Chag Semeach! HalleluYah. So it is a blessing again to be here in the wilderness and very timely because today's sermonette is *The Wilderness*, our lesson during the Sabbath. And again, very timely, there is no electricity in the wilderness because originally it's ... Yahweh's like that to Yahweh's people in the wilderness.

So we will talk about the point number two in the wilderness; which is, the wilderness is both mentality and physical ways. We are here in the physical place and to be trained to have the mentality of wilderness, the wilderness mindset.

So here we are in the physical place of the wilderness of Sela. And this is the place prepared by Elohim for His people. It's Revelation 12. We already heard it from the previous message from our senior elder, *The Preparation of the Bride in the Wilderness*.

So to have the wilderness mindset, you need to be able to come here in the wilderness to be trained by Yahweh. So it is a blessing to all of us to have this because as we know, not every person has that open door and have that willingness to be trained and have the open ears and eyes to see from Yahweh.

So perfect place for training our minds into the mind of Messiah; nourishment physically and mentally and spiritually, but it's not so easy because the enemy is doing his best to cause the woman, or the Congregation, to be carried off with the river.

I understand most everyone of us have these challenges, even in getting the visas or whatever it is, physically, mentally, even financially and spiritually. So there is an attack. But again, the enemy is doing his best to cause the woman to be hindered.

But there is already a command from Abba Yahweh in **Exodus 5:1** in ancient times, and Moshe that send away My people. So that is a very good thing because Yahweh commanded the enemy, now in that time is Pharaoh and our time today is this spiritual enemy. Yahweh is saying, "*Send away My people, so they will celebrate the feast to Me in the wilderness.*" And here we are, the second day of the Feast. HalleluYah! So Revelation 12:14-17:

**Revelation 12:14-16a** *And two wings of a great eagle were given to the woman, that she might fly into the wilderness, to her place, where she is nourished there for a time, and times, and half a time, away from the serpent's face. And the serpent spewed water out of his mouth like a river after the woman, that he might cause her to be carried off by the river. And the earth helped the woman, ...*

**Comment:** And this is amazing because the earth helped the woman. And I am always reminded with the group of Korah, when the earth swallowed them up alive but this time the woman is helped by the earth and totally different. So praise Yahweh that all of this is for good for our warning.

**Revelation 12:16** *So the earth helped the woman, and the earth opened its mouth and swallowed the river which the dragon threw out of his mouth.*

**Comment:** And another deception there because growing up, I am seeing this deception, that the dragon is spitting fire, but here, it's not fire, it's water.

**Revelation 12:17** *And the dragon was enraged over the woman, and went away to make war with the rest of her seed, those keeping the commandments of YAHWEH, and having the testimony of Yahshua ... praise Yahweh.*

One of the commands of Yahweh is keep the Feast of Sukkot for Sabbath days, and another one is to have a rejoicing. That's why in Kenya, he reminded the people, "Hey, no crying today because this is Sukkot. And then no sad feeling because we are coming in to rejoice."

So a comment from the last great sermon, Yahweh preserved these precious historical records. I'm talking about the history of Yahshua's congregation from 36AD, and page 220-229 of the book of Elder Don, *The Gates of Hell Shall Not Prevail Against Her*. And that is an amazing book, talking about the wilderness congregation.

And, wow, praise Yahweh. These are preserved for our generation today. If you read that in page 280 not only to show the great character and dedication of the congregation that these wilderness believers exceeded them in their day, but also as an example to all true believers throughout history knowing others in the future ... here we are ... that we also have to make a wilderness walk.

And I'm always re-minded by the first matter of wilderness when given the invitation. The first lesson is to be here because it's another story if you are here, creating yourself, having the mentality, having this experience and the preparation aside from, I mean, compared to the other place. That's why the true battle is when you go out from here, like in the school, we were here one month, and then the real battle is outside, going back to our places. So, environment is 90% of a true believers' battle.

And being a wilderness and sanctified away from Satan's society and control, not only physically protected these believers on many different occasions, but it is also protected them spiritually. And allow the Ruach of Yahweh to work in their lives free from the constraints of Satan's commercial Babylon system and made them these strong faithful believers that they became.

And I can say that after the school, I have a lot of things Yahweh showed me to increase the faith to me personally. And I have seen it a lot here. And like I said, this is the perfect place to have that experience and to grow our faith. And that is one thing that ... the most important thing that we need in preparation, for the coming Messiah Yahweh, here in the wilderness is the preparation for all of us.

So, the many testimonies of these faithful true servants of Yahshua would have never happened if they had stayed in society and were part of the world around them; instead of being obedient and faithful and going to the wilderness, according to Scripture, when they were home there.

So, another thing is the wilderness is a great preparation for our eternity. That is the message yesterday, *The Preparation of the Bride in the Wilderness*. And now we are here in the wilderness. Yahweh wants us to learn from Him. And according to the Apostle Paul, the wilderness history of the ancient Israeli time of Moshe is written for our warnings, examples for us to learn from their failures.

And we have five important evil things to be reminded to put this away from us as believers. These are our lust, idolatry, fornication, tempting the Messiah, and murmuring. History tells us that if any of this evil human

nature is present, it was like then he or she will risk a chance of being in the kingdom of Yahweh, unless he or she repents from this sin against Elohim.

So, let's take a look at Paul's letter in 1st Corinthians 10. 1st Corinthians 10<sup>th</sup> chapter.

**1<sup>st</sup> Corinthians 10:1-3** *And I do not want you to be ignorant, brothers that our fathers were all under the cloud, and all passed through the Sea. And all were baptized to Moses in the cloud, and in the Sea, and all ate the same spiritual food ... We have the nourishment of the wilderness, not just physical but the spiritual.*

**1<sup>st</sup> Corinthians 10:4-7** *And all drank the same spiritual drink; for they drank of the spiritual rock following, and that Rock was Messiah. Yet Elohim was not pleased with most of them, "For they were scattered in the deserted place." But these things became examples for us, so that we may not be lusting ... that is number one ... after evil, even as those indeed lusted. Neither be idolaters, even as some of them, as it has been written, "The people sat down to eat and drink, and rose up to play." ... that is number two.*

**1<sup>st</sup> Corinthians 10:8-10** *Nor should we commit fornication, as some of them fornicated, and twenty three thousand fell in one day ... that's the third. And fourth ... Neither let us tempt the Messiah, as some of them did, and were destroyed by serpents ... and lastly ... Neither should you murmur, as also some of them murmured, and perished by the hand of the destroyer.*

**1<sup>st</sup> Corinthians 10:11-14** *And all these things happened to those as examples, and it was written for our warning, on whom the ends of the ages have come. So that he that thinks he can stand, let him be careful that he not fall. No temptation has taken you except what is human; but Elohim is faithful, who will not allow you to be tested above what you are able. But with the trial, He will also make the way out, so that you may be able to bear it. On account of this, keep away from idolatry, my beloved.*

So this will remind us of these serious evil things in the eyes of Yahweh. And it also reminds us that when we have a trial, challenges, that Yahweh will make a way out. Yahweh will help us. And that's what makes us stronger when we pass that.

And remember again, the verse in **Ezekiel 20** that in the wilderness Yahweh allows us to be here and He will make us pass with His rod. This is it. This is the most important training that we need to have the wilderness mentality and the wilderness mentality. We have these records from the Scripture to learn from them.

So a comment from our lesson to be accepted in the end time, there will be a second exodus. For Yahweh will once again take His people out spiritual Egypt and the end called spiritual Babylon. And to take them to the wilderness, and as we are ... our Israelite fore-fathers, failed the first exodus experience. This time His people will prosper.

Although He will purge out the rebels from their midst ... the rebels. So just like the rebels in the wilderness in the time of Moshe; the going against Korah - always against the leadership. If they hear from the leaders, something that hurt them, they will go against the leadership. They are not realizing that they are going against Yahweh, because these leaders are representative of Yahweh.

And although there will be hundreds of thousands or maybe even more, than a million people going to the wilderness in their time, there were only 144,000, first of the first fruits who will be taken to the special mountain of Sela. Isn't that a blessing that you are here? HalleluYah, that we are here, praise Yahweh.

Since 2019, that's fresh in my memory that all Elder Don has, he is looking for a Jethro, and Yahweh provided a Jethro, a regional Jethro from Kenite. We came here, like, this is the pool here, it's under construction. And when we came, we were like treated like a king. They are preparing cold water and soft drinks and coffee.

And I realized that when Elder Don said that the owner, which is Kais said, "I'm just constructing this place for your people." Wow, amazing! I mean, out of nowhere from the wilderness, and then we are very near Sela, that Yahweh provided a Jethro for Elder Don and that's amazing.

Actually, that time I was supposed to be to ... hey, why don't we go into Jerusalem? And I'm excited. And then the next time I went to the wilderness, I said, "Well, it's Jerusalem. It's in Jerusalem I'm excited to go to Jerusalem." And then Yahweh gave me this understanding that wherever the cloud is, you just follow. It is for your own good. And that's it.

We've seen a lot of things that happened since 2019, and I even thought that Elder Don is a prophet; we talk with the elders there, because everything that he said, everything that he told us to prepare or something, that is happening soon, and it really happened.

So that shows us the importance of even little things that our leaders are trying to remind us, or trying to ask to do something, it's very important to listen to him and do something, do action, proactive action to do it. So, what a blessing to be here, to learn from this; this special mountain of Sela for the special training for the main leaders and servants and the Kingdom of Yahweh.

And we know one of the main reasons that Israelites failed their wilderness experience, because they didn't want to leave Satan's society, of course of Egypt, at the time, and kept looking back to Egypt and never embraced the blessing of the wilderness experience. They were going through and they murmured against the leadership, against Yahweh.

And I recommend at the end time, the kingdom of Satan is fully manifested in the earth, and believers are told to fully come out of the satanic inspired system. And really, the year 2000, I didn't even know about the cell phone. Now, after many years it's very fast. I begin to know about cell phone Nokia and I'm –wow, this cell phone, we can even talk to the ... When you call it, there's nobody answering, you will leave a message there, a voice mail, like a voice mail, and we're happy to get this very little phone, but it's slow, faster than they invented everything, AI.

So, wow, and I would say I'm blessed to realize that, praise Yahweh, I was not there in the time of ancient times but Yahweh made me realize, you are in the times of this very difficult time. If one mistake and you will not allow Yahweh to help you go out from that evil system, then you will risk yourself of entering the kingdom of Yahweh. Yahweh is merciful, but if will not be repenting than we just lost the job that Yahweh's given to us. But this is the reason why we are here to have the wilderness mentality, to be prepared in that soon coming Kingdom of Yahweh. Revelation 18:4:

**Revelation 18:4** *And I heard another voice out of Heaven saying, leave the land of her, My people, that you may not share in her sins, and that you may not receive of her plagues;*

Yahweh is taking His people through a second exodus in the wilderness experience to complete and overcome what Israelites would not; due to pride, selfishness, a lack of faith in Yahweh, and loving the things of the world more than the things of Yahweh.

Lot's wife is also used as an example to show we should be embracing the mind change that comes with the purification process that the wilderness brings, instead of looking back and wanting the things we left to behind in commercial Babylon.

So the conclusion, the commercial trading system of the beast power is now all over the earth, and Yahweh is once again, as Scripture states, calling His people out of the corrupted system to the wilderness for preparation and sanctification; to have full faith, and reliance on Him and to get ready for our jobs when His kingdom comes.

So again I was reminded by **Ephesians 6:13** *that being prepared, you shall prevail.* So since the fall of mankind in the Garden of Eden, Yahweh has used sanctification and extremely important situations. The wilderness to separate, His called-out chosen elect, from the corrupted system of Satan.

And as it was in the **Genesis 11** and the unified world in Babel building a tower to heaven, here in the end time we have history repeating itself with another one world government, building a world-wide unity with cell towers and satellites that reach to the heavens to unite the world through satanic inspired internet.

And what is Yahweh's response to this? **Revelation, chapter 12**, to take His people to the wilderness away from Satan's one world government. So at the end time, since Satan is given the authority to control the entire earth through a one world global government, Yahweh has chosen to take His remnant believers out of the system to protect them in the wilderness, where they will be sanctified and prepare for their position in the Kingdom of Yahweh. And in the last scripture I will read is Hebrews chapter 3.

**Hebrews 3:1-3** *For this reason, holy brothers, called by a call from heaven, consider the Apostle and High Priest of our confession, Messiah Yahshua, "being faithful" to Him who appointed Him, as also "Moshe was faithful in all his house." For He was counted worthy of more glory than Moshe, by so much as the one having built the house has more honor than the house.*

**Hebrews 3:4-6** *For every house is built by someone; but He who built all things is YAHWEH. And "Moshe as a servant was faithful in all his house", for a testimony of the things having been spoken; but Messiah as Son over His own house, whose house we are, if truly we hold fast the boldness and rejoicing of the hope firm to the end.*

**Hebrews 3:7-11** *Because of this, even as the Holy Spirit says, "Today, if you hear His voice, do not harden your hearts to provoke Him, as the murmurers did in the day of temptation in the wilderness, there where your fathers tempted Me, even though they saw My works for forty years. Because of this, I was angry with that generation and said, They always go astray in their heart; and they did not know My ways; so I swore in My wrath, They shall not enter into My rest."*

**Hebrews 3:12-15** *Beware, therefore, my brethren, lest there be in any of you an evil heart which does not believe, and you will be cutoff from the living Elohim. But search your hearts each day, until the day which is called "the day", that not anyone of you be hardened by the deceitfulness of sin. For we have become partakers of Messiah, if truly from the beginning to the very end we hold steadfast to this true covenant; as in the saying, "Today, if you hear even the echoes of His voice, do not harden your hearts to anger Him."*

**Hebrews 3:16-17** *Who were those who heard and provoked Him? Was it not those who came out of Egypt through Moses; although not all of them? But with whom was He angry forty years? Was it not with the ones sinning, whose bones lay in the wilderness?*

**Comment:** And the lesson that I learned going to Mount Sinai, the place there where the graves were is wow, a lot of them are in the graves and only the stones remind about them. Only the stones, there's no names.

**Hebrews 3:18-19** *And to whom did "He swear, they would not enter into His rest," except to those not obeying? So we see that they were not able to enter in because of unbelief.*

So we see that they were not able to enter in because of unbelief. And we are reminded of Abraham, Genesis because Abraham listened to Yahweh's voice completely, he is called a friend of Yahweh and righteous.

So things that are needed to remember here in the wilderness; the wilderness is a solitary place where a believer can meditate, grow and focus their true calling and relationship with Yahweh. The wilderness is a both mentality and physical place. Throughout history, Yahweh has taken His remnant believers to the wilderness to sanctify them and protect them from Satan's society and to build their faith to have full reliance on Him.

In the end time Scripture says that Yahweh will once again take His remnant to the wilderness. And although the wilderness is not the Promised Land, it is the *only road* to the Promised Land. And it is a place to sanctify true believers from the perversion of Satan's society and to prepare them for Yahweh's kingdom.

So, I pray that all of us will have true willingness to be trained, and a true preparation that Yahweh want us to have here in the wilderness. Yahweh bless and Chag Semeach.
