Alrighty, Chag Semeach! And thank you; and Chag Semeach to everybody who is watching with us today. Our message today, like we were just giving in the Torah reading is called, *The Sanctified Life of a True Believer*. And I've actually, as you know, you're listening to the messages, I've been speaking about Yahweh's people being sanctified for a while now. And in the times we're living in, it's ... as we're going to see ... it's extremely important.

But to be honest, what I really want to show you today is that what I'm teaching in sanctification of the true believer it is really nothing new. And I want to show you that **this is actually the plan of Yahweh; this is the plan of salvation**. That from the Garden of Eden, Yahweh created humanity; and He took out of humanity and brought him into Eden; He separated him, right? He sanctified him—separated him—and He was teaching him to be priest. And his job was to go out to humanity and bring people into Eden. But **there was always a separation from the world to Eden**.

And when you look at it after Adam failed and he abdicated his place as the ruler of the earth over to Satan, for the last 6,000 years, this world is the society of Satan. It is the kingdom of Satan. And Satan is as we know ... I'm not going to go into those Scriptures today, I've done it many times from Matthew ... but Satan is the g-o-d—the god of this world.

So I want to start in Genesis 1 in verse 26:

**Genesis 1:26-27** *And Elohim said, let Us ... Okay? Elohim, the Father and Elohim the Son ... let Us make mankind in Our image, according to Our likeness; and let them rule over the fish of the sea, and over the birds of the heavens, and over the cattle, and over the earth, and over all the creepers on the earth. And Elohim created the man ... Ha'Adawm—that's the word that's used here, meaning Adam specifically, not mankind ... But He created **the man in His own image; in the image of Elohim He created him** (Adam—Ha'Adawm). He also created **them** male and female.*

**Comment:** Right? The rest of the human beings were also created male and female. How do we know He's talking about more than just one person? Well, because it's in the plural. And it can't be talking about just Adam and Eve because Eve was not even created yet. She was not created when Adam was created. We know that later in the next chapter, right? She's taken from his rib. So we see here that first there's Ha'Adawm. He's separated. He's made and then humanity, male and female.

**Genesis 1:28** *And Elohim blessed **them** and Elohim said to them, ... to humanity ... Be fruitful and multiply, and fill the earth, and subdue it, and rule over the fish of the seas, and over birds of the heavens, and over all beasts creeping on the earth.*

So Elohim, Yahweh, gave ruler ship to man over the animals, over the fish and over all the things from there. So we see mankind is made in the image of Yahweh, which means he also has freewill. But he had to choose between what? He had to choose between the knowledge of good and evil, which we see is choosing for himself what is good and what is evil; and the tree of life, which is unconditional, one hundred percent submission to Yahweh. And as we continue here, right? Now let's see from this time period, from creation, let's see how **every single leader and person—servant of Yahweh that He worked with—every single one He separated. Not one did He not separate** when He worked with them. And as we're going to see, then even when Israel becomes a nation, He separates the whole nation.

So, let's go to Genesis 2 verse 7 and 8. The very first servant He had was who? Ha'Adawm—Adawm!

**Genesis 2:7** *And YAHWEH Elohim formed the man (Ha'Adawm) from the dust of the ground, and blew in his nostrils the **breath of life**; and the man became a **living soul**.*

**Comment:** Right? **Man does not have a soul. Man is a soul.** He is a living soul by the breath of life with Yahweh. And when he stops breathing, what happens? He's not a living soul anymore. Then he's dead. He's a dead person.

**Genesis 2:8** *And YAHWEH Elohim planted a garden in Eden to the east; and He put the man whom He had formed there.*

Right? So He takes Ha'Adawm **from** the world He created and He brings them and sanctifies him in the Garden. He sanctifies him. So again, we say, "Find Yahweh's pattern and Yahweh's pattern never changes." And Yahweh's pattern is that when He's setting up a servant, when He's doing something with people and He's calling them out, what is He calling them out from? He's calling them out from Satan's society where he is the god of, into the Kingdom of Yahweh—into Yahweh's Kingdom.

Because like I said, first it's mentality I always that, even though the Kingdom of Yahweh is a reality, it is also a **mentality**, right? It first starts in the mind. Because if the Kingdom of Yahweh is not in your mind, then it's never going to be in your life. And that's why Yahshua said, when He was talking in the good news messages that the Kingdom of Yahweh is *within you* or *among you*. Meaning, if the Kingdom of Yahweh is not *within* you, if it's not in you, if it's not in your heart, in your mind, in your soul then you won't be in the Kingdom of Yahweh.

So the same way as it was mentioned in the Torah reading, you can't just live the whole week for yourself and then be a Saturday believer. You just can't think you're going to separate yourself on Sabbath but then the rest of the time you're living for yourself. Because what that is, is that's a hypocrite—that's an actor. A hypocrite is a Latin word meaning actor. So all week long you're in the world doing all the things of the world, and then you're trying to think on the Sabbath ... you're coming and be an actor. You're being something that you're not.

So Yahweh called out Adam to be separated from Eden and to bring others into Eden, but we know Adam failed. Adam surrendered to Satan. He was kicked out of the Garden. And since this time, Satan is the god of this society. **Yahweh's plan for His chosen, called out ones, is to stay separate from Satan's society to be His ambassadors for the Kingdom.** That's what Yahweh has been doing since the beginning.

So let's continue here. Okay, let's go to Genesis 6. What is Genesis 6? Noah! So Noah is the next servant coming, right? And it's interesting enough because in Luke 21 ... or **Luke 17** I'm sorry ... I'm not going to go there. But in **Luke 17**, right **26 and 27**, it talks about these days **today that we're living in** He compares them to *as the days of Noah* because it's very similar. And I don't know if today's society morally is worse than the days of Noah, or the days of Sodom—when Sodom was there, but it certainly isn't less. And it is compared to that.

And this is another main reason why ... because it's so perverted and so bad ... why Yahweh calls His people not to be part of that, to be **separated**. That's what sanctified means, right, **to be set apart**. And the word that Yahweh uses, not all the time but most of the time, is kadosh, right? Holiness! Holiness is set apart. It means not to part of Satan's society, where he is the g-o-d of, but to be an ambassador to be part of the Kingdom of Yahweh, in mindset, as well as in reality.

So Genesis 6, I'm going to read from verse 5 to verse 18. Let's see how the next person here, the next servant of Yahweh is Noah, and how he is also called to be sanctified.

**Genesis 6:5** *And YAHWEH saw that the evil of man was great on the earth, and every imagination of the thoughts of his heart was only evil all the day long.*

**Comment:** Just turn on the news, right? So this pretty much the same as it was back then, only they didn't have CNN, or Fox News, or Newsmax, or any of these other news to watch.

**Genesis 6:6** *And YAHWEH sighed **with sorrow** that He had made man on the earth, and **He was grieved to His heart.***

**Comment:** Wow! Can you imagine? I say as a human being, that's got to cut to your heart that **Yahweh's actually sorrowful that He even made human beings.** He's like, "Boy, I wish I would have did this another way."

**Genesis 6:7** *And YAHWEH said, I will wipe off man whom I have created from the face of the earth, from man to beast, to creeping things and to the birds of the heaven; and I regret ... I repent—which means to regret ... that I made them. And Noah found grace in the eyes of YAHWEH.*

**Comment:** Praise Yahweh for Noah. And we see this at times, right? We see Moses, when Moses was there with the Israelites. And if it wasn't for Moses intervening, what did Yahweh say? He wanted to do away with all the Israelites and start over. Maybe if that was the case, it wouldn't be the sons of Israel. It would be the sons of Smith, or the sons of Jones, or the sons of who knows? But Moses intervened, the same way Noah intervened

So we have to thank Yahweh, not just for His mercy and His grace and His unending kindness, but we need to also thank Him for these men of Yahweh through time that understood this message, right? The message we should be getting today. Because maybe in time, right, in history, there'll be somebody after the Millennium, or whatever, that will be thanking Yahweh for you. Because you also separated from Yahweh's (should be Satan's) society and **you stayed kadosh. You stayed sanctified**, right? So Noah finds grace ...

**Genesis 6:9** *These are the generations of Noah. Noah, a righteous man, had been without blemish in his generations. Noah walked with Elohim.*

**Comment:** And this is actually two-fold, right? Number one it's talking about he was righteous. Meaning his physical life was not a life of sin or doing things. But when it also talks about his generations being with blemish, it means that they didn't intermarry with the world. And as we're going to see in the New Testament, that's one of the commandments for believers. That if you're a New Testament believer and now you want to get married, if you're a single person and want to get married, you're commanded that you can only marry somebody in the faith.

Because if not, what's happening? You're going to be unequally yoked. You're going to blemish the ... like it says here ... the generations of Yahweh. So as we'll see, the mixed multitude, right? The mixed multitude is something that really, really is hard. Because when the mixed multitude is there, face it, most people are not strong enough to stay kadosh, and they wind up compromising. It starts little by little, but in the end ... it doesn't matter if it takes a day, or it takes five years, if in the end you're out of the faith and part of Satan's society, you're going to end up in the same place. So *he was without blemish in his generations. Noah walked with Elohim.*

**Genesis 6:10-11** *And Noah fathered three sons, Shem, Ham, and Japheth. And the earth was corrupt before the Elohim, and the earth was filled with violence.*

**Comment:** Wow, you know? We know what is the word violence? Not all the time, but one of the words in Hebrew for violence is Hamas. And we see today, right, fighting again going on in Israel. It never stops. And recently I was just speaking with somebody and saying, "Yeah, you know we're going to be on our way back to Israel soon." And they said, "Oh, you don't want to go now that there's fighting over there." And I said, "If I waited till there was peace and not fighting to go to Israel. Number one, I would have never been there. And I would only be there when the Millennium comes." Because there's always fighting in Israel. There's no doubt about that. There's always fighting in Israel.

And we have chosen, actually Yahweh I feel has directed our family to stay in the wilderness during the Shemita year. And we're looking for direction from here, but Israel is also in trouble. Israel is in big trouble. And I think probably it's not the place right now overall to be. But still as a servant of Yahweh, I got to be where Yahweh has me at any given time.

**Genesis 6:11-13** *And the earth was corrupt before the Elohim, and the earth was filled with violence. And Elohim looked on the earth, and behold, it was corrupted. For all the flesh had corrupted its way on the earth. And Elohim said to Noah, The end of all flesh has come before Me, for the earth is filled **with violence** through them. And behold, I will destroy them along with the earth.*

**Genesis 6:14** *Make an ark of cypress timbers for yourself. And You shall make rooms in the ark; and you shall cover it with asphalt inside and out.*

**Comment:** And just think this is with no Black and Decker tools, no electricity—that's why it took him a hundred years. And when you think about it, the big timbers he had to use ... and that ark is massive! It was like four hundred and fifty feet by a hundred and fifty wide, by about forty-five feet high. So it is a massive, massive ship that's over there ... vessel, let's say.

**Genesis 6:15-18** *And you shall make it this way; The length of the ark shall be three hundred cubits, its breadth fifty cubits, and its height thirty cubits ... like I said four hundred and fifty feet by seventy-five feet, by forty-five feet—450 by 75 by 45 feet ... You shall make a window in the ark, and you shall finish it above to the cubit. And you shall set the door of the ark in its side. You shall make it with lower, second, and third stories ... three story entity there ... And behold, I, even I, am bringing a flood of waters on the earth in order to destroy all flesh in which is the breath of life from under the heavens. Everything which is in the earth shall die. And **I will establish My covenant with you** ... with you, Noah ... And you shall **come into the ark**, you and your sons and your wife and your son's wives with you.*

So here it is, right? What is he doing? He **is separating** Noah and his family from Satan's society that's being destroyed. It's pretty much the same today. That's why He said, *like the days of Noah* because Yahweh is saying the same thing. He's telling His people today—**separate from that society**. Number one, you won't survive because the mark of the beast that we're seeing now has been started. And we see it with Covid, what happened? They wouldn't allow you to work. They wouldn't allow you to travel. They wouldn't allow you to get on a train or a plane. And they wouldn't even allow you to buy food in a supermarket unless you had the Covid death shot.

So we see the same thing is today. So what is Yahweh doing? The same as then, He's saying, "Stay separate." And He separated Noah to go in the ark. Chapter 7 in verse 1:

**Genesis 7:1** *And YAHWEH said to Noah, You and all your house come into the ark, for I have seen you righteous before Me in this generation.*

Right? They're not part of the generation of evil, the generation of Satan. They're separated from it. In verse 7:

**Genesis 7:7** *And Noah went in, and his sons, and his wife, and his sons' wives into the ark, because of the water of the flood.*

Right? So they were separated. They went into the ark—they were *separated*. There was a clear ... there was a door there, right, a door that was closed. And we don't know the whole story here but I could pretty much guarantee you that all those people that were mocking and laughing at Noah those hundred years he's building the ark, you could probably see their fingernails being scratched on the door as the waters came. "Open up, let us in!"

But unfortunately we're not to do that. We are to stay separate. And when the trouble comes, you better believe these people ... not looking for repentance, but looking to survive, right? You have all these preppers today and all this stuff going on. And wow, in a lot of areas it's going to be like this. And some of our areas have already seen it. They've already seen in times of famine where people tried to come there to get the brethren, and what happened?

Like I tell the story what happened in Ethiopia. It turned so pitch black that the people walked all night and in the morning they wound up where they started. And then the next time they came looking for our people and the people they disappeared. They were never seen again. So Yahweh knows how to take care of His people. We just have to make sure that we're living a sanctified life. And like I said, it didn't just start in the last few years that I'm teaching this. This has always been. This has been from Adam, all the way down until today.

Let's look at the next one—Genesis 12. Who's next? Abraham! Who is who? A relative—a great, great, great grandson—of Noah! So we see in chapter 12, when Yahweh ... the first time ... He's going to call Abraham, and what happens? What's the first thing He tells Abraham?

**Genesis 12:1-2** *And YAHWEH had said to Abram ... he's not even Abraham yet, but he's still Abram ... Go out from your land and from your kindred, and from your father's house, to the land which I will show you. And I will make of you a great nation. And I will bless you and make your name great; and you will be a blessing ... wow, and then verse 4:*

**Genesis 12:4a** *And Abraham (Abram) went out, even as YAHWEH had spoken to him.*

Right? Abraham went out. And he was seventy-five years old, he wasn't a young man. Some people today say, "Oh, I'm too old. I can't do it." But no, you're never too old when Yahweh is with you. When the Israelites left Egypt, what happens? It tells us in Psalms that there were people that Yahweh strengthened their legs. There were people that were probably crippled. There were people—old people—who couldn't walk, and He did a miracle to help them out of there.

So we see Abraham called out from the pagan world and even his own ancestors. Because if you look, his father was a pagan. We see that—Terah. And we see that he was called out from that to be sanctified for the covenant of Yahweh.

Throughout Scripture, anyone that Yahweh would use to be part of His plan had to be separated from Satan's society. This is everybody, including Yahshua. Every single person had to go to the wilderness—that they had to leave. Or not necessarily just the wilderness, but at least a spiritual wilderness. Some physically went to the wilderness. But everyone was separated. **Yahweh separated every single person that He worked with.**

Exodus 5, now we get to the Israelites, right? We get to the Israelites and what happens? When Moses comes in to Pharaoh, what does he tell Pharaoh? Did he say just, "Look, Yahweh wants these people to worship Him. Give us a day off so that we could worship Yahweh. Or give us a couple of days off or a week off." No, look what he says:

**Exodus 5:1** *And afterward Moses and Aaron came in and said to Pharaoh ... Exodus 5 in verse 1 ... So says YAHWEH the Elohim of Israel, **Send away My people, and they shall feast to Me in the wilderness ... Send away My people, and they will feast to Me in the wilderness.***

Right? And Yahweh actually ... Moses actually told him after that when he tried to say that, "Oh well you could do this here. You could do the sacrifice here." And look what he says in chapter 8 in verse 26:

**Exodus 8:26-27** *And Moses says, Is it right to do so, for we sacrifice the abomination of the Egyptians to YAHWEH our Elohim. Behold! If we sacrifice the abomination of the Egyptians before their eyes, will they not stone us? ... No ... We will go into the wilderness, a journey of three days, and sacrifice to YAHWEH our Elohim, **as He may say to us.***

So you can't stay part of Satan's society and think that you're going to be kadosh to Yahweh. You can't stay part of Satan's society and think that you're going to do sacrifice to Yahweh because He says it's abomination from all of their things. And you look, the world—even Christianity which is a pagan religion—and what happens? They do Christmas which is pagan. They do Easter which is pagan. They celebrate birthdays which are pagan. They celebrate Valentine's day and all of these pagan things. And that's Satan's society. Because Satan's society, everything is twisted, right? So what do they do?

They take Saturnalia—the most evil, wicked debauchery and horrible sexual things going on, on December 24<sup>th</sup>, December 25<sup>th</sup>, it's the holiday of the winter solstice where they're worshipping winter solstice, false deity—and what do they do? They change that and say *we'll make this the birth of the Messiah*. Interesting enough, if you look throughout the whole Bible there are many, many births. You might find a hundred different births that are in there, but out of all the birth that you see, you don't see one date! Because we were never commanded—we were never commanded to do that—to make ourselves into an elohim, and make ourselves like that.

So, we see the nation of Israel called to the wilderness to separate from Egypt which was a type of Babylon, right? Egypt literally was a type of Babylon. Exodus 12 in verse 37:

**Exodus 12:37-38** *And the sons of Israel traveled from Rameses to Succoth, the men being about six hundred thousand on foot, apart from the little ones. And also a mixed multitude went up with them, flocks, and herds, and very much livestock.*

**Comment:** So I've done a message on this before, how much the mixed multitude affected them. We're not really sure but it was a lot. It was a lot, we see that. That the mixed multitude **affected them and caused them** to compromise, right?

**Exodus 12:39-42a** *And they baked the dough which they brought out of Egypt with unleavened cakes. For it was not leavened, because they were driven out of Egypt, and they were not able to delay. And also they had not prepared food for a journey for themselves. And the time of the dwelling of the sons of Israel, which they dwelt in Egypt, was four hundred and thirty years. And it happened, from the end of four hundred and thirty years, it happened on this day, all the armies of YAHWEH **went out from the land of Egypt** ... Right? They were separating, they went out from Egypt ... *It is a night of celebration to YAHWEH,**

**Comment:** This is the 'night to be observed'. We celebrate this every day (should be year). Not the night of the Passover. That's the night we take the symbols and renew our covenant. That's the solemn night but the **next night**, the night that Israel was leaving Egypt, we celebrate that. That's a night of remembrance and celebration, why?

**Exodus 12:42b** *for bringing them out from the land of Egypt.*

**Comment:** See that's the night that ... the first thing we have to do is we have to take the symbols, and we have to memorialize Yahshua's sacrifice, right, and renew our covenant. But after we do that and Yahshua's living in us and we're part of His covenant for another year, what do we do? We're **celebrating** that Yahweh, the same as He took the Israelites out of Egypt, that He's **taking us** out of Satan's society.

**Exodus 12:42b** *This night is a celebration for the sons of Israel to **all their generations** ... a night of celebration to all their generations.*

And that's why now 3,5000 years later, we are still celebrating that. Because it's the same way that as He took them and separated them from the Babylon of that day—Egypt—Yahweh's taking us and celebrating us from the Babylon of today; the society Babylon, not the country.

Leviticus 20 in verse 22—I'll read 22 through 26:

**Leviticus 20:22-26** *And you shall keep all My statutes, and all My judgments, and shall do them, and the land where I am bringing you to **live in it** shall not vomit you out. And you shall **not walk** in the statutes of the nation which I am casting out from before you, for **all these they have done, and I am disgusted with them**. But I have said to you, You shall surely possess their land; and, I, I am giving it to you to possess it, a land flowing with milk and honey; I am YAHWEH your Elohim, who has set you apart from the nations.*

**Leviticus 20:25-26** *And you shall make a difference between the clean animals and the unclean, and between the unclean fowl and the clean. And you shall not defile yourself by beast or by fowl, or by anything which swarms the ground, which I have set apart to you as unclean; and **you shall be holy to Me, for I, YAHWEH, am holy** ... You are to be Kadesh—you are to be separated as I am kadosh ... and I have set you apart from the nations to become Mine.*

Right? Yahweh set Israel apart from the nations. And that's why Israel wasn't going to go to war and overtake Babylon, or overtake Assyria, or overtake Syria, or Egypt. No, Yahweh set them apart, He put them in the Promised Land, and He said,

“You stay here. You stay separate than these nations. Don’t make pacts with them.” Right? “You don’t need Egypt to protect you. You don’t need Babylon to protect you. You just stay separate from them and I’ll protect you. Don’t intermarry with them. Don’t follow their customs. You are to stay separate.” So now it’s the whole nation. It’s not just one person—like we see with Adam, and we see with Noah, and we see with Abraham, and we see with Moses—but now it’s the whole nation that He’s separating.

1<sup>st</sup> Kings 8 in verse 49 and what does this say? This is now when Solomon is praying to Yahweh, right? And Yahweh is saying if the people wind up doing the wrong things—and they wind up being punished—then if they pray this, that Yahweh will restore them. And He says:

**1<sup>st</sup> Kings 8:49-50** *then You shall hear their prayer and their supplication in Heaven Your dwelling place, and You shall perform their cause, and shall forgive Your people who have sinned against You, even all their transgressions which they have transgressed against You, and shall give them mercy before their captors, and they shall have mercy on them.*

**1<sup>st</sup> Kings 8:51-53** *For they are Your people and Your inheritance, whom You brought out of Egypt, out of the midst of the furnace of fire; Your eyes shall be open to the supplication of Your servant, and to the supplication of Your people Israel, to listen to them in all that they call to You for; for **You have separated them** ... He’s saying Yahweh has separated Israel ... You have separated them **to Yourself as an inheritance out of all the people on the earth**, as You spoke by the hand of Your servant Moses when You brought out our fathers out of Egypt, O Adonai YAHWEH.*

So Yahweh separated Israel, to be His inheritance, out of Satan’s society. And this is the whole plan of Yahweh. **This is the whole plan of Yahweh to stay separated from Satan’s society so that you don’t have temptation.** That’s the plan of Yahweh. That’s everything that He’s doing today. So nothing has changed since that time. Today we should also be staying separate.

Let’s go to the book of Ezra. Let’s go to Ezra. And we will go to Ezra chapter 9. I’ll read the first three verses and drop down to verse 9. Ezra chapter 9:

**Ezra 9:1-2a** *And at the end of these things, the leaders came near to me, saying, The people of Israel, and the priests, and the Levites, have not separated themselves from the people of the land, as to their abomination, even the Canaanites, the Hittites, the Perizzites, the Jebusites, the Ammonites, the Moabites, the Egyptians, and the Amorites. ... everybody that Yahweh says to stay separated to ... For they have taken from their daughters for themselves, and for their sons. So the holy seed have **mixed themselves with the people of the lands** ...*

**Comment:** Exactly what He said not to do. And this is after their captivity—this is after seventy years of captivity, right, in Babylon and in Persia, and now they’re coming back to the Land and what are they doing? They’re mixing with the people of the Land.

**Ezra 9:2b, 2-3** *Yes, the hand of the leaders the overseers has been foremost in this treachery ... wow, so he says ... the holy seed have mixed themselves with the people of the land. And the hand of the leaders is the foremost of it ... And when I heard this thing, I tore my garments and my robe, and pulled off the hair of my head of my beard, and sat down stunned.*

So, Ezra’s there, “How on earth can they do this?” Ezra is just **stunned**, and he can’t believe that they’ve done this. He’s like, *how on earth!* Let’s drop down to verse 9 and see what he says from there:

**Ezra 9:9-11** *For we were slaves, yet our Elohim has not left us in our bondage, but has given mercy to us in the sight of the kings of Persia, to give us a reviving, to raise up the house of our Elohim, and to make stand its ruin, and to give to us a wall in Judah and in Jerusalem. And now, O our Elohim, what shall we say after this? For we have forsaken Your commandments which You have commanded by Your servants the prophets, saying, The land into which you go, to*

*possess it, it is an unclean land with the impurity of the people of the lands, with their abominations and which they have filled it, from mouth to mouth with all their uncleanness.*

**Ezra 9:12-15** *And now do not give your daughters to their sons, and do not take their daughters for your sons, or seek their peace, or their wealth forever, so that you may be strong and eat of the good land, and leave it as an inheritance for your sons forever. And after all that has come on us for all our evil deeds, and for our great guilt, since You our Elohim have held back the rod on our iniquities, and have given us such an escape of this, shall we again turn back to break Your commandments and intermarry with the people of these abominations? Would You not be angry with us until You have destroyed us, until there is no remnant or survivor? O YAHWEH the Elohim of Israel, You are righteous. For we are left as a survivor, as it is to this day. Behold, we are before You in our guilt, for none is able to stand before You for this.*

And if we drop down now to Ezra 10 verse 9 ... 9 through 12:

**Ezra 10:9-12** *Then all the men of Judah and Benjamin gathered to Jerusalem within three days. It was the ninth month, on the twentieth of the month. And all the people sat in the plaza of the house of The Elohim, trembling because of the matter, and because of the heavy rain. And Ezra the priest stood up and said to them, You have trespassed and have dwelt with foreign women, to increase the guilt of Israel. And now make confession to YAHWEH, Elohim of your fathers and do His will. And **separate yourselves** from the peoples of the land and from the foreign women. Then all the congregation answered and said with a loud voice, **Right!** According to your word it is on us to do.*

So, it's interesting because today after 2,520 years of captivity, Israel comes back to the Land. Not 70 years of captivity, but 2,520 years of captivity. And maybe not this sin .... I think Israel pretty much has for one extent stayed separate from the people of the world—although they have made pacts with United Nations and America, and these different things.

But where Israel has even sinned an even greater sin than this, they even deny Yahweh being the Elohim. They came back, not with the Torah as their Constitution, but democracy. So they made a **far worse** sin. And that's why we see for the past seventy some odd years, Israel is not being blessed because they haven't made Yahweh their Elohim. They haven't lived according to His way. And now it's even, in recent days, it's even getting worse.

But they're told to separate from the non-believing society, even family members. So they have to separate from the non-believing society, sometimes even family members. Because, face it, a lot of times our family will be pressuring us. I know, I can't tell you ... I don't know percentage wise ... but I can tell you in the days we're living in that I will always say this: a believer—a true baptized believer—is maybe one out of five million, ten million.

If you add in all the people throughout history it might be one in thirty million, twenty million. But one thing is for certain, that there's many called and few chosen. So there are many, many more people who are called to the truth and have an interest than there are that come. There might be ... I don't know what percentage ... but maybe one percent, two percent that are actually called, actually wind up making that commitment and stay.

And you know the main reason ... two main reasons that people that are starting to come to the truth back away? One is the Sabbath—that they don't want to give up their job or whatever for the Sabbath. The second thing is because of things like Christmas. That so many people will not even stand up to their **family**—and grandparents and parents and relatives and brothers and sisters—for not keeping something pagan as Christmas and abstaining from it.

So we see this here that this is a really big thing, right? Matthew 10 in verse 34. Is it any different in the New Covenant? No! Matthew 10 in verse 34:

**Matthew 10:34-36** *Do not think that I came to bring calm on the earth. I did not come to bring calm, but a sword. I came to divide a man against his father, and a daughter against her mother, and a bride against her mother-in-law. And the adversaries of a man shall be those of his own house.*

**Matthew 10:37-39** *The one loving father or mother more than Me is not worthy of Me. And the one loving son or daughter more than Me is not worthy of Me. And whoever does not take up his staff and follow after Me is not worthy of Me. The one finding his life shall lose it. And the one losing his life on account of Me shall find it.*

So I always say this, the fact that I love Yahweh more, it doesn't mean I love my family less. So I'm in the faith close to forty years now, and there were many times where I had to separate. Especially in the beginning. Not going to my family's house for Christmas, because it is more than just a meal. They're not getting together there just for a meal. They're getting together because it is Christmas, because it is a pagan holiday. And we should have nothing to do with it. We should not be compromising as we see with Ezra.

So, the sanctified of a true believer, it's always been there. It was always there throughout the whole first covenant. And it's there throughout the New Covenant, right? The whole first covenant—from Genesis to which we were reading to Chronicles—was about calling out sanctified people for the Kingdom of Yahweh. That's what the **whole Bible** is about.

Luke 1, Luke the first chapter, now we get to the New Covenant. Do we see anything different? No! We see the same exact thing. Luke 1 and verse 60; and this is Elisheva—Elizabeth—John the Baptist's mother talking when John is born, right? Yochanan. And what do they say?

**Luke 1:60** *And his mother answered, saying, No, Not so, but he shall be called Yochanan.*

Because they're saying, "Is he going to be Zechariah like his father?" They're like, "No, he's going to be called Yochanan." Then look at verse 76:

**Luke 1:76** *And you, child, will be called Prophet of the Most High, for you will go before the face of YAHWEH to prepare His way ... and verse 80:*

**Luke 1:80** *And the child grew, and became strong in spirit. And he was in the wilderness until the day of his showing to Israel.*

So not only was John the Baptist separated from birth. He actually was completely separated and was never part of the world because his job was **so important** because he was the forerunner to Yahweh. And it's interesting because in the end time, what is the ministry that the true people of Yahweh do? They're doing the Eliyahu ministry. And John the Baptist was Eliyahu. Yahshua told us. But we also know in the end time, there'll be an Eliyahu—whoever Yahweh ... when He brings that. But there's a **ministry** of Eliyahu, too, that I believe all of us are doing to one degree or another.

So John was the last Old Testament prophet. He was separated from birth from the world of Satan. And if we're going to be part of that ministry like he was, right, to prepare the way of Yahshua, then **we need to do the same thing. Even all the more now.** Because like I said, even though it's like the days of Noah, it's **worse** in one sense. Because in the days of Noah, there wasn't internet, and there wasn't TV, and there wasn't a way that Satan can get into people's minds twenty-four seven—through cell phones, through music, through head phones—that Satan can do this against Yahweh twenty-four seven. So **even more** the reason to have the sanctified life of a true believer in the days we're living in.

Let's go to Mark 3 in verse 13. Mark 3 in verse 13—because we see the same thing with the people that Yahshua called—His apostles and disciples. Mark 3 in verse 13:

**Mark 3:13-15** *And He (Yahshua) went up into the mountain, and He called near whom He desired. And they went to Him. And He ordained twelve, that they might be with Him; and that He might send them **to proclaim**, and to have authority to heal diseases, and to cast out the demons.*

**Mark 3:16-19** *And He put on Simon the name Peter (Kefah). And on Jacob the name of Zebedee, and John the brother of Jacob, He put on them the names B'nai Raghshee, which is, Sons of Thunder. And He appointed Andrew, and Philip, and*

*Bartholomew, and Matthew, and Thomas, and Jacob the son of Alpheus, and Thaddaeus, and Simon the zealot, and Judas Iscariot, who betrayed Him.*

So we see that Yahshua called apostles ... who are what? *Called out ones*. That's what the word apostle means ... from the world of darkness into Yahshua's wonderful light. *One sent forth*, they're called out and they're sent forth. Then we go to Ephesians 4. Let's go to Ephesians 4, I'll start in verse 17 ... Ephesians 4 verse 17:

**Ephesians 4:17-19** *Therefore, I say this, and testify in the Master, that you no longer walk even as also the rest of the nations walk, in the vanity of their mind, having been darkened by their intellect, being alienated from the life of Elohim because they have no knowledge, which is because of the hardness of their heart, who, having cast off all feeling, surrendered themselves up to lust, and to the practices of all uncleanness with a desire for more and more.*

**Ephesians 4:20-24** *But **that is not** what you have been taught in Messiah, if indeed you **heard Him or taught in Him**, as the truth is in Yahshua. Lay aside **all your former practices** and put off the old man, having been degenerated with deceitful lusts, and **be renewed in the spirit of your mind**, and to **put on the new man**, who is created by Elohim in **righteousness and true holiness**.*

True sanctification ... true kadosh, right? So this is what it is. It's about a new life. It's about getting rid of the old life, getting out of the old life. And **the New Testament is all about coming out of Satan's world to be ambassadors for Yahweh's Kingdom**. That's what our whole calling is about. And the doorway is Yahshua, right? He is the Life. And He is the Door like we see in John 10, *No man can come to the Father, **but through Him***. You have to go through His sacrifice. You have to go through Him. But now once you enter the door, the door to what? He is the Door to the Kingdom of Yahweh. Now you have to live in that Kingdom! You have to get past the doorway and live in the Kingdom. And be sanctified, a life of that. And that's why Yahshua ... like it says that we are forgiven through His death, but we're saved through His life because His life is one of sanctification. He also went to the wilderness before He started His job.

And sanctification **does not mean** hiding away somewhere in a cave. Because during the medieval ages when the Congregation in the wilderness was out there from 360 to 1620, right? And when they were living out in the wilderness in caves and all these things, there were more people from the year ... somewhere around 1000 to the year 1500 ... there were several million people that were called. Probably more than in the history of the Congregation. So even though they were separated and sanctified from the world, they certainly weren't hiding in a cave. They were still doing the work of Yahweh. So I want to make that clear.

2<sup>nd</sup> Corinthians 6 in verse 14. And I think this is about the **clearest Scripture** we can get on being separated from the world. It says:

**2<sup>nd</sup> Corinthians 6:14** *Do not be unequally yoked; Or do not unite in marriage with unbelievers. For what partnership does righteousness have with lawlessness? And what fellowship does light have with darkness?*

**Comment:** So it's not just talking about marriage. It's talking about **any kind of business activity**, any kind of being ... of your friends. Are you friend's believers, or are your friend's people in the world? Who are the people you're spending time with? So it's saying we're not to be **united**. We're not to have ...

**2<sup>nd</sup> Corinthians 6:14b-15** *partnership with the world because what does righteousness have to do with lawlessness? And what fellowship does light have with darkness? And what agreement does the Messiah have with Satan?*

**Comment:** Right? Because that's Satan's world! How much clearer can it get than this? That we are to be **separate from Satan's world, not part of it**.

**2<sup>nd</sup> Corinthians 6:15b** *And what agreement does the Messiah have with Satan? Or what does a believer have with an unbeliever?*

**2<sup>nd</sup> Corinthians 6:16a** *And what harmony has the sanctuary of Elohim with idols?*

**Comment:** Right? Everything they do ... even Christians! It's all idolatry. The whole religion is a false religion of idolatry.

**2<sup>nd</sup> Corinthians 6:16b-18** *For you are the sanctuary of the living Elohim, even as it is said, "I will dwell in them and walk among them, and I will be their Elohim, and they will be My people." Because of this, "**Come out from among them and be separated**, says YAHWEH, and **do not touch the unclean thing, and I will receive you.**" ... Come out from among them and **be separated**, and touch not the unclean thing, and I will receive you." "And I will be a Father to you, and you will be sons and daughters to Me, says YAHWEH Almighty."*

**2<sup>nd</sup> Corinthians 7:1** *Then having these promises, beloved, let us cleanse ourselves from all defilement of flesh and of spirit, **perfecting kadosh** in the fear of Elohim.*

Right? So **if you want Yahweh to be your Father, and you want to be His child, you got to separate from the world because it's Satan's world. It's Satan's system.** And you know what? We already know it. What is the main reason that atheists ... that nonbelievers ... say to you why they don't believe in Elohim? The main reason, okay? There's difference reasons people say. But throughout time, if we're honest with ourselves, the main reason people don't believe is they say, "Well, if there's really an Elohim in Heaven, how can He allow all these horrors in this world? How can allow war? How can He allow children to be molested and killed? How could He allow all these things?" And the answer is very simple: because **it's Satan's society and humans are choosing that! He gave us freewill.**

**We don't have to go through that because in Yahweh's Kingdom these things aren't happening. In Yahweh's Kingdom, miracles are happening.** I remember years back in Africa where there was a tribal war going on and they were coming through the village killing every single person in that village and burning down their houses. And you know something? After they went through the whole village, there was one house that was left there. It was the believer! One house—one hut I should say—that was left! And they had no idea. Yahweh blinded their eyes to it. Why didn't they burn that one down? They didn't know. They didn't see it!

And this is what happens. When we look in the Bible and we see the twelve tribes of Israel and their sister Dina, right? What happened when Dina went out to the world to see what it was like? She wanted to see what the world was like. She wound up getting raped because she was there without a covering. And today, wow, you talk about that you'll be called racist and whatever ... whatever they call xenophobic and this. And they have all these words—all these 'woke' words. I don't them all, thank Yahweh for that.

But actually to have a covering over a woman for protection, they want to make it as something is bad. But that's what it is. Because a woman shouldn't be out there on her own. She shouldn't be working in the world on her own. She shouldn't be out, away from her family and out from protection. Because that's the kind of things that happen in Satan's world.

So that's where, if somebody is really honest about that when they say it, we have an answer! **Leave Satan's world and you won't see that! That's not going to happen in the Kingdom of Yahweh.** That doesn't happen in Yahshua's Congregation, right? And if it does, then people will be punished. I mean we are human beings. I'm not saying the Congregation is perfect. But what I'm saying is there's a reason why these evils happen in the world. They happen because it's Satan's world.

And the way not to have those evils happen in your life is simply separate from it. The sanctified life of a true believer—that's what we're called for. Like I said, from Adam all the way to today, we're called to be part of the solution, not the problem. And **if you want to be part of the solution, then you can't be part of the problem.** But you can't *think* you're going to be born and go to the school in the world that says Yahweh doesn't exist, right? They teach 'evil-ution' and says Yahweh doesn't exist.

And yet, we send ... not me ... but people send—believers—send their kids there from four, five, six years old. *Oh, they got a handle on it, right?* Give me a break! They got a handle on it? And then after ten years of that, fifteen years of that, what do they want to do? Send them to higher education—to colleges. Which is even worse because they're **all run** by what? By the New World Order. Since the 1940's they've been indoctrinating these colleges. Everything they teach is for worldly. And what do they do? They get kids and young adults to do ten, twelve, fifteen years of putting in for that. But once they come out they say, "Well, I've put fifteen years of my life. I got to do this. I got to do this." No! That's why, don't do it! Don't send your kids into the world's education, the world's governments, the world's schools.

We are to be separate from that. That's what we're called to—from Adam to Noah, to Abraham to Moses, to the Israelites, to John the Baptist, to Yahshua, to the apostles, to the ones in the wilderness. And here we are today. It's the whole Bible! It's from beginning to end. And anybody that can't see that, what are you reading? Maybe you're reading the Koran, I don't know. But you're certainly not reading the Bible if you can't understand this. And **especially in the world we live in today**. If you can't see this is Satan's world then wow, do you have scales on your eyes. Talk about a Laodicean. But here we are. Here we are. We're at the end of the end. And this is what Yahweh is doing. He's calling His people out of that.

1<sup>st</sup> John 2 in verse 15. Here we go again, another Scripture. It's throughout the whole Bible. Like I said, **this message isn't a mystery**. There's things like ... I've done different messages, on message to the 144,000, and different things that may be written in code in the Bible. This isn't one of them. This is about as open as you can get. This is about as plain as you can get. It's the same as showing that Yahshua came to earth—that He's Elohim—and came to earth, and died for our sins, and that He died so that our sins can be forgiven, and that He can live in us. Just as that is not hidden in the Bible—that's a simple, plain message all throughout the Bible, Yahweh's plan of redemption to mankind—**so is this**. Because you can't be redeemed if you're part of Satan's team. And when you're in the world that's what you are. You're part of Satan's team, not Yahweh's. 1<sup>st</sup> John 2 in verse 15:

#### **1<sup>st</sup> John 2:15a Do not love the world**

**Comment:** Right? Because **Satan is the god of it! Do not love the world that Satan is the god of.**

#### **1<sup>st</sup> John 2:15b nor the things in the world.**

**Comment:** Right? iPhones, Hollywood, social media, Facebook—are these of the world or are they of Yahweh? **They're of the world ... they're of the world**. I'm not speaking a different language. It's so simple! Of course, they're of the world! And of course Yahweh wouldn't want us to be part of it. They're only being **created** to track you! That's the only reason they have it. And now they're starting even now with the new money, right? They're starting here with the global digital currency is the next thing. Do not love the world where Satan is the god of; or the things of the world.

**1<sup>st</sup> John 2:15b-16** *If anyone loves the world, the love of the Father is not in him, because all that is in the world ...* Not part of it. Not some of it, right? The tree of the knowledge of good and evil, you'll decide. **NO! All that is in Satan's society ...** *The lust of the flesh, the lust of the eyes, and the pride of life, is not of the Father, but of the world.*

**Comment:** Right? The system of Babylon is filled with lust and greed and covetousness. **That's Satan's system.** That's what it's filled in.

**1<sup>st</sup> John 2:17** *And the world is passing away ...* Right? It's the end time ... *the world is passing away and its lust. But the one doing the will of YAHWEH ...* who leaves the world **behind ... abides forever.**

This isn't that difficult. This is so plain. It's just that some people don't want to see it. They really don't want to see it. And you know it's really interesting, because years ago when we used to talk to people about leaving the system and leaving Babylon, the first question that comes up ... an honest question that people come up ... is, *But how can I survive outside that system?* Right, because your whole life, your whole mindset, right, your mindset is one way—living in the

system of Satan. And in that system you have to get money, you have to pay for rent, you have to buy food ... all these things. So it's a valid question—*how on earth can I live outside the system?* But you want to know something? Now, since we've had our communities for about eight years ... we have close to thirty communities or so ... you know what people are telling me in the community? They're actually saying, *How on earth can we survive outside of Yahweh's system? How can we survive in that system?*

Because now we see with Covid, right, that unless you get vaccinated, unless you take the mark of the beast, unless you have all these things, unless you take the chip—you can't buy and sell! You can't get food! You can't pay your rent. You can't do it anyway. And that's Satan's system. Satan's system is, always in the end you're going to lose. You're never going to win in Satan's system.

So isn't it interesting that when the people with that mindset ... and that's why we have to reframe our mindset, right? It's a matter of reframing. It's a matter of what meaning do we give to something? And I understand it because I thought the same way. When you're in it and you're part of it, you think how on earth can I survive out of it? When you're out of it and you're looking back, you're saying, *How on earth could I ever survive if I was part of that?* And that's where you got to get to because we don't have much time left. And you got to get to that point that you're not thinking any longer, *how on earth can I survive outside of Satan's system?* Because you've only been part of it your whole life. You got to get to the point that you're thinking, *Oh man, I'm glad I'm out of this. How on earth would I ever survive if I stayed in there?*

The time is short. Jacob 4 in verse 4:

**Jacob 4:4 Adulterers and adulteresses!** *Do you not know that the friendship of the world is (hatred) enmity with YAHWEH ... Friendship of the world—when you're part of that system, you're a friend to it ... Whoever, then, purposes to be a friend of the world is an enemy to YAHWEH.*

You want to be Yahweh's enemy? Then stay part of the world. Have everything you do as part of the world, right? And what does he say? As spiritual adulterers and adulteresses, friendship of the world is hatred with Yahweh. **Satan is against Yahweh** ... Satan is against Yahweh, right? Those who choose Satan's society make themselves enemies with Yahweh. You got to choose your allegiance. It's one way or the other.

And like I said, in the wilderness from 360 to 1620, the main reason people left society and went to the wilderness was not to be part of the global system of Rome, who was the Babylon of that day. That was set up at the time with the Pope as its leader. They believed if they lived and worked in that society, it would force them to compromise. Wow! Back then they believed that. Today it's a given. If you live and work in the system, you will have to be forced to compromise one way or the other.

They never stopped witnessing though, like I said, and millions came to faith during this time—more than any other time period in the history of the Congregation. So being sanctified from the world doesn't mean we stop the Matthew 24 Commission. Actually, you do more of it! Because how many people that are part of Satan's society and they work sixty, seventy hours a week, all the other stuff, that they have no time for the Kingdom of Yahweh? They have no time for witnessing. They have no time for the Matthew 20. They have a hard time just getting off for the holy days, right? So actually when you're out of that system, you have **way much more** time for that.

Revelation 18 ... Revelation 18 in verse 4:

**Revelation 18:4** *And I heard another voice out of Heaven saying ... either come out of her My people or ... leave the land of her, My people, that you may not share in her sins, and that you may not receive of her plagues;*

Right? And this is end-time Babylon which yes, it is the country of America, which people have to leave. But it's a world-wide system that Babylon brought. So Yahweh is not destroying the country of America simply because of the sins in America. He's destroying it because the **world-wide system of trading**, right?

And it's really interesting now as we're moving on in the second half of the Shemita year, and that *literally* ... we talked about this for a long time ... that the petro dollar being done away with—and now it's actually happening. Now actually, Saudi Arabia and these other countries have gotten together and they are actually trading oil and other things not in dollars. And look out. Because the petro dollar is the only thing that has kept America from collapsing. They have so much debt, and their money is so worthless, but because the whole world was forced to buy the dollars, they could go in as much debt as they want. It wouldn't collapse as long as people are buying it.

But now that they've stopped it ... and America is part of it, that's the thing. America is part of this plan to destroy it—to destroy the dollar so that they can bring in the digital currency. So look out! The days of Babylon are numbered. They really are numbered; which means we're going into the next phase of the end time. Like I said, the Covid test is over. They saw, if they wanted to lock down the world, they saw how they can do it. They saw the problems they had. They saw what they had to change for the next lockdown and things. But now they're coming to the next thing. And that's why Yahweh is saying come out of it.

You're not going to survive there. It's like if there's a house on fire and somebody's afraid because there's fire all around. They're like, "You got to get out of there or you're going to burn! You got to get out of there, there's a flood!" And somebody doesn't want to leave. They're afraid to leave. And it's like "You better leave now or you're going to drown!" And that's the same thing. That **if you stay any longer in the system of Babylon, in Satan's world and Satan's society, you're not going to make it.** This is the point of no return that we're at, at this point.

Ezekiel 20 in verse 34 says:

**Ezekiel 20:34-37** *And I will bring you out from the people and **gather you** from the lands in which you are scattered among them with a mighty hand and with an outstretched arm, and with fury poured out. And I will bring you ... where? ... into the wilderness of the people, and I will be judging with you there face to face. Just as I was judging your fathers in the wilderness of Egypt ... Right? This is the second Exodus and here we are ... so I will be judging you, declares Adonai YAHWEH. And I will cause you to pass under the rod, and I will bring you into the bond of the covenant.*

**Comment:** Just the way like a shepherd counts every sheep ... and He has his rod, he counts them as they're passing ... that's what Yahweh is saying. He's going to count each of us and bring us into His covenant.

**Ezekiel 20:38** *And I will purge from among you the rebels and transgressors against Me. And I will bring them out of the land where they reside, and they shall not enter into the land of Israel. And you shall know that **I am YAHWEH.***

So Yahweh's taking His people out of **spiritual Egypt** ... which is the commercial Babylon in the end-time wilderness ... again. And like I said, you have to remember it's a mentality, as well as a reality.

1<sup>st</sup> Peter 2 in verse 8:

**1<sup>st</sup> Peter 2:8-9a** *He ... talking about Yahshua ... is the stone of stumbling and a rock of offense. And they stumble at it, because they believe not the word for which they were appointed. But **you are an elect race, a royal priesthood; a holy people (kadosh), and a people for possession***

**Comment:** So it's actually treason ... the same way it was treason with Adam and Eve did in the Garden ... it's treason for us as an **ambassador** for the Kingdom of Yahweh to stay and be part of the system of Satan instead of being sanctified from it.

**1<sup>st</sup> Peter 2:9b-11** *that you should proclaim the praises of him who called you out of darkness to His precious light: you who then were then "Not a people, but now are the people of YAHWEH; who had not obtained mercy, but who now have mercies poured out upon you." Beloved, I exhort you as **pilgrims and strangers** to abstain from fleshly lusts which war against the soul.*

Right? As pilgrims and strangers—that’s what we are in this world. We’re not part of this world. That’s not where our citizenship lies. Our citizenship lies in Heaven. Yahweh is taking His people out of spiritual Egypt to the wilderness, and we are a royal priesthood sanctified to Yahweh. We are training to be His priests with Yahshua in the Millennium. And to mix with the world is idolatry. It’s as simple as that. To mix with the world is idolatry.

Go over a page here to 1<sup>st</sup> Peter 4. I’ll read 1 through 5 and verse 7:

**1<sup>st</sup> Peter 4:1-4** *Therefore, Messiah having suffered for us in the flesh, also you arm yourselves with the same thought, because he having suffered in the flesh has been made to rest from sin, for him no longer to live in the lusts of men, but to live the remaining time in the flesh in the will of Elohim. For the time of life having passed is sufficient for us to have worked out the will of the pagans, having gone on in wantonness, lusts, drunkenness, parties, indecent singing, lawless idolatries;*

**Comment:** Right? So that was our past. That was the world before—before we came into the Congregation and Yahweh sanctified us. And it says ... but what happens? What about the people that used to do these things before? Verse 4:

**1<sup>st</sup> Peter 4:4** *in which they are surprised that you do not indulge with them into past excesses and they blaspheme against you;*

**Comment:** Right? They judge you, *You’re self-righteous! You think you’re better than somebody else!* No, nobody ever said that. It’s their own mind convicting them because you’re not doing the same things with them anymore.

**1<sup>st</sup> Peter 4:5, 7** *who will give account to Elohim, who is to judge the living and the dead ... verse 7 ... But the end of all things has drawn near. Be of sound mind then, and of mindful prayers;*

**The end of all things has drawn near.** And that’s the point now. We are in the end time. Now it’s the time where these two kingdoms are no more just a mentality in somebody’s mind. They’re both manifested in the world. The kingdom of Satan is clearly manifested. I mean man, when you see them using cross dressers and trans-dressers—whatever they call them—teaching stories to kids at five and six years old; when you see kids between eight and ten years old and they’re mutilating their genitals to make them whatever they are, changing them without parents even knowing about it.

You’re living in about the sickest world you can ever imagine. And what they don’t want to admit, because they’re brainwashing the people, is these people are pedophiles. They’re sick! They’re evil, sick people! And that’s why Yahweh says come out of it. Come out of it, like He says here. Because *the end of all things has drawn near. Be of sound mind then, and be mindful of prayers.* It’s up to us to testify against their wickedness, but important than that, to testify of Yahweh’s Kingdom to the ones He’s still calling in.

So let’s go to Revelation 14 ... Revelation 14:1-5:

**Revelation 14:1** *And I saw, and behold, the Lamb ... Yahshua ... standing on Mount Zion! And with Him were a hundred and forty four thousand, with the name of His Father having been written on their forehead.*

**Comment:** And when people tell me it doesn’t matter, you can call Yahweh anything. “No, okay.” They’re blind to it. Yahweh can only open your mind and blind the mind. So if they feel that way, they certainly aren’t one of the hundred and forty four thousand. Because all I know is, whoever the hundred and forty four thousand is, Yahweh’s name is on their forehead.

**Revelation 14:2-3** *And I heard a sound out of Heaven, as a sound of many waters, and as a sound of great thunder. Also I heard a sound of harpers harping on their harps. And they sing as a new song before the throne, and before the four living creatures and the elders ... Right? When we were going over in what? In Ezekiel in the Bible study ... And no one was able to learn the song except the hundred and forty four thousand, those having been redeemed from the earth.*

**Comment:** Right? Redeemed meaning called out from—taken out from Satan’s society.

**Revelation 14:4a** *These are the ones who had **not become defiled, for they are pure.***

**Comment:** Right? They’re not part. Just like Noah was **righteous** in his generation. Do you think Noah was on Facebook? Do you think Noah was there with all the people hanging out at night? No, no! Noah was righteous. He abstained, he separated himself, he was sanctified.

**Revelation 14:4-5a** *These are the ones who had not become defiled, for they are pure. These are the ones following the Lamb wherever He may go ... Right? Only Yahshua they follow. Nobody else ... These were **redeemed** from among men being the first-fruits to YAHWEH and to the Lamb ... They were redeemed. They were taken out from there ... And no decoy was found in their mouth.*

**Comment:** Why? Because they’re not watching CNN every day. They’re not watching all of this nonsense. The news is fake news—all of it is—no matter who you are. I don’t care if it’s Fox News. It’s all fake, it’s all lies, it’s all manipulation, it’s all distorted, right? So these are people ... what are they following? Scripture! They’re following Yahshua and Yahshua alone.

**Revelation 14:5** *No decoy was found in their mouth for they are **unmarked** before the throne of YAHWEH.*

Right? They don’t have any vaccine. They don’t have any chip in their hand. They’re not part of that system. They are unmarked before the throne of Yahweh. So the ones with the true Shepherd are those who are fully separated from society and follow Him.

**Isaiah 49:1** I’m not going to go there. But Isaiah 49:1 says that Yahweh has called us from the womb. He called us from birth. It says He knew us before we were even born in our mother’s womb ... just like He called Adam ... to be His servants and priests to join in His soon coming Kingdom. He called us to be witnesses and to call those outside in Satan’s society, right, not to join them. So **our job is calling those people into the Kingdom of Yahweh, not joining them.** Not joining them with social media and all the other evil things that Satan has done in this world.

We must understand that what we see in the Laodicean era, are rebellion and lust and pride, is the world of Satan, not Yahweh. And we must come out from among them. The world is more corrupt ... in the end time—in the world we’re living in today ... than any other time in the history of man. It’s **shocking** the things that we see today, that even just five years ago, you would have never in a million years thought it can get this bad. And yet it is.

It is more important to stay sanctified than ever before, as with the mark of the beast, it literally is going to mean many people’s salvation. And that’s why I say we’re pretty much out of time. Because if you don’t separate now, you never will. And a lot of people don’t even see it. A lot of people don’t even understand what the mark of the beast is.

Do you know that Seventh Day Adventist, and so many Sabbath keepers, they think the mark of the beast is Sunday worship. So they think, “As long as I’m not going to church on Sunday! Oh a chip? Go ahead, give me the chip. Yeah, I need it for work. I need to get my medicine. I need to get a ...” And Satan has blinded them that they’ll actually take those chips! And even though it says they put the chip in the right hand and in the forehead—makes no difference because they have the false belief, the fake news, that the mark of the beast is Sunday worship. We are living in the most deceptive time. Satan has deceived the whole world. And **the only way not to be deceived is to come out of the world** that he has deceived. Come into the Kingdom of Yahweh, that is the only way to do it.

Last Scripture is John 3:19-21:

**John 3:19-20** *And this is the judgment, that Light has come into the world, and men loved the darkness more than the Light, for their works were evil. For everyone practicing wickedness hates the Light, and does not come to the Light, that his works may not be exposed.*

**Comment:** And that's what it is. It's a world of evil where Satan is the g-o-d of. And that's what they love. They love the darkness more than the Light.

**John 3:21** *But the ones **doing the truth come to the Light**, that his works may be revealed, that they **exist** ... Right? That they exist, that **you have a work** that exists. And it's not in Satan's darkness, but it's in the light of Yahweh ... *But the one doing the truth comes to the Light, that his works may be revealed, that they **exist** having been worked in Elohim.**

That is where it comes from. What is so hard to understand about this? Like I said, from Adam all the way down to today, **every single servant of Yahweh was sanctified away from the world** and set apart—including the whole nation of Israel. Which today, we are **spiritual Israel**. We are the Ephramites and we haven't gone back to the Land yet, but we are a spiritual nation living all over the world, there's Ephramites. And we are still to stay separate and as ambassadors of Yahweh, we're not to join in the countries we're living in, right? We are to just be His representatives and His ambassadors for Him of the Kingdom. What is so hard to understand about this?

The world of Satan where he is the god of, and has every evil and perversion known to man, that Yahweh would tell us to stay separate from—what is so hard to understand about that? It is the Garden of Eden all over again. We have the Tree of the Knowledge of Good and Evil, manipulated by Satan; or the Tree of Life which is one hundred percent full allegiance and submission to Yahweh. That is what Yahweh set apart His elect for, but we still have free will as He does, and we need to freely choose to stay out of Satan's society and follow Yahweh into the wilderness where He will nurture and care for His remnant in the end times we are living in.

So, the sanctified life of a true believer—it's the only life. It's the only way. And I just pray as another Passover is here—a really important Passover during the Shemita, one where we're getting double blessing from—I pray that ... although I've said messages like this many times before ... I pray that this one ... my prayer to Yahweh is that this one will hit you like a ton of bricks like never before, and that we'll make that line in the sand from the Kingdom of Yahweh to the kingdom of Satan, and that in the end, you'll be on the right side.

Yahweh bless, Chag Semeach!
