore the science but we're seeing the same thing with Covid. They're ignoring the science and they're just creating a new narrative. And the fact is there has **never been** a crossing over of DNA from one species to another, period. Not just human beings but **any species**. Yahweh made at creation, He made each species of their own kind and there is **never** ... so you don't just need a missing link with human. There's a missing link with **every species**. There is **no species** on earth that you ever see a crossing over of DNA, period.

So I just want to read you a paper here by Steve Collins – *The Complexity of DNA Proves a Creator is Real*. And it's interesting I didn't know we'd be watching this video tonight on the same. It's just like everything Yahweh is putting together for this Feast is great. But it says:

The instructions imprinted into DNA are responsible for how every cell develops and functions throughout its existence. DNA, which contains the "blueprint" for all living things, is incredibly complex. Indeed, I don't think we appreciate just how phenomenally complex and intricate it is. "If unraveled, the DNA in all the cells in your body

would stretch 10 billion miles ... your DNA, just your DNA would stretch 10 billion miles ... from here to Pluto and back.”

*That’s ten billion miles of DNA “instructions” hard-wired into a single human body to integrate and perform all of its myriad of interrelated systems and functions! And the evolutionists would have us believe that 10 billion miles of DNA **just randomly formed** over eons so a single human body could develop and function as a human body? ... right? It’s absolutely absurd. And if just one code of that 10 billion was off not one organ in your body would work. So it’s not just that part of it would work, **nothing would work** if just one code was off.*

So seriously, how can any advocate of evolution not be laughed at out of any classroom or forum anywhere in the scientific world? And that 10 billion of miles of DNA coding is just for one human being. Multiply that 10,000,000,000 miles of DNA per human being by over 8,000,000,000 people on the earth. Then multiply that total figure by all the DNA in the species of animals, birds, fish, reptiles, amphibians, insects, plants, now living on the earth. How many billions and trillions of miles of DNA does that add to the total of the DNA “instructions” found throughout all the living things on the earth? If we attempted that calculation, we would begin to run out of zeros to describe the total DNA in all the living things on earth right now.

And yet we are to believe that all this incredibly complex and huge design-work to make DNA just happened by accidentally ... random, by random chance, as evolutionists maintain. Just like an aircraft carrier accidentally forms itself on a boatyard dock “over time” without any blueprints or outside human intelligence acting on it to build it. Or how a 100 story skyscraper, with all its many integral support systems, just randomly forms itself on a city block without any engineering blueprints or intelligent forethought.

Or how a supercomputer just accidentally comes into existence in a room without any blueprints or anyone building it. The most powerful computer can have more than seven billion transistors – one computer. Could they just form on their own? How can aircraft carrier, skyscrapers and super computers all come into existence without any engineering blueprints or outside intelligence building them? They can’t!

And yet they have to be able to come into existence by random chance for evolution to have any chance to being believable ... right? Because it wouldn’t just happen with humans if there is a design, creative design. It would have to happen with everything ... None of these three large objects have made the jump from “non-living” to “living” creatures. Evolutionary theory always says in the primordial past that there was a time when there was no living thing on the earth, so complex non-living things must come into existence on their own if evolution can ever “jump” from non-living things to living creatures—a far greater feat ... Someone needs more faith to believe in evolution than creation.

So I mean, my uncle who was a very simple man, he used to love the mountains. Matter of fact it was his mountain that I first learned of the truth of Yahweh and he used to have a saying, he used to say: they’re so smart, they’re stupid. This was a man that didn’t graduate High School but he knew how to do a lot of things; and I always remember that: they’re so smart, they’re stupid.

And really you think how on earth that somebody, these scientists, how could they know all these things and they can’t figure this out? That when you’re looking at and they know it though! DNA is something we’ve only known not that long. But you know through DNA it actually proves that there’s no way that there could ever be evolution, but it doesn’t matter. They’re not doing it because it’s true. They’re not doing it because they’re looking to expand. They’re doing it because of the evil plan they have that these evil people want to create a utopia without Yahweh. They want to be their own g-o-ds. It isn’t going to work! Psalm 53 in verse 1:

Psalm 53:1-4 *To the Chief musician on Mahalath. A Contemplation; A Psalm of David ... so this is King David who's writing this, he says ... The fool has said in his heart, There is no Elohim! They have done corruptly; they have committed abominable wickedness; there is none doing good! Elohim looked down from Heaven on the sons of mankind, to see if there was any discerning, who was seeking Elohim: Everyone has turned aside, together they are corrupted, **not one is doing good, not even one!** Have the workers of evil not known, eating up My people as they eat bread? They have not called on Elohim.*

So this is what it is, the fool has said in his heart there is no Elohim and that's why I call this, *The Foolishness of Man* because he really is foolish. If we go to Isaiah 40 ... Isaiah 40 because when you **really think**, you think of ... I mean the human mind is pretty complex, right? And even the smartest people in the world, the Albert Einstein's and the smartest people, that most they're using is four or five percent of the human brain. So we haven't even come anywhere near our capacity. But **even at that**, that's not even one zillion of one percent of Yahweh's potential. I mean because everything that's here, not only didn't just happen, it was planned by Him. You know to put all that together just in one human body, can you think how smart Yahweh has to be, how intricate it has to be? And that's just in one aspect of it!

Then when you look at the fish and all the things for making food and the cross pollination and if the bee doesn't come and cross pollinate on the flower than the apples are going to and all these things that He created in every aspect of life. And even create the things do it. He created the bees and He created the way they are. He created those plants and He created the flowers; it is amazing! It's absolutely amazing to think He created all for us. He didn't just create it to create it. He created it for our enjoyment and that's why there's not one flower, there's not one color. There's not one fruit tree. He created everything with variety. The same way He created human beings for variety. And at creation there wasn't just two humans or one human, because Eve came from Adam, but He created multiple humans in different areas with different cultures.

And that's why they're trying to tear that apart, right? They don't want the culture of Africa and the culture of South America and the culture ... they want everyone to be generic because they want to take away the beauty of Yahweh's creation in everything and everything that we see. And that's why He calls them fools! And He laughs in the Heavens as if they're going to win over Him! And then you watch some of these videos with people like Bill Gates and it's like, wow, it's not even close you know, this thing! That actually gives me faith listening to him for just 30 seconds! It gives me faith that these people they are fools. They're not smart on what they're doing and they're not going to win. Isaiah 40 in verse 12 ... this is Yahweh's answer to them:

Isaiah 40:12 *who has measured in His hand the waters and the heavens by a span meted out; and enclosed in the measure the dust of the earth, and weighed in the balance the mountains, and the hills in the scales.*

Comment: Because of gravity and all these things, right? He **literally** had to do all these things and the mountains and put them in certain places and the heights of things and the atmosphere, as you get higher the oxygen levels get less. And **all of these things** that He balanced the earth and the scales like that, right?

Isaiah 40:13-15 *who has meted out the Spirit of YAHWEH, or a man His counsel taught Him? ... what man was there telling Him do this and do that ... With whom did He take counsel, and who trained Him and taught Him in the path of justice; and taught Him knowledge, and made known to Him the way of discernment? Lo, **nations are as a drop from a bucket**, and are reckoned as dust of the scales. Lo, He takes up coasts as a little thing.*

All the nations put together, all the people put together are one drop of spit in the bucket to Yahweh. I love it that Yahweh is so plain when it comes to things. You read the book of Job and it's the same thing because here it is Job is a good person but self-righteousness. And then when Yahweh is telling him, "Do you there when I'm doing this?" They

don't realize this ... wow ... I have to repent! Yahweh YOU are everything and I am nothing ... I repent with dust and ashes ... drop down to verse 17:

Isaiah 40:17-18 *All the nations are as nothing before Him; to Him they are reckoned less than nothing and emptiness. And to whom will you liken El? Or what likeness will you array to Him? ... Drop down to verse 21 ...*

Isaiah 40:21-25 *Have you not known? Have you not heard? Was it not told to you from the beginning? Did you not discern from the foundations of the earth? He who sits on the circle of the earth ... right, it's not a flat earth ... even those living in it are like grasshoppers ... so He's watching up there and we're like little grasshoppers that are coming ... He who stretches the heavens like a curtain, and spreads them like a tent to live in; who brings princes into nothing. He makes judges of the earth as nothing. Yea, they shall not be planted; yea, they are not sown; yea, their stem is not taking root in the earth. And He shall also blow on them, and they shall wither, and the whirlwind shall lift them up like stubble and take them away. To whom then will you compare Me, or am I equaled, says the Holy One?*

So you look at the greatness of Yahweh. And you know what people say sometimes? And even the atheists they say, "Well, if Yahweh would just show Himself. If He would just prove Himself He's real, which He does through the creation as we'll see in a minute. But they say, "If He would just do that then we'd all believe." Right? Well He did ... He did. He came to earth, Yahweh the Son, in the form of a human being. He was born from a womb. He lived as a baby, did all these things for thirty some odd years and what did we do? He did the miracles. He proved who He was. Nobody can direct the wind and the atmosphere. He healed the sick. He did everything that the Bible said. You know how you'll know the Messiah? He'll heal a leper from birth. He'll heal someone blind from birth. He'll heal a cripple from birth. The Word of Yahweh and He did it!

So all the Rabbi's they all knew who He was and He came only to give us life. And what was the answer of mankind? *We have to kill Him ... we have to kill Him because if He continues to do this* and this was right after He raises Lazarus. He raises someone from the dead and gives hope that not even death can conquer us! And these are the religious leaders that say, *if we don't get rid of Him we're going to lose our position.* I mean do you read that? Do you really understand that? And then look today, how can you have any respect for these religious leaders? They're the same way. They want money; they want power, that's it. They don't want Yahweh. But after He raises someone from that you would think they would be praising Yahweh and saying, *You know what we made a mistake. We might have been wrong but we got to praise Yahweh.* But no, they're plotting when they know it ... they're plotting when they know it. When Nicodemus comes to Yahshua by night and he's a Pharisee, what does he say? "We know You come from Elohim. Nobody could do these things unless He does." They knew it and their answer was *let's kill Him ... let's kill Him because we'll lose our position.*

And this is why I say unless you understand **all of us** our human nature, each of us, there's **none that's good. There's none that's following Yahweh.** And it's only by His mercy and His grace that we're sitting in this room. It's not by our goodness. Unless you come to that conclusion you will never come to faith. Like I said the average person out there they think they're a good person that may do a few things wrong. The reality is the opposite. We're **evil** people that possibly could do something right. And even then a lot of times it's for the wrong reasons. People want recognition. They want a wing in a hospital named after them. But this is Yahweh – how much higher He is than we are, how much higher He is than we are. And the foolishness of man that they actually think they're going to beat Him in the end. The Tower of Babel and here we are trying to get up to the heavens, trying to get up to planets. We're going to colonize the space. And Yahweh is sitting up there laughing. He's sitting up there laughing because in the end, and we're living in that time, we're going to see it's going to end in disaster.

Romans 1 in verse 17 and you know the saddest part is it doesn't have to be that way it doesn't have to be that way. That you know, Yahweh in His infinite wisdom He could have looked at the earth and said, wow, okay let's go to plan B ... this just isn't working out. And even like He said with Moses, Let Me wipe them out and I'll give a greater nation to you. But Yahweh is a Redeemer. He's a Restorer and praise Yahweh for that. Because when you look at mankind, you look at the evilness that happened at the time of the flood and you look like He says **every thought**, not just action, **every thought of the imagination of mankind was only evil continuously!** And He had to bring the flood but praise Yahweh for Noah.

And that's why I say it only takes one person. That **you can't control the reaction but you can control your choice!** And it only takes one Noah, one Abraham, one Moses. It just takes **one person** to stand in that gap and say, Not me ... not me! Like the Waldenses when the Catholic Church wrote them and said, "Look we don't want to harm you. All you have to do is come and put your babies in the water and that's it. We'll let you go." And they said, "We can't control what you're going to do to us. And we don't know Yahweh may do a miracle and save us or He may not but this is certain, we will not bow to you for a second. No, no compromise period!"

And the Romans came in and slaughtered them and the history says some people say it was sixty thousand, some say twenty-three thousand but they all died ... they all died. And the next waking moment they'll remember is one minute they were standing for truth and now they're in the Kingdom and wow what a reward those people will get because we're not the foolish ones. It's the ones who don't believe. That's the fool. And Yahweh is up there, there's no doubt about it. He's shown us enough proof. And when you look at Romans 1 verse 17:

Romans 1:17a *for in it the righteousness of YAHWEH is revealed from **faith to faith**.*

Comment: And all that is, is just believing in Him. There's nothing more to it. But **belief is a verb; it's an action**. Faith is an action and if you believe, it's not that we're just going to sit here in theory and say it. It means that your life is going to show it. And you're going to make those hard decisions no matter what because we know everything here is temporal anyway. There's not a thing in this earth that isn't going to be burned up when the new heavens and the new earth come. So there's **nothing** we're trying to hold onto here but we're looking for that eternal Kingdom that's coming.

Romans 1:17-19 *for in it the righteousness of YAHWEH is revealed from faith to faith even as it has been written, "But the just shall live by faith." ... It comes from **Habakkuk 2:4** ... For the wrath of Elohim from heaven is revealed against all the iniquity and wickedness of men, who unjustly suppress the truth. Because the thing known of Elohim is clearly known within them, for YAHWEH revealed it to them.*

Comment: And these people know. They know that Yahweh exists. I had the Rabbis tell me over and over they know that Yahshua is the Messiah. They just don't want to lose their position. They know it! They know that He's the Messiah because He fulfilled everything and that's why they tell their people, don't read the New Testament; it's this, it's this, it's this. The only reason they're telling them that is because they **know**. And one of the Rabbis that knew that came to faith, that's what he said. He said, "I read this." And I'm like this isn't anti-semitic, this is everything I've been taught. They're telling me when the Messiah comes you know how we'll know? He'll do this, this, and this. And I'm reading this and it's everything Yahshua did. And that they tortured that person and they persecuted him. They burned his house down. So man is evil. It's mankind that's evil, not Elohim.

Romans 1:18-20 *For the wrath of Elohim from heaven is revealed against all the iniquity and wickedness of men, who unjustly suppress the truth. Because the thing known of Elohim is clearly known within them, for YAHWEH revealed it to them. For, from the foundations of the world, the invisible things of Elohim are clearly seen and understood, in the things He created, even His eternal power and divinity; so that they might be without excuse.*

So if there's no Creator how are there trees out there? How are there rocks? How are there fish? How are there birds? How is their life? How are there us? How did all this come from nothing? And I think a child could see if we had some dynamite and we put some things together and blew up the dynamite that an explosion wouldn't bring water. That all of a sudden when you blew that up you wouldn't have a car or a computer or something come out of there for nothing. And if it came from nothing, well what blew up? How could nothing blow up?

Like it's so stupid it doesn't even make sense. It's so ridiculous and yet that's the mandate taught in schools and they will not even consider it. It's a paradigm. They will not even consider the creation account because it has nothing to do with truth. It has nothing to do with science. It has nothing to do with what can be proved. It has to do with a satanic plan of the god of this world, satan himself, not wanting people to know about Yahweh. It's that simple. Because science isn't our ... we don't have to fear science. Science basically was made by Yahweh. And science actually proves He exists. Covid the same thing, follow science and you will realize where you're going and where you're not going.

Romans 1:20-25 *For, from the foundations of the world, the invisible things of Elohim are clearly seen and understood, in the things He created, even His eternal power and divinity; so that they might be without excuse because they knew YAHWEH, and **did not glorify Him** and give thanks to Him as Elohim, but became **vain in their imaginations**, and their unwise heart was darkened. Professing to be wise, they became as fools ... Or in my uncle's words – they're so smart, they're stupid ... and changed the glory of the incorruptible Elohim into a likeness of an image of a corruptible man, and of birds, and four-footed animals, and creeping things ... right, evil-lution ... Because of this, YAHWEH gave them up to filthy lusts of their heart, and their bodies to be dishonored among themselves, who changed the truth of Elohim into the lie, and worshiped and served the created things more than the Creator, who is blessed forever. Amen.*

Comment: So you know it's interesting that even Isaiah it says that, like the guy comes in the woods and he cuts this tree and part of the tree he's carving into an idol and he's over here bowing down and bowing down to this idol that he created. And with the part he's making a fire and cooking food. And he can't see it's the same tree, same tree that he's cooking the food on; it's the same tree that he made into the idol? It's so stupid! It's so ridiculous but it's because they don't want to admit that Yahweh exists only because they don't want to have to honor Him; because they don't want to have to be obedient. And like I said I dealt with many, many atheists and I always tell them that *you're not that stupid, nobody is ... nobody is*. The proof is clear; it's not that there's no proof. The thing is if you admit there's a Creator then that means you going to have accountability to listen to what He says. And that's what they don't want.

Romans 1:25-27 *So changed the truth of Elohim into the lie, and worshiped and served the created things more than the Creator, who is blessed forever. Because of this, YAHWEH gave them up to dishonorable passions, for even their females changed the natural use of their sex to that contrary to nature. And so also their males forsook the use of females, which is natural, and burned with lust toward one another, male with male, they did what is shameful, and received on themselves the just recompense of their error.*

The only that is kept mankind on this earth for 6000 years is the family structure. That's the only thing that has kept some assemblance to this earth. And if you take that family structure away with a man and a woman and having children and having a family, what are you left with? And that is what is happening today. Mankind cannot last even one generation without the family structure. And that's why for almost 6000 years whether it's in China or it's in America, or it's in Russia; it doesn't matter whether you are atheist, what you believe – everyone has gotten married for 6000 years, right? Why would they do it? Why would we have to do that? Why would they have to, a man and a woman, go before a judge and take the vow ... why? Because **Yahweh knew without that** you couldn't survive. Now we're seeing they're not doing it, right?

Even in US there's more people cohabitating than getting married. And what's happening? Man with man, woman with woman, but it doesn't stop there. Now you have cross dressers, you have people that are all these things. They're tri-this and bi-this and quad-this and I mean they're coming up with all kinds of stuff; the evils that are going on, even with animals, with this. And even for the fact that Yahweh has put commands not to have sexual relations with an animal. You would think that would be pretty evident! But the fact that He has to command it shows it wasn't that evident! That **people are evil without the Spirit of Yahweh.**

There is no such thing as evil in the Kingdom of Yahweh, how do explain evil when people only know good when people would only think to love and to care and to help? You couldn't explain it because **it doesn't exist**; it's only there when good is absent, when holiness, righteousness is absent. When Yahweh's presence is absent it gives the opportunity. Because think about it, if there's not an opposite of something, like if you couldn't have an opposite of good, then what does good really mean? **You have to have an opposite of everything** even if it's just in theory or you can't define something. How do you define white if you don't have a black? And that's all it is, like I always say darkness is just the absence of light; evil is just the absence of good and we see it. But without it man does it get bad. It gets bad because it's not simply the absence of good but it's the presence of satan to magnify it. So this is what happens if the family structure's down.

Romans 1:28-30 *And as they did not determine within themselves to know Elohim, YAHWEH has given them over to a vain mind; that they might do what they ought not, having been filled with all unrighteousness, fornication, iniquity, covetousness, malice, being full of envy, murder, quarrels, deceit, evil habits, becoming whisperers (gossipers), slanderers, haters of Elohim, insolent, proud, braggarts, inventors of evil things, weak minded, disobedient to parents.*

You know when we saw that film, creators of evil things, why you can't imagine and you think to yourselves, with the ability that some of these people had that they could have used it to make the cure cancer, to help handicap children and instead they're making it for every kind of evil thing to control people. Albert Einstein said one time, because when he created the splitting of the atom which he thought they were going to be used for all kinds of good and medicine and helping mankind, and when he found out they were using it for nuclear weapons, he was distraught. He said he would have never done it if he'd known that. And he said, "I don't know what weapons are going to be used in WW3" he said, "but WW4 will fought with sticks and stones."

So can you imagine you come up with this wonderful thing that has never been known before that you're able to understand how to separate energy and how to make things that could be helping all around the world; that maybe you don't even need electricity. You could be helping people with hospitals, against sicknesses. And mankind uses it to make a weapon that can destroy every man, woman and child from the planet. How **evil mankind is**, that's his thoughts. His thoughts are not thoughts of life; they're thoughts of death sadly. So we see all these things he says ... verse 31:

Romans 1:31-32 *without discernment, covenant breakers, without natural affection, unforgiving, unmerciful, who knowing the righteous judgment of YAHWEH, that those **practicing such things** He condemns to death, not only do they do them, but they also **associate** with those who practice them.*

Right, **bad communications ruin good habits** and that's what it is; **like people like, like things**. And like I said you could have a room of 300 people there and like spirits will find each other. There are two gossipers, they'll come together. If there are two alcoholics, they'll come together. If there are two lustful people, they'll come together. They'll find each other because not only are they doing it but **they are associating with people who do the same things**. And that's why we have to look at our associations and say it, why am I associating with this person? We might say we're there to help them with this and that but it might be because we have some of that in ourselves. It might be that way and we have to look in our hearts if we really want to change and see it because you are going to become like the people you're with.

And if you're with people that aren't conducive to your spiritual life you got to look out. Isaiah 3 in verse 12 and 13 ... Isaiah 3 in verse 12 and 13 because once you break down the family, like I said there's nothing left. The family structure is what keeps generation going to generation and look at the result:

Isaiah 3:12-13 *As for My people, **children are their oppressors, and women rule over him.** Oh My people, those leading you cause you to go astray, and they swallow the way of your paths. YAHWEH stands up to plead His cause, and stands up to judge the people.*

Children are your oppressors and women rule over you and wow, do we have a problem today with child rearing. Wow, do we have a problem with these kids in the world. You are looking at this ... you're looking at 10 year olds going and shooting up people going to schools. But it's interesting too where he says with women who rule over them. And I think back to when President Trump won the election in 2016 and I think it was 2017 when he was having like his inaugural address before the Congress; and they had more women in the United States that were voted to Congress that time than ever before and they all sat in one section; it was like 50 of them and they were all democrats.

And they were all wearing these white dresses. And that's great ... you know what ... if from a worldly standpoint they're looking at this that's great but what **really, really, really bothered** me is that every time it was something that was **bad** they would get up and clap and clap and clap for all the evil stuff. But when President Trump mentioned about stopping partial birth abortion, a nine month baby, a nine month being born and they're killing it as it's coming out of the birth canal, not one of those sick, hypocrite women. Not one of them stood up for that! They all sat there like this. Women ... women, that the fruit of your womb that they sit there. These hypocrites that they are, not one of them ... not one of them will stand up for the life of the unborn child, as a woman ... as a woman. How sad. How sad that is!

And this is the world we're living in. It's really not the foolishness of man; it's the foolishness of humans. I don't know all the terms you can say anymore because I'm not in the politically correct crowd and happily so. But man, can you imagine that? And it just shows you, how we need the Kingdom of Yahweh here. We really need the Kingdom of Yahweh to come back. Isaiah 40 in verse 30, he says:

Isaiah 40:30 *Even youths are faint and fatigued, and young men stumbling shall stumble;*

And it's that simple and I really ... I mean praise Yahweh we have old children here, many children which is wonderful and I love the children and praise Yahweh for our parents that are homeschooling and got their kids out of this world but I feel so bad for these children. I feel bad for them because they're living in a world. And I think about it, wow if something happens to me, what's going to happen to my daughter? If things are bad now, if things went on what would happen in 20 years from now? How would it be for them growing up? And that's why I praise Yahweh I don't think they're going to have to worry about it because the Kingdom will be here, but what if it's not?

And this is why like it says even youths are faint and fatigued because it's so unnatural. And now 18/19 year olds, they can't go to school unless they have the Covid death shot. They can't even go to school. The oppression it's putting on. Young children that are 8 and 10 years old wearing a mask for 8/10 hours a day that's **poisoning** them! It's just unbelievable what children have to go through and their childhoods are being robbed from them. And it's just so, so sad to see but it's prophesied. It's prophesied here.

Satan has deceived the world by indoctrinating the youth from almost birth that there's no Elohim. Rebellious mankind wants a utopia without Elohim. He wants to be the elohim of self ... sadly to say. Isaiah 13 but like I said Yahweh in the Heavens laughs at them. And we know that Yahweh gets the last word in to everything ... Isaiah 13 in verse 2:

Isaiah 13:2-5 *Lift up a banner on a bare mountain; make the voice rise to them; wave the hand that they may enter the gates of nobles. I have commanded My holy ones; I have also called My warriors for My anger, those who rejoice in My Majesty. The noise of a multitude in the mountains, as of a great people! A noise of tumult of the kingdoms of nations gathered together; YAHWEH of Hosts is calling up an army for the battle. They come from a distant land, from the end of the heavens, YAHWEH and the weapons of His wrath, to destroy all the land.*

Isaiah 13:6-9 *Howl! For the day of YAHWEH is at hand. It shall come as a destruction from the Almighty. On account of this all hands will droop, and every heart of man will melt; and they shall be afraid. Pangs and sorrows shall take hold of them; they shall be in pain like one giving birth; they shall be amazed, each man to his neighbor; faces of flames shall be their faces. Behold, the day of YAHWEH comes, cruel and with wrath and fierce anger, to lay the land waste. And He shall destroy its sinners out of it.*

Isaiah 13:10-13 *For the stars of the heavens and their constellations shall not give light; the sun shall be darkened in its going forth, and the moon shall not reflect its light. And I will visit evil on the world, and their iniquity on the wicked. And I will cause the arrogance of the proud to cease; and I will humble the pride of tyrants. I will make a man more rare than fine gold; even a man more than the carvings of Ophir. So I will shake the heavens, and the earth will move out of its place, in the wrath of YAHWEH of Hosts, and in the day of His fierce anger.*

So like I said the saddest part about it is it didn't have to be that way. **Man has chosen this.** Man has chosen to fight against His Creator, to deny there is a Creator, to go all this way. Ephesians 6 in verse 10 ... Ephesians 6 in verse 10 because you know at times it can be overwhelming living in this world and seeing all the things are going and the evil around us. It talks about Lot; remember that Lot's spirit was vexed because he lived in this evil time after time.

But the thing is that we to always remember ... like I said **satan is a deceiver and he's a trickster**, right? He's cunning. So **physically** we don't have more power than he does in a physical way, but **spiritually** we do. The Spirit in us is stronger than the spirit in them. So he knows that and that's why he tries to trick us in being human he figures out human ways to do that; to get our weakest points and these different things. But what we have to realize is. **We have to realize it's a spiritual battle;** it's always a spiritual battle. Even though it may seem physical with things like abortion or maybe it's your daughter or son at school or something that's going on; it's **always a spiritual battle**, everything we're dealing with. Even though there are physical situations, they're spiritual battles and that's why we have to keep remembering Ephesians 6 ... I'm going to start here in verse 10:

Ephesians 6:10-11 *For the rest, my brothers, be made powerful in our Master and **in the might of His strength**. Put on the whole armor of YAHWEH, for you to be able to **stand against the strategies of the Devil**.*

Comment: So it's not just what he's doing; he's got strategies, the same we need strategies. We talk about the underground Congregation and we have to have strategies for this stuff. He has strategies for us. So we have to understand that.

Ephesians 6:11-12 *to put on all the whole armor of YAHWEH, to be able to stand against the strategies of the Devil. For our conflict is **not with flesh and blood**, but with principalities, and with those in authority, and with the possessors of this dark world, and with the evil spirits that are beneath heaven.*

Comment: So the problem is just that other humans that are not being led by the Spirit of Yahweh that are dealing with pride and lust and greed and all these things that satan knows, he's just putting out this carrot and getting all these people to act on his behalf. But in the end of the day our fight is not against flesh and blood but it's against principalities and spirits.

Ephesians 6:13 *Because of this, take up all of the whole armor of YAHWEH that you may be able to resist the evil one, and being prepared you shall prevail.*

So like I said **it's a spiritual battle we have to fight with spiritual weapons**. And that's why as much I appreciate the people to go to the streets and they're protesting for this, it's not our part to go to the streets and protest because **we're ambassadors for another Kingdom. We have a higher job. We have a job of education. We have a job of bringing the truth, that's our job**. Our job is not on protests because Yahweh says respect the higher powers. You don't have to follow them. You have to respect their power but not follow them if they're doing evil. But it's not our job that we would go to the streets and protest and do these things. But our job as His ambassador to educate, to bring the Truth and to share the only they have because **their hope** is to protest in the streets. Their hope is the Kingdom of Yahweh; that's the hope that everybody has.

And if not, like Paul said, if this isn't true – eat, drink and be merry for tomorrow we may die. We're the miserable among all people if it's not true. But we know it's true. We know it's true because we've already seen all the evidence. Like I said with creation, you don't have to doubt creation, just look outside and see the trees, see the birds, see the fish and see yourself and it just can't happen from nothing, not the master design that way. **It's a spiritual battle and we have to fight with spiritual weapons**. 2nd Corinthians 6 and we can pray for these people because I think a lot of them they might not have understanding and knowledge but they're trying their best. And a lot of things they're doing will even help us. But **we want to make sure we're not unequally yoked with the world** ... 2nd Corinthians 6 in verse 14 says:

2nd Corinthians 6:14-15a *Do not unite ... it could be unite in marriage or some translations say be unequally yoked because it's not only in marriage. It's in all aspects that we're not to be unequally yoked ... with unbelievers. For what partnership does righteousness have with lawlessness? And what fellowship does light have with darkness? And what agreement does the Messiah have with Satan?*

Comment: Right? It's pretty clear there's only two ways. And that's why **no human being** is a g-o-d, is an elohim. No human being has the ability to give life or to take life, only Yahweh can. So there are only two choices. **You have to be a servant** and you do get to choose who you obey. It's either Yahweh through eternal life or satan unto death. There is no third choice. There's no gray area. Those are your only two choices you have.

2nd Corinthians 6:15-16 *And what agreement does the Messiah have with Satan? Or what part does a believer have with an unbeliever? ... it's that simple ... And what harmony has the sanctuary of Elohim with idols? For **you are the sanctuary of the living Elohim, even as it is He said, "I will dwell in them and walk among them, and I will be their Elohim, and they will be My people."***

Comment: **And He is living inside of us! He is alive! His Spirit is living in us!** It's not something that's far away in the Heavens but its right **within our spirit** that He's living there. And you can when you pray, how is He talking to you? The same way that satan he wants to put these computers in your mind to talk to you because he's a counterfeiter. Yahweh doesn't need that. We have His Holy Spirit. That Holy Spirit is a zillion times better than any computer could be.

2 Corinthians 6:17-18 *Because of this, "Come out from among them and be separated, says YAHWEH, and do not touch the unclean thing, and I will receive you." ... sanctification, been preaching it ever since I became a believer. This is commanded to us we have to be separate. But **now it's complete separation from society**. Now it's the time that we have to completely separate ... "And I will be a Father to you, and you will be sons and daughters to Me, says YAHWEH."*

And somebody asked a good question and I should probably mention it here on the message, that it doesn't mean that we ever stop the work of Yahweh. And when you look at the congregation in the wilderness, here are people that

completely out of society. They live up in the wilderness, they get their own food. They are not in society whatsoever and yet, during that time there were millions upon millions of people that were converted and came to the truth. There were several millions – 3 to 5 million just in Europe that were killed, believers. And I say can you imagine that today? If those people weren't killed you would have probably 30/40% of Europe would be believers. You would have believers running cities. You would have believers ... I mean it would be unbelievable how many believers would be there. But it wasn't Yahweh's will for that. But the fact that we are going to be separated from the world, it doesn't mean that we stop our work for Yahweh. That's something that we continue forever. We just have to, in the underground congregation, *be wise as serpents and gentle as doves.* Isaiah 26 in verse 20 and 21:

Isaiah 26:20-21 *Come, My people, go in your rooms and shut your doors behind you. Hide for a little moment, until the fury passes. For, behold, YAHWEH comes out of His place to visit his iniquity on those dwelling on the earth. The earth shall also reveal her blood, and shall no more cover over the slain ones.*

And that's why the same way with Sodom and Gomorrah was Yahweh *going to not* destroy Sodom and Gomorrah because Lot was there? No, that was part of the plan. Sodom and Gomorrah was going to get destroyed no matter what. And Lot couldn't understand that at first and he stayed until the last minute where they almost had to pull them out of there. But if he wasn't pulled out it wouldn't have changed Yahweh's plan. He would have died there in Sodom and Gomorrah.

And it's the same in the world today. The reason why Yahweh is separating His people is because once that mark is officially placed **now** we see Yahweh's reaction. Up until now we're only seeing what satan is doing. Right, Yahweh is keeping His hands off for the most part. But read Revelation, at the minute that mark is placed now the reaction comes from Yahweh. Now these people are going to start seeing. Now this false utopia is going to go real quick as they start getting boils in their hands, as they start dying from the heat, as they're dying from all these horrible things are happening and they're cursing Yahweh for it. That's the reason why He wants to separate His people because He doesn't want us to be in there. But if you're part of it you're going to get swept up away with the other ones that are happening. Don't think that you'll stay in society and it'll not happen. Just like we read in Ruth ... not in Ruth, in Esther where he said if you don't do anything don't think that it isn't going to happen to you just because you're the queen. You're going to die as well as the other ones and Yahweh will bring deliverance by another way, but how do you know if you weren't born for just a time as this?

And that's why **it takes faith for us to do this, to separate.** And like I said I've been telling people you're going to lose your job anyhow. I'm not saying quit your job tomorrow but understand you better start preparing because if you don't take that mark you won't be able to work, period. So now is the time you have to get that plan if you really believe it and we know it's this close and you don't plan. And when it happens then you have no one to blame but yourself. And we've been preparing here now for close to seven years almost and we're still preparing because we believe in the Word of Yahweh. But this is the point He says separate –

2nd Corinthians 6:18, 7:1 *And I will be a Father to you and you will be sons and daughters to Me, says Yahweh Almighty. Then having these promises, beloved, let us cleanse ourselves from all defilement of flesh and of spirit, perfecting holiness in the fear of YAHWEH.*

So this is what is required of us in Corinthians. This is what is required of us in Isaiah and then in Isaiah 40 in verse 31 ... Isaiah 40 in verse 31 he says:

Isaiah 40:31a *but the ones waiting for YAHWEH shall renew power ... The ones waiting for YAHWEH shall renew power.*

Comment: In the book of Haggai, it talks about when the two witnesses come and they're empowered by Yahweh and also the whole Congregation is empowered. So we know the second Shavuot has already happened. I believe from 2015 that the people of Yahweh have more empowered by the Holy Spirit but there is a time where it'll even be a bigger empowerment. And the same way now the world has to keep going getting their injections for their empowerment, we're getting an injection of the Holy Spirit for ours. So it's pretty interesting like he says ...

Isaiah 40:31 *the ones waiting for YAHWEH shall renew power; they shall go up with wings as the eagles ... the eagle's wings ... they shall run and not be weary; they shall walk and not be faint!*

Wow! Because who knows? Just like in the wilderness when the children of Israel were coming out they had people that were handicapped people and Yahweh did a miracle. It says He strengthened their legs because these people were walking 30 to 40 miles a day and we can't do it on our own strength, only Elohim could do that. Isaiah 43 ... Isaiah 43:

Isaiah 43:1-3 *But now so says YAHWEH who formed you, O Jacob; and He who made you, O Israel: **Fear not**, for I have redeemed you; I called you by your name; **you are Mine** ... wow, isn't that awesome! And just think how sad for people who don't want to be under judicial order and here Yahweh is saying ... I called you by your name; **you are Mine**. He wants to put us under His wings, under His protection ... *When you pass through the waters, I will be with you; and through the rivers, they shall not overflow you. When you walk in the fire, you shall not be burned, nor shall the flame kindle on you. For I am YAHWEH your Elohim, the Holy One of Israel, your Savior. I gave Egypt for your atonement; Ethiopia and Seba instead of you.**

Isaiah 43:4-7 *Since you were precious in My eyes, you are honored, and I love you; and I give men instead of you; and peoples instead of your soul. Fear not, for I am with you; I will bring your seed from the east, and I will gather you from the west. I will say to the north, Give up! And to the south, Do not hold back! Bring My sons from afar, and bring My daughters from the ends of the earth; everyone who is called by My name, and I have created him for My glory; I have formed him; yea, I have made him.*

Comment: And here it is they're denying that. This is something like I said, the mindset of scarcity; or the mindset of abundance! They're denying Yahweh created them. They're thinking scarcity. When if you embrace this you're a child of the entire universe that Yahweh wants to share with us.

Isaiah 43:8-9 *Bring out the blind people, yet there are eyes; and the deaf, yet there are ears to him ... ears to hear, right? They're spiritually blind and spiritually deaf... *Let all the nations be assembled, and let the peoples be gathered. Who among them can declare this and cause us to hear former things? Let them give their witnesses, that they may be justified. Or let them hear and say, It is true.**

Isaiah 43:10-13 *You are My witnesses, says YAHWEH ... **You are My witnesses sayeth YAHWEH** and My servant whom I have elected; **that you may know and believe Me, and understand that I am He**. Before Me there was no El formed; nor shall any be after Me. I am YAHWEH; and there is no Savior without Me. I have declared, and I saved, and I proclaimed; and there is not a foreign Elohim among you. You are My witnesses, says YAHWEH, and I am El. Yea, from this day I am He, and no one delivers from My hand. I will work, and who will reverse it?*

So we are His ambassadors. We are His witnesses. If we don't bring this Truth, who will bring the Truth? Drop to verse 18:

Isaiah 43:18-21 *Do not remember former things, nor consider the things of old. Behold, I will do a new thing; now it shall sprout. Shall you not know it? I will even make a way in the wilderness, rivers in the desert. The beast of the field shall*

honor Me, jackals and daughters of ostriches; because I give waters in the wilderness, rivers in the desert, to give drink to My people, My chosen. The people that I formed for Myself shall recount My praise.

And how sad that the Israelites couldn't see this and like I said I understand, I've been in the wilderness, I know how hard it is. I know if you went three days out there without how thirsty you would be but all you have to do is read the scripture and see that Yahweh gives the water and He did ... He did. He was only testing them; the same with us. He doesn't give any trial without an escape route. **He's only testing us.** Life is a test in general. But look at the blessings, look at the **future we have** if we simply believe it. I mean how awesome it is the things He says, how much He loves us, how much He cares for us, how much He wants to do for us. And like I said no one's preaching this about the redemption of the tribes and we have to be His witnesses. Romans 10 in verse 13:

Romans 10:13-15 *For everyone, "whoever may call on the name of YAHWEH will be saved." How then may they call on One they have not believed? And how may they believe One they have not heard? And how may they hear without a preacher? And how may they preach if they are not sent? Even as it has been written, "How beautiful are the feet of those who preach the good news of peace, of those preaching good things."*

So if we don't bring it, who will? They're not just going to get it from nowhere. Just like Adam, Adam did not bring this message to the world and the world never got it. And now in the end time, Yahshua was the second Adam but we are His seed that comes from Him and this is our job to bring this wonderful message of redemption. A wonderful message that no beast governments and these worlds today, they're evil, they're bad, they're sinister but there is another way. There is good news. **Yahweh will redeem His people. He will restore the earth.** And we're **so close** to having this happen, that's the good news of the people.

Revelation 13 and we're really at a point now where the divide is so much; just like with Lazarus - Eliazar and the rich man. The divide is so much it's really to the point that you almost ... they can't come to our side and we can't go to their side; like we're living in two parallel universes. It's no more in just thought. It's no more in theory. It's no more on explaining this a certain way, compared to that a certain way. Now it's really to the point of living in two parallel universes.

Because like I said something as simple as the Covid shot, either it does work and help people; or it's a death shot. It can't be both. And yet, when you listen to the people and the scientists and the people who've studied it and you're talking about hundreds and thousands of scientists, of doctors, of nurses and they see it. They're giving you proof. They're not giving you subjection but they're giving you actual proof. You're seeing the pictures of what happened after someone takes it, what happens to their liver, what happens to their blood. And then yet go on **any normal** news in the world, listen to **any** world leader and they're saying the exact opposite. So either people died or they didn't die. One is saying thousands and thousands of people are dying. Millions of people are injured just in Babylon. But you know what? We're getting that from their website. The ones who are denying that no one died has a website that says 45,000 people died and a million people are injured just in a couple of months.

So who do you believe in this parallel universe? Do you believe the servants of satan; or do you believe the servants of Yahweh? And that's why I say **Yahweh is not leaving us without evidence** because He knows the stakes are too high. And we're living in a world where whoever denies it, like it says in Thessalonians; they're only denying it because they **love not the truth** because they want to believe the lie. They **love the system of satan.** And it doesn't matter how evil it gets, they love it even more with all this evil stuff out there, with the kids with all these evil video games and all. The more evil it is the more they love it! And they'll lie through their teeth and they really don't care. And even people, some people that even claim to be believers or even know the name of Yahweh. And you try to tell them they use aborted babies to make this vaccine and some of them still take it.

That's why I say we're at a time where, wow, that gulf is wide. And being unequally yoked just because someone knows the name Yahweh or someone keeps the Sabbath ... I know when I left Church of God just because you meet on Saturday, that doesn't make you my brother. If that's the case every Jew is my brother because they all meet on Saturday. **What matters are your actions, your faith, what you're doing**, if you're sanctifying your life; that's what matters. Not if you're saying it, not if you say you believe it because you know what? The demons believe it. **It's if you're doing it. If you're doing it, if you're living it, that's the thing that matters.** But in Revelation 13 when we look here right? When this comes down as we're living now, are people panicked? Are people fighting this? Are people against it? Look at verse 4:

Revelation 13:4-7 *And they worshiped the dragon who gave authority to the beast; and they worshiped the beast, saying, Who is like the beast; who is able to make war with it? And a mouth speaking great things and blasphemies was given to it. And authority was given to it to act forty two months ... making laws you can't use the name Yahweh, even the Catholic Church. Blasphemies that coming out from here... And it opened its mouth in blasphemy toward YAHWEH, to blaspheme His name and His dwelling place, and those dwelling in Heaven. And it was given to it "to war with the saints, and to overcome them." And authority was given to it over every tribe and kindred and tongue and nation ... world government.*

And like I said some of us will be blessed, eye for eye, tooth for tooth, life for life – and when you're baptized we have to be a living sacrifice; not to kill our ourselves but we're a living sacrifice for Yahshua for the death He did for us. But some brethren will be honored to give their physical life for that. And there isn't a greater honor in the world and the early believers felt this way that because of the suffering and the beating and the actual death that Yahshua did for each of us that we're honored we can glorify Him the same way, but that's His choice.

Because **every day** every one of us has to be a living sacrifice; He's living in us. And how do we prove to people this is true? By loving even our enemies, by doing good to those who persecute us, by not giving back evil for evil, by showing them we're different ... we're different. And I can't tell you how many times that people come up to me, sometimes with a group *and you're group is different. What makes you different?* Or even individually that they'll just look at me and they'll say, what is it ... *what is it with you? What's different? We see something different there.* And that's the thing that will help; not by going out and protesting or other things. They have to see it but the world isn't. The world, we got to be ready for this. We're seeing it now. The world is going to go against it; or go with it, go against us. And even relatives, friends, family members, people you work with; **you will be hated by everyone because of My name Yahshua says.**

And why aren't we taking the mark of the beast? Because of the name of Yahshua because of what it represents because we don't want to be, it is, **the mark of the beast is actual the passport to the kingdom of satan.** That shot and the chip, that's what it is because pretty soon you're not going to have these physical passports anymore. You won't have them. They're digital now but they'll go by the wayside; it will be the chip. So the same way as the Spirit of Yahweh, that's your passport to the Kingdom of Yahweh, you can't enter the Kingdom without the Spirit. That is your passport to the Kingdom of Yahweh and that's why you have to repent of your sins and you have to be baptized in His name in order to have hands laid on you and receive the Holy Spirit. And without the Holy Spirit you won't be a first fruit. That's our passport.

But the passport to the kingdom of satan is **this chip, this mark.** That's what it is. That is your passport. So anybody for whatever reason, it doesn't make a difference what reason you're doing it because you know what? If you were out of the world completely you'd really have no reason to do it. The more you are in the world, the more pressure you're going to get and the more reason you're going to need to do it or people will make that choice. But it literally ... you want your passport into the kingdom of satan ... go ahead but that's what it comes down to. The vaccine is only the

beginning of it and if someone took the vaccine they can still repent but what's in that vaccine is affecting their mind right now. Chances are very rare but there still could be. But once the final chip comes, there's no turning back. It is the passport to the kingdom of satan.

The gulf that's there with Eliazar and the rich man, that's what it's about. And one will not be able to come to the other side from the other side and that's why **Yahweh has to separate His people**. He has got to physically now separate us because this is the time we're at. And like I said, how much time? Only Yahweh knows, because the system is already there. It's just a matter now there's an exemption to the system. When that exemption goes, that's it. You're taking the mark or you're not eating and you're not buying and selling. You're not working. And it's exactly what it says ... verse 16:

Revelation 13:16 *And the small and the great, the rich and the poor, and the freemen and the slaves, it **causes** that they give them all a mark on their right hand.*

Comment: It causes. So there has to be a cause to make it happen and here comes Covid. Covid was not naturally made. It was made in a laboratory. All the patents for it were made several years before it happened. All the proof is there. So it's not a conspiracy theory; it's a conspiracy because a theory is when you can't prove it. It's not a conspiracy theory; it's a conspiracy what they're doing. They're doing something evil and they're trying to hide it. And like I say, Noah was a conspiracy theorist until the rain came. And once the rain came it wasn't a conspiracy theory anymore. And it's the same way here. They're **causing something to happen** so that the people have to take that mark.

Revelation 13:17-18a *even that not any could buy or sell, except the one having the mark ... having the Tav, having this X, having something in their hand, implanted in their hand and in the forehead ... that without the name of the beast, or the number of its name. Here is wisdom.*

Comment: Like I said in Greek the word is Sophia. Remember we saw the robot Sophia. And they cut it off, the lights went out right at the time when the person was asking her, "Sophia, you don't want to destroy mankind do you?" And she says, "Yes, I want to destroy humanity." And then there was another robot that was coming on after, a man with a beard and he was saying, "When us robots take over the world, but you're my friend so I'll be kind to you and I'll feed you in your cage when we have the human zoos." And they're laughing but it's not a laugh, it's not a laugh because there will be demons inside of these robots.

Revelation 13: 18 *So here is wisdom: Let him who has understanding compute the number of the beast, for it is the number of a man and its number is six hundred and sixty six.*

And how does this microchip work? How will they know it when you're going to put it under these lights? By having an enzyme in it called, luciferase. I mean you can't make these things up! This isn't like a movie that was made; it's literally called, luciferase; or lucifer's race ... Lucifer's race. So the people that are part of lucifer's race are going to take this chip with the luciferase in it, the lucifer's race, and the people of Yahweh aren't; it's that simple.

And its number is six hundred and sixty six. What's the patent on that biochip that they made from Bill Gates from 2020? 060606 and they do this on purpose. Do you think Bill Gates doesn't know? They're doing it and they're laughing. They're laughing thinking that they have this power to do it. But you know who's getting the last laugh? YAHWEH! Like we said, Yahweh in the Heavens laughs. And will the people fight against it? Look in verse 8:

Revelation 13:8 *And all those dwelling in the earth will **worship** the beast, those of whom the names had not been written in the Book of Life of the Lamb having been slain from the foundation of the world. If anyone has an ear, let him hear ... If anyone has an ear, let him hear.*

So there's people out there that are packing up guns and packing up all this stuff and preparing they're going to fight it. Are they going to win? No, go to the next verse:

Revelation 13:10 *If anyone gathers captivity, into captivity he goes. If anyone will kill by a sword, by a sword he must be killed. Here is the patience and the faith of the saints.*

So I don't blame the people for trying to protect their lives and their families but that's not our way. We're not going to physically arm ourselves and think that we're going to get through this. **We're going to arm ourselves with the armor of Yahweh.** That's the thing that's going to get us through as kings and priests of Him. And like I said, whether we die or we live, it's preparing and getting ready and **spiritually** getting ready. But you reap what you sow. So the people that are going to fight. They're not going to win. There's no way they're going to win against it. Anyone who will kill by a sword will be killed by a sword, right? That's the way it goes. So we look at this here and we see that the beast power and it's kind of interesting when you look at this beast that's coming up ... if we go back verse 2:

Revelation 13:2 *the beast was like a leopard, the feet feet of a bear, mouth of a lion. And the dragon gave its power.*

What you don't see is the eagle. The eagle being America, the lion being Great Britain, the leopard being France ... even they have it on their flag and the bear being Russia and the dragon being China. And here isn't that interesting the five permanent members of the Security Council. And who's the member now who's rising up? Who made the virus? Who's spreading it around the world? Who's getting ready to attack Taiwan? Who has now, they just announced like a week ago, supersonic nuclear weapons? China, Russia too; Russia had a bomb but China also, nuclear subs that China has. But by far, even though China was pretty far behind America by far in the last ten years, China has built up their military more than any other country on earth, including America. Because before President Trump came they just kept trying to take down America's military. And I think they were doing it on purpose but that's another situation.

But we see it here, we see that the dragon, the dragon is the one and we know satan is symbolic of the dragon so I'm not saying that this is not talking about him but also, it's talking about China. China is going to be a big player in all of this as we go along. The beast power of the dragon, China, causing the condition for all the earth to have to take the vaccine Nano-tattoo by a false pandemic is now causing all the earth to take the immoral dangerous vaccine made with aborted fetal tissues. We thought some of them it was only in the trial but now it's coming out that all of them have it in the vaccine that is killing, maiming and affecting millions of people world-wide.

And what happens? Yahweh ... that's why what does He do? He takes His bride to the wilderness. Daniel 2 in verse 44 and 45 but like we said, we read the Book and we win! Daniel 2 talks about the same kings that we see ... Daniel 2 and Daniel 7, the same as **Revelation 13**, this beast power. And it may be sometimes there are dual prophecies, in Daniel when you see these prophecies, yes, part of it is historical when you're looking at the history of Babylon and the Persians and after that Greece and Rome. But ultimately the ones they're talking about in Daniel are all end-time entities as we read right here in Daniel 2:44:

Daniel 2:44-45 *And in the days of these kings, the Eloh of Heaven will set up a kingdom which shall never be destroyed ... in the days of those kings. So they're all there at the same time ... And the kingdom shall not be left to other people. It shall crush in pieces and make an end of all these kingdoms, and it will stand forever ... the Kingdom of Yahweh ... Because you saw that the stone ... the Stone the builders rejected has become the Head of the corner ... the stone was cut out of the mountain without hands, and that it broke the iron, the bronze, the clay, and the silver, and the gold in pieces. The great Eloh has made known to the king what will occur after this. And the dream is certain, and the meaning is trustworthy.*

So in the end of the day Yahweh will win and this plan that is on this earth will fail and only the Kingdom of Yahweh will return. Last Scripture is Isaiah 60 ... Isaiah 60 because this great hope for us. You know as we're living in these things, and like I said, it really takes faith. You really have to believe in the decisions you're making now because they're going to affect everything that's going to happen in your life and in your family. But Isaiah 60 in verse 1 says:

Isaiah 60:1-3 *Arise, shine; for your light has come, and the glory of YAHWEH has risen on you! ... So this is where we should be... Arise and shine; for your light has come, and the glory of YAHWEH has risen on you! ... We're one out of 30 million people that have been born and Yahweh has chosen not to allow us to be in this vacuum of darkness but He's called us as His children of light. And His light is shining on us right now ... For behold, the darkness will cover the earth, and gross darkness the people ... we're seeing it ... **But YAHWEH shall rise on you, and His glory shall be seen on you** ... the people of Yahweh will work and do exploits. So as all this evil is going on, we got nothing to fear because His light is on us. We just have to out there and be proactive. We have to be working ... *And nations shall walk to your light, and kings to the brightness of your dawning* ... Wow, so Yahweh's people are going to be all over the world. The people of the nations they're going to be drawn to that light! Just like in concentration camps where there was a believer there or something, like Corrie Ten Boom. And the people wanted to come around and wanted to hear the Word of Yahweh ... So the people ... *the nations shall walk to your light, and kings to the brightness of your dawning* ... verse 14:*

Isaiah 60:14-16 *Also the sons of ones afflicting you shall come bowing to you. And all who despised you shall fall at the soles of your feet. And they shall call you, The City of YAHWEH, the Zion of the Holy One of Israel. Instead of your being forsaken and hated, so that no one passes through, I will make you for everlasting majesty, a joy of many generations. You shall also suck the milk of nations, and you shall suck the breast of kings. And you shall know that **I, YAHWEH**, am your Savior and your Kinsman Redeemer, the mighty One of Jacob ... the Kinsman Redeemer is the One in the Jubilee that gives back to the people what was lost ... verse 18:*

Isaiah 60:18-19 *Violence shall not still be heard in your land, or wasting and ruin within your borders; but you shall call out to Y'shua by name as your wall of protection, and your gates, Praise. The sun shall not still be your light by day, or the brightness of the moon give you light; but YAHWEH shall be for everlasting light to you, and your Elohim for beauty.*

Comment: So light is a constant; light is there; it's a constant and **it's not** ... light didn't start on day 4 with the stars and the moon and the sun. Because Yahweh said on day 1, *Let there be light*. It's His presence that brings that light. And we don't need the sun, the moon and the stars for light. All we need is His presence because **that's the constant**. So we won't need that because Yahweh will be our light.

Isaiah 60:20 *Your sun shall not go in any more, and your moon shall not be removed; for YAHWEH will become your everlasting light; and the days of your mourning shall end.*

Wow, so this is a big time of mourning but what a future we have ... what a future we have. In the end we win. Yahweh is Sovereign and stupid man cannot win against Him. Why would they even think? It's only arrogance; it's only pride, just like satan did. Just like satan thought he could overtake the throne of Yahweh. From the Garden of Eden, mankind has chosen to rebel against Yahweh and **refuses** to submit to His Torah and the consequences have been suffering, wars, famines, and untold death to billions of people over the last 6000 years. We have been chosen to be Yahweh's ambassadors for His soon coming Kingdom and we must bring the positive message of redemption that the world needs to hear. Especially when evil world leaders are working with satan to destroy human's chance at eternal life, if they repent and accept the shed blood of Yahshua for forgiveness of sins.

So here it is, because we're so close to the end and because of the power of the Holy Spirit being poured out, that's why satan is **trying** to get people to take the mark so they'll have no chance at that point. Because it's going to affect your

mind and then at that point no matter what you're not going to try to do it. But we know that Yahweh's Spirit is strong and His Spirit in us is stronger than the spirit in them. We are His ambassadors. **This is the message we have to bring** because blessed are the feet bringing the good news. If we don't do it, who will? What a great Elohim we serve, HalleluYAH!
