Alrighty, Shabbat Shalom and Shabbat Shalom to those watching with us today. I am here for the grand finale, at least for now...you never know... sometimes we always add another part. But on the great series we've been doing on *The Word of YHWH – Part 4 – The Word of Life*.

We've been going over how powerful, how real, how incredible and how **living** the Word of Yahweh truly is. And it shows His supreme being and His character; and His Word proves His existence as Creator of everything.

So I don't know about you but I know going through this and putting this together it just makes me more in awe of Yahweh as I'm looking at every letter of that Bible; every letter of the original manuscripts; and how living and powerful they are. And how in so many different ways, whether it's Yahweh telling us things that before was ever known to man and to science; or whether it's the codes that Yahweh put in there; or the DNA that see in Scripture; or the amazing way that Yahweh put all the books in the perfect order they did. And last week going over the Psalms and the Megillot, which was really, really neat. And I hope the ladies appreciate that Yahweh even put a woman's Torah in the Bible for the woman's benefit. So let's start today in Isaiah 55 in verse 11, it says:

**Isaiah 55:11** *so shall My Word be, which goes out of My mouth; it shall not return to Me void, but it shall accomplish that which I please, and it shall prosper in what I send it to do!*

So in the message today, I want to show how the Word of Yahweh is **real**; it's living. It's not words on a book, words on paper, but its living; it's real. And as soon as Yahweh says it, it accomplishes exactly what Yahweh states.

So I heard one time that Yahweh is in seven dimensions. You know Yahweh works...we talk about one dimensional, two dimensional, three dimensions...sometimes you see three dimensional movies where you put on the glasses and it makes it look like they're flying, but Yahweh is in seven dimensions; some that we don't even know and maybe it's even more than that.

But the Bible is like that; the Bible is not two dimensional or three dimensional. The Bible is so many dimensions and some that we would have never even have thought of, right, before the time of the computer. Who would have ever thought of Bible codes and like I said, the amazing part that right in the text is underlined in the code what the text is saying and explaining it even more than that. So this is really what our message is today though, on showing how living the Word of Yahweh really is. So let's go to the Book of Genesis...Genesis 1, starting in verse 1...B'resheet, Bara, Elohim...right?

**Genesis 1:1-5** *Elohim...In the beginning Elohim created the heavens and the earth...In the beginning Elohim created the heavens and the earth...And boy, just that one sentence is a mouthful right...and the earth being without form and empty, and darkness on the face of the deep, and the Spirit of Elohim moving gently on the face of the waters...right? His power...then Elohim said, Let light be! And there was light. And Elohim saw the light, that it was good, and Elohim separated between the light and darkness. And Elohim called the light, Day. And He called the darkness, Night. And there was evening, and there was morning, day one.*

So wow, right? **Elohim speaks and there it is!** There be light and there was light. So even though we know that time comes from day four...the sun, the moon and the stars, right...the rotation of them is how we create days and months and years. But here it is, light itself...light, Elohim says, "let there be light" and there's light.

Just by His voice...just by His speaking, His Word is living. And that's the point of it. As He's speaking that Word, as He's breathing it, right? Like the word of Spirit, *Ruach*...*Ruach*...it's like the breath is coming out and its living; **every word of Scripture is living because every Word of Scripture is a part of Yahweh's character**. Then we get to Genesis 2 in verse 7...Genesis 2 in verse 7:

**Genesis 2:7** *And YAHWEH Elohim formed the man from the dust of the ground, and blew into his nostrils the breath of life; and the man became a living soul...* Like we were saying in the first time that the elements that are in dirt are the same basic elements that in man, right? Why? Because... *Elohim formed the man from the dust of the ground and He blew into his nostrils the breath of life.*

So here it is, it's like maybe as a kid you made a snowman when it snowed, right...and you built it up...but think of not a snowman, think of out of dirt. I don't know if anyone's ever done this...made like a being out of dirt...but you could do it if you get enough dirt and you pile it up and you shape it into a form of a man, but it's still just a pile of dirt. And then Elohim just breathes, **He breathes life, because He is life!** He always was and He always will be.

I like to say that it's like a circle, right, because people say, "how could Elohim...who created Elohim?" Well, no, because we're thinking in the realm of time and in time, time is a line; time is not finite...it's not...or time is finite; it's not infinite. It's a timeline. So here's the line, here's the line. But Yahweh works in eternity, right? Like a circle, there's no beginning and no end; it just keeps going around and around and around. The patterns are the same. So what Yahweh did was He put this seven thousand year plan as a piece of eternity. So our minds are thinking in time. He's thinking of eternity. That's what Yahweh is. He thinks of eternity. But here it is, all He has to do is **breathe** and dirt becomes a human being, right?

And like we said, trillions of cells and the way that the cells work and the configurations that they are and how everything works together perfectly with that; and the thousands of miles of arteries and veins that you have in your body and there's no way that that can all happen by chance. So **Elohim breathes on dirt and dirt becomes life**. Dirt becomes with what we are because He is life.

But what happens? Then the very next chapter, mankind who is just created by Elohim **doubts** Elohim. He doubts Yahweh. He doubts His Word and shows lack of faith and here we are today, right? So this is what it's all about. This is what the whole Bible is about and showing us that the **creation alone is enough for us to never doubt Yahweh**.

And His Word is living, right? It's not...like people look at the Bible...the Bible is the most sold Book ever in the history of human beings and the less read, right? Everybody has one. Sometimes it's laying on top of a refrigerator; or it's laying in a shelf somewhere; but that's not what Yahweh has His Word for. And we have to cherish this Word because it really, **it's a Word of life**; it's a Word that Yahweh gives. And as He creates...as creation is coming and He just speaks and creation is there. Hebrews 11:1-3...Hebrews 11:1-3:

**Hebrews 11:1-3** *Now faith is the substance of things hoped for, and it was the substance of things that have come to pass, and the **evidence** of things not having been seen...it's not blind*, it's evidence, right? As we look up in the stars and we see the sun and the moon and the galaxies and the planets, right, we can see that the fact that they're there means that somebody had to create them. They didn't come out of nothing...*For by this...and the substance of things that have come to pass and evidence of things not having been seen...* So the fact that we have the evidence of what already happened, then we know what He says will happen. It will happen because every single thing He said already **has happened**. So a person that can actually just say, "let there be light" and there's light, I certainly will believe that anything He says will happen, will happen. And that's all faith is. **It's simply believing the Word of Yahweh which is the Word of life...***For by this the elders*

*obtained witness...right, by believing...simply believing...By faith we understand the ages to have been framed by the **Word of YAHWEH...the ages were framed by the Word of Yahweh.** What were we saying in the beginning Elohim created the heavens and the earth, right... *By faith we understand the ages to have been framed by the Word of YAHWEH so that the **things seen** should not come into being out of things that already appear.**

Yahweh didn't take something that was already there and twist it and turn it and make it into a galaxy and planets. No, **Yahweh simply spoke**...He simply spoke the living Word, right? And out of that came stars and planets and galaxies and universes and black holes and things...and like they said that the universe is expanding right, for six thousand years since creation. It's been expanding and expanding because that's what Yahweh does. Yahweh is a life-giver and it keeps going. And it was all created simply by the Word of Yahweh...simply by His Word...simply by speaking it into existence. And **we simply have to believe what we already can see to believe what will be.**

Right, like we talked about, He named King Cyrus two hundred years before he's born; it said **exactly** what he would do. How would he know two hundred years before that there wouldn't be a Temple at that point? That Cyrus would have to be the one, the King of Persia, to allow the Jews to go back and re-build the Temple? Because Yahweh knows the end from the beginning; He knows everything. So we simply have to **believe** that we already can see to believe what will be.

And when you're looking at this, right? It's, **it's unbelievable to think how powerful His Word is.** And I think know the world takes His Word for granted. They actually...the UN calls it hate speech, right? But as Believers, I think we're also taking His Word for granted. We're not **cherishing** having that Word and what that Word means. And man, **we should be in that Word every day of our life and as much as we can.** Of course, we're human beings, we have to work, we have to do laundry or we have to cut the lawn. We have to do other things. But we should be so excited to be in that Word every day. The Word should never be a burden to us to have to have the Word of Yahweh; and whether it's having it in a book that we can read; or having it in a CD when you go in the car; or whatever it can be. **We should be just thanking Yahweh up and down every day of our life that He's given us His Word for this.**

So now let's go to the Book of John...John 1:1...and let's see something really, really amazing about the Word of Yahweh.

**John 1:1-3** *In the beginning was the Word...and what is John doing? He's writing and he's paralleling what we just read in Genesis 1:1. So he's paralleling the same thing...B'reshet, in the beginning...in the beginning, but in the beginning he's saying **now** he's going before Genesis 1:1... *In the beginning **was the Word, and the Word was with Elohim, and the Word was Elohim**...So it's interesting when you look at the syntax of the writing of here and also in 1<sup>st</sup> John, literally, by the verb form it doesn't mean that the Word came into existence, but **the Word was.** It wasn't created; it just was. The same way that Yahweh just was. So ... *In the beginning was the Word, and the Word was with Elohim, and the Word was Elohim...**He was in the beginning with Elohim**...right? He was...*Everything existed through His hands, and without Him, not even one thing existed of the things, which have existed...right?****

The Father gave the command and the Son spoke it into existence. So now we're starting to find out more because verse 14 says:

**John 1:14** *And **the Word** became flesh and tabernacled among us. And we beheld His glory, glory as of an only begotten one from the Father, full of grace and of truth.*

So now the Word even becomes **more important** because beside maybe being seven dimensional and whatever else it is, now we're finding out that the human being that we know as Yahshua Messiah, the Son of Yahweh, the human being that lived on this earth...the human being that's spoke about in Matthew, Mark, Luke and John...the human being that suffered and was beaten and humiliated and died for our sins, **He IS the living Word of Yahweh.**

Talk about the Word of life, right? That **He literally is the Word.** What does He mean by that? That means that as a human being, He **personified** every single thing of Scripture because the Word of Yahweh is Yahweh's character; **it's who Yahweh is.** But how can we understand that? No man has ever seen Yahweh at any time. How can we understand what Spirit is? How can we understand what Yahweh is? By the few instances we see, maybe in the Tanach, of Yahweh's interaction with people; but **the way that we understand who Yahweh is, is through the Word, through Yahshua His Son.** Because like I said, the Father gave the command but **the Son spoke it into existence...**the Son spoke it; because **the Son is that Word.**

So now when you think about that right? If you think about that **Yahshua is the literal Word of Yahweh, the living Word of Yahweh, it is blasphemy to say that the Law is done away with;** because **the Law is the Word.** When they're saying the Law, they're talking about the whole Old Testament, the Old Testament which is called the Tanach; it's not the Old Testament; it's the Tanach...we went over this before...the Torah, the Prophets and the Writings, right? It's an acronym.

But what they're saying is then that Yahshua is done away with; because He is the living Word! So it is **blasphemous;** it is absolutely evil and blasphemous! And it is about the worst thing that a human being can do. So the Christians that are saying, "The Law is nailed to the cross" they're no better than the UN people saying that the Bible is hate speech. It's the same thing. They're both trying to do away with the living Word of Yahweh – the Word of Life, right? And that Word becomes flesh. Revelation 19 in verse 11...says it here again, Revelation 19 in verse 11:

**Revelation 19:11-13** *And I saw Heaven being opened. And, behold! A white horse, and Him sitting on it having been called Faithful and True. And He judges and makes war in righteousness...who is this who's coming on the white horse now? Yahshua! Yahshua is coming on the white horse...And His eyes were as a flame of fire...just like we see in Revelation 1...and on His head were many crowns and many titles written on it, and one of the titles that had been written, no man knew but Him Himself; and having been clothed in a garment which had been dipped in blood. And His name is called The Word of YAHWEH.*

That's what His name is. **He is the living personified Word.** And that's why, like I said, this Book you could read it a million times and you will never ever, ever, get full with it! Because it just, **it fills your soul; it gives you joy to your soul; it completes you as a human being. It makes you who you are.** The Book of Yahweh, **the Word of Yahweh is His instruction Book for life!** So it's more than just, wow that was a neat fact...wow, that's pretty neat that this is here. Wow, it's pretty neat that Job knew about the gravity. No, they're not just neat facts. It's the Word of life; it literally is the Word of life and it's the instruction Book of Life. And this is what our whole life is.

And this is why Yahweh has preserved this Book for thirty-five hundred years, from the time of starting to give it to Moses and because at that point they didn't even have anything written down from creation; or Abraham or Isaac or Jacob or anything else. So He gives us all these things because **it's the instruction Book for life.**

And **if this isn't your life, then you have no life.** Because everything else like we see in Scripture will burn away. Everything is going to go, right? All of the nonsense that we follow every day of our life, it's all going to

be gone; but **this Word will last forever**. And we have to make the Word the way that Yahweh makes the Word. Colossians 1 in verse 15...Colossians 1 in verse 15 says...talking about Yahshua:

**Colossians 1:15** *who is the image of the invisible Elohim, the right of the First-born of all creation.*

He is the image of the invisible Elohim, how? Because **He is the personified Word**. Like I said, we talked about this before, **this is not just words on paper; this is the actual character of Yahweh**. Everything that we see: every doctrine, every law, everything He says, the history, everything is the personification of who Yahweh is. And then Yahshua comes and Yahshua is the **exact** representation of the Father and the image of the invisible Elohim. So now we can only understand the Father because we don't understand it any way else unless you know the Word of Yahweh, the Son; because the Son has put it into human form that we can understand; because He came as a human. Yahshua's not a human being. He put His divinity to the side and He came in the form of a human being as we'll see here in a couple of minutes. Philippians 2 in verse 5:

**Philippians 2:5-7** *For think this within yourself, which mind was **also in Messiah Yahshua**...right? Because it's the mind that thinks; it's the mind that creates; it's the mind that puts action – the thought comes before the action...*who existed in the very form of Elohim, thought it not robbery to be the equal with Elohim, but emptied Himself, taking the image of a servant, having become in the image of the sons of man.**

Wow, so now that's why He's the Son of Elohim and the Son of Man; the Son of Adam; because in one sense, he's a human being...a hundred percent. He's born of a woman, right? Looks like you and me as far as how we look, He's human. If He cut His finger He would bleed, right? He got sick as we see it says in **Isaiah 53**, and yet at the same rate, He's got the eternal Spirit in Him because He always existed **as the Word**.

So now we don't have to read the Word and say, "Hmm, I wonder what Yahweh meant by that! Let's read the Torah, go to Deuteronomy this...I wonder what He meant by that!" You know how we know what He meant by it? Because Yahshua told us...the Torah says, "You shall not murder!" I say, "You get angry with your brother, you murdered him in your heart!" The Torah says, "You shall not commit adultery." I say, "If you even think lust!" He's the living Word. **He personified it for us so that we could know exactly what this Word of Yahweh means and then Yahweh gives us the same Spirit in us that's in Him! So now we can have the Mind of Messiah. We can think like Him. We can have the same purpose as Him, the same thoughts as Him.** And this is what the living Word is. This should be our life. Everything about this should be our life. Hebrews 1:2 and 3...Hebrews chapter 1:2 and 3...look what it says...

**Hebrews 1:2-3** *in these last days He has spoken to us **in the Son**...the Word...*whom He appointed heir of all; and by whom He made the worlds; for He is the brightness of His glory, and **the express image of His being**...right? Yahshua is the express image of the being of Yahweh... **and upholding all things by the power of His Word**... **upholding all things by the power of His Word** having made purification of our sins through Himself, He sat down on the right hand of the Majesty on high,**

Right? Sitting on the big throne in heaven is Yahweh the Father, sitting on His right because He's the right hand of Yahweh. He's the power of Yahweh. He's the might of Yahweh – is His Son, the Word of Yahweh, Yahshua Himself...so wow.

You know **we don't need to prove Yahweh's existence to anybody**. I've never...and I've talked to a lot of atheists through my time...and when I'm talking to an atheist, I'm never trying to **prove** to him; because **it is degrading** that a human being is going to try to prove Yahweh's existence? C'mon, that's a joke. I just tell them how stupid they are that they think everything came from nothing. I try to prove Yahweh's existence because **He is!** Because that's what Truth is! And if they want to accept it, they can. If they don't, they don't;

because **it's degrading** to try to have to prove the Word of Yahweh...because you know why? In mankind's evil human nature, right, like it says in **Romans 8**, that the carnal mind is hatred toward the Word of Yahweh.

What does that mean? That means it's hatred toward Yahshua. That means it's hatred toward Yahweh's character! They don't want to know it. It doesn't matter whether it's true, it doesn't matter if it's provable...because it's provable! We have creation! It is definitely provable!

And there are creationists out there like: Dr. Ham and Dr. Baugh; and many of them that...I'm not a professor, I'm not a scientist...my mind is very, very simple and I can tell simple ways that we can know the Bible is true...creation is true...and the earth is not that old. But these people they know all the scientific proof of it. And you know what? The people still don't believe. It doesn't matter because **they don't want to believe**...because they don't want to believe in the Word of life...they don't want to believe. It's there; it's not that we know anything they don't know. It's just that you have to humble yourself. **You have to humble yourself. You have to repent of your sins. You have to admit to Yahweh that you're not smart and you're not good and not a good person.** And unless you do that, you'll never have His Spirit living in you and working in you.

Let's go to John 14...John 14...because you know what? **The Word of Yahweh is the key to everything**; it is the key to life. And it is amazing how much...and like I said, I'm thirty-six years in this, you would think by now I'd know everything of this Word. I read it back and forth and up and down a hundred different times, in different languages and yet, every single day I open this Bible I learn something new...every single day! That's what's exciting about it! And there's times where the Holy Spirit is actually...I say it's like the Urim and the Thummim. As I'm starting to read, the Holy Spirit will be glowing words and glowing things and its whipping pages. My sermons aren't coming from going online and looking something up on line. My sermons are coming from the Holy Spirit. And even this, Yahweh just opened my mind to this in the last month, studying this and looking at it and saying, wow, this is unbelievable! But that's what the Word of Yahweh is, just like the universe is expanding, His Word expands always and our understanding of it. So John 14 verse 10 says:

**John 14:10-11** *Do you not believe that I am in the Father and the Father is in Me? **The Words which I speak to you I do not speak from Myself, but the Father who dwells in Me, He does the work**...Right? The Father gave the command and Yahshua spoke it...*Believe Me that I am in the Father, and the Father is in Me; but if not, believe Me because of the works themselves.**

Right? Wow! You know when Yahshua was on the earth they couldn't deny what He did. I mean He healed crippled, He healed blind people, He healed deaf people and **He raised the dead!** Get that one, right? So you could say whatever you want...oh, He healed blind person, it was an accident, it was a miracle, it was magic...you could say whatever you want to it. But **nobody can raise the dead, but Yahweh...nobody!** Somebody that's dead for four days and all He does is call him – the Word, "Lazarus! Come forth!" And he comes hopping out and he's alive after four days. Nobody can do that but Yahweh!

And that's why even the Jews, even in their books, where they mock and they curse Yahshua, they call Him all kinds of things, but they admit that He did these things...they admit it. They admit that He raised the dead and He healed the sick and He healed the leper...they admit it...so shame on them for not believing. Because like He says, if you don't believe Him, believe Him for the works sake...*but the Words which I speak to you I do not speak from Myself, but the Father who dwells in Me.* And how great...without Yahshua here, without Matthew, Mark, Luke and John...without...we would not understand what the living Word is! And even with the Holy Spirit in us, it would be moving us toward something that we wouldn't know, but now we have His living example in our life.

And that's why, like I said, I read it just like Yahweh works in the circular...I read Matthew, Mark, Luke and John every day, all the way around the year I just keep reading them...done with one, go to the next...done with one, go to the next and it never gets stale...it never gets stale. I always see something new. And they're four books that are very, very different. Like I said, the four faces of Messiah, they come from different angles. They give different stories. They show different things; Matthew showing Him as the Lion of Judah; Mark showing Him as the Strength, the Ox, right; Luke showing Him as the Son of Man; Savior of the world; and John, the Spiritual gospel, the Eagle soaring up to heaven with things in there. But it's awesome...verse 28 here...John 14:

**John 14:28** *You heard what I said to you, I am going away, and I am coming again to you. If you loved Me, you would have rejoiced that I said, I am going to the Father; for the Father is greater than I.*

Yahshua's not the Father; they're not the same being. The Father is greater than I. The Father is the CEO, Yahshua is the blue-collared worker. The Father gave the command, Yahshua went out and said it and He created it. Go down to verse 12...same chapter.

**John 14:12-17** *Indeed, I tell you truly, the one believing into Me, the works which I do, that one shall do also, and greater than these he will do, because I go to My Father. And whatever you may ask in My name, this I will do, that the Father may be glorified in the Son. If you ask **anything** in My name, I will do it. If you love Me, keep My commandments...Right? Because **the commandments are part of His character**, that's who He is. He is the Word of Yahweh and it's His character... *And I will petition the Father, and He will give you **another one** which will **end the curse** that He may remain with you forever, **the Spirit of Truth**, whom the world cannot receive because it does not see it nor know it. But you know it, for it dwells with you and **shall be in you.****

Right? Once you're baptized, the Spirit of Truth. We're made in the image of Elohim and can be like Him through the Ruach opening up our minds to His Word. So you will never, ever...you could be the nicest person in the world and believe me...I was born into Catholicism, wasn't my choice but I was born into there...but I could tell you something, there is a lot of nice Catholic people; lot of nice nuns, lot of nice priests, a lot of nice Catholic people...but they will never, ever, **ever** be echad with Yahweh if they don't follow His Word. It's impossible!

And that's why He's made us in His image and **now with Yahshua living in us, we need to be that living Word. That is our greatest example** that we should be saying to people, "If you don't believe me, believe me for the work's sake. Believe me for the work's sake." And I praise Yahweh that He's blessed me that through His Holy Spirit, I've been able to lay hands on people and they've been healed of all kinds of different diseases. And we've seen the blind get sight. And we've seen the deaf get hearing again.

But physically that's great, but really what He's done in our Congregation is He's giving those that have "eyes" really eyes to see. And those that are spiritually deaf, He's giving them ears to see. And that's the miracle that's happening because we're living in the restoration of all things. And through this ministry, praise Yahweh, He's restoring all things. Just like I said with this Hebraic Roots Bible, that Yahweh put it together a certain way and I didn't do it. Yahweh put it together. I'm just trying to keep it the way that He put it together...the way that He did it. 1<sup>st</sup> Corinthians 5:3 says:

**1<sup>st</sup> Corinthians 5:3** *For being absent in body, but being present in spirit, I have already judged the one who has worked this thing out, as if I were present:*

What does he mean being absent in body, but present in spirit? Because since there's one Spirit right, and there's one Word of Yahweh, **the Word of Yahweh**, and that since Yahshua's living in us that this why how

powerful it is that if we are unconditionally following this Word, if we're surrendering our human nature and **what we want**...and that's the Laodicean...the Laodicean has all their opinions how they look at it, what they want...I'll never follow a man...but wow, you will never, ever, ever be echad with Yahweh. The way to be echad is surrendering that human nature...**surrendering me and allowing Yahshua and the Holy Spirit to work**. And **then** we could be absent in the body, but there in the Spirit, right?

We have prayers on line and when somebody puts a prayer request on line we can literally be going in our prayer closet and praying and we can be with that person. We can be comforting them. Somebody maybe that died, right? And you could have that hand right on that person's shoulder and be touching them while you're in your prayer closet; because you're touching them in Spirit. And the same Spirit that you have that's yearning out...and I've had this happen...I say it many times when I've prayed for people for healing that temporarily the thing that they had...maybe they had a bad leg and my leg will be hurting for a day or two. It's like when Jacob was wrestling with Yahshua in **Genesis 32**, remember? And He knocked his hip socket out and then the hip socket was like that for the rest of his life.

But it's the same way that **we can intervene with people through the Word. That's the way we're unified**. If it's not through the Word, what else can we be unified? That's why when people say, "Well, you know forget doctrine. Let's just be unified to be unified." What on earth does that mean? **There's no unity without the Word. There's no unity without doctrine because the doctrine is the Word. It's the Word of Yahweh; it's the Word of Yahshua; it is Yahshua**. It's what He gave to the apostles who gave it to others, who gave it to others, and now we have it here. And it's never been lost in two thousand years. And this is the Word that changes our life; and the doctrine is a big part of it because that's His Word. Back in John 14 verse 23...John 14 in verse 23:

**John 14:23-26** *Yahshua answered and said to him, If anyone loves Me, he will **keep My Word**... If anyone loves Me, he will **keep My Word** and My **Father** shall love him. And We will come to him and will make a dwelling place with him. The one who **does not love Me does not keep My Words**. And **the Word which you hear is not Mine but of the Father who sent Me**....right? One Spirit, the Word of the Father. The Father, it's His character and He's instilled that character in the Son and the Son is instilling it in us...*I have spoken these things to abide in you; But the Redeemer, the Holy Spirit, whom my Father will send in My name will teach you **everything**. And it will remind you of everything that I said to you.**

Right? There's one Spirit, there's one life. In His Word that makes us one with Him through the Holy Spirit in thought, in mind and purpose...in thought, in mind and purpose. And then remember the parable of the sower and the seed, right? What is the seed? Luke 8:11...Luke 8:11:

**Luke 8:11** *And this is the parable: The seed is the Word of YAHWEH.*

**The seed is the Word of Yahweh**. So if you want fruit...and you can't in the Kingdom without fruit...then you have to plant the seed and the seed is the Word of Yahweh. **You don't bring your own words**. You don't bring your own way. You don't bring your own purpose. You have to surrender all that and you bring the seed; the Word of Yahweh. **The Word of Yahweh is the foundation where our whole belief system should come from**, right? The Word of Yahweh is our foundation where our belief system should come from.

To reject the Word is to reject Him...to reject His Words is to reject Him. So when people say, "I'll never follow a man." What are they rejecting? They're rejecting the Word of Yahweh. They're rejecting the doctrine of Yahweh. They're rejecting the elders of Yahweh; and they're rejecting the Word of Yahweh. It's just like the Garden of Eden. It's a choice that every one of us has to make. Do we follow our own free-will which is

corrupted, what Adam and Eve did and follow the devil? Or do we unconditionally surrender that free-will to Yahweh and then follow Yahweh in all things?

**No seed, no fruit;** and the seed is the Word of Yahweh. And without fruit, you're not going to be in His Kingdom. So the first thing we have to do is we have to **plant** the Word of Yahweh. The Bible is not just a Book of words, but **the Bible is the Word**. It's not just a Book of words, but it is the Word. It reveals the plan of salvation for mankind **to become like Yahweh** in character; to become His children. **The Bible is the very blueprint for salvation;** and like I said in many, many different dimensions.

Yahshua came in the flesh as the second Adam to be the living Word and to **magnify the Torah** for us to understand the purpose and character of Yahweh and to be made an example to us in all things. Hebrews 2 in verse 11, right? And that's why Yahshua came in the flesh because He had to set the example as the living Word so that it wouldn't be misinterpreted. That we would see by His actions exactly what Yahweh meant. Hebrews 2 in verse 11:

**Hebrews 2:11-18** *For both the One sanctifying and the ones being sanctified are all of one nature; for which cause He is not ashamed to call them brethren, saying, "I will announce Your name to My brethren; I will praise You in the midst of the congregation." And again, "I will be trusting on Him." And again, "Behold, **I and the children whom YAHWEH gave to Me.**" Since, then, the children have partaken of flesh and blood, in like manner He Himself also shared the same things, that **through death** He might cause to cease the one having the power of death, that is, the devil; and might **release** them, who, through fear of death, are all their lives subject to bondage. For He did not take on the likeness of cherubs, "but He takes on Him the **seed of Abraham.**" Wherefore it is right, that he should in every manner resemble his brethren; that he might be merciful, and a high priest faithful in the things of Elohim, and might make reconciliation for the sins of the people. For since He Himself has suffered, being tempted, He is able to help others who are tempted.*

So that's the reason why He came in the flesh to understand exactly what we're going through and that **to every answer in our life is the Word of Yahweh**...to every answer in our life is something in the Word. And you know it's really interesting because when people are discouraged usually the first thing they do is stop praying and stop reading their Bible. And that's the time you need it the most. That's when Satan has you when you're the most vulnerable because once you take Yahweh's Word away and once you stop praying, what are you left with? You're left with Satan...you're left with Satan because Satan will try to possess you. Yahweh guides gently and leads you, but Satan is a possessor. And that's the time you need that Word the most...that's the time you have to go to that Word. It's the blueprint for salvation. Romans 10 in verse 14...Romans 10 in verse 14:

**Romans 10:14-17** *How then may they call on One into whom they have not believed...right? So like to the world, how are they going to call on someone they haven't believed...And how may they believe One of whom they have not heard? And how may they hear without a preacher? And how may they preach if they are not sent? Even as it has been written, "How beautiful are the feet of those who preach the good news of peace, of those preaching good things."...**We need to plant seeds.** And the seed is the Word of Yahweh. So of course, this is talking about generally the ministry, right? The evangelists, the ministers going out, but every single one of us...**every single person that has the Spirit of Yahweh in them has the responsibility to plant seeds and bear fruit.** And unless you **go out**, how can you do it? *How beautiful the feet of those preaching the good news of peace, and those preaching good things... But not all obeyed the good news, for Isaiah says, "YAHWEH, who has believed our report?" Then faith comes by hearing, and hearing through the Word of Elohim.**

*Faith comes by hearing, and hearing through the Word of Elohim.* That's why I said, it's just ironic that when people, when something happens, maybe it could be a death, it could be loss of a job, it could be anything that happens to someone to get doubt in their life...or if struggle in faith...and the first they do is stop reading their Bible...stop praying. And that's when you need it more because **faith comes through hearing**, right?

We're creatures of habit. There's no doubt about that. **We're creatures of habit and whatever you focus on that becomes most real to you.** And that's why people stop reading their Bible because they're focused on the rent payment that they can't pay; or they're focused on the sick person that they relative; or the dead relative that died...when **our focus needs to be on the Word because the Word is the first thing in our life.** The Word is the foundation of everything. The Word is the Tree of Life. And that's why we always have to keep that focus on the Word. *Faith comes by hearing, and hearing the Word of Elohim.*

Because the minute you stop focusing on the Word, the minute your faith starts going south in the other direction. It's got to be our life because Yahshua is the living Word. He was tempted in all things, but He overcame for us; and we have to bring this Word to others. Faith comes by hearing, hearing the Word of Yahweh. **We must cherish the Word every single day of our life. As the Word is our life and it gives us eternal life.** We must consume it daily, internalize it and allow the Ruach to make us one with Him through it.

And if it ever becomes stale to you, wow, then I can only pity somebody that says that. Because like I said, that Word is living and it's alive. And it's like, I know there's sometimes when we're listening to Scripture in the car...and even though I've heard it like maybe fifty times...it's almost like hearing it for the first time. It's like you're hearing that and you're getting something new and it is...it's the Word of life. You have to consume it, internalize it. John 17...John 17 verse 6 and 7...John 17 in verse 6 and 7, He says:

**John 17:6-7** *I revealed Your name to the men whom You gave to Me out of the world. They were Yours, and You gave them to Me; and they have kept **Your Word**...**They have kept Your Word. Now they have known that everything that you have given to me I have given to them and they received them**...Lets drop down to verse 13:*

**John 17:13-17** *And now I come to You, and I speak these things in the world, that they may have My joy being fulfilled in them. I have given them **Your Word**, and the world hated them because they are not of the world, as I am not of the world. I do not pray that You take them out of the world, but that You keep them from the evil one. They are not of the world, even as I am not of the world. **Sanctify them in Your Truth; Your Word is Truth**...**Sanctify them in Your Truth; Your Word is Truth.***

And you know, in the Olivet Prophecy, **Matthew 24, Luke 21, Mark 13**, the very first thing that Yahshua warns the people against is deception. And c'mon if anyone is honest with himself, we have **never** lived in a world with the kind of deception that you see today. And it's every single day through the internet and social media and these other things; people are just being indoctrinated more and more and more and more with falsehoods. And **the Truth is Yahweh**...that is the Truth. And that's what we should be focusing on. Not conspiracy theories, like I said, because once you start in these conspiracy theories, they go off and off and off and off and off.

And it's amazing to me to see people, even newscasters, some of them... that at this point even the President of the United States trying to say that the Covid-19 is a hoax! You could say whether it was planted, whether it was started, whether it was...you could say a lot of things about it, but how can you say something is a hoax when you have thirteen, fourteen million people that are infected with it? In America alone, sixty, seventy thousand people every single day; a thousand people dying every single day. How can that be a hoax? Are the coffins empty?

But this is what I say, the Word is Truth. We have to stick to the Word. Don't get caught up on all this conspiracy stuff because that's Satan's world. That's where Satan is taking you. Only by the pure Word of Truth can we avoid this...that's it. And again, if you start having these doubts, if you're a goat that keeps going to the edge of the fence, it's going to get you sooner or later...it will. John 5 in verse 24...John 5 in verse 24, says:

**John 5:24** *Truly, truly, I say to you, The one who hears **My Word**, and **believes** the One who has sent Me, has everlasting life, and does not come into judgment, but has **removed** himself out of death into life.*

Right? So we can't have doubt. We can never, ever doubt because that is the only thing you can count on a hundred percent as the Word of Yahweh. That has got to be internalized. And like I said, some people tell me sometimes, "Oh, I don't have a good memory. I can't memorize." Don't worry about it...just keep reading it...just keep reading it because **the Holy Spirit has a perfect memory. Yahweh has a perfect memory.** And even though you might not think you're remembering it, you are.

Because even Scripture says, right, **Matthew 10**, when you come before kings and leaders, don't think about what you'll say before and the Holy Spirit will put the words in your mouth. Think of your mind as a computer and every time you're reading your Bible you're programming those words in your mind. So even though you may think you can't remember it, when the time comes and you need it, Yahweh can bring it back. And that time might be in a prison cell somewhere. And you're going to **wish** that you had read your Bible because you won't have a Bible in that prison cell, but **you'll have what's in your mind**...you'll have that. And that's the decision you're going to have to make. Is it going to be filled with conspiracy theories and all kinds of falsehoods or other nonsense; or is it going to be filled with the Word of Yahweh. It's that simple. John 8 in verse 31:

**John 8:31-32** *Then Yahshua said to the Jews who had believed in Him, If you **continue in My Word**, you are truly My disciples. And you will know the truth, and the truth will set you free.*

**It is the Truth that frees us.** And in a world of falsehoods today, and a world where there's every fake conspiracy theory with no matter what happens, they're going to make it into a conspiracy theory that you don't know what to believe...you know what to believe because you believe in the Word.; and it's the Word of Yahweh. That's what's going to get us through. And it's the prophecies that Yahweh put there that we believe in, not in man. And we're seeing it...we're seeing it all starting to come to pass.

Let's go to Ephesians 6 in verse 10...Ephesians 6 in verse 10...because you know what? The Apostle Paul told us about putting on the armor of Yahweh; and everything dealing with the armor is dealing with His Word. That's what it has to deal with. It has to deal with His Words. Ephesians 6 in verse 10:

**Ephesians 6:10-14** *For the rest, my brothers, be made powerful in our Master and in the might of His strength. Put on all the armor of YAHWEH, for you to be able to stand against the **strategies** of the Devil...so don't just think the devil is out there and if you come by his way, he's going to try to swat you. No, the devil has strategies and he's smart. He was an arch cherub, he guarded the Ark of the Covenant...don't think you're smarter than he is; or you made your first mistake. The devil is way smarter than we are and he has strategies against us...and look at verse 12...*For our conflict is not with flesh and blood, but with principalities, and with those in authority, and with the possessors of this dark world, and with the evil spirits that are beneath heaven*...and here it is, right? It says in the end time, **Revelation 18:2**, Babylon has become the home of every foul spirit and every demon; and it's not just in Babylon. But there in the world today, just like in Revelation...I mean in **Genesis 6**, when these evil spirits were around in the world, and tempting the people...we see the same thing. So even though you may think it's your boss at work that you're having your*

problem with; or you may think it's your neighbor next door; or you may think an evil guy down the block; you can think whatever it is, but **our conflict is with spirits**. It's not with flesh and blood, but it's with the dark world and the evil spirits of Satan... *Because of this, **take up all of the whole armor of Elohim** that you may be able to **resist** the evil one, and being prepared you shall prevail...* So if you're living in the world every day and you're working in the world and your friends are in the world and you're stuck on social media and you're filled with the internet day and night; you're not putting on the armor of Yahweh. What you're doing is...it's like, it's like you're going unarmed into enemy territory. What do you think is going to happen? What do you think? You know there are a lot of people in the Congregation that I counsel with and people that have problems over and over and over. Sometimes it's substance abuse that they can't overcome. Sometimes its things like pornography; and when I'm counseling with them and asking them, "Well, why are you doing this? Why are you putting yourself in...putting temptation before you?" They don't have an answer. And it's the same way here. **Whatever you focus on becomes most real to you**; and if you're putting this before you instead of putting on the armor of Yahweh, it's not just an analogy; it's what the Word says here as we'll see here. And His Word is what it becomes. He says... *Because of this, take up all of the whole armor of Elohim that you may be able to **resist** the evil one, and being prepared you shall prevail. Because of this, take up all of the whole armor of Elohim that you may be able to resist the evil one, and being prepared you shall prevail. Then stand firm, "having **girded your loins with truth**"...*

Like we just said, the Truth will set you free. Stop believing in all this nonsense. Stop going to these websites reading this garbage that isn't true. And there's people that are addicted to it. Like I said, there's people that are addicted to drugs, to alcohol, to pornography, but there's other people **addicted** to spiritual pornography. And that's what I call it because it's so phony and I'll tell you in my position I get people all the time writing me and a lot of times they're new people and they'll say, "Oh, we've been watching your website for a year, we're listening to your sermons. What do you think of this guy?" And they'll give me something and it's some nut-job that has these weird, crazy theories. And it's like, uh! After five minutes, I don't even want to read this stuff. I don't want to read this nonsense and what these people believe.

And they always have the wrong name, praise Yahweh. He doesn't allow them to have His name. They use Yahuah or something else; and right off the bat; somebody is using that wrong name. Why on earth would you want to follow anything else they have to say...when Yahweh has **revealed** His name in the end time. We know His name. We know His name is YAHWEH, we know the Son's name is YAHSHUA. So **people using a false name means the Holy Spirit is not leading them!** That's such a simple thing because you don't have to go deep to study to find out what His name is. But people will still do it because they're not standing firm in the Truth.

**Ephesians 6:14-16** *Then stand firm, "having **girded your loins about truth**" and having put "on the breastplate of righteousness...**Psalm 119:172**, All Your commandments are righteousness. So your breastplate the thing that **covers** your soul is the **commandments of Yahweh**...and defend your feet with the preparation of the good news of peace...we just talked about that, right? Our responsibility...the seed of Yahweh; the seed is the Word. So that's what we have to do. We have to constantly be putting out these seeds...**Above all, taking up the shield of faith**...simply belief in Yahweh.*

But that's **our shield**, because what happens...when Satan keeps bringing these things that are trying to make you doubt, the shield is blocking them. So if you have that shield you'll never even think about it. And you know what? I've said this many, many times, I don't know everything. There's a lot more I don't know than I know. But you know what? **I want to focus on what I know than what I don't know**. Because if I focus on what I don't know, I'm going to start getting doubt; and where does that lead me to? I have never seen anyone in the Congregation that starts with a spirit of doubt that stays. They all leave and once they leave, well, their life becomes twice the hell it was before like the Bible says.

**You have to have that shield. You have to block it.** And if somebody wants to come with these weird ideas, don't listen. Block it out! Tell them you don't want to hear it; because Satan is a trickster and his ministers and it's not only physical ministers, but its people that are following his way or his ministers. Ministers just mean servants. So if people are not following Yahweh's judicial order and they're out on their own and they're doing their own thing. Stay away from them! Because they're the very people that Satan is going to use to get you. They're the people he's going to use to get you. And you have to block that with the shield of faith. **Your faith in Yahweh should show you anything that's not of faith, "Get behind me, Satan!"**

**Ephesians 6:16-17** *Above all, taking up the shield of faith, with which you will be able to **quench** the fiery darts of the evil one...You have to have a shield or those darts are going to hit you... Also, put on "**the helmet of salvation**,"...right? Yahshua is salvation. He is the Head of the Body...and take the **sword of the Spirit which is the Word of YAHWEH**;*

So isn't it pretty interesting that every single thing in the armor of Yahweh is defensive. They're all defensive measures, right...having a shield, having a helmet for getting hit. There's only one offensive thing here and that's the sword. Swords can be defensive, but a sword is pretty much offensive. So the **only the offensive weapon we have against Satan is the Word of Yahweh. That's the way we beat him!**

When Yahshua...Yahshua created Satan, right, or He created Lucifer, the angel of light – 'halal' is the Hebrew name, right? He created him. So He has power over him. And here it is that this evil beast Satan has the nerve to come to Yahshua while He's a human being, while He put His divinity to the side, now He's just dirt like we are, right? And he has the nerve to try to tempt Him – *I'll give you all these kingdoms of the world if you bow down and worship me.* Yahshua with one breath of His mouth could have quenched Satan and got rid of him. But did He? No, no even as a human being He didn't allow it to come in.

What did He use? He used the sword of the Spirit which is the Word of Yahweh. That's what He used. That's our offensive power. He cut off his head and said, "Man shall not live by bread alone, but by every Word of the mouth of Yahweh!" He said to him, "You shall worship Yahweh and Him alone!" Every single word that came out of Yahshua's mouth to Satan was only the Word of Yahweh. He wasn't having a conversation with him because you don't have conversations with the devil. He used the sword of the Spirit; the Word of Yahweh.

And this is why this Word is powerful. This is our sword. This is our only offensive means. And **we have to stop letting our human nature, our corrupted human nature fight for us.** You know remember in Exodus, **stand still and let Yahweh fight for you;** because if you're fighting for yourself, you're going to lose. And you know what? If you don't let Yahweh fight your battles and you fight yourself with the devil, He'll let you lose because Yahweh is not going to get involved if you're not asking Him to. **You have let Him get involved by His Word!** Go to the Word, that's the way you'll defeat Satan and that's the way that Yahshua defeated Satan; and that's the example that He gave us, right?

Take the sword of the Spirit which is the Word of Yahweh. This is how you fight the devil. The sword of Yahweh which we fight with is His Word. The whole armor is connected to the Word. Keeping the Word is our breastplate, right, keeping the commandments. Our faith will shield us not even to listen to the devil's lies for a second. The helmet of salvation is Yahshua. He is the Head of the Body – having the mind of Messiah, right? That's what that helmet is. The Ruach leads us into all Truth. The Word of Yahweh is our sword. It's our only offensive weapon in which we fight just like Yahshua did, with the Word. **Let Yahweh fight your battles.** Matthew 4 in verse 4...Matthew 4 in verse 4:

**Matthew 4:4** *But answering, He said, It has been written "Man shall not live by bread alone, but by every Word that proceeds out of the mouth of YAHWEH."*

And wow, aren't we blessed that we have every word. We don't have books missing. We don't have chapters in Matthew missing. We don't have chapters in Deuteronomy missing. Yahweh has preserved this whole beautiful, wonderful Book of His Word for us.

Hebrews 4...Hebrews 4 and like I said, every Word written in the Bible is a piece of Yahweh's living character...it's a piece of Yahweh's living character. So anyone who is doing away with any of it, they're trying to do away with the very character of Yahweh. And that's why He says, *Anybody who even removes a word will have his name removed from the Book of Life.* Hebrews 4 in verse 12...Hebrews 4 in verse 12:

**Hebrews 4:12** *For the Word of YAHWEH is **living**, and powerfully working, and sharper than any two-edged sword, and piercing as far as the division of both soul and spirit, of both joints and marrow and bones, and able to discern the thoughts and intentions of the heart.*

Right, wow! So this is our offensive weapon and you know what? We got to use on our self. **We got to use it on ourselves because the Word of Yahweh is a sword that cuts to our own heart**, right? And if you're reading that Word every day and it's not cutting to your heart how you have to change in your life, then it's just words on paper. Right, that's all it is...its words on paper if that's the case.

The Word of Yahweh should cut to our heart and bring us to a Spirit of repentance, of joy, of faith because it's living! This Word is living; and it's always been living right; because Yahweh is only Life. But now in the end time as prophecy is all coming to pass, as all these things are happening...as sad as it is...and part of it in another way, it's exciting...because the Word of Yahweh is coming to about that we know...alright, there's going to short period, a few years here of bad times. But the Kingdom of Yahweh is right around the corner. And in that Kingdom there will be no more suffering. There will be no more sickness. There will be no more death. There will be no more sorrow. And why do we know it? Because the Word says it! And that's what we believe in faith, that Yahweh said it. John 12 in verse 44...John 12 in verse 44...John 12 in verse 44 it says:

**John 12:44-50** *But Yahshua cried out and said, The one believing into Me does not believe into Me, but into the One sending Me. And the one seeing Me sees the One who sent Me. I have come as a Light to the world that everyone who believes into Me may not remain in the darkness. And if anyone hears My Words and does not believe, I do not judge him; for I did not come that I might judge the world, but that I might **save the world**...so who is going to judge?...The one who rejects Me and does not receive **My Words has that judging him: the Word which I spoke**, that will judge him in the last Day...so it's even these Words that will be the judgment of people...For I did not speak from Myself, but He who sent Me, the Father, **He has given Me command, what I should say, and what I should speak**...the same as we've been given command – by the Word, what we should say and what we should speak. **Not our own words**, but the Words of Yahweh...*And I know that His commandments...His Words...are eternal life*...and it's pretty interesting that sometimes the ten commandments are listed as the Ten Words, 'D'varim' the ten words; because they're the Words of Life... *I know that His commandments...His Words...are eternal life. Then what things I speak, as the Father has said to Me, so I speak.**

So wow, His Words are Life and we will be judged by them. Not even Yahshua is judging us, but the Words of the Book are judging us and we read them every day and we have to make it part of us. The same way it is literally, it is Yahweh's character. It's Yahshua's character. Yahshua came as a human being, is **personified as the Word of Yahweh**. He didn't exist before in that form of a human being. He existed in the form of Elohim, but He put that to the side and He came in a human body so that He could be the example to us on what we need to be. 1<sup>st</sup> Peter 2 (1) in verse 22, says:

**1<sup>st</sup> Peter 1:22-25** *Having purified your souls in the obedience of the truth through the Spirit to sincere brotherly love, love one another fervently out of a pure heart, being regenerated, not by corruptible seed...right, the seed is the Word of Yahweh. So we're not being regenerated by corruptible seed that's not the Word of the Yahweh...but incorruptible, through the living Word of YAHWEH, which abides forever...That's where our doctrine comes from, the living Word of Yahweh...that's the seed... Because "All flesh is as grass, and all the glory of men as the flower of grass; the grass was dried, and its flower fell out, but the Word of YAHWEH remains forever." And this is the very Word that was announced to you.*

Right? Why did He speak in parables? Ask anybody on the street and they'll say, "Oh, Yahshua spoke in parables to make it easier for people to understand." No, He spoke in parables so that they wouldn't understand. But for the people that Yahweh is calling, for the ones who are repenting of their sins and believing in the shed blood of Yahshua for forgiveness of those sins, Yahweh is instilling His Holy Spirit in them through baptism and the laying on of hands. And now, we have this Book open to us.

And like I said, there's billions upon billions who have read this Book, but how many have understood it? How many have understood it? Because it is the Book of Life. **Our commission is to bring these Words to others. The Word lasts forever; it's eternal.** It always existed with the Father. So how can Yahshua be a created being? That would mean the Word is created. That His Word wasn't always there, His Word is not eternal. Of course not...of course not. Is the Word of Yahweh created? No! The same as Yahshua is not a created being, the Word of Yahweh is **not created** – it just is because it's His character who He is.

2<sup>nd</sup> John...two more scriptures and we'll be finished...2<sup>nd</sup> John 1 in verse 9...2<sup>nd</sup> John 1 in verse 9...because I just want to show how important doctrine is. Because **doctrine is the Word of Yahweh**; it's not just something that man thinks up; or something, a rule that somebody makes...but the doctrine is the very Word of Yahweh. And that's why unfortunately, we have to shun people that turn away from the doctrine because what they're doing is, they're turning away from the Word of Yahweh. They're turning away from Yahshua. They're turning to another doctrine. And that's the reason why Yahweh says shun these people; because there's no light in them; because they're shunning Yahweh and Yahshua. Because Yahshua said, "The Words I speak are from My Father", right? So if they're shunning those Words, then unfortunately, we need to shun them. 2<sup>nd</sup> John...there's only one chapter there, verse 9, he says:

**2 John 1:9-11** *Everyone transgressing and not abiding in the doctrine of Messiah...right? The Word of Yahshua...Elohim is not in him. The one abiding in the doctrine of Messiah, this one has the Father and the Son. If anyone comes to you and does not bear this doctrine, do not receive him in the house, and do not speak a greeting to him. For the one speaking a greeting shares in his evil deeds.*

Right? And I hope you can understand that more; because Satan is very, very...Satan plays on your emotions, right? And you'll have brethren that were false brethren...and like it says, in **1<sup>st</sup> John**, *they left us because they're not part of us. If they were part of us, they would still be with.* That's pretty simple and it's **profound**. That's one of the most profound scriptures to me. Because why would you ever leave? You don't leave your family. You never leave your family. But if someone does leave, it's because they don't believe the Word. Because they're rebellious and they're stubborn and they're following in the same footsteps as Adam and Eve did in the Garden of Eden. They're rejecting faith in Yahweh and they're putting faith in themselves...it's that simple. And it's being run by pride.

But that's why doctrine is very important because the doctrine is the very Word of Yahshua. And what are we left without the doctrine when left without the Word. He put those doctrines in. There are no man-made doctrines in Yahshua's Congregation. They're the Words from Yahweh. Last scripture is 2<sup>nd</sup> Timothy 3:16 and 17:

**2<sup>nd</sup> Timothy 3:16-17 All Scripture**...all Scripture, all 49 books; 22 in the Tanach, 27 in the Brit Chadashah... All Scripture is written by inspiration of the Holy Spirit and is **profitable for doctrine**, for reproof, for correction, for instruction in righteousness, so that the man of YAHWEH may be perfected, and complete for every good work...**The full armor is through the Word**...the full armor is through the Word... All Scripture is written by inspiration of the Holy Spirit and is **profitable for doctrine**, for reproof, for correction, for instruction in righteousness, so that the man of YAHWEH may be perfected, and complete in every good work.

So the Word of Yahweh is a living Word. And I hope we can see why doctrine is so important; because **the doctrine is the foundation of belief**. And like I said, **the Holy Spirit opens us to the Truth and the Truth is what sets us free; and the Truth is the doctrine**. And if you don't have the doctrine like something simple as the Holy Spirit, how do you receive the Holy Spirit? Through baptism and laying on of hands. And there's Pentecostals that still want to believe at eight years old, they received the Holy Spirit at some kind of meeting by falling on the floor and barking like a dog, right? The Word of Yahweh doesn't say it; it's a lie...it's a lie. But Satan will work through people through emotionalism and through these different things and that's not.

We can see why doctrine is important; because it is the Word of Yahweh. It's what Yahshua is; He is that living Word. The living Word and we can see as His disciples, **we need to live our lives as the living Word did, as Yahshua did; and live according to His example**.

Yahweh's Word is **powerful and living** and Yahshua is that Word. Like we said, He's the exact representation of the Father because the Word is Yahweh's character. By His command, the world was created and by His breath man came into being. His Word is living and powerful and has all life in it. **Yahshua is the living Word and He and His Word are living in every Believer**.

So like it says, that the Spirit of Yahweh testifies against itself that we're children of Yahweh; and I've said this before, I'll be going to a Feast...I get in an airplane with two hundred fifty people and I can tell that one brother or sister that I've never met in my life. I know it because my Spirit testifies to their Spirit. And I would say, "You wouldn't happen to be going to wherever, Arizona, are you?" "Yeah, yeah!" "Ah, you're going to the Feast." You know it. The Spirit testifies against itself that we are the children of Yahweh. And His Word is living in each and every Believer.

We need to surrender to Him and His Word instead of our corrupted human nature; and then through obedience and surrender to His Word, we can be one with Yahweh and Yahshua; the same way that Yahshua is one with Yahweh.

We must cherish and read His Word **every single day**, every second that we can; and realize **it is our sword of defense against the evil one**. The Bible is an amazing Book with knowledge, with secrets, with codes, right? Truly it is the instruction manual for mankind put together by Yahweh, book by book, word by word, letter by letter; to train us to become like Him. Never neglect such a wonderful gift from our loving Father.

So I pray you've been blessed by this series and I can tell you one thing, Yahweh willing, this will not be the last time that we'll talk about the Word of Yahweh. But for today, the Word of Yahweh, the Word of Life...Yahweh bless, Shabbat Shalom!
