# Feast of Sukkot (Tabernacles) 2020

In these last days that we are living in, Yahweh is turning the page of time, and Yahshua is preparing His bride to go to the wilderness and sanctify herself for the soon coming Kingdom.

**SoS 3:6** *Who is this who comes up out of the wilderness like columns of smoke, sacrificing as incense myrrh and frankincense, from all powders of the merchant?*

**Eze 20:34** *And I will bring you out from the peoples and gather you from the lands in which you are scattered among them with a mighty hand and with an outstretched arm, and with fury poured out.*

**Eze 20:35** *And I will bring you into the wilderness of the peoples, and I will be judging with you there face to face*

**Rev 12:14** *And two wings of a great eagle were given to the woman, that she might fly into the wilderness, to her place, where she is nourished there for a time, and times, and half a time, away from the serpent's face.*

And Yahshua has inspired for the remnant bride to start to go to the wilderness to prepare for what will be coming in the days ahead. Last year in 2019 was our first Sukkot in the wilderness, and everyone involved, all agreed it was the most fabulous feast ever. Yahweh showed us so many lessons from start to finish, but one of the biggest lessons learned was you need to be there in the actual wilderness to learn the lessons needed.

On October 1<sup>st</sup> at about 1:00pm the group will meet at Ammon airport, and will be taken to the guest house to prepare for the feast and Holy Day. We will spend 3 days at the lodge.

After this, we will travel to the wilderness and spend 2 days tenting in the very desert that the children of Israel tented in almost 3500 hundred years ago. Then, we will travel to a wilderness and spend 2 days tenting in a beautiful nature reserve that is close to the Biblical Selah. The very place of the **"rock"** that Yahweh says He will hide His remnant in the end times. We will visit Selah while there.

Next, we will continue our wilderness journey, and spend the last 2 days of the feast back in the guest house, and talk about the lessons learned, and understand about our wilderness journey. Since the last great day ends on Friday at sunset, we will be blessed to have an extra 2 nights and Sabbath day at the guest house.

Then, on Sunday morning October 11, 2020, we will leave for the amazing pilgrim tour of going to the Fenyan copper mines where the copper serpent was made by the Israelites, we will also travel through the Arnon gorge where the Israelites border was placed, and continue through Wadi Rum, down to our hotel at the border in Aqaba.

The next day Yah willing, **we will for the first-time travel in Saudi Arabia down to the original Mount Sinai**, and try to get as close as we can to the mountain, which is gated in a restricted site. Afterward, we will travel to the original Red Sea crossing site in Arabia where Pharaoh's chariot wheels are still there today. We still need to get visa permission, and there is a chance we may not be able to go, but we will try our best and also have a good alternative just in case.

After sleeping again in Aqaba, we will go to visit Lot's cave, where he fled with his daughters when Sodom was destroyed, and also the original Jordan River Baptism site, where Yahshua was baptized by John the Baptist, and then go to Machaerus fort of king Herod where John was beheaded. The last day we will visit Mount Nebo, where Moses saw the Promised Land, the Jabok River, where Yahshua wrestled with Jacob, and ancient Jerash, which is the Biblical place of the Gadarenes (Luk 8:26), and also visit Elijah's birth place.
