

Transcript – Yom Teruah 2026_The Days Of The Watchmen

Alrighty, Chag Semeach and Shabbat Shalom! [*Blowing shofar*] I guess everybody could tell what day it is today. The Feast of Trumpets where we blow the trumpet or the shofar, in Hebrew called Yom Teruah, the day of clamoring noise. Here we are, Yom Teruah 2026.

It's been a really fast year. I think most people ... I find it amazing older people as you get older; you always think time is going fast. But I'm amazed when I talk to younger people. Some of them even in their teens that are saying how fast time is going. So it's really got to tell you something.

But I do believe this year that we really have turned a corner. And the Fall holidays are really a corner in themselves. Because when you think about it, when we keep Pesach and we keep Shavuot, even though all these days are being fulfilled even in the end time, there's a second Pesach coming, there's a second Shavuot that we're living in now, the outpouring of YAHWEH's Spirit.

The Fall holidays really are future looking. Because the return of Yahshua, of course, it represents His birth also. He was also born on Yom Teruah. But really the big thing is Yom Teruah is about Yahshua's return to the earth and bringing His kingdom. And then of course Yom Kippur, where at the point where all sin is ended and YAHWEH is at one, not only with His people, but with the world, the Day of Atonement ... the Day of Atonement, Yom Kippur.

And then of course we have Sukkot, which represents the Millennial Kingdom. And then the Last Great Day, the eighth day, the day right after Sukkot, which is another high holy day, and that represents the White Throne Judgment and the judgment of all humanity at that point. The Fall holidays, when they come, it's always a new point here.

Now it's kind of like you're looking forward to a couple months for the feast coming, and boom, now it's here. We have two weeks until Sukkot, ten days till Yom Kippur, but it goes really fast and it's the preparing day. The days now, starting today, going all the way until Yom Kippur are the Days of Awe, they're the ten days of repentance. It's really interesting because in Revelation to the Smyrna congregation, remember it says that they're going to suffer for ten days?

And here we are. These are really, really important days. And I just hope, I hope as people of YAHWEH, I know some are, I know some haven't been, but I really hope that this message can encourage you to really take it serious, especially now. YAHWEH has given such an open door to our congregation.

I've been writing about that. I just can't believe over the last few years I really thought with COVID, that our work was primarily done, going underground. But our congregation has grown more since COVID than almost any other time that we've been doing this work in the last 30 years. So I do believe though that open door is not going to be open too much longer.

My guess is as good as anybody's. I'm looking at a year right now, of taking this year anyway, and really dedicating the whole year to YAHWEH to work, the Matthew 24 project, and then see what happens. I know a lot of things are going to be changing really, really fast. So we need to be thinking about that, praying about that, preparing for that.

So here we are, Yom Teruah 2026. And this is the *Days of the Watchmen*. Because Yom Teruah it really is the feast of the Watchmen as we're going to get into here. So it is an exciting day. It's the beginning of the Fall holy days. And like I said, it's the day that Yahshua was born in 3 BC. I went over that little bit in the Bible study last night. I've done a message on that. I'm not going to really talk about that today.

But it's also the day that He will return. And it's such a day of hope, right? Because when you look at the world today and the chaos, to think of Yahshua being on this earth, and not just that He's running the world government from Jerusalem, but that the spirit of man will be changed. All the things you're seeing today with spirits of evilness and selfishness and war and hate and lying and lust and all the things greed will all be gone.

And people will not even think about war anymore. Praise YAHWEH, wait for that. So, it's such a day of hope, but it's also a day of somberness. Because we know for the some-odd billion people on this planet, most of them aren't looking for that. And we know that by the time Yahshua returns, only maybe two, three percent of the people living on this planet today are going to be alive.

So even though that's going to be something like 30, 40, 50 million people worldwide, which is still a lot of people, compared to eight billion, and who knows how many as time is going on, it's not really so many. But Yahshua is going to destroy His enemies at His return. And before that, like I said, with the plagues and the Day of YAHWEH that comes many people are not going to be alive at that time.

We, as the people of YAHWEH, we need to bring this message of warning. That's really what our job is. That's why you're alive day. That's why you're called, not just to reap the benefits of knowing the truth, but to be part of this end-time work. So, like I said, Yahshua is going to destroy His enemies at His return.

Let's go to Zechariah 14. I'm just going to go in one scripture of that now. Zechariah 14. And I'm going to read 1 through 9 and then verse 12. It says,

Zechariah 14:1-2 *Behold, the day of YAHWEH comes, and your spoil shall be divided among you. For I will gather all the nations to battle against Jerusalem ... Not hard to see that today with the way the whole world is going against Israel ... And the city shall be captured, and the houses plundered, and the women raped. And half the city shall go into exile and the rest of the people shall not be cut off from the city.*

Comment: It's almost like we saw what happened in 2023 on the Last Great Day. *Simchat Torah*, when it was the Last Great Day and Israel was attacked and so many people were killed and some of these things happened, although it wasn't in Jerusalem.

Zechariah 14:3-5 *And YAHWEH shall go out and fight against those nations, like the day He fought in the day of battle. And His feet shall stand in that day on the Mount of Olives, which is before Jerusalem on the east; ... We know it's not YAHWEH the Father who's coming. It's Yahshua, YAHWEH the Son, as we'll see this in a minute ... and the Mount of Olives shall divide from its middle, from the east even to the west, a very great valley. And half of the mountain shall move toward the north, and half of it toward the south. And you will flee to the valley of My mountains, for the valley of the mountains will reach to Azal. And you will flee as you fled from before the earthquake in the days of Uzziah, king of Judah. And YAHWEH my Elohim shall come, and all the saints with You.*

Comment: We know that when Yahshua returns, His chariots will gather His elect from the four corners of the earth. And those that are in the grave sleeping are going to be resurrected. So, this is all we see, the saints coming with them.

Zechariah 14:6-8 *And it will be in that day, there shall not be light; the glorious ones will shrink. And it will be one day which shall be known to YAHWEH; not day nor night, but it will be, there will be light at evening time ...* Yahshua's presence, the Light of the world will make it where there will be no more darkness anymore ... *And it will be in that day, living waters will go out from Jerusalem, ... where the Gihon spring, the only living waters that's there ... half of them shall go toward the eastern sea, and half of them toward the western sea; in summer and in winter.*

Comment: We know that, which proves the temple, **Ezekiel 47**, right? Show that, that the waters coming from underneath the temple, so we know where the temple was.

Zechariah 14:9a *And YAHWEH shall be King over all the earth ...*

Comment: YAHWEH, Yahshua, of course YAHWEH, the Father, is reigning over even Yahshua. Yahshua clearly says that, there is no competition between them. But until the thousand years are up and that the earth is completely redone back to the Garden of Eden, restored like the Garden of Eden, YAHWEH, the Father does not come to the earth till after the thousand years are up.

Zechariah 14:9 *YAHWEH shall be King over all the earth. In that day YAHWEH shall be united (echad), ... The Father and the Son, which they are ... and His name united (echad) ... showing there's two of them.*

And then verse 12, right? What happens to His enemies?

Zechariah 14:12 *And this shall be the plague with which YAHWEH will strike all the peoples who have fought against Jerusalem: Their flesh shall rot while they stand on their feet, and their eyes will rest in their sockets, and their tongues shall rot in their mouths. And it shall be in that day a great panic.*

Comment: Yom, Teruah, the day of clamoring's, there will be a great panic of YAHWEH shall be among them. We see this that at Yahshua's return, His brightness, His power, His glory, literally these enemies of Him are literally just going to - eyeballs melt in their sockets. Their tongues are going to melt in their mouth, and it will be the end of them. In Yahshua, the first day of the Kingdom of YAHWEH, that will be restored.

One more scripture just to show, because sometimes if people say, "Well, how do you know this is Yahshua? Where does it say that He returns to the Mount of Olives?" Acts chapter 1. Acts chapter 1 starting in verse 6. And this is when Yahshua ascended after the 40 days, right?

Acts 1:6-7 *Then, indeed, coming together they questioned Him, saying, Master, do You restore the kingdom to Israel at this time? And He said to them, It is not yours to know times or seasons which the Father placed in His own authority;*

Comment: So, like I said, we don't know the day or the hour, but we do know the week and the month and the year and the season.

Acts 1:8 *But when the spirit of Holiness comes upon you, you will receive the power, and you will be witnesses of Me both in Jerusalem, and in all Judea, and Samaria, and to the end of the earth.*

Comment: And that's why we're here. Like I said, we're here to be the watchmen, to be the witnesses of Yahshua, not just to reap the benefits of being a believer.

Acts 1:9-10 *And saying these things, as they looked on, He was taken up in a cloud and He was hidden from their sight. And as they were intently looking into the heaven, He having gone, even behold, two men in white clothing stood by them, ... cherubs.*

Act 1:11-12 *who also said, Men, Galileans, why do you stand looking up to the heaven? This Yahshua who was taken up from you to heaven, likewise He will come just as you have seen Him who ascended into heaven. Then they returned to Jerusalem from the mount being called Of Olive Grove, which is near Jerusalem, a distance of seven furlongs away.*

He was buried on the Mount of Olives. He was resurrected on the Mount of Olives. He ascended on the Mount of Olives and He's coming back on the Mount of Olives. So very, very clearly, **Zechariah 14** is clearly talking about Yahshua's return, no doubt about that. That's YAHWEH's pattern. And like I said, one of the biggest things in my life that taught me not only reading prophecy, but reading YAHWEH's Word is - find YAHWEH's pattern, He never changes.

And that's the problem. When you look at most of Christianity today, they think in the first covenant was one thing, and then the New Covenant is something totally different. Like YAHWEH says, in the first covenant, don't lie, don't steal, and somehow in the New Covenant, no, now you can lie and you could steal? No, when YAHWEH has a pattern, and the Ten Commandments are His character, not just His pattern, but His character, they're never going to change. So, when we understand that this is YAHWEH's pattern, this is the way it is.

1st Thessalonians 4 ... 1st Thessalonians 4 also shows that Yahshua's return, verse 15 through 18. He says,

1st Thessalonians 4:15 *For we say this to you in the Word of Elohim, that we the living who remain to the coming of our Master will not at all go before those who have fallen asleep ... The dead are in the grave, the living aren't to go first.*

1st Thessalonians 4:16-18 *Because the Master Himself shall come down from Heaven with a commanding shout of an archangel's voice, and with **the trumpet of YAHWEH** ... The last trumpet, the seventh trumpet ... And the dead in Messiah will rise again first. **Then** we who remain alive will be caught up together with them in the clouds to meet with our Master in the air. And so we will always be with our Master. So, then, comfort each other with these words.*

So here we are, Yom Teruah, 2026. It's a day of comforting, right? To hear these things in these words, Yahshua's coming at the seventh, the last trumpet call. Matthew 24. I went to all these scriptures in the Bible study last night, so I'm not going to go into all the scriptures of Yahshua's return, because really today I want to talk about the day of the watchmen and what our job is as watchmen.

But I do want to go into some, because this is the day of Yom Teruah and the day of Yahshua will return just to think, like I said, years going into year. And wow, for me, I'm 40 years a baptized member in Yahshua's

congregation, how fast those days go, but just like I said, year one, to year five, to year ten, to year twenty, or thirty, or forty now, who knows, forty five, as the years keep going on.

But one day, we're going to wake up, and whether I'm sleeping in the ground or I'm still alive, it won't matter, because we just read there, and it will be the Yom Teruah that Yahshua's coming. And it's very soon, it's not a thousand years away, it's not a hundred years away, it's not fifty years away. It is very, very soon that this is going to happen, and wow, that's why it's exciting, every year that goes by, because we're getting one step closer, and YAHWEH is giving us more, His spirit is giving us more understanding of it as we go on.

So, starting at verse 29 of Matthew 24, He says,

Matthew 24:29 *And immediately after the suffering of those days ... right after everything happens, the tribulation time period and the Day of YAHWEH, it says ... the sun will be darkened and the moon will not give her light, ... we're already seeing some of those signs now, but this is also going to happen later, the eclipses and the blood moons ... and the stars will fall from the heaven, and the powers of the heavens will be shaken.*

Matthew 24:30 *And then the sign of the Son of Man will appear in the heavens. And then all the tribes of the land will wail. And they will see the Son of Man coming on the clouds of heaven with power and much glory.*

Comment: So, we saw the Revelation 12 sign in 2017, will that sign happen again here? Possibly, it's that sign, or something, but the sign of the Son of Man we're going to see, could be that sign.

Matthew 24:31-33 *And He will send His cherubs with a great sound of a large trumpet, and they will gather His chosen ones from the four winds, from one end of the sky to the other ... the last trumpet ... But learn the parable of the fig tree when its branch becomes tender and it puts out leaves, you know that the summer is near; so also you, when you see all these things, know that it is near at the doors.*

Comment: So, I've given hundreds of messages on this, our whole ministry in Israel has been on this, Israel being the fig tree, and starting in 1945 was when the end time started in 1948, was when this prophecy started. So, we're very close, 78 years Israel has been a nation, and in 2028, which is another very interesting year coming up, it will be 80 years, 2 times 40, that Israel has been a nation at that point. And He says, *know that it's near when you see these things.*

Matthew 24:34 *Truly I say to you, In no way will this generation pass away until all these things have occurred.*

Comment: And we're coming toward the end of the generation, right? So, that's why we say we know that there's not 100 or 1000 or even 50 years left because of the Word of YAHWEH.

Matthew 24:34-37 *Truly I say to you, In no way will this generation pass away until all these things have occurred. The heaven and the earth will pass away, but My Words will not pass away, never! But as to that day and that hour, no one knows, neither the cherubs of Heaven, except My Father only ... the day and the hour He says, not the month and the year... But as the days of Noah, so also will be the coming of the Son of Man.*

Matthew 24:38-39 *For as they were in the days before the flood eating, and drinking, marrying, and giving in marriage, until the day when Noah went into the ark. And they did not know until the flood came and took all away. So also will be the coming of the Son of Man.*

Matthew 24:40-41 *At that time two will be out in the field; the one is taken away, and the one is left; two grinding at the mill; one is taken away, and one is left.*

Comment: And what's happening? The ones that are rebellious, the cherubs are taking them out of the kingdom to the Lake of Fire. He says,

Matthew 24:42 *Be alert, then, for you do not know in what hour your Master comes.*

Comment: And are you being alert? It talks about the virgins. One of the scariest scriptures of **Matthew 25** in the 10 virgins is the point where it says **they all slept**. So even though we know five wake up and make it, there was a time when all 10 were sleeping. So He's saying, **be alert**.

Matthew 24:43-44 *But know this, that if the house Master had known in what watch the thief comes, he would have watched and not have allowed his house to be dug through. Because of this, you also be ready, for in that hour you think not, the Son of Man comes.*

Comment: And some people tell me, "Oh well, you know, this hasn't happened yet, and that hasn't happened yet. So, there's got to be at least 10 years or 20 years of whatever," and it's like don't think that way. Don't think what you think. You have no idea. You have no idea how YAHWEH thinks. Okay, so at the time you least expect it, so that time that you're thinking, *oh, there's got to be 10 or 20 years* could very well be the time that Yahshua be coming in. We are seeing a lot of things to show. It's not 20 years.

Matthew 24:45-47 *Who then is the faithful and wise servant whom his Master has set over His household, to give to them the food in season? Blessed is that servant whom his Master shall find so doing when He comes. Truly I say to you, He will set him over all He owns.*

Comment: So, it's not just sitting here waiting for Yahshua to return year after year. **It's about doing something**, right? It's about doing our calling.

Matthew 24:48-50 *But if that wicked slave says in his heart, My Master delays to come, and begins to beat his fellow servants, and to eat and to drink with the ones drinking, The master of that slave will come in a day in which he does not expect and in an hour which he does not know,*

And I saw this in Church of God. I saw it that when things didn't happen the way *people thought* it would happen, right? They misinterpreted the Bible then all of a sudden some of them even left the truth completely. But they went back to the world, right? And back to the things. And He says,

Matthew 24:51 *and He will cut him in two, and will appoint his portion with the hypocrites. There will be weeping and gnashing of the teeth.*

So, this is why this is a wake-up call. This is Yom Teruah. This is why the trumpet is blowing, right? To get in our ears and wake us up because it's time to wake up because there is a short work that's still there but a great work that's still there. And **every single person** in Yahshua's congregation needs to be part of it. There are **no spectator believers**. We are all part of it and we have to.

So, Yom Teruah, the Feast of Clamoring Noise, the one faithfully doing the work of YAHWEH, they will be shouting, praising, singing, but to those not ready and not watching and loving the world. He will come at a time and you least expect it and they'll be wailing, screaming and crying.

And the way one way that I know people that aren't doing this is, especially sometimes even our young people, when they talk about going to school for four years, eight years, ten years to get this degree, get that degree, it's like, man, what are you thinking? What on earth are you thinking? That you'll put ten years into Satan's system that's crumbling.

Well, we probably don't even have ten years left until Yahshua returns and it's just showing those are people that are definitely sleeping and they're not watching. You want to put four years, eight years, ten years into something, put it into the Kingdom of YAHWEH. Put it into that. Put it into ministry and doing that, not into Satan's worldly system. So, you don't want to be there that day. You don't want to be there screaming and yelling. You want to be there happy.

Matthew 7, verse 16. Matthew 7, verse 16. It says,

Matthew 7:16a *From their fruits you shall know them ...*

Comment: So, you're not kidding YAHWEH. You could kid your family, you could kid your friends. Sometimes you can even kid yourself, but you're not kidding YAHWEH.

Matthew 7:16b-20 *Do they gather grapes from thorns, or figs from thistles? So every good tree produces good fruits, but the corrupt tree produces evil fruits. A good tree cannot produce evil fruits, nor a corrupt tree produce good fruits. Every tree not producing good fruit is cut down and is thrown in the fire ... This is what's going to happen when Yahshua returns ... Then surely from their fruits you shall know them.*

Matthew 7:21 *It will not be that just everyone who says to Me, Master, Master, will enter into the kingdom of Heaven, but the ones who do the will of My Father in Heaven.*

Comment: So, there's a lot of people that are going to be saying, *Master, Master* when He returns, but a lot of them will not be in His Kingdom.

Matthew 7:22 *Many will say to Me in that day, Master, Master, did we not prophesy in Your name, and in Your name cast out demons, and in Your name do many works of power? ... Wow, this is heavy stuff ... And then I will declare to them, from everlasting, I never knew you; "depart from Me, you working lawlessness!"*

Comment: So, unless you're living a righteous life, unless you're obeying YAHWEH's commandments *and living them*, it's not going to matter.

Matthew 7:23-25 *Then everyone who hears these Words from Me, and does them, I will compare him to a wise man who built his house on the rock; and the rain came down, and the floods came up, and the winds blew, and fell against that house; but it did not fall, for it had been founded on the rock.*

Matthew 7:26-27 *And everyone who hears these Words of Mine, and who does not do them, he shall be compared to a foolish man who built his house on the sand; and the rain came down, and the floods came up, and the winds blew and beat against that house; and it fell, and great was the collapse of it.*

And I remember as a kid when we used to go to the beach and build those big sand castles and sometimes you take hours and hours to build it, and then one wave comes and 'whoop' and knocks the whole thing out. So, it really hits home. So, He will either accept or deny us from the life we're living.

Matthew 13 ... Matthew 13, starting in verse 10, says:

Matthew 13:10-11 *And coming near, the disciples said to Him, Why do You speak to them in parables? ... talking about the people ... And answering, He said to them, Because it has been given to you to **know the mysteries** of the kingdom of Heaven, ...*

Comment: YAHWEH has given us in the end time the book of Daniel, the book of Revelation, the tabernacle of David, there are so many mysteries that are in the Bible that YAHWEH has given to us as a congregation and are we appreciating it and are we using it to go out and bear fruit? So, *it has been given to you to know the mysteries of the kingdom of Heaven, but it has not been given to those.*

Matthew 13:12 *For whoever has, to him will be given, and he will have overabundance. But whoever does not have, even what he has will be taken ...*

Comment: The parable of the talents, right? If you're not using your gifts, they are going to be taken away. If you're using them, you're going to get more.

Matthew 13:13-14 *Because of this, I speak to them in parables, because seeing they do not see, and hearing they do not hear, nor do they understand. And the prophecy of Isaiah is fulfilled on them, which says, "In hearing you will hear and in no way understand, and seeing you will see yet in no way perceive.*

Matthew 13:15-16 *For hardened is the heart of this people, and with their ears they were hard of hearing, and their eyes are blinded that they should not see with their eyes and hear with their ears and should understand in their heart and return and I heal them ... Very sad ... But your eyes are blessed because they see; and your ears because they hear.*

And I tell you this, since COVID every single day when I pray, I pray to YAHWEH, "Thank you, YAHWEH for giving me eyes to see and ears to hear." But that also means there's an accountability **to do something**. Not just to let the days go by, fly by. If time is going really fast, then it's time we need to start redeeming that timing using it better. The world is hardened and blinded by satan's system, but we are not. That also brings accountability.

So Ezekiel 33, because sometimes we look at YAHWEH's ministers, His watchmen, but **we're all watchmen**. Maybe there is judicial order, not everybody's meant to go out and be a world evangelist, not everybody's meant to go out and preach a sermon. But we all are meant to go out and be watchmen. We all are meant to go out and help in this work of bringing more children to salvation, especially now as we're getting toward the end of the end.

This is life and death for some of these people. These are souls that YAHWEH created that His Spirit is living in them as much as the spirit of life. Not His Holy Spirit, but His spirit of life is living in these human beings that aren't converted as much as it's living in us. And it's YAHWEH's will that none will perish, but we have free will.

So, YAHWEH doesn't want these people to perish, and that's why we have to give this warning. Now, will most people take it? No, of course not. But even if one out of a hundred takes it, that's one more Elohim child than there would have been before that. And if you don't give the warning, it could actually mean your eternal life is going to be taken away.

So, let's read this here. Ezekiel 33, starting in verse 1,

Ezekiel 33:1-4 *And the Word of YAHWEH was to me, saying, Son of man, speak to the sons of your people and say to them: When I bring the sword on it, on a land, and take one man from the people of the land, their borders, and set him for a watchman to them, and when he sees the sword coming on the land, and he blows the ram's horn and warns the people, and the hearer hearing the sound of the ram's horn, and does not take warning, and the sword comes and takes him; his blood shall be on his own head.*

Ezekiel 33:5-7 *He heard the sound of the ram's horn and took no warning; his blood shall be on himself. But he who took warning, he shall deliver his soul. But if the watchman sees the sword coming and does not blow the ram's horn, and the people are not warned, and the sword comes and takes a soul from them, he is taken in his iniquity. But I will require his blood from the watchman's hand. And you, son of man, I gave you as a watchman to the house of Israel. And you shall hear the Word from My mouth and warn them from Me.*

Ezekiel 33:8-9 *When I say to the wicked, O wicked one, surely, you shall die! And you do not speak to warn the wicked one from his way, that wicked one shall die in his iniquity, but I will require his blood from your hand. But you, if you warn the wicked from his way, to turn from it, and he does not turn from his way, he shall die in his iniquity; but you have delivered your soul.*

Ezekiel 33:10-11 *And you, son of man, say to the house of Israel, This you have spoken, saying, Surely our transgressions and our sins are on us, and we are rotting in them, even then shall we live? Say to them, As I live, declares Adonai YAHWEH, I do not have delight in the death of the wicked, except in the wicked turning from his way, and so to live. **Turn!** Turn from your evil ways! For why will you die, O house of Israel?*

Like I said, we really have turned a corner now, and part of that turning is that some of these people, even bad people, are going to turn to the truth, even though most of them won't, some will, and that's YAHWEH's saying **Turn.**

And for us, maybe you've been thinking about this for years, of changing, of doing, of something, and you haven't turned - all of us, it's time to turn. It's time to turn, because the days of the watchmen are here, and that's the ministry in the end time. The ministry end time is warning the people, and we are all part of that, we must warn the world the last message before Yahshua returns.

And that's one of the reasons why I do the world news updates and share what's going on in the world, because it's not always good news, but you have to. You have to show the people that prophecy is being fulfilled, and the times that we're living in, and wow, this last war this year with America and Iran is fulfilling Daniel the 8th chapter, even the name, *Epic Fury*. And it says he will come at him with full fury, even the word there is the same.

So, if you can't see the prophecy being fulfilled, then you need to wake up, or maybe you're one of those people that don't have eyes to see, and then it's really sad, because that means the little you have is being taken. Use this day, like I said, use this Yom Teruah, this new time, it's like I said, it's the beginning of YAHWEH's year, we know is in Aviv, that's the new year, but this is the agricultural year, and the prophetic year really turns at Yom Teruah. We want to make a new commitment as we go on here.

Ezekiel 3, let's go back to Ezekiel 3rd chapter. And starting in verse 4, he says,

Ezekiel 3:4 *And He said to me, Son of man, Go! Come to the house of Israel and speak with My Words to them.*

Ezekiel 3:5-7 *For you are not sent to a people of deep lip and difficult of language, but to the house of Israel; not to many peoples of deep lip and of a difficult language, whose words you cannot hear. If I had sent you to them, they would have listened to you. But the house of Israel is not willing to listen, for they are not willing to listen to Me, for all the house of Israel are strong of forehead and hard of heart ... And that's the world we're living in today.*

Ezekiel 3:8-10 *Behold, I have made your face strong over against their faces, and your forehead strong over against their foreheads. I have made your forehead as an adamant harder than flint. Do not fear them, and do not be frightened by their faces, though they are a house of rebellion. And He said to me, Son of man, all My Words which I speak to you, receive into your heart, and hear with your ears.*

Ezekiel 3:11-12 *And go! Come to the exiles, to the sons of your people, and speak to them, and say to them, So says Adonai YAHWEH, whether they will hear, or whether they will forbear. And the Spirit lifted me up, and I heard behind me a sound of a great tumult, saying, Blessed be the glory of YAHWEH from His place!*

Ezekiel 3:13-14 *And there was the sound of the wings of the living creatures touching each one to the other, and the sound of the wheels along with them, and the sound of a great tumult. So the Spirit lifted me up and took me, and I went bitterly in the heat of my spirit, but the hand of YAHWEH was strong upon me.*

So, there's this great tumult, right? Like the day of Yom Teruah or the day of clamoring, go to verse 16,

Ezekiel 3:16-18 *And it happened at the end of the seven days, even it happened that the Word of YAHWEH came to me, saying, Son of man, I have made you a watchman for the house of Israel. And hear the Word of My mouth, and warn them from Me. In My saying to the wicked, surely you shall die; and you do not warn him, and you do not speak to warn the wicked from his wicked way, to save his life, he, the wicked, shall die in his iniquity. But I will require his blood at your hand.*

Ezekiel 3:19-21 *And you, because you have warned the wicked, and he does not turn from his wickedness or from his way, he, the wicked, shall die in his iniquity. But you have delivered your soul. And when the righteous turns from his righteousness and does injustice, and I lay a stumbling-block before him, he shall die. Since you have not warned him, he shall die in his sin, and his righteousness which he has done shall not be remembered. But I will require his blood at your hand. But you, because you warned him, the righteous, so that the righteous should not sin, and he does not sin, surely he shall live because he is warned. And you have delivered your soul.*

So just like we read here in **Ezekiel 33**, and several times, it's really, it's a great responsibility we have. And like I said, you can't think, "Oh, that's for the elder, that's for this, that's for that." All of us are part of it. We don't all

have the same job, but all of us are part of the Restoration Ministry, and all of us have to take to heart the great responsibility, giving this last warning messages. And that's why he always gave us the truth. Like I said, not to just put it in a corner for ourselves, but to use it for others.

Revelation 3 and verse 15, because we know we're living in the Laodicean era, right? And most Laodiceans, like He says, they have a hard head, they're not going to follow. But let's go to verse 15, Revelation 3, and what does He say to the Laodicean? He says,

Revelation 3:15-17a *I know your works, that you are neither cold nor hot. I would that you were cold, or hot. So, because you are lukewarm, and neither cold nor hot, I am about to vomit you out of My mouth. Because you say, I am rich, and I am made rich, ...*

Comment: That's the world we're living in today. People want to do everything for themselves. They want to set up their own kingdoms. They want to ... as long as they have money, they think that they're going to survive.

Revelation 3:17b-18 *... and I have need of nothing, and do not know that you are miserable and a wanderer and poor and blind and naked ...* So that's their spiritual state. And look what He advises them. Look what He advises them from this point. He says, *... I advise you to buy from Me gold having been fired by fire, ...* So not the gold out there that's \$4,000 an ounce. He wants you to buy the spiritual gold; the gold of His Spirit. The baptism of fire that's been fired by fire *... that you may be rich; and white garments, that you may be clothed, and your shame and nakedness may not be revealed. And anoint your eyes with eye salve, that you may see ...* So, the Laodicean doesn't see now. But even some Laodiceans are going to turn.

Revelation 3:19 *"I, as many as I love, I rebuke and I chasten." Be zealous, then, and repent.*

Be zealous and repent. So that's what YAHWEH is telling. That's the message we have to give. Not just a message of judgment and coming to people and telling them everything they're doing wrong, but in a loving way, share with them. What happens if they do change? How their life will be different? How they could be part of the solution in YAHWEH's Kingdom and all the good things that could happen if they do change.

So, this is the message of repentance for the Laodicean era. From Yom Teruah to Yom Kippur, like we said, they're the Ten Days of Awe, days of repentance. And all of us, I'm telling you this year, really take these 10 days serious. We must cleanse our hearts and spirit to do the end time work of YAHWEH.

We're entering a new phase and we have to take that new phase serious because it's not just a spiritual phase, it's not just something in our heart. It's not just, even YAHWEH's work growing. It's a new phase in the world. We're seeing the world change and I'm telling you, in this next year, it's going to change in ways that many people are not ready for or looking for.

Malachi 4 ... Malachi 4, 1 through 6.

Malachi 4:1 *For, behold, the day is coming, burning like a fire pot; and all the proud and every doer of wickedness shall be chaff. And the coming day will set them ablaze, says YAHWEH of Hosts, which will not leave root or branches to them.*

Comment: This is talking about the day of YAHWEH. Right? We just read in **Zechariah 14**, what happens? Their bodies are going to melt, their tongues are going to melt in their mouth when Yahshua returns.

Malachi 4:2-3 *But to you who fear My name, ... to the people of YAHWEH ... the Sun of Righteousness shall rise up, and healing will be on His wings. And you shall go out and frisk like calves of the stall. And you shall tread under the wicked, for they shall be ashes under the soles of your feet in the day which I am preparing, says YAHWEH of Hosts ... And then what is His last message that He gives?*

Malachi 4:4 *Remember the Torah of My servant Moses which I commanded him in Horeb for all Israel, the statutes and judgments.*

Comment: Some of us have seen Mount Horeb. We've been there. We've been in Elijah's cave up there. What an amazing miracle that YAHWEH after all these thousands of years has opened up Mount Sinai for His people to see. YAHWEH willing, I'm hoping we're going to go there again next year.

Malachi 4:4-6 *Remember the Torah of My servant Moses which I commanded him in Horeb for all Israel, the statutes and judgments. Behold, I am sending you Elijah the prophet before the coming of the great and dreadful day of YAHWEH. And he shall turn the heart of the fathers to the sons, and the heart of the sons to their fathers, that I not come and strike the earth with utter destruction.*

Our job collectively is just to go out and do this work. It's YAHWEH's job when He brings Elijah the prophet there and the two witnesses, that's up to Him, that's His work. And it will happen because YAHWEH's work says it. But **our work is just collectively to go out and prepare the way**. The same way that John the Baptist had to prepare the way for Yahshua, right?

Because Yahshua didn't have years and years and years to prepare everything that John did. And it's the same way now. It's the same way now that we need to go and prepare and turn the hearts of the people so that when this end time ministry happens, that the people, that it will all be ready for YAHWEH's Spirit to work the way it is.

Like I said, the open door that YAHWEH's given us now, it's not going to last forever. And each of us, we need to make that commitment in these next 12 months to do the most we can for the Kingdom of YAHWEH and bringing more people to salvation.

Mark 13, in verse 28 ... Mark 13, verse 28 through 37. It says,

Mark 13:28-29 *And from the fig tree learn the parable: ... We read that in Matthew. Here it is again ... When its branch becomes tender and puts out leaves, you know the summer is near. So you also, when you see these things happening, know that it is near, at the door.*

Comment: And we're seeing it. We're seeing a lot of things. We're seeing storms like we've never seen, hurricanes, earthquakes, wars and rumors of wars. And now what's coming with this Super El Nino and the energy crisis, only YAHWEH knows how bad it's going to be in the next six months. So it says,

Mark 13:30 *Truly I say to you, Not at all will this generation pass away until all these things have occurred.*

Comment: So, like I said, we're 81 years into the end time generation from 1945 and we're 78 years into Israel being a nation again - the fig tree.

Mark 13:31-33 *The heaven and the earth will pass away, but My Words will not pass away, never! But concerning that day and the hour, no one knows, not the angels, those in Heaven, nor the Son, except the Father ... Now listen what He says, ... **Watch! Be alert, and pray.** For you do not know when is the time.*

Mark 13:34 *As a man going away, leaving his house, and giving his slaves authority, and to each his work and he commanded the doorkeeper, that he be vigilant,*

Comment: And we are those people. This is what the parable is saying, right? We are the people that He left in charge to watch now and to be vigilant.

Mark 13:35-37 *then you **watch**, ... are you watching? ... for you do not know when the Master of the house is coming, at evening, or at midnight, or at cock crowing, or morning; ... We don't know ... so that he may not come suddenly and find you sleeping. And what I say to you, I say to all ... Watch! ... Watch!*

And like I said anybody that's having all their goals in this world today toward all these physical things you're not watching. That's not our job. Our job is not to get worldly degrees and just try to make as much money in satan's system as possible. That's a one-way ticket to the Lake of Fire. If you're going to go that route, our job is to go out in this world today and be a witness of the truth and to bring that truth and be part of the Matthew 24 program.

I just want to read to you, because He says to watch, just some things. Have you been watching? Just very quickly just for a minute or two. Share with you some of the things that are happening just recently.

The war with Iran has been lost basically by the US. Donald Trump came out and said, "Oh, we destroyed them and we destroyed this and we destroyed that." And as he kept lying about it, whether he knew it or not, most of Iran's navy and army and all their military ware is underground. And they seem to have a lot. They've been preparing this for 20 years.

And I thought this right off the bat, I said, well, if they gave more than 100,000 missiles to Hezbollah, you don't think that they have at least that much in their stock? So the war with Iran is basically lost by the US and they have taken down their status worldwide. Trump's lying, his continuous threats that he never goes through with. And America's looked at as the laughing stock. All these terrorists that are going through - the financial part.

But America, Babylon is falling. Babylon's just debt just hit \$40 trillion, the number of trillion. It just hit \$40 trillion just a few weeks ago. And Babylon is really, they're changing away from the petro dollar system. They're getting very close to a financial crisis with the debt because the treasury notes are going to a point where they can't pay the interest on them. They're really close to that.

So are you watching this? Because when Babylon falls, that's where everything is going to go really, really fast. That's the real beginning of the end and you can almost count down the days from that point as the beast power sets up and things happen.

Number two, world oil reserves are almost depleted, right? This week, the numbers are back up to \$100 a barrel. The diesel prices are way higher than that. That's the big one like I've been saying. And winter isn't coming yet. Where winter they're going to need much more for the heating around the world. So, world energy crisis is pretty much already started.

And are you watching this? Because this, it not only affects prophecy, it affects people. Like I said, people that are going to be dying, that are not going to be able to have fuel. And going along with that, the world food crisis is in the works.

So, the super El Nino, they're saying is going to be the worst ever. And the one that was either 1860 or 1880, I forget the exact date now, but somewhere around that time in the mid to late 1800s, back then, where there weren't that many people in the world, there was not even a tenth or a fifteenth of what you have today. And you want to know something? 50 million people starved to death during that time. 50 million back then. So what does that say of today when we're at eight and a half billion people on the planet? And they're saying that this one is going to be worse than that one.

So, are you watching? Are you watching? Because these are the horsemen of the apocalypse. The false peace, which we've been seeing since President Trump has been reelected, the war, the red horse. And then the next one is the famine and the pestilence and then the death. We are already in here watching these horsemen of the apocalypse. We've been watching them for a while. But like I've always said, it's like a dual prophecy. You see them in general in the end time, but then in the very end time, you see them literal.

Number four, signs in the heaven. Revelation 12 sign, we talked about this many times, 2017, the great eclipse that happened in Babylon. A couple of years ago, the blood moons of 2013 to 2015 on holy days, right? Five in a row. YAHWEH's number of grace. And even this year, just recently, we saw some of these. They're all a warning to us ... they're all a warning to us. And have we been watching? Have we been watching some of these things and these eclipses and these blood moons, like YAHWEH says?

Number five, AI. Wow. As I've been preparing some things for Sukkot with AI, we really see AI is in that stage. They've brought it out now, these data centers, and they're very, very close to bringing this whole AI system to take over the world. And that's going to be scary because, like I said, I really see now satan has deceived the whole world that AI is it. He's deceived the world with many things from the Garden of Eden, but this is something where **everything is deceived**, where you can't tell now. And if people up to now haven't been able to tell truth from error, when it's so evident, how are they going to tell it in an AI world?

And the sixth thing, the beast system is set up, just waiting for the man-made crisis and the false flag to bring it in. I've told you this a couple of years ago, the whole banking system has been changed, right? So no longer is a private banking system that's going the way it did for the last, whatever, 100 years. But now everything is run through the central banking system, and it's completely different. And that's all set up for the data centers, and controlling people's money, where you do something wrong, they just cut your money off.

And Israel, the world is against Israel more now than ever. They've never been totally with Israel. We know that many people in many countries have been against Israel, but now wow. Just like it's prophesied, the whole world is coming against Israel as Scripture states. And there's no country in the world that's more hated than

Israel is. So we see these things in the end, and Israel, Jerusalem being surrounded by armies and all these things. Wow, it's really now. You can see where it's coming.

We see that the Muslim NATO that's just been set up, like the last month or so, with Saudi Arabia and Pakistan and Turkey, and possibly Iran and other countries joining that pack. We see the **Psalms 83** War coming together before our eyes. All these things are happening.

And the last thing just also YAHWEH taking His people to the wilderness. He hasn't *literally* taken the 144,000 out yet, but again, if you don't change your mentality from commercial Babylon to the wilderness, you'll never list a day in the wilderness. YAHWEH has been taking His people, He's been taking His people in the kibbutzes, and having His people move from the cities to the countries away from commercial Babylon, getting out of that system as much as possible.

But like I said, there are some Laodiceans out there that haven't been doing it. They're staying in the system and working in the system and living in cities, and you're going to be in trouble very soon. And I'm not talking about a few years down the line, I'm talking about now, you are going to be in trouble, and it's time to come out of that system because that's what YAHWEH is doing. He's doing with His people, and do we know better than YAHWEH? Yom Teruah 2026, like I said, we've turned a corner, and He tells us, *watch, watch, watch*, and these are just a few things I'm bringing up. You know, I talk about it every week in the world news, but these are just a few things.

Romans 13 and verse 10. Romans 13 and verse 10. He says,

Romans 13:10-11 *Love does not work evil to the neighbor. Then love is the fulfillment of Torah. Also, knowing this that now is the time and the hour for you to awake from your sleep, for now our salvation is nearer than when we first believed ...* Wow is that scripture jumping off the pages. It's in 3D!

Romans 13:12 *The night is far gone, and the day has drawn near; then let us cast off the works of darkness, and let us put on the armor of light.*

Knowing this, and now is the time and the hour is for you to **awake from your sleep** for our salvation is nearer than we first believed, 40 years into this stuff, it is nearer and 80 years into just about from the beginning of the end time. So, you better believe it's nearer. It's the end of YAHWEH's work. It's not the beginning, right?

So, there's still time to make up lost time, right? The parable of the workers in the field. I love that parable because even at the 11th hour people were still able to come in and they still got their full reward. If you haven't been doing it to this point, there's still time, but you are on borrowed time. Because you have to prepare. You just don't jump into the work of YAHWEH. You have to prepare for it.

That's why we have the Bible School. I've been doing the Bible School for 22 years. Many of our elders and especially our senior elders, came because they were trained at the Bible School. Many of our brethren that are solid in the congregation and doing good works, men and women, leaders, have been to the Bible School. So, we need to get ready and we need to be preparing Ephesians 5 and verse 13.

Ephesians 5 and verse 13. He says,

Ephesians 5:13-14 *But all things being condemned are exposed by the light and are clearly revealed, for everything having been revealed is light ... Yahshua is that light, like we said, and at His presence even as people is burning in their sockets ... Because of this, He says, Arise, sleeping ones and rise from the dead ones, and Messiah will give you light ... We want to be that light from Him, that living light.*

Ephesians 5:15-17 *Then watch how carefully you walk, not as unwise, but as wise ones, redeeming the time, because the days are evil. For this reason, do not be foolish, but understanding what the will of Elohim is.*

You have to stop being foolish. Be wise, think about the Kingdom of YAHWEH's forever, the Kingdom of Commercial Babylon. Not only is it for a short time, that time is just about over. So why would you live for a system that is living on borrowed time, right? It isn't even helping most of the people within that system.

Like it talks about in Haggai, you get your money, even when you're working in that system, you put it in your pocket that seems like it has holes. And it's flying out of that pocket. So are you going to live for that? Or are you going to live for the Kingdom of YAHWEH? The time is almost gone to bear fruit and to change some of listen and bearing much fruit.

Some will never listen until it's over. When it's over, that's when they're going to plead and beg and that's why, like I said, there's no crook that has ever been caught in before the judge, that he's not sorry at that point, right? "I am, what's that word? Sorry, sorry. I am sorry for what I did." Nope. And even if there are crocodile tears at that point, it's only because that selfish person is selfish for what he lost. It's not real repentance.

If you want to really show YAHWEH your appreciation for what He's done in your life, then **start serving Him now**. Don't let one more day go by serving yourself in commercial Babylon. Like I said, some are never going to listen. It's a Laodicean era unfortunately and will be turned away as Yahshua returns. Like you said.

1st Thessalonians 5 ... 1st Thessalonians 5 verse 1 through 6, and then I'll drop down the verse a little. He says,

1st Thessalonians 5:1-6 *But concerning the times and the seasons, brethren, you have no need that I write to you. For you yourselves know accurately that the day of YAHWEH comes as a thief in the night.*

Comments: A thief in the night the people won't know it, but the ones that are watching will know it. Because that's what happened. That's where that thief in the night comes from. It was where the high priest in the temple during the Holy Days would be in there. And literally he wouldn't even wear shoes because the cold floor would keep him up.

But if he fell asleep, the other priest would come in, the high priest then would come in, and burn his garment that he wouldn't have a garment. This is the point. If you're awake, the thief in the night doesn't apply to you. If you're falling asleep, it does. *So, you yourselves know accurately that the day of YAHWEH comes as a thief in the night* to the world, not to YAHWEH's people.

1st Thessalonians 5:3a *For when they say, Peace and safety! ...*

Comment: Isn't Trump, isn't that what he's been saying since he got into office? Isn't he saying he's making peace in Gaza? He should get the noble peace prize, right? He stopped 10 wars, he says. Although he's

probably started 20 of them, but that's what he's saying. Peace and safety, he has that new peace organization that he built up that supposedly is supposed to be solving all the problems in Gaza.

1st Thessalonians 5:3 *For when they say, Peace and safety! Then suddenly destruction comes upon them, like the travail to the woman with child, and not at all shall they escape.*

Comment: And I really thought that when this false peace comes, it would be deceptive to most people, but wow, this isn't even deceptive. How can anybody even believe it?

1st Thessalonians 5:4 *But you, brethren, are not in darkness, that the Day should overtake you as a thief. You are all sons of light and sons of day; we are not of night, nor of darkness. So then, we should not sleep, as the rest also do, but we should **watch and be sober.***

Watch! We should be watching, right? We should be watching like we said. We're not sleeping as the world is sleeping, but we're watching. Drop down to verse 11.

1st Thessalonians 5:11-14 *Therefore, encourage one another, and build up one another, as you indeed do. And we beseech you, my brethren, that you respect those who labor among you, and who admonish you in our Master, and instruct you even esteem them very highly in love and be at peace with them because of their work's sake. And we beseech you, my brethren, that you correct those that offend, and encourage those who lack courage, and bear the burdens of the weak, and be patient towards all men.*

Our job as watchmen isn't only just to the world, but it's to each other. And praise YAHWEH for this mentoring program that YAHWEH inspired that we're getting started here, because all of us can be part of it. And part of mentoring is simply encouragement. That's a big part of it, to encourage each other for the times that we're living in. We have to encourage each other to do more with our calling, because, like I said, the judgment is coming.

Jacob, chapter 5. And these rich men of the earth, these Klaus Schwab and Bill Gates and all of these guys with the money and these guys that are running things, they think they're so smart and they think they're going to enslave the world. And look what YAHWEH says is going to happen to them. Jacob, chapter 5. Starting in verse 1.

Jacob 5:1-3 *Come now, rich ones, weep, howl over your miseries that shall be upon you. Your riches have rotted, and your garments have become moth-eaten. Your gold and your silver have rusted; and the rust of them will be a testimony against you; and it will eat your flesh. The treasures that you have heaped together shall be as fire to you for the latter days ...* So, it's talking about the days we're living in now.

Jacob 5:4a *Behold, the wages of the workmen who have reaped your fields cry out, ...*

Comment: As these guys are making billions and billions of dollars and the people that are working for them are making nothing. They're making virtually nothing. The Elon Musk's of the world and these big corporate heads. They're making billions and they're paying people virtually nothing.

Jacob 5:4 *Behold, the wages of the workmen who have reaped your fields cry out, being kept back by you. And the cries of the ones who have reaped have entered "Into the ears of YAHWEH of Tzavoath (Hosts)."*

Comment: YAHWEH of Hosts, YAHWEH the leader of the army that's coming to fight. Most of our congregation is in third world. And what do our brethren make? They're not making a lot of money, a dollar a day, five dollars a day if they're lucky, but they're not making hundreds of dollars a day and hundreds of thousands of dollars a year. But the people with these corporations, like I said, the Klaus Schwab's of the world and the Elon Musk's. And the Bill Gates, they're doing this and YAHWEH saying He's coming for them.

Jacob 5:5-7 *You lived luxuriously on the earth, and lived for self-pleasure; you nourished your bodies for the day of slaughter; you have condemned and murdered the righteous, and yet he does not resist you. Therefore, brothers, be patient until the coming of YAHWEH. Behold, the farmer waits for the precious fruit of the earth, being patient over it until it may receive the early and the latter rain ... And here we are in the latter reign now. It's coming. It's here, actually.*

Jacob 5:8 *You also be patient. Set your hearts firmly, because the coming of our Master has drawn near.*

Yom Teruah - *the coming of our Master has drawn near.* And here we are. We have to, the global elite are going to be taken care of. And YAHWEH is going to take care of His people.

Isaiah 52 ... Isaiah 52. Prophecy from the book of Isaiah about Yahshua returning. And he says,

Isaiah 52:1-2 *Awake! Awake! Put on your strength, Zion; put on your beautiful robes, O Jerusalem, the holy city. For never again shall uncircumcised and unclean ones come to you. Shake yourself from the dust; rise up! Sit, Jerusalem; free yourself from your neck bands, O captive daughter of Zion ... The ones who are keeping Israel captive and even the Israelites in diaspora.*

Isaiah 52:3-5 *For so says YAHWEH: You were sold for nothing, and you will not be redeemed with silver. For so says Adonai YAHWEH: My people went down to Egypt at the first, to reside there, and without cause Assyria oppressed him. So then what is to Me here, declares YAHWEH? For My people are taken for nothing; those ruling howl, declares YAHWEH. And My name is continually despised, every day.*

Comment: The name of YAHWEH isn't even used there in Israel. But the people there, these global elites, they're using the nation of Israel for their purposes in these end times. Israel is not a free nation. They are being used. They are being manipulated by these global leaders and part of them are in Israel, part of the middle leaders in the Israel government.

Isaiah 52:6-7 *So My people shall know My name thus in that day; for I am He speaking. Behold Me! How beautiful on the mountains are the feet of him proclaiming good news, ... our work ... making peace heard, bearing tidings of good, making heard salvation (Y'shua), saying to Zion, Your Elohim reigns.*

Isaiah 52:8-9 *The voice of your watchmen, they lift the voice together, they sing aloud. For they shall see eye to eye when YAHWEH brings back Zion. Break out, sing together, waste places of Jerusalem; for YAHWEH comforts His people; He has redeemed Jerusalem.*

Isa 52:10-11 *YAHWEH has bared His holy arm in the eyes of all the nations; and all the ends of the earth shall see (Aleph /Tav) Y'shua our Elohim. Turn! Turn! Go out from there! Touch not the unclean! Go out of her midst, purify yourselves, bearers of the vessels of YAHWEH.*

So, the watchmen is to proclaim this message, right? I proclaimed it in Israel for 25 years of Yahshua's return there. I've met with many rabbis there, Knesset people, all kinds of people and bringing the good news of the Kingdom of YAHWEH, which is there.

And we have to purify ourselves. We have to come out of commercial Babylon. It's time. It's time we've got to come out from there and stop playing games. It's time we have to make those changes in our life so that we can qualify for the job that YAHWEH is giving us. The watchmen are to bring the good news, the message throughout all the earth, proclaiming Yahshua's return and the kingdom to come.

And like it says **Matthew 24:14**, *when this good news is preached to all the world, then the kingdom will come*. The watchmen that YAHWEH have placed have a hard job. There's many Laodiceans will reject the message from YAHWEH that has been given to the watchmen. The most important job of the watchmen is to prepare the bride of Messiah for the wedding ceremony and for their place in the eternal kingdom. So that's the main job that has to be done.

And let's go to Song of Solomon. Song of Solomon chapter 3, it says,

Solomon 3:1-3 *By night on my bed I sought Him (Aleph/Tav) whom my soul loves. I sought Him, but I did not find Him. I will rise now and go about in the city, in the streets and in the broad places. I will seek Him whom my soul loves. I sought Him, but I did not find Him. ... So this is the bride of Messiah seeking Yahshua in the end wondering when He's coming back. And look who is helping the bride ... **The one watching** going about in the city found me. I said, Have you seen Him whom my soul loves?*

The watchmen is out there in the end times preparing the bride, helping her to get out every spot and wrinkle. That's why we have elders, that's why we have deacons, and that's why YAHWEH has structured congregations. So we could nurture His remnant and His bride all the time. So I'm going to blow the trumpet one more time.

[blowing trumpet] Chag Semeach! Chag Semeach once again.

I'm here to blow the warning to YAHWEH's people. It is time to wake up. Like I said, we've turned the corner, we're in a new time, we're getting closer to that time each Yom Teruah passes, but this is a big one this year because we've got a big job in this next year coming.

This coming year looks more like there will be more wars that are coming in the world, and we don't want to allow the oil, the Holy Spirit to run out. But we want to be growing in the nine fruits of the Spirit each day, each year as the time for Yom Teruah. And Yahshua's return to come.

So right now, as Iran is hitting American assets, they're bombing the bases that are over there, they're bombing the military, and because of the election it's coming up, America is basically doing very little. But look out after that election is over.

Most likely the Republicans are going to get swamped and lose, but that might not be such a good thing as a lot of people think because once these radical Democrats get in there, and if they get a super majority, look out, then the whole new world order plan will come faster. They'll be bringing all these charges against Trump, and probably there will be more war than what we're seeing now.

So, we want to be growing in the Spirit, the fruits of the Spirit as we see these things before us, each year as Yom Teruah comes, and remember He comes at the last trump. So, for the hope of America in the world, let's hope that this is the last Trump that we're at least seeing in office, that there'll be no more Trump's as president because Yahshua is coming at the last trump. Let's hope it's trump that we're seeing, and let's, we know also it's the trumpet call at the last trump that He's returning.

I pray you have a blessed Yom Teruah, and a blessed Holy Day season, YAHWEH willing, we will be doing almost live services on the Holy Days that are coming for Sukkot, looking forward to it. For a great time there with all of YAHWEH's people from all over the world coming with us.

And YAHWEH bless, Chag Semeach!
