And we've been going over different things. Are you a master, or are you a slave? We're going over different things in our life, in our daily life how much Yahweh is involved. And I think that this message going forward making our plans, it's like a pivot point to that and it's about holiness ... *Kadosh Unto Yahweh ... Kadosh Unto Yahweh.*

So the word in English that we use 'holy' means one thing. In Hebrew the word is 'kadosh' and when we see that scripture, it's something that is 'set-apart to Yahweh'. Something that is set-apart to Yahweh. And basically the main thing I want to go over today is that **it is a mindset. Kadosh is a mindset.** So the **action** of holiness is simply the **extension of the mindset.** So if you have a mindset of kadosh, everything you do is going to be kadosh. If you don't have a mindset of kadosh, your actions are going to be the opposite. And what we're going to see is **how important** kadosh is. Exodus 15 in verse 11 ... really, really awesome scripture. This is part of the song that Moses sings after Yahweh parts the Red Sea and then kills the Egyptians. Exodus 15 in verse 11 says:

Exodus 15:11a *Who is like You among the Elohim, O YAHWEH? Who is like You, **glorified in holiness, fearful in praises, O Worker of wonders?***

Who is like Yahweh? And you know what the answer is? It's a question. He's not looking for an answer there. I don't know if it was rhetorical when he wrote the song, but you know who is like Yahweh? We are. We are supposed to be. We're made in His image. So that's why sometimes you say, "Wow, if we only had an example and then we'd just follow the example." Well we did ... Yahshua, Yahshua came. Remember we said Yahshua is the disciple of Yahweh and we're the disciple of Yahshua. And Yahshua did not come in His own name, but He came in the name of the Father and **He only did** what the Father told Him. And that's the way we're supposed to be. So that's what we're learning to do ... *Who is like Elohim, O YAHWEH? Who is like You, **glorified in holiness, fearful in praises, A Worker of wonders?*** If we go to Hebrews 12, we'll really see the *extent* of this and how important it is ... Hebrews 12 in verse 12, it says:

Hebrews 12:12-14 *Because of this, "**straighten the hands**" hanging alongside, "and the enfeebled knees;" ...remember we said what is the job of the Eliyahu ministry? Making straight the paths. So here it is, these windy paths, **we're to make a straight way**; meaning between two points to Yahweh without all the points in between ... "**and make straight tracks for your feet,**" that the member which is lame may not suffer, but rather be healed ... and then verse 14 ... **Eagerly pursue peace and holiness (kadosh) with all, without no one will see YAHWEH.***

So if you're going to be in the Kingdom and you're going to see Yahweh, you have to have kadosh. You have to be kadosh. You have to be set-apart to Yahweh. And what does that mean? It means that you're totally out of the world. You're either kadosh ... because the word 'holiness' in English, when you look at that holiness **only means** something that is righteous, right? But in Hebrew, the word 'kadosh' can be set-apart to anything.

So they use the word for prostitute. A prostitute is kadosh. She's set-apart for whatever but for Yahweh, if you're set-apart to Yahweh, you're kadosh to Yahweh. That means **you have to be totally out of the world.** So you're either kadosh to the world; or you're kadosh to Yahweh. And what he says is here that **if you're not** kadosh to Yahweh you won't see Him. Unless you're totally set-apart to Yahweh, you will not see Him.

Leviticus 15 in verse 31 ... and I appreciate that so far here we've been able to ... because it's been Pesach week ... we've been able to go over different things of the sacrificial system and different things of the shadows of the Tanach and the reality and the Brit Chadashah, but here it is Leviticus 15 in verse 31 it says:

Leviticus 15:31 *So you shall **separate** the sons of Israel **from their uncleanness** ... you shall separate the sons of Israel **from their uncleanness** ...* And we can look today as spiritual Israelites that that's when we're separated from the world

because we said the world is satan's world, we're separated from the uncleanness of satan's system ... *So you shall separate the sons of Israel from their uncleanness and they shall not **die in their uncleanness*** because that's what happens. If you're not kadosh to Yahweh, whoever isn't, when Yahshua returns He's going to basically burn up all unrighteousness. It says ... *and they shall not die in their uncleanness when they **defile My tabernacle** that is in their midst.* Wow, so if you're not kadosh to Yahweh you're going to defile His tabernacle. What does He mean by that to us? Go to 1st Corinthians 3. What does this mean to us today ? 1st Corinthians 3 in verse 13 it says;

1st Corinthians 3:13 *the work of each will be revealed ... so we're talking about bearing fruit for the Kingdom and we're looking at our daily planners. We're seeing how much time is for Yahweh, how much time for ourselves. So this is when Yahshua returns ... the work of everybody will be revealed for the Day will make it known, because it is **revealed in fire** ... We talked about the three baptisms – baptism of water, baptism of spirit and the baptism of fire. We'll talk more about that, Yahweh willing, before we leave here ... and the fire will prove the work of each, **what sort it is.***

Comment: So we know with **fire** it has to be something precious like gold that it will purify it. But if it's not something precious ... wood, stone, anything else, what is going to happen? It's going to completely burn up.

1st Corinthians 3:13-16 *and the fire will prove the work of each, what sort it is. If the work of anyone which he built **survives**, he will receive his reward. And the one whose work shall be **burned**, he will suffer loss; but he will be delivered, **but so as through fire.** Do you not know that you are **a sanctuary** of Elohim, and the Spirit of YAHWEH dwells in you?*

Comment: So that's what Yahshua said, He said, *"I will destroy this sanctuary and rebuild it in three days"* but He was talking about the sanctuary of His body. And now He tells us we are **literally a part of that body**. So it's not just an analogy. For eternity He is the Head and we are members. And this is **why** community living and all these things are so important because there's no place for the Laodicean. There's no place for the person whose **kadosh to himself** – separated to himself. So ...

1st Corinthians 3:16- 17 *Do you not know that you are **a sanctuary** of Elohim, and the Spirit of YAHWEH dwells in you? And whoever **defiles** the sanctuary of Elohim ... we just read it in Leviticus what happens ... Elohim will destroy; for the sanctuary of Elohim **is kadosh** ... it's set-apart ... **which you are** ... which you are.*

So this is, from a spiritual standpoint, one of the most **important** things you have to learn as a believer. Because either you're kadosh to Yahweh; or you're going to burn up. It's pretty evident there. And **we really have to internalize of being part of that temple**, being part of His body. We might be a fingernail. We might be a pinky. We may be an elbow, whatever you are but **we are part of a body. We're bigger than ourselves.** The sum is worth more than the individual pieces. And this is what the whole Kingdom is about. **The Kingdom is not about me. The Kingdom is about surrender to Yahweh and everyone working together as one body toward that one goal.** Deuteronomy 13 ... Deuteronomy 13 ... and I'm reading this as an example. There's many scriptures in the Tanach that talk about this. Here it's talking about ...

Deuteronomy 13:1-3 *If a prophet or a dreamer of dreams rises among you, and gives you a sign or a wonder, and the sign or wonder which he spoke to you occurs, saying, Let us go after other Elohim which you have not known, and let us serve them, you shall not listen to the words of that prophet, or that dreamer of dreams. For YAHWEH your Elohim is **testing you**, to know if you love YAHWEH your Elohim with all your heart and with all your soul.*

Deuteronomy 13:4-5 *You shall walk after YAHWEH your Elohim, and you shall fear Him. And you shall keep His commandments, and you shall hear His voice, and you shall serve Him, and you shall **cleave to Him** ... hold on tight. Never let go ... And that prophet or that dreamer of dreams shall die, because he has spoken apostasy against YAHWEH your Elohim, who is bringing you out of the land of Egypt, and has redeemed you out of the house of slaves, to drive you*

out of the way in which YAHWEH your Elohim has commanded you to walk. And you shall put away the evil from your midst.

So in the Brit Chadashah ... I'm not going to go to the many scriptures they have in Romans and other areas ... what does it say? The same thing, if somebody brings in heresy, you're to put them out. You're to put the people away from you. Because again, what's going to happen is you're not going to be kadosh. You have to either be set-apart to Yahweh; or you're not set-apart to Yahweh. You're set-apart to Yahweh; or you're set-apart to the world.

So this is where we need to ask ourselves, what is our life made up of? When we're looking at our daily planner, is it pleasure seeking? Is it TV and movies and golf and restaurants? Is 20-30 hours a week on the internet; or maybe on our phones? Is it worldly friends? Is it going to malls and shopping centers? What are the books we read? Everything we do, it says *do to the glory of Yahweh*. So nothing wrong with reading a book, but does that book bringing us closer to Yahweh? Nothing wrong with watching a video, or is that video bringing us closer to Yahweh? **Everything you do, do to the glory of Yahweh.** Haggai the second chapter ... Haggai the second chapter in verse 12 ... Haggai 2 in verse 12 ... Haggai 2 in verse 12 says:

Haggai 2:12 *Behold, one bears holy flesh in the wing of his garment ... okay, he's in his garment, he's carrying something that is kadosh to Yahweh. So maybe it's the Bread of the Presence that is there, or whatever. But he has in his garment something that is kadosh to Yahweh ... and he touches his wing to the bread, or boiled food, or wine, or oil, or any food, will it become holy?*

Comment: So if you have something that's kadosh to Yahweh and you touch something that's not kadosh, you touch a table or you touch the wall, does that become holy? And he says, No. But then ...

Haggai 2:13 *Haggai says, If the unclean body touches these, is it unclean?*

Comment: So if you have something holy, you can't touch something unholy and make it holy; it's either set-apart, kadosh to Yahweh; or it's not. **But if you have something set-apart to Yahweh**, like the Sabbath and you violate the Sabbath with something that's not kadosh, will it become unholy? And he says, Of course, yeah! So the holy can't make the profane holy, but if the profane touches the holy, it can make it all profane. And Haggai says:

Haggai 2:13 *If the unclean of body touches these, is it unclean? And the priests answered and said, It is unclean ... And what does Haggai say?*

Haggai 2:14 *So is this people, and so is this nation before Me, declares YAHWEH. And so is every work of their hands; and that which they offer there is unclean.*

So we can look at this today and say, so is this world around us, everything in the world. Yahweh has His sanctuary. Yahweh has His temple, which are His people, right? And this is why I say, we didn't start communities because of Covid. We started communities eight years ago because of the Kingdom of Yahweh. Because we knew the Kingdom is coming and we knew this is what the Kingdom is. The Kingdom is one big community, right?

So Yahweh is setting these communities up for people to be kadosh. But He says if what is kadosh to Him, if you're touching the things in the world that are defiled, then what you thought is kadosh is now defiled. And this is where we have to look at our life. How many things in our life? What we work, the friends we have, where we're going, everything that we're doing, is it kadosh to Yahweh? Or are we **taking what is kadosh**, the Spirit of Yahweh in us, and are we **defiling** that Spirit by touching the unclean every day of our life?

Luke 1 ... Luke 1 in verse 67 ... and this is talking about when the angel Gabriel is coming to Zachariah, the father of John the Baptist, before John is born; and this is the prophecy that's being given. It says:

Luke 1:67-69 *And his father Zachariah was filled of the Ruach H'Chodesh (the Holy Spirit) and he prophesied ... this is what he's prophesying by the Ruach ... Blessed be YAHWEH, the Elohim of Israel, because He visited and worked salvation for His people. And He raised up a Horn of salvation for us in the house of His servant David;*

Luke 1:70-75 *even as He spoke through the mouth of His holy prophets from the age before: That He would save us from our enemies and from the hand of all who hate us, to execute mercy with our fathers, and to remember His holy covenant ... His set-apart covenant ... the oath which He swore to our father Abraham, that we would be delivered from the hand of our enemies. And we might serve before Him without fear ... how will we serve? ... In holiness and righteousness before Him all the days of our life ... In holiness and righteousness.*

This is how we're serving. We're serving by being set-apart. And this is why the priest every single day before the priest would serve in the sanctuary of Yahweh, he had to go out and he had to mikvah himself. **He had to wash in the water and purify himself before he could enter the sanctuary of Yahweh.** And that's why each of us has made the commitment in our life of doing the ultimate mikvah; that we decided to be **baptized** in water, fully immersed, and purified because you can't enter the sanctuary of Yahweh without that. So that's the **entrance in** to the spiritual sanctuary, is through the mikvah. The same way the priest had to mikvah in order to enter the physical sanctuary. And this is the reason why we do it because we have to **serve Him in holiness and righteousness all the days of our life.** Everything we do **has to be pure.** Everything we do has to be set-apart to Yahweh. John 17 in verse 14 ... what is the basis for that? What is the basis for this? It's the Word of Yahweh. That's what the Word of Yahweh **tells us** what is set-apart and what is profane. So John 17 in verse 14, He says:

John 17:14 *I have given them Your Word, and the world hated them because they are not of the world, as I am not of the world.*

Comment: So here it is the same we see that, right? Yahshua has given us His Word and try to bring that Word to the world and have they willfully accepted it? Are they happy? No, they hate us for it. They hate us because they're not kadosh to Yahweh. They're part of the world. They're part of satan's system. We went over this a lot. Satan is the g-o-d of this world. So are they going to appreciate when we bring the Word of Yahweh? No ... no, they're going to hate us for it.

John 17:14-15a *I have given them Your Word, and the world hated them because they are not of the world, as I am not of the world. I do not pray that You take them out of the world ...*

Comments: He's not going to take us up to the moon or mars or another place. We're stuck here until He returns, but that's a good thing because He's given mankind dominion over this place. So that's the part of it. Where Adam gave that dominion over to satan, Yahshua has already taken that dominion back. So it's like when there's an election, like in America the election is in November. It's the first Tuesday in November, but whoever wins the election, he doesn't take over the very next day. He takes over sometime late January. So there's like three months where the new government prepares. They have to name all their cabinet members. They have to get ready and then after they're all ready, they take over. But the election is already over, that's what they call 'lame duck'. He's a 'lame duck' president. Because the election is already over. So he really can't do anything anymore because he already lost. He's just sitting there in the chair basically.

And satan today is a lame duck as the g-o-d of this world. He already lost! Yahshua already conquered Him, right? But what is He doing now? Now this is that time between the election and the setting up of the government. This is the time where He's setting up His cabinet. We're part of that cabinet but He's got to train us. Because like I said, when He takes over on the inauguration day when He returns, **we have to be ready to work**. And that's why He's putting us through these things now. So He keeps us in the world, but we're not part of the world. We're not part of that system. We're kadosh to Yahweh. We're not kadosh to satan.

John 17:15b -17 *they are not of the world, as I am not of the world ... and then look at verse 17 ... **Sanctify them in Your Truth; Your Word is Truth ... Your Word is Truth.***

So this is where there's no ambiguity involved here. **His Word is Truth**. This is His Word - is the thing that is our constitution like we said. The constitution in the Kingdom of Yahweh is the Torah. The laws in the Torah are set there – the statutes, the Commandments and the precepts for what's going to be, what we're going to bring to the world when Yahshua returns. So we are sanctified by the Word and we have to be kept from the world. His Word is kadosh. His Word is set-apart. **That Word sets us apart from the world** because the world isn't keeping His Word.

And that's why it's time to be in the wilderness because the world has rejected it and basically satan has taken it over and we're really at that point where it talks about in Daniel, Revelation of this end-time global government that will rule all over the world and Yahweh will allow it, *even* from Jerusalem; which I believe they've already taken over Israel. Because this beast system that they set up ... and I'm going to talk about shortly is already there. Israel is actually the test case. That's where they're testing the system.

And what does He say? He tells His people to go to the wilderness because **now it's the final preparation**. This is it. This is the final preparation to get ready for the inauguration of the new Kingdom of Yahweh which will be here on this earth. Leviticus 11 ... Leviticus 11 in verse 43, He says:

Leviticus 11:43-45 *You shall not pollute yourselves with any swarming thing which swarms, nor shall you make yourselves unclean with them, so that you should be defiled by them. For I am YAHWEH your Elohim, and you have **sanctified yourselves, and you have become holy** ... we are set-apart to become holy, to become kadosh ... *for I am holy* ... Yahweh is kadosh. So we need to be kadosh to Yahweh ... *And you shall not defile your persons with any swarming thing which creeps on the earth; for I am YAHWEH who brought you up out of the land of Egypt to become your Elohim; and you shall be kadosh, for I am kadosh.**

Period! So it doesn't matter whether you're reading the Torah or you're reading the Brit Chadashah, it's the same thing. **Without being set-apart to Yahweh, you will not see Him. You will not be in His Kingdom**. This is like I said, **this is vital**. Because **again it's not just a belief, it's a mindset**. It's a mindset that will bring every action we do and every action, like I said, everything you do, do to the glory of Yahweh. So it's either a mindset that's bringing you kadosh to Yahweh; or bringing you kadosh to satan, whatever it may be.

In **Revelation 5:10** ... I'm not going to go there but ... we went there many times ... what does it say? We will be kings and priests of Him. So here we have a lot of lessons. We're going to talk about the priest-side, but the king-side, wow. It's amazing enough to think of being a priest, but to be a king? A king with Yahshua? Of course that's why He's called, **King of kings**. If there's no other kings, He wouldn't be King of kings. But He's King of kings because **we will be kings with Him**. And if you look in Proverbs in verse 8 ... Proverbs 20 in verse 8 says:

Proverbs 20:8 *A king who sits on the throne of judgment does not look upon any evil with his eyes ... a king who sits on the throne of judgment does **not look** upon any evil with his eyes.*

So I read an article that's from something like 25 or 30 years ago, and at that point it said the average child through television and movies will see something like 20,000 murders by the time he's 18 years old. And that was 25 or 30 years ago. Now that might be in a year you might see that. It might be one movie actually that you could watch and probably see that. So we see things are progressively getting worse. But as the people of Yahweh are getting progressively stronger, the Ruach is being poured out more and we're getting more kadosh toward Yahweh, the world is getting more kadosh towards satan. And like I said, I think Covid has been a *big example* for that. Covid is really showing how much satan has taken over as the g-o-d of this world that's out there. So it says as a king you can't look upon the evil. We have to put all the evil away from us. We cannot look upon the evil.

So **the reason why**, the reason why many times Yahweh's people are not kadosh is because they're defiling themselves with the world. And maybe in ways you don't even look at it as defilement. Like social media, there's a lot of people and I know there's still some in our Congregation that are still on social media no matter how much you say. But to like some of the other groups, the Church of God groups, the sacred name groups, they're all on social media. And is that something that's set-apart to Yahweh; or is that something that's set-apart to satan? It's real easy.

Just look at something like Facebook. Who created it? Was that created by Yahweh, or was it created by satan? They tell you it. Like I said, you don't have to guess, he's telling you why he did it. He's telling it to hurt your children, to manipulate them, to brainwash them. And now we see as Covid comes that Facebook starts banning anyone who will tell the truth. Tell the truth about the vaccine and you're banned! Lie about it and you get to go on there. So whatever is not of the truth is not of Yahweh. And yet there's believers that will still use it, strange enough.

And this is again, each person you got to make a choice; are you set-apart to Yahweh, or are you set-apart to satan? But **without kadosh you will not see Yahweh**. That's the Laodicean. It's a scary scripture because he **thinks** that **he's so strong and increased with goods**, in need of nothing and yet, he's blind, he's miserable, and poor and naked. He doesn't have a covering. So **the reason why Yahweh's people many times are not kadosh is they're defiling themselves with the world and they're not striving for holiness in all things**. And many times we've talked about the Amish. They're not perfect but like I said when you look at their lifestyle, their lifestyle is really set up for family living, from being set-apart from the world. Not even using vehicles, not using telephones, all these different things.

And again to pray for two or three hours a day or study your Bible for three or four hours a day is nothing. We don't always have the time for it, but it should at least be our desire. You know that's nothing. That's absolutely nothing. To fast regularly, to meditate on the Word of Yahweh every day, to have **no life but Him**, like Yahshua. When Yahshua was on this earth, He actually lived good. He went and He ate and people judged Him sometimes because He was eating and drinking, they're saying with sinners, right? But **everything He did was to the glory of Yahweh**. And He set us an example for that.

And you know I was thinking about it a while ago that if the first century congregation was here today, they would consider at least 95% of all Christians all over the world as apostate, including Sabbath keepers and sacred name people. From what their beliefs were and what they were taught by Yahshua and the apostles, if they were alive today, they would consider 95% of everyone considering themselves a believer in Yahshua as an apostate. And that's pretty shocking when you really think about it.

So I was praying two days ago and Yahweh really put something very shocking into my mind and I want to share with you because it pertains to this. He put the question in my mind when I was praying, **what if the chip is a head-fake?** The chip that we believe is going to be the mark of the beast, the end of it. What if the chip is a false flag? What if they're just saying they're going to put a chip in you but they're not really going to do it. And then the next thing He said to me is: **What if the mark of the beast is already here?**

What if the mark of the beast is already here? The mark of the beast is in your hand and in your forehead. It's in your hand and it's in your forehead. And walk down the street ... I do this in Israel, we did this many times ... whether you're at a bus stop, whether you're at a train stop, whether you're in the airport, or whether I'm just walking down the street, **everybody is like this** (*looking into hand – iPhone*). Everybody is like this. And actually, you could actually just go to our front gate and you'll see people like this (*looking into phone*). And not for a minute or two, all day long! This is the way people are. It's in their hand and in their forehead.

Because the one thing with the chip I always wondered about ... I'm saying, "Okay I understand if they put a chip in your hand." And they **might**. They still might put a chip in there, I don't know. But what does it have to do with your forehead? It's because **the forehead is the mind**. But Elon Musk, the guy who's developing all of this, and he has now, they're already using them. They have patches that they put on your brain. So if you want to play the piano, you don't have to sit there for years and years and years, you just put a patch on your brain and you know the piano. And you know what he said when they talked about implanting a chip? He said, "Why would you have to implant a chip?" He said, "The phone is already an extension of the hand." This is not a smart phone. This is a flip phone. Most of time I don't even have it on unless I need it. But if you have what they're calling a smart phone, it's not that smart. And you have that phone as a part of your hand, and day in and day out everything you're doing is from that, you're not kadosh to Yahweh. I can tell you right now.

Many people are going to hear this. I may offend them but if your day ... whatever you do, do to the glory of Yahweh ... **this is not to the glory of Yahweh**. And they are tracking you. And you want to know something? The police **came here from this!** Not mine, because mine's not a smart phone. But the **police came here because of smart phones that were here and people using them**. That's why they were here the other day. So it should tell you something. **If you're in a community and this is your life you're putting every single person with you in danger**. It's that simple. And what I believe is ... I'll be honest with you ... I believe **so many people, including brethren, you're addicted to it**. And whatever you're **addicted** to, that's you're g-o-d! If you're **addicted** to something. And like I said, it could be coffee, tea, it could be anything, but **if you have to have this**, if most of your day ... *we don't have the time, we don't have two hours to pray ...* but we have **two hours of this on our mind, day in and day out, including Sabbath!**

Because part of Sabbath is, whatever you do normally, you're not supposed to do it on Sabbath. You should not have any electronics on Sabbath unless it's an absolute necessary. And if not, you shouldn't have it. That's a day set apart to Yahweh. It's not a day set-apart to satan because **this is satanic! Your smart phone what you're thinking, it's satanic! It's satanic! It was made for one reason. It's made by the global government to track you!**

And you know how we know it? We know it with the QR. The system they already have it. So that's really interesting that Yahweh is putting in my mind. What if it's just a false flag? Do they really need to put a chip in you? Because already with the vaccine, it's already changing, the RNA messenger is actually computing and changing the DNA. So do they really need to put a chip in you? They really don't because as long as you got that **idol in your hand**, satan is happy because whatever you focus on becomes most real to you. And if that **idol is in your hand** 8, 10, 12 hours a day, and you're like this, 8, 10, 12 hours a day on that thing, then that's your g-o-d. It's that simple. And all that time what are you doing? You're kadosh to satan. It's that simple.

Because the QR Code, it was really interesting, because when Covid started and in Israel ... I told a couple of people this ... Israel already has the system from the UN. And you know what the system is? By using those dumb phones ... I'm not going to call them smart phones because they're not ... by using those dumb phones, what they've done is they created a system throughout the whole country that when you go in a supermarket, that phone is going to tell you from 1 to 10, what your risk of Covid is.

So maybe in the supermarket it's 3. You go in a mall, it's 6. You know what that tells you? That tells you **every single citizen is tracked by the phone**. When you get Covid, you know what happens? Immediately that dumb phone tells you *go home and isolate*. And **every single person you were near**, even if you don't know them. If you were in a mall and you got Covid and someone else was in that mall, they get on that dumb phone, *go home and isolate*. Israel is the first country in the world to bring this system there of the beast power. And they're tracking **every single Israeli citizen**. It's there.

So what happened was, like I said, when Covid first started, what did they do when the vaccine came? If you weren't vaccinated you couldn't go out. You couldn't buy food. You couldn't do these things. **But they allow you** to go get PCR test, not the PCR, the antigen, the quick test. So now what happens? You go to whatever place, you get the test and they sign the little paper. That paper is good for 2 or 3 days and now I can go to the supermarket. I show them a test and they look at the thing. Well, that lasted for a couple of months. And you know what happened after that?

Once they started those QR Codes, if you didn't have a smart phone or a dumb phone, couldn't do it. Because when you went and took that test, it automatically downloaded to your phone. So now we don't have a smart phone. We can't eat. So that's the point. This system is already there. But the point of it is, beside the system of buying and selling and you're not going to be able to do it without your QR, it is brainwashing you. If you keep that thing in front of you, and it's not healthy either because it will give cancer, this stuff ... when you have that stuff there. Face cancer, they've done clinical tests on this, and from people keeping it in their pockets ... genital cancer. It's like 3000 percent higher now. So it's not healthy for you physically. It's brainwashing you mentally and without a shadow of a doubt. And again, I'm not saying there might be something more to this because these are just two questions Yahweh put in my head that blew me away: could the chip actually be just a false flag and is the mark of the beast already here? And I was, wow.

So they might make something better than that, but like I said if that is **a part of your hand**, if that is an extension, there's a lot of people that sleep with that in their hand because if it goes off and maybe they got a "like" in the middle of the night. Man, I could tell you whatever it's going to be and whatever **may come from here** it's all from the same base. And if the base is corrupted, then anything coming from it is corrupted. But without a shadow of a doubt, it is **not kadosh to Yahweh**. And this is where we have to start looking. We have to start looking if we can't do without it then there's a problem. The Amish, and one thing they did, they don't believe in having phones but what they have is, some of them they'll have a phone, one phone in the community outside across the street for an emergency.

So again, I think something like email is a great thing. You could get a message to someone quickly if you have to. I think a phone is a good thing. If you had to call somebody, but as they keep bringing more and more and more into it, most of the things on that you don't need to be connected to the internet 24/7. Why would you? The internet is an evil thing over all. It definitely wasn't set up by Yahweh. So although there might be a *small purpose* for it in your life that can help you, not 24/7 because **whatever you serve, you are the servant of whatever you serve**. And that's why I said, look in your daily planner and nobody's daily planner was the phone, but you got to start thinking, how much time are you putting on that phone every day? Or on internet. And I don't really see any good reason why somebody needs internet.

Somebody told me the only reason they have the smart phone is so that they can get the Bible. But you could put the Bible on there without internet. You don't need internet. And I know a lot of brethren here you have your Bible on the phone. That's fine if you're using for the Bible. I'm talking about the system that satan has set up which has everything to do with the internet and being addicted to that, not being able to control yourselves of being part of that system day in and day out.

And 1st **Corinthians 6:20**, we went over this before it says **Your life is bought and paid for**. Are you a master or are you a slave? And like we said slaves have no right to private ownership, even their own bodies. And if we are a slave to our

Master Yahshua, then we want to make sure, you can't serve two masters. I don't want any other master in my life, whatever it may be. Sometimes it's a job. Nothing wrong with a job, we got to work, but sometimes you become the slave of the job.

There's sometimes people it's investments. They have investments and they become the slave of that investment because they have to check it every 15 minutes or they have to call in every day and whatever it is you become the slave of, that's what you're kadosh to. This is really where like I said, this is what this is about. It's about we're the ministry of reconciliation, not condemnation. It's here **to get you to think and to do better** ... to do better. To be the best servant for Yahweh, to be the best fruit you can bear. But you have to change your life if you're going to do it. There's got to be these changes that are made. Because at the end of the day, like I said, I always say whether you're Donald Trump or Donald Esposito, you have 24 hours in the day. It doesn't make a difference. Money doesn't give you more time. We all have 24 hours and you want to make sure you're using that productively. Colossian 3 in verse 17 ... Colossians 3 in verse 17 it says:

Colossians 3:17 *And everything, whatever you do in word or in work, do all things in the name of our Master Yahshua, giving thanks to YAHWEH the Father through Him ... In everything, whatever you do in word or in work do all things in the name of the Master Yahshua.*

That's what we want in our life. **Everything** is being done to the glory of Yahweh. Romans 6 ... because as we talked about already and we'll talk about more when we get to more of Kingdom principles, the amazing part what this whole plan is about is the **transformation**; of transforming a human, earthly, dirt and water body that will corrupt every day we corrupt. Every day our cells die and every day we're getting one step closer to death. But it's **transforming that into an eternal being!** Not just any eternal being, but transforming us **into elohim**. We're going to be literal children of Him.

And already in physically we look like Him. He has hands and fingers and a nose and ears, He tells us. But in that day, we're going to be like Him! We're going to be the same. His Spirit will be fully in us. We'll think exactly like Him. And it says we don't know what it'll be when Yahshua returns. It talks about this in **1st John 2**. But we know one thing. When He returns, we will be **like Him** for we will see Him as He is. That's our hope! **That we will be just like Him. But now in this flesh, we got to fight ourselves every day.** And every day we should be getting that much closer. Everything we do should be set-apart to Yahweh and Yahshua. Romans 6 it says:

Romans 6:1-4 *What then shall we say? Shall we continue in sin that grace may abound? Let it not be! We who have died to sin, how shall we still live in it? Or are you ignorant that all who were baptized into Messiah Yahshua were baptized into His death? Therefore, we were buried with Him through baptism into death that as Messiah was raised up from the dead by the glory of the Father, so also we should walk in newness of life.*

Comment: And that's why we don't sprinkle. That's why we immerse because what you're doing is you're **completely dying to that old person**. The old person has died and you're coming up **a brand new creation in Messiah**. And from there now you have to transform your life into it.

Romans 6:5-9 *For if we have been planted together with Him in the likeness of His death, so also shall we be in the resurrection, for we know this, that our old self was crucified with Him, that the body of sin might be destroyed, so that we no longer serve sin. For he who is dead has been freed from sin. But if we died with Messiah, we believe that also we will also live with Him, knowing that Messiah being raised from the dead, dies no more; death no longer has dominion over Him.*

Romans 6:10-13 *For in that He died, He died to sin once for all; but in that He lives, He lives to Elohim. So also you **count yourselves** to be truly dead to sin, but alive to Elohim in Yahshua, Messiah our Master. Then **do not let sin reign in your mortal body, to obey its lusts**. Neither present your members as **instruments of unrighteousness to sin**, but present yourselves to Elohim as one living from the dead, and your members instruments of righteousness to Elohim.*

Romans 6:14-15 *For your sin shall not Master it over you, for you are not under the penalty of Law breaking, but you are under grace. What then? Shall we sin because we are not under the Torah, but under grace? Let it not be!*

Romans 6:16 ***Do you not know** ... this is the important part now ... **Do you not know that to whom you present yourselves as slaves for obedience, you are slaves to whom you obey, whether sin to death, or obedience to righteousness?...** Do you not know that to whom you present yourselves as slaves for obedience, you are slaves to whom you obey?*

Comment: And that's what I'm saying. You got to look in your life. Any kind of addiction means that becomes your g-o-d. Any kind of addiction that you're having in your life and an addiction is just simply something that you don't have control of something that's controlling you.

Romans 6:17-19a *But thanks be to YAHWEH that **you were slaves of sin**, but you obeyed from the heart the form of doctrine to which you were delivered. And **having been set free from sin**, you were enslaved to righteousness ... Kadosh... I speak as a man on account of the weakness of your flesh.*

Comment: And that's what satan knows. He knows the weakness of our flesh. And that's why we don't want to be caught up in every gadget that comes out there. And like I said it's really interesting about every six months, something new is coming. So it doesn't stop. It started at one thing. I remember when email first started it was through like America on-line or something and how hard it was. Even the computer, you got on the computer and that little green line and you got to wait about two minutes, three dots, four dots. But every few months it's coming up with more and more and more and more until we are today. We're not at the end of it yet. So there will more things that are coming out to.

Romans 6:17-19 *But thanks be to YAHWEH that you were slaves of sin, but you obeyed from the heart the form of doctrine to which you were delivered. And having been set free from sin, you were enslaved to righteousness. I speak as a man on account of the **weakness of your flesh** ... so satan **knows**. He knows we're weak in the flesh. He knows our human nature and he's going to put **anything** before us, any kind of gadget to try to get before our eyes ... **For as you yielded your members as slaves to uncleanness and to iniquity, so now yield your members as slaves to righteousness unto sanctification** ... holiness.*

Everything in life, and like I said maybe in the past 1880 it might have been a little hard to see what was set-apart to Yahweh and maybe what wasn't, but today it's very easy to see. There aren't too many things that you really have to guess if it's set-apart to Yahweh or set-apart to satan. Drop down to verse 22 he says:

Romans 6:22 *But now having been set free from sin, and having been enslaved to Elohim, you have your fruit unto sanctification (holiness), and the end everlasting life.*

So this is what it comes down to. This is our fight. It's not going to easy. And especially the **more that you've allowed satan to set you apart** to these gadgets of the world, the harder it's going to be to get rid of them. But you got to start somewhere. With brand new people that are **just brand new**, so their whole world is set-apart to satan. How do you start? I try to tell them, one by one. Start out one by one; it's a day at a time. But you have to start doing this. You have to start looking at your life. You have to see what really is not of Yahweh. And like I said, that smart phone is big because

that is the beast system. That's the way they're using it. That's the world-wide system they've **already brought**. And that QR Code is not going away. That is only going to be **enhanced** in every part of your life. So however they're going to do it, however they're going to make it, but it will be exchanged for even passports. You won't have those passports anymore. But somehow through that phone and however they do it, that will be who you are. That will be your identity to this global government and everything will be through that. And that's what they're trying to do. Maybe it will be an Elon Musk tattoo that goes in your mind with your smart phone.

But that QR Code, like I said that is a major part of the mark of the beast and this system and that ain't going away. So you better learn how to live without it because you might just think, "Okay, so what? If I have to use this to get into the supermarket, what's the big deal?" And that's what I said when Yahweh told me, "What if the mark of the beast is already here?" What's the difference between what they're doing now and what the Bible says? I don't really see a difference. When I read those scriptures I see it already enacted. The only difference being is without it you still can buy and sell. But once it comes down to ... which is pretty close ... that once they only have the digital system, once there's not these little pieces of paper bills anymore, then you're either going to have your QR Code or you're not going to buy and sell, period. So you want your fruit to sanctification, holiness to everlasting life. 1st Thessalonians 3 ... 1st Thessalonians 3 in verse 11, he says:

1st Thessalonians 3:11-13 *But may our Elohim and Father Himself, and our Master Yahshua Messiah, direct our way to you. And may the Master make you to increase and to abound in love toward one another and toward all, even as we do also toward you ... why ... in order to establish your hearts **blameless** in holiness before our Elohim and our Father at the coming of our Master Yahshua Messiah with all His saints.*

So this is the reason why He's setting us apart in order to establish our hearts blameless. He wants our hearts to be **blameless in holiness** so that we can be ready for Yahshua's return. Chapter 4 ... I'll start reading here in verse 1 ... Thessalonians, he says:

1st Thessalonians 4:1-4 *For the rest, then brothers, we beg you and we exhort in our Master Yahshua, even as you received from us how you ought to walk and to please Elohim, that you abound more. For you know what commands we gave you through the Master Yahshua. For this is the will of Elohim, **your sanctification** ... setting apart to holiness ... for you to abstain from fornication, for each one of you to know to possess his vessel in sanctification and honor.*

Comment: And there's physical fornication and there's spiritual fornication. Like I say when brethren go on the internet and you're looking for all of these false ministries, that's spiritual pornography. That's what it is. It's a spiritual fornication because it's not of the truth of Yahweh.

1st Thessalonians 4:3-6 *For this is the will of Elohim, **your sanctification** each to know to possess his vessel in sanctification and honor not in passion of lust, even as also the nations do, not knowing Elohim; not to go beyond and to overreach his brother in the matter, because the avenger concerning all these is Elohim, even as were told you before, and solemnly testified.*

1st Thessalonians 4:7-8 *For YAHWEH did not call us to uncleanness, but toward holiness ... It's everywhere, as a believer there's **nowhere** to go as a believer without this at the top of your life ... Therefore, the one that does an injustice does not wrong man, but YAHWEH, even He giving His Holy Spirit to us.*

So again, whatever we're doing in our life that's not set-apart to Yahweh, we're not harming man, you may indirectly or even yourselves, but basically you're harming Yahweh who set this up this way. Titus 2 in verse 8 ... Titus 2 in verse 8 it says:

Titus 2:8 Choose sound words that are **instructive**, so that no man can point the finger of scorn at us, and he of opposition may be ashamed, having nothing bad to say about us.

Comment: So when our life is set-apart to Yahweh, the worst they can say about us is we're an occult, we're weird, we don't do what the world does. But when we're setting apart our life apart to Yahweh, they really can't point the finger at us. There's nothing that they have at us.

Titus 2:9-10 that the opposition may be ashamed, having nothing bad to say about you. Let slaves be subject to their own masters, well-pleasing in all things, **not speaking against them** ... he's telling the master to free the slave because we're all slaves, but he's telling them ... to be well-pleasing and, not speaking against their master, not stealing, but showing all good faith, that they may adorn the doctrine of Elohim our Savior in all things.

Titus 2:11-12 For the saving grace of Elohim has appeared to all men, instructing us that having denied unrighteousness and worldly lusts, we should live **discreetly and righteously and holy** in the present age.

Comment: So are we affecting them, or are they affecting us? Are we **really set-apart**? Because yes, the Sabbath and not eating pork, and the Holy days, these are really important. These are **signs** that are kept continuously every year showing us the plan of salvation, but that's only the beginning of our sanctification. If we're really going to make a difference, it's got to be in every aspect of our life. It can't **just** be in those **basic** things we're **learning** when we become a believer.

Titus 2:13-14 instructing us that having denied unrighteousness and worldly lusts, we should live **discreetly and righteously and holy** in the present age looking for the blessed hope and appearance of the glory of our great Elohim and Savior Yahshua Messiah, who gave Himself on our behalf, "That He might **redeem us from all lawlessness and purify a special people for Himself, zealous of good works.**"

Comment: So that's why He suffered. That's why He came here as a human being. That's why He lived 32/33 years to give us an example so that He can **purify His body** because if we are **literally His body**, right? You don't **just** wash your face, you may wash your face when you come in from outside but everyday you're washing your whole body because you want your body cleansed. And that's the same way that He is the Head of the body, but He wants us **pure in all things** so we can be zealous of good works.

Titus 2:15 These things speak and exhort and rebuke with all authority. Let no one despise you.

So this is something where the Apostle Paul is saying. This is **really important**, to speak it and exhort and even rebuke it if you have to because it has to be. If you're going to get every spot and wrinkle out, this is the way to do it. So many times we **talk about** the bride getting out spot and wrinkle, but what does that mean? Exactly what we're going over today; it's getting **all forms of worldliness** out of your life and being totally kadosh to Yahweh. Ephesians 4 in verse 22 ... Ephesians 4 verse 22 says:

Ephesians 4:22a Lay aside all your former practices.

Comment: The new man. That's why like I said, we come out by the water and we're a **new creation**. So all the things that were before, they have to go by the wayside like the Apostle Paul says; *there's one thing I do, looking ahead, not looking behind*. We're looking forward to the new creation that Yahweh is creating through His Ruach inside of us.

Ephesians 4:22-24 Lay aside all your former practices and put off the old man, having been degenerated with deceitful lusts, and be renewed in the spirit of your mind ... the hand and the forehead. The mind is where you're thinking. So

we're being renewed daily in our mind ... *and to put on the new man, who is created by Elohim in righteousness and true holiness ...* the new man is set-apart to Yahweh. He's not set apart to the world.

Ephesians 4:25-27 *Therefore, put away from you lying, and speak the truth each with his neighbor; for we are members one of another. "Be angry but do not sin;" do not let the sun go down on your anger, and do not give the Devil a chance.*

That's what I said, that if there's lust or greed or anger in your life, these things belong to satan and you're giving him authority to come into your life and take them. Do not give the devil a chance. Don't give him any reason. And like I said with the internet, wow, that's his internet. So if you're on there so much during the day, you're giving him a chance to infiltrate your mind because that's what you're doing. Whatever you focus on becomes most real to you. And a lot of these children, unfortunately these children of the world I feel bad for them. But they're like robots. Like I said you just stand on a corner one day when you go back home and just watch for ten minutes and **everybody** is there doing this (*looking into iPhone*). Everybody there is doing this all day long.

There was one woman she actually fell in a hole. There was a manhole they were fixing and the manhole was off and she went down like 75 feet because she didn't see where she's walking. She's going like this (*looking at phone*) and the next thing is, hoo, she falls in the hole that way. So we don't want to give the devil a chance.

Ephesians 4:28-30 *The one stealing, let him steal no more, but rather let him labor, working what is good with the hands, that he may have something to give to the one who has need. Let not any evil word go out from your mouth, but words that are **good and useful** for edification that it may impart a blessing to those who hear. And **do not grieve** the Holy Spirit of Elohim, by whom you were sealed to the day of redemption.*

We were talking about how do you do that? How do you grieve the Spirit of Elohim? You grieve the Spirit of Elohim by not being kadosh to Yahweh. When you're kadosh to Yahweh that Spirit is growing inside of you like a tree, like the mustard seed. It's the smallest of all then it becomes a tree. But when you're kadosh to the world and satan you're grieving the Spirit.

So I tell people, there was a guy one time that, it wasn't in the Congregation, but he said he was a believer and he was talking to me because he said he felt inspired to be going to ... he lived in this real bad part of town and he would go out like at midnight witnessing. And he would go witnessing in the bars and stuff and he said he felt convicted of that. And I said, "Well, number one know this, when you enter that bar you're entering on your own. Yahweh's Spirit isn't entering that bar with you." And I said, "Number two" because I kept trying to tell him you got to sanctify your life. You got to be careful. And he's like, "no, no, no I know I'm convicted. I'm convicted." So I said, "Well, how long you doing this for?" He said about three, four years. I said, "How many people have you helped?" "None!" Right there you got your answer, right? I don't know the reason he's doing it but I know one thing, he's quenching the Holy Spirit.

Every time you go in a situation that is not of Yahweh and that is of satan, you're quenching your spirit. And that's why I say the movies you're watching, especially the internet because that's somewhere now ... think about it ... before let's say the last 60/70 years, even let's say just before television started, satan was limited to how he can affect you. He'd have to somehow trick you to be near another person or maybe seeing a billboard or something as you're walking down the street. But now, he can affect you 24 hours a day, seven days a week if you're always having the internet going in your house and you always have TV or something going on.

He has a way now that for the planet he can affect everybody. So it's **important** that we don't want to grieve the Holy Spirit but we want to sanctify. How do we stop that? By setting ourselves apart from those things. And that's why I believe, like I said now, now I believe we're at such a danger point that it's like it's time to go to the wilderness. We did

as much as we could. We witnessed in the world, not to say we're not going to continue to witness because the congregations in the wilderness, they had millions of people come to faith. They had in the millions that came to faith from the wilderness. So I'm not saying we're going to stop witnessing. But what I'm saying is the way the world has become completely vile, it's time Yahweh's people got to go to the wilderness; or you'll just grieve the Holy Spirit and you'll fall away. You're not going to make it if you stay in the world.

Ephesians 4:31-32 *Let all bitterness, and anger, and wrath, and tumult, and evil speaking be put away from you, along with all malice. And be kind to one another, tenderhearted, forgiving one another, even as Elohim has forgiven us through Messiah.*

So this is what happened. This is the transformation that takes place once we become kadosh to Yahweh. The next chapter ... chapter 5 verse 11 he says:

Ephesians 5:11-13 *And have no fellowship with the unfruitful works of darkness, but rather condemn them. For it is shameful even to speak of the things being done by them in secret ... a lot of this stuff you don't even want to mention ... But all things being condemned are exposed by the light and are clearly revealed, for everything having been revealed is light.*

Comment: What did we say? Going from darkness to light. We are to be a light in that dark world so the few people that Yahweh is out there calling, they're going to see that light and they're going to come to that light. But if you're partaking of the darkness and you're there in the darkness, then they're never going to see the light.

Ephesians 5:14-16 *But all things being condemned are exposed by the light and are clearly revealed, for everything having been revealed is light. Because of this, He says, Arise, sleeping ones and rise from the dead ones, and Messiah will give you light. Then **watch how you walk**, not as unwise, but as wise ones, redeeming the time, because the days are evil.*

And that's where we're at. The time is very little and we need to **redeem that time** because it's short and we got to make sure we're taking advantage of that time and we're using it productively being kadosh to Yahweh. One last scripture I want to go over here is in 2nd Peter 1 ... this is actually what Elder Orly went over in his message ... great scripture there ... 2nd Peter 1 and starting in verse 1:

2nd Peter 1:1-4 *Simon Peter, **a slave** and apostle of Yahshua Messiah, to those **equally** precious with us, having obtained **faith** in the righteousness of our Elohim and Savior, Yahshua Messiah: Grace to you, and peace be multiplied by a full knowledge of YAHWEH, and of Yahshua our Master. Who has given us **all things** that pertain to the power of Elohim, for the life and worship of Elohim, through the full knowledge of the One calling us through glory and virtue, by which means He has given to us the very great and precious promises, so that through these you might be partakers of the divine nature ... that's what we're looking for, the Ruach, the Spirit of Yahweh, His divine nature, to grow in that ... **escaping** from the corruption which is in the world by lust.*

Comment: So we're looking to get rid of the nature of satan in the world and to become set-apart to Yahweh, not set-apart to satan.

2nd Peter 1:5-7 *But also in this very thing, having brought in all diligence, having fully supplied in your faith virtue, and with virtue knowledge, and with the knowledge self-control, and with the self-control patience, and with the patience holiness ... set-apart to Yahweh. So these are building blocks. They're all building blocks like Elder Orly went over from the nine fruits of the Spirit ... *and with the holiness brotherly kindness, and with brotherly kindness, love.**

Comment: So we see they're two different things; the agape of Yahweh and the 'phileo' the brotherly love compared to the Yahweh unconditional love.

2nd Peter 1:8-9 *For these things being in you, and abounding, they will make you never to be useless or unfruitful in the full knowledge of our Master Yahshua Messiah. For the one in whom these things are not present is blind, being shortsighted, and forgetting that he was cleansed of his sins in time past.*

Comment: And that's what happens like anything else, nothing happens immediately. It happens little by little. People come into the faith and then all of a sudden the world starts pulling them little by little and that's what satan does, little by little. And it's like a ship that's veering, you start going off maybe by one or two knots, which isn't so much, but after a day or two like that, you're that far off on your journey. You're way off from that point. So we want to make sure that we're **staying** on this.

2nd Peter 1:9-11 *For the person whom these things are not present is blind, being shortsighted, and forgetting that he was cleansed of his sins in time past. Therefore, brothers, rather **be diligent to make your calling and election sure**; for doing these things, you will not ever fall. For so will be richly furnished to you the entrance into the eternal kingdom of our Master and Savior, Yahshua Messiah.*

So that's like a recipe. We're going to be going over goal setting this week which are recipes. But this is like a recipe; a recipe toward the Kingdom and the building blocks on each one of those of being set-apart to Yahweh. So just like I said with repentance, it's not enough to just ask, what is sin? You have to ask, what is kadosh to Yahweh? It's not enough just not to sin. We need to be kadosh. Every action is either attaining toward worldliness or attaining toward holiness.

We have not attained true holiness because we're not staying sanctified. That's clear. So in your life, it's like a litmus test that you could do whenever, whether you do it weekly or monthly or whatever, but you should periodically be checking your life to see, am I growing to be more kadosh to Yahweh? Or have I kind of pulled a little bit in the wrong direction? And if you do this, if you keep checking yourselves against it, you can see it. You can see it in your own life because you can see it by the fruit of what's happening. And then if you say to yourselves, "Yeah, I feel like I'm not as close to Yahweh as I was before." That's where you can kind of look and see why.

Because face it, satan deceives all of us. He deceived the whole world and every one of us is living in this world. So I've been deceived by him as well as anybody else. But the way to get over that deception is: **number one, the Word of Yahweh**, like we said because that's the **only truth** in this world today, is the Word of Yahweh. But the **second thing is: to like I said, you have to keep looking into your spiritual life. You have to keep examining yourselves.** It shouldn't be something we just do at Passover time. At Passover we're commanded to do it and you have to do it in a **bigger way**. But we should be examining ourselves daily to grow in the grace and knowledge of Yahshua daily and looking in our life each day and seeing, are we attaining toward that goal of being set-apart to Yahweh, or are we falling apart? And if we see there's something in our life that's helping us to fall apart, then we have to make changes.

I know when I was in the business world I really, really enjoyed it because it was a gift that Yahweh gave me. So I love starting a new business. I just loved it. I love starting something from scratch and building it and making it work. And then there was a point in my life where I said I can't do this anymore. I said number one because of the business world the way it became. Plus though, I was working for Yahweh, it was too much time. But I saw after that how satan would very slickly try to pull you back in to something that you were already out of. Business world? Yeah, you can make a lot of money, but it doesn't come without a price. Everything has a price. And for me, I'm not willing to make that price now because I don't have the time, the effort and I don't want to put my mental energy toward that. I don't want to take it away from the Kingdom of Yahweh and be putting it toward other things.

So that's where each of us in our life, we have to look at these things. And we have to get the balance in our life because like I said, whoever doesn't work doesn't eat. I'm not saying everyone just quit their job and not work, but you have to make sure whatever you're doing because in these decisions you could just as easily do something toward Yahweh than against Yahweh. And everything we do, whether it's work, family, you name it, we have to do all toward the glory of Yahweh.
