

Transcript – The Cursed Thing

Okay, Chag Semeach. I pray that everybody is having a wonderful feast as the ones who will see this with us. I've got one of those interesting messages today. Yahweh gives them to me every now and then. And I really enjoy when His Spirit moves that way. And I'm trying to remember with the other one, the name of the other one is called, from the book of Daniel that I gave last year.

You know, with Nebuchadnezzar or when Babylon fell. But I don't remember the name of it was. But you got the scripture. That's the one from it. But this is what I do remember because I haven't written it in front of me. It's called, *The Cursed Things ... The Cursed Things*.

And most of the message is going to come from a very interesting story from Yehoshua or Joshua, the 7th chapter. Starting in verse 1. There's really a powerful message in here that we're going to get today. It says:

Joshua 7:1 *And the sons of Israel sinned a sin in the cursed things. And Achan, the son of Carmi, the son of Zabdi, the son of Zerah, of the tribe of Judah took of the cursed things. And the anger of YAHWEH glowed against the sons of Israel.*

So as we're going to see here, it's very interesting because this is when Israel is leaving Egypt. They're living in community. And what we're going to see is that one person in a community sinned, but Yahweh cursed everybody in the community because of it. And I don't think we think about that enough. That what our actions do every day of our life and how it affects other people.

I get the message all the time about different things of, because there's one scripture that talks about curses going down to the 10th generation, and then there's other scriptures that talk about you can't pay the sins of your son. You only pay your own sins. And people say is there a contradiction? No, there's not a contradiction because you do only pay for your own sins.

But there are generational curses that go that affect people for even, it could be 100 years or more, a generational curse that happens. And we see it. We see it with divorce. We see it with alcoholism. We see it with all kinds of things. So we want to make sure that in the world we're living in because even when you look at the general public, right, you always have with the world crawls the right and the left. You know, the right is conservative. The left is liberal.

But as you look at the world over the last 20 years, the line has moved. And what used to be conservative is now no longer. So where are those people that were very much to the right? That's almost to what the middle was 10 or 20 years ago. And people don't realize it, like the frog that you put in the water and you put him in the warm water and you just keep turning it up a little by little by little. He doesn't know that he's being boiled to death. And that's our society.

There's literally people that you could talk to people you work with, people you know, relatives that will tell you it's no worse now than it was 50 or 100 years ago. And it's like, wow, it's just showing you like the video we saw, how brainwashed and how conditioned people are. If you can't see that things are worse today than 100 years ago, I mean, look around, you see people with tattoos, women, not a little tattoo, tattoo's all over their body. Children changing their genders, tell me when that ever happened. That you send your five year old to

kindergarten and the teacher's going to change their gender and the parents don't even know about it. All of this evil, sick, wicked stuff that's going on is more than we've ever seen.

And I'm not going to go that far today, but I'm going to go into things that are normal to society, that shouldn't be normal to us as believers. And are we bringing the cursed thing into Yahweh's camp? So let's continue in verse 3. Let's go through the story.

Joshua 7:3 *And they returned to Yehoshua, and said to him, Do not let all the people go up. Let about two thousand ... So now they're going to war ... Let about two thousand or three thousand men, go up, and they shall strike Ai. Do not cause all the people to labor there, for they are few.*

Joshua 7:4-6 *And about three thousand men of the people went up there. And they fled before the men of Ai ... They're being beaten ... And the men of Ai struck about thirty six men of them, and pursued them before the gate to Shebarim. And they struck them in the descent. And the heart of the people was melted, and became as water. And Yehoshua tore his clothing, and fell on his face to the earth before the ark of YAHWEH until the evening, he and the elders of Israel. And they threw dust on their heads.*

Joshua 7:7-9 *And Yehoshua said, Oh Adonai YAHWEH, why have You at all caused this people to cross over the Jordan to give us into the hands of the Amorites, to destroy us? ... Wow, he's almost sounding like the other Israelites that didn't make it at this point ... And, Oh that we had been willing, and that we had dwelt beyond the Jordan! Oh YAHWEH, what shall I say, after Israel has turned its back before its enemies? And the Canaanites, and all the ones living in the land shall hear, and shall come around against us, and shall cut off our name out of the earth. And what shall You do for Your great name?*

So here it is. Yehoshua was saying this and we're going to see that Yahweh's answer is pretty blunt. And in our life sometimes, we get that mentality of, "Oh, why do I have this whatever? Why did I lose my job now? Why do I have this sickness? Why do I have this?" And what I'm realizing is, that we are bringing these things not only curse on yourself, you're bringing it on all the people around you.

So I might be being cursed because somebody has a cursed thing in the camp. So it might not even be something you're personally doing. It could be somebody in your family; or it could be somebody in the community. And that's the one thing when you live in community that you find out. That's why there's an accountability. That's why, we're more strict with community, and the people in the community should all be accepting of a new person coming in because if you let a cursed thing into your camp, everybody suffers. Everybody suffers. It's pretty simple. Everybody suffers. So **the covering and the protection of the entire camp was lost due to the allowing of cursed things in the camp.**

Can you imagine? So we see here how many people, it doesn't tell us an exact number, right? But they're a lot. Well, here it is, 2,000 men, 3,000 men. There's a lot of people fighting. How many died? Who knows? But the lives of how many thousands of people were changed, because somebody was just thinking of themselves and bringing cursed things into the camp. Let's look at Yahweh's answer now.

Joshua 7:10 *And YAHWEH said to Joshua, Get yourself up! Why do you fall on your face this way?*

Right? As people that, you like I said, whether we're eating their wrong foods, whether we're watching the wrong things, whether we're doing all these things, and then we're going to cry to Yahweh, and say, why is this happening to me? And Yahweh's like, enough! Enough, I'm sick of it! Stop causing your own problems and then coming to Me as if you didn't do it. So even Yahoshua, Yahweh is saying enough, Get up! *t yourself up! Why do you fall on your face this way?*

Joshua 7:11 *Israel has sinned, and they also transgressed My covenant which I commanded them, and have also **taken of the cursed things**, and have also stolen, and have deceived, and have put it among their stuff.*

As we're going to see, it's only one guy who did it, but all of Israel got blamed for it. So it's serious. We have to keep the camp of Yahweh clean. Verse 12:

Joshua 7:12 *And the sons of Israel have not been able to stand before their enemies; they have turned the back before their enemies because they have become cursed. I will not be with you again if you do not destroy the cursed things from among you.*

Wow, that's pretty scary. **I will not be among you if you don't get rid of these things**, because it's the same way we can't stand as human beings in the presence of Yahweh and live. Nobody has ever seen Yahweh the Father; whether it's in the first covenant, like in Mount Sinai, we see the Messenger of Yahweh, Yahshua stood before Moses; or the New Covenant, but we can't. Yahweh is so pure, He's so Kadosh that in a human form we can't stand before Him and live.

And the same way, we can't have idolatry. We can't have idols. We can't have these things in our camp and think that it's not going to affect us to begin with. Because as we see, Achan didn't care. He was just looking for what was best for him. And by his sin, he caused death and destruction on everybody around him. So Yahweh's presence cannot be among cursed things in your camp. Verse 13:

Joshua 7:13 *Rise up, sanctify the people, and you shall say, Sanctify yourselves for tomorrow. For so says YAHWEH, the Elohim of Israel, A cursed thing is among you, Israel; you are not able to stand before your enemies until you take away the cursed thing from among you.*

So here it is. Yahweh is really, really put it on my heart the last few years to be teaching the brethren, everywhere I go. I teach about sanctification. I teach about the wilderness. It's not a catchphrase. Anybody who stays in this system in the world will not make it into the kingdom of Yahweh. And it scares me to death to look, like I said. Mankind has been here roughly 6,000 years, and the white throne judgment the people will be raised, and I don't know percentage wise, how many Yahweh will let in the kingdom, and how many won't.

I know that the bar is lower, but I know many people in the world of other generations will make it into the kingdom. I don't know which form, they're not first fruits. But I do know that Yahweh does say **the generation we're living in now, virtually nobody is going to make it. And He says if He didn't cut that day short, not even we would make it. Not even the elect.** And if that doesn't scare us to get our life separate from this world, what will?

And it's conditioning like that movie did. You know? We are being brainwashed to one degree or another every day of our life, all of us. Some of us are little, some of us a lot. It's how much you are part of that system is how

much you're brainwashed. And everything that's out there, as we're seeing in this system, is not to make your life easier. **It's to condition you and to brainwash you for the beast power that's coming.** And who's behind all of it? Not Klaus Schwab. It's Satan. Satan is behind all this stuff. And he's using these people that are literally Satan worshippers, that are bringing all of this deception and all this evil. And unfortunately, you can talk till you're blue in the face, just like you talk to non-believers a lot of time. But a lot of times you can talk to some brethren until you're blue in the face, and they will still sit there with the cursed things in the camp of Yahweh.

We are the only congregation, and I'm not saying we're the only congregation in the world that Yahweh is working with, or is first-fruit, or whatever. But as I've seen, we're the only congregation in the world that is talking ... at least I am ... talking against social media. All these other congregations are all on Facebook, Twitter, whatever. They're all run by demonic people. They're not set up to make your life easier and connect with a friend. It has nothing to do with that.

It's about monitoring you. It's about conditioning you. And like they said, the scary part is, it doesn't matter whether you have nothing to hide. **They are making a double of you.** Every one human being, they're making a double of them. They're making a ... what do you call ... like a slide or clip. Not a clone, so to speak, of a human, but a AI clone. A clone that's in a file somewhere, of everything you do, of everything you say, even your voice. That's why now a lot of things, you don't even have to anymore show a fingerprint or whatever. It's your voice activating.

And you see what the plan this, they could get eternal life through this, right? It doesn't work that way. Life comes from Yahweh. Their plan doesn't and we better wake up. We better wake up because your eternal life is at stake. And if you don't get rid of *these things*, these should be simple things to get rid of. What are you going to do when the real things, like it says in Jeremiah, *if you couldn't run with the footmen, what are you going to do when the horseman come?* **We haven't even begun to see the horror that's coming on this world.**

This is only the tiny beginning of trial. We haven't seen the world wars. We haven't seen the death of a quarter of the people on the earth. And we haven't seen the beast power with that mark put it on the whole earth, where you can't buy or sell without it. But most people are doing it anyway. So we've have to be ready for this.

Joshua 7:13 *Rise, sanctify the people, and you shall say, Sanctify yourselves for tomorrow. For YAHWEH, the Elohim of Israel says, A cursed thing is among you, Israel; you are not able to stand before your enemies until you take away the cursed thing from among you.*

And I talk about the school we had last year, what was the most amazing of it, of that school was, because I've done schools now for 20-something years. It was the very first time, believe it or not, in 22 years of doing a school that every last person there was echad. There wasn't anybody with a little bit different attitude. There wasn't anybody that said, "Oh, I don't believe it." Because that's all I said. I said, "Just trust me, give me 30 days and I guarantee you your life will change." Can't guarantee it will stay changed because that's up to you. But I know it, it works. What I'm going to teach you, it will work. Guaranteed! And it was ... because every school people changed, but this was the first time every single person went out there, a different person. And it was amazing to see it. And that's the way every community should be.

We should be echad. We should be living together. It shouldn't be where you have three people in the corner that say, "Well, I don't think Facebook is so bad." The iPhone, the iPhone, **we know 100% that QR code is the mark of the beast**. How far they'll take it? Like I said, they're probably going to put a chip in your hand, but it's the phone we saw during COVID. If you didn't have that phone, you couldn't get in the supermarket. You couldn't buy and sell.

And in Israel where they started it, I have the video and Netanyahu saying, "No, no, no, no, no. You can't take a PCR test. You must have the QR code. Without it, you can't go anywhere. You can't work. You can't buy and sell!" He said it. Look it up. You can find it online. So what are we trying to hold on to when you have eternal life on this side, and you have convenience a little bit on that side? That's one of the reasons I don't want those things. That's one of the reasons brethren will say, "Hey, I feel bad for the third world brother and we can help them this way."

It's like, you know what? They don't need that kind of help. They don't need that kind of help. Do you guys need air conditioning? No, no. Because once you get it, you'll never – not want it again. And you'll want the next and the next and the next. Sure, of course, we want to help the brethren. We want to make sure everybody has food and water. We want to make sure people have sanitary things.

But convenience we don't need. **The wilderness is not about convenience. It's about sanctification**. And unfortunately, and I look at myself, even though I've been out of Babylon 26 years, Zerubbabel, born in Babylon. I was born in Babylon. I still have a lot of things in my mind. And there are still a lot of things of convenience from my life in Babylon that I still think about. And I got to get rid of it, the same way you got to get rid of it. So if you're only doing some of these things for convenience, you have to figure out, because as we saw it with COVID, it comes overnight and then there's no time to figure it out.

I can't tell you how many people contacted me panicking. You know who didn't panic? The ones who were already sanctifying their life! The kibbutz's, we had no problem whatsoever in any of the kibbutz's because they already were doing everything. They were already separated from the world. And it's the choice you have to make. I can't make it for you. But if you don't read this story and shiver, then something's wrong. You know, something is wrong there. Because there's a cursed thing, there was a cursed thing in their camp. There's a cursed thing in our camp, in our life. Each of us have it to one degree or another.

Let's go to 1 Thessalonians 4. And the hard part is because we're going against the grain. Like I said, with COVID, you're reading these things. You're listening to real doctors that are saying how poisonous this is, and you walk out of the door of your house and it's a complete opposite. The whole world is saying this is the answer. This is the antidote. This will save you. We are living in this kind of world like that. And unless we realize that everything outside those doors is not there to protect me, and I have to, that's the wilderness. That's the reason for the wilderness. I have to sanctify myself from that. You're going to get deceived. You will get deceived. Send your kids to public school. Forget it. You might as well write them off. You will lose your children in public school 99% of the time. 1 Thessalonians 4 says:

1 Thessalonians 4:1-5 *For the rest, then brothers, we beg you and we **exhort** in our Master Yahshua, even as you received from us how you ought to walk and to please Elohim, that you abound more. For you know what commands we gave you through the Master Yahshua. For this is the will of Elohim, **your sanctification**, to*

abstain from fornication, each one of you to know to possess his vessel in sanctification and honor, not in passion of lust, even as also the nations do, not knowing Elohim;

1Thessalonians 4:6-8 *not to go beyond and to overreach his brother in the matter, because the avenger concerning all these is Elohim, even as we told you before, and solemnly testified. For YAHWEH did not call us to uncleanness, but to holiness (Kadosh). Therefore, the one that does an injustice does not wrong man, but YAHWEH, even He giving His Holy Spirit to us.*

Just like we read. You're not doing it against man, you're doing it against Yahweh, and one person's sin brought destruction to the whole camp. We're commanded to be sanctified from the world, from lust, and from cursed things. They will defile you and everybody that's near you.

Joshua, let's go back to Joshua 7, Yehoshua. Like I said, unfortunately this is a battle that we have each other, we have a tiny congregation, and we have each other, but you're not going to find help out there with the Seventh Day Adventists. You're not going to find help with anybody else, because nobody ... I have yet to find one person, one leader, one elder, beside our congregation, who will stand with me and teach this, which should be simple. Maybe not to the degree I'm teaching, but at least get their people off social media. It's insane, but it's the conditioning of the world, and it is life and death. So let's go now to verse 14. Verse 14 and 15 says, of Joshua 7:

Joshua 7:14-15 *And you shall be brought near in the morning, by your tribes ... And now we're going to start getting to the point of what was this? What were these cursed things? What caused this destruction on all these people? ... And he said, the tribe which YAHWEH takes shall draw near-by families. And the family which YAHWEH takes shall draw near-by households. And the house-hold which YAHWEH takes shall draw near-by men. And it will be, he who is taken with the accursed thing shall be burned with fire, he and all that he has, because he has transgressed the covenant of YAHWEH and because he has committed folly in Israel.*

And you can relate this to the lake of fire in the end time. I won't go to these scriptures, but **Revelation 20 and verse 15, Matthew 25:41**. So this is really indicative of the lake of fire in the end time. That everything this person has is going who's going to be the culprit because of what he did in the community. All his stuff is going to be burned and they're going to be burned. We must completely get any cursed thing out of the camp and out of our lives. Let's go to verse 16 now and let's see now who it was, and what caused all this.

Joshua 7:16-18 *And Joshua rose early in the morning, and brought Israel near-by its tribes. And the tribe of Judah was taken. And he brought the family of Judah near; and he took the family of the Zerahites. And he brought near the family of the Zerahites by men, and Zabdi was taken. And he brought near his household by men, and Achan, the son of Carmi, the son of Zabdi, the son of Zerah, of the tribe of Judah, was taken.*

Joshua 7:19-21 *And Joshua said to Achan, My son, now give glory to YAHWEH, the Elohim of Israel, and give thanks to Him, and please tell me what you have done. Do not hide it from me. And Achan answered Yehoshua, and said, Truly I have sinned against YAHWEH, the Elohim of Israel, and this I have done: When I saw among the spoil a goodly robe of Shinar, and two hundred shekels of silver, and a wedge of gold, one of fifty shekels in weight, then I lusted after them, and took them. And behold, they are hidden in the earth, in the middle of my tent, and the silver under it.*

So we see covetousness, lust, and looking for the things of the world. Yahweh said, don't touch any of that stuff. Don't take it, whatever. But it was the spirit of lust, the spirit of covetousness that overtook him, and he took it and hid it. So that's what happens sometimes in the Congregation. We don't know why something's happening, but it's hidden. Somebody is hiding it. They're not coming out, but they're hiding it. They're hiding it, but it's still causing the damage.

Joshua 7:22-24 *And Yehoshua sent messengers, and they ran to the tent; and behold, it was hidden in his tent, and the silver under it. And they took them out of the middle of the tent, and brought them to Joshua, and to all the sons of Israel, and laid them out before YAHWEH. And Joshua, and all Israel with him, took Achan the son of Zerah, and the silver, and the robe, and the wedge of gold, and his sons, and his daughters, and his oxen, and his donkey, and his flock, and his tent, and all that he had. And they made them go up to the valley of Achor ... Valley of Grief.*

Joshua 7:25-26 *And Yehoshua said, How you have troubled us! YAHWEH shall trouble you today! And all Israel threw stones at him, and they burned them with fire, and they stoned them with stones. And they raised over him a great heap of stones to this day. And YAHWEH turned back from the heat of His anger. On this account the name of that place is The Valley of Achor to this day.*

And this is where even, like I said, false Christianity, that doesn't see that there is a 'wrath side' to Yahweh. And that's righteousness. It's righteousness for Yahweh to want to get all unrighteousness out of His kingdom, or out of our midst. So Christians can think, they can live in sin, they can live in fornication, they can live doing all their things ... *The is nailed to the cross*. But I say it's more dangerous than Islam. It really is. Because it is taking people out of Yahweh's kingdom, not realizing we do reap what we sow.

And that when it comes, this is like gravity. These are laws of nature that Yahweh made. And if you break them, you're going to hurt yourself, and you're going to hurt everybody around you. So Achor equals grief; the cursed things that he had brought grief to the camp. And like I said, when you have a cursed thing in your life, it's going to affect you. And everybody that's near you, you have to destroy it and get it out of your life.

Deuteronomy 28, and this is what Yahweh said, when this cursed thing is in the camp, His blessing is going to be gone and what's going to be there instead ... starting in verse 15. He says, and it shall be ... Deuteronomy 28:15.

Deuteronomy 28:15-18 *And it shall be, if you will not heed the voice of your Elohim, to take heed to do all His commandments and His statutes which I am commanding you today, even all these curses shall come on you and overtake you: You will be cursed in the city, and you will be cursed in the field. Your basket and your kneading-trough shall be cursed ... No food ... The fruit of your body will be cursed, ... No babies being born ... and the fruit of your land, ... No fruit coming at harvest time, Shemita ... the offspring of your oxen, and the young ones of your sheep.*

Deuteronomy 28:19-21 *You will be cursed when you come in, you will be cursed when you go out. YAHWEH shall send cursing on you, trouble and rebuke in all that you set your hand, all which you will do, until you are destroyed, or until you quickly perish, because of the badness of your doings by which you have forsaken Me.*

YAHWEH shall make the plague cling to you until He has consumed you from the land where you are going, to possess it.

Deuteronomy 28:22-25 *YAHWEH shall strike you with lung disease and with a fever, ... Just like COVID. It was a lung disease ... and with inflammation, and with extreme burning, and with sword, and with blasting and mildew. And they shall pursue you until you perish. And your heavens over your head shall become copper, and the earth under you iron. YAHWEH shall make the rain of your land be dust and ashes. It shall come down on you from the heavens until you are destroyed. And YAHWEH will cause you to be stricken before your enemies. You will go out one way against them, and will flee seven ways before them. And you shall be a trembling to all the kingdoms of the earth.*

Drop down to verse 29.

Deuteronomy 28:29 *And you shall grope at noonday as the blind grope in darkness. And you shall not prosper in your ways. And you shall be always oppressed and plundered all the days; and there shall be nobody there to save you.*

So this is scripture that can't be broken. This is what Yahweh says. If you keep His commandments, if we follow Him, if we don't have these cursed things in our life, He shows all the blessings that will happen. But if we keep these cursed things in our life, we're going to affect ourselves and we're going to affect everybody around us.

Let's go back to Joshua. Chapter 6 now, and verse 18:

Joshua 6:18 *And you shall certainly keep clear of the cursed things, that you not become accursed by taking from the cursed things, and shall make the camp of Israel accursed, and trouble it.*

So they knew beforehand. It wasn't that this was being done in ignorance. They knew what the cursed things were, and Achan still took the cursed things. He knew he was taking of it and that's why he hid it. If he didn't think it was wrong, he wouldn't have been burying it and hiding it in his tent. And that's the thing sometimes with us. There are things that we know are wrong and for whatever reason we still do it. Sometimes it's like physical addiction or lust that people haven't been able to overcome.

And again, we're not perfect. We do sin at times. I'm not talking about that. There are moments of weakness in everybody's life. I'm talking about things; something that is in your life that you know isn't of Yahweh. Sometimes jobs people have. How can you be a job as a bartender? How can Yahweh bless that? And I tell people that.

Because I remember when I became a believer, I was young and I had a really prospering business. It was something like Federal Express. I had 30 drivers working for me. And I was making a lot of money for a young guy. But I realized number one, it was a business that was seven days a week. And number two, I was partners with some relatives that were not believers. So I knew I had to get out of there.

So I was with a friend of mine in the congregation. We were thinking of business we could do that Yahweh could bless. We're coming out with this one like, "No He couldn't bless that." And then we're like, "Hey, how about daycare? There are a lot of people that have children. They have to work. And they have to put their kids

in daycare and that all the bad stuff. We could do daycare.” And then we're like, “Although it's needed, we can't do it because it's not Yahweh's way. It's not Yahweh's way to put kids in daycare.”

And at the end, we came up with a landscaping business. We said, “Wow, we could cut the grass and come there. We can help widows that can't pay. You come there and everything's all messy and you make it nice and clean.” And Yahweh blessed it. So that was my mind. I wasn't thinking of money. I was thinking of blessing. I was thinking of something because Yahweh's going to be my partner. And He's got to be in on it. If what I'm doing is against His Word, how can He say that?

And how can we live lives? Like I said, the stuff you're surfing on internet sometimes, being on these social media things, all of this chaos that is clearly against the Word of Yahweh because it's created by people for evil. That's why I said YouTube. YouTube can be a great avenue. I don't want to be on YouTube. You know, I don't want to be on YouTube because YouTube is evil. It's absolutely evil. And when COVID came up, everybody was blocked from YouTube who told the truth about the shot is the death shot. So why do I want to support them? Why do I want to support platforms that are only up there deceiving people?

Because like the way I think, when I send out a letter, email letter, it goes around to roughly 60,000 people, with our congregations and everything. And in my mind, I'm thinking every single person that's on that list is somebody that's supporting the ministry to one degree or another. Or why would they get the letter? Unless we have government agencies that are on our mailing list? They're just monitoring us. So, of course, when you're getting a newsletter from somebody, you're supporting them. And it doesn't mean you can't get a newsletter from anybody, but I'm saying, think about who you're getting them from. And you're getting a newsletter from a false ministry that's deceiving people. You putting your name to something you're supporting them.

And that's why we don't vote, because how can you support politicians that are evil? And that's what it says in **Leviticus 5. You vote for that person, you bought that person.** So now when he goes out and he makes laws for abortion and all this other stuff, **you are accountable.** That's what Yahweh says. The people are accountable that supported it. And we got to start thinking that in our life, what on earth sometimes are we doing? What are we reading? What are we surfing?

What are all those little gadgets that we have in our life? Why would we have a gadget that's connected to the mark of the beast? Because you know what? If tomorrow they start it, and it's probably not going to start with the chip, some people that have those iPhones, you'll be able to buy and sell. Don't worry about it. You got nothing to worry about. I won't, because I don't have one. I'm not going to compromise an inch. And **the only reason they're made is because of this technology that's coming to control people.**

And if you have that kind of thing where you are on the internet 24 hours a day, you are being controlled and you're being brainwashed. And if you don't see it, then what I'm saying is true, it already worked. They already brainwashed you to the point where you're not coming back. These things are not of Yahweh and they're cursed things. They're cursed things and we don't want to be bringing them into our life.

We're living **Matthew 24:21-22.** We are living in the worst time the world has ever seen. *There will be great sufferings such as not happened from the beginning of the world until now or never will be. And except those*

days were shortened, not any place was put on account of the chosen, those days will be shortened. There has never been. The days of Noah, Sodom and Gomorrah, as bad as anything's been, **it's never been as bad as this.**

And the problem is we're conditioned to it. I've had brethren tell me, *it's not that bad.* Well, it's going to get worse as far as war and suffering and death. But as far as immorality, it's about as bad as you can get, there is no morality anymore. To the point where now where the world comes out and says even marriage, "Hey, hundreds of years ago, maybe that thing worked. But now it should just be a contract." Make a marriage contract for two years, five years.

Satan is deceiving people and he's the prince of the power of the airwaves. So whether it's a little radio you have in your house, and I'm not saying there's nothing that you can use ... don't use a radio, or whatever. But my point is, he will use these airwaves against us, and we got to limit ourselves to how we're using them and what we're using them for. It's the worst time the world has ever known. So 2nd Timothy 3 says,

2nd Timothy 3:1-3a *But know this, that in the last days **disastrous times** will be upon us. For men will be lovers of themselves, ... The arrogance, the pride that we see out there ... lovers of money, ... Everything is about the almighty dollar ... braggarts, ... bragging about everything ... arrogant, blasphemers, disobedient to parents, ungrateful, wicked, without natural feeling, ... homosexuality, all those things ... addicted to lust,*

Comment: They don't talk about it a lot, but it is a problem out there. There's a reason why there's millions of pornographic websites. If people weren't watching them, they wouldn't be out there ... *addicted to lust.*

2nd Timothy 3:3b *slanderers,...* People talk about other people, lie about them, they can care less, ... *without self-control,*

Comment: And that's another thing that will happen, because sometimes as you're conditioned in the system of Satan, and you're brainwashed in the system of Satan, you'll get ... the addictions can come through that. And it could be a simple addiction, like I said, sometimes our kids that are sleeping with those stupid little things because they want to look how likes, how many thumbs up, how many this. And can you imagine a child, 14 to 15 to 16 year olds, their whole life is based on that? And that's why suicide rates of our youth is the highest that it's ever been because their life is based on some other young immature kid putting up a thumb for them. And if not, then their whole thought of, who they are, goes down the drain and the suicide rate goes up. It's all prophesied. Do we want to be part of the solution or do we want to be part of the problem?

2nd Timothy 3:3b *Without self-control, savage, ...*

Comment: Wow. You would think in the Bible it talks about killing believers, cutting off their heads. And it's like, "Well that was in old times, until you see ISIS come around. And then it's like, "uh-uh," we're living in those days, it's still happening.

2nd Timothy 3:3b *Savage haters of good, traitors,*

Comments: Loyalty is out the window. That's why people don't want to be part ... "Why would you want to be part of a congregation and limit yourself? Hey, I want to go where I want to go. This week I'll go here, this week I'll go here. You know why? Because at the end of the day, I'm going to do what's **best for me.**" That's the average person out there. They're not looking like we're supposed to die to the flesh every day. *He who tries to*

save his life will lose it, he loses his life for the sake of the kingdom will get eternal life. That's not part of this world. "This world is: whatever is best for me, that is what's going to happen!" And we don't want that mentality. We don't want 80%, we don't want 1% of that mentality. Ours is a life of sacrifice, a life of discipline, and the way you have to do that is **every day of your life you have to fight this stuff.**

There's no other way around it, and that's why the wilderness helps, but even if the wilderness you got to fight it. The wilderness isn't the Promised Land. Yahweh gives the wilderness because we couldn't make it in the end without the wilderness, but even in the wilderness, you still have to make decisions every day of your life to fight all of these worldly things that are around out there.

2nd Timothy 3:4 *Traitors, hasty, boasters, lovers of pleasure, rather than lovers of Elohim.*

Comment: And that's what the whole world is conditioned on, all the talk shows and this and that. And whenever I go to America, I'll meet some family members, they're like, "Hey, did you see this?" I don't know what they're talking about. These programs today and all of this stuff, it's absolutely insane, all of these reality TV shows? Who on earth has time to sit there for hours watching somebody else's family? You know what they're doing and how they're doing it? For what reason, but it's because they've lost hope, they have nothing else, and they're looking for anything. That's why drugs, that's why alcohol. They're looking for anything to give them that little bit of a high for the moment. But they're not looking for the true things. They're not looking for the things of Elohim.

2nd Timothy 3:4-5 *lovers is a pleasure, rather than lovers of Elohim. Having a form of righteousness but denying the power of it, turn away from these.*

Turn away. We have the 100% turn away from these things. 2nd Thessalonians 2 ... 2nd Thessalonians 2 in verse 3.

2nd Thessalonians 2:3 *Do not let anyone deceive you in any way, because **that Day** ... The Day of Yahweh ... will not come unless first there comes a great **rebellion**, ... a great falling away, a rebellion. And we're living in it .. and the man of sin is revealed, the son of perdition,*

And wow, in the past you always wondered, how is it going to work? They talk about who could be the anti-messiah. Can it be Juan Carlos, or Prince Charles, and all these things? But now with AI, you don't have to figure it out anymore. They already said like there'll be a body of someone they'll make that will be AI. That Satan can go in that person and do whatever he wants to do. So, wow, we're seeing this, and we're at that cusp of seeing these things coming about. Verse 7:

2nd Thessalonians 2:7 *For the mystery of lawlessness is already working, until He who is now the obstacle, is taken out of the way.*

The mystery of lawlessness, it is everywhere out there in the world, because nothing is based on morality anymore. They don't even know what it means. And the world is *conditioned* that if you actually even give your opinion that you're against abortion, you're an evil rotten, ... and they have all these ways where they twist all of this stuff. You're against a woman's right for this, and you're against this, and you're a misogynist, and you're

a ... They have all of this nonsense that they have out there, for nothing else, to make sure that people like us cannot bring any sense of morality into this world, period.

And, like I said, Yahweh does have a lot of things in His Word that leads us to things. Things like the Sabbath day and unclean foods, and all these things, because all of them are part of His Word to make our life happy and fulfilled. But **at the base of everything is morality. At the base of everything is sanctification.**

So, we look at our brother, Judah, out there. They don't need pork, and they ... some of them keep the Sabbath a tiny bit, and they celebrate the Chagim. But they certainly don't have any morality in that country anymore. And we see that the end result what's coming because of that and it's sad. People are lusting for the things of the world. They're lusting for it. They have no idea anymore what's right and wrong.

Like we saw in that video, here it is, you have this terrible thing happening in North Carolina. You have hundreds of people killed in a storm, and what are they talking about? The guy from FEMA - that's supposed to be helping these people? How is this going to hurt the LGBTQ and all the other letters to go along with it? It's like, what does that have to do with anything? This is absolutely insane, but this is the brainwashing that goes on every day of your life. And if you don't stay away from it, it will affect you.

Your heart is within commercial Babylon, the same way Achan's heart was with commercial Babylon. He wanted the nice things that he saw. He wanted the nice robe. He wanted gold. He wanted the silver, but he didn't want the kingdom of Yahweh. So my question is, now to you, now it comes where we have to look at ourselves, **what is the cursed thing in our life?** What is it? You have to look deep. Write that question down because ask yourself later, pray about it, fast about it. What is the cursed thing in your life? We all have it to some degree. Because we're not there yet, the kingdom isn't here. What is it?

And **it's not one item**, like we saw with Achan. It's not as simple as, "Okay, I'll get rid of coffee. That would be easy. If it was like, when we became a believer like, "Oh, I can't eat pork, alright, I'll eat beef! No problem." No, it's not just one item, what we saw with Achan. But **it's a spirit of lust for the things of the world.** All of us don't have the same thing, right? The same cursed thing, it might be different in each of our lives, but it's a spirit of lust for the things of the world, and things that can be cursed before Yahweh.

Like I said, all this social media stuff, and internet, and QR codes, and all the worldly things. And every month, it only gets worse, it gets more, they create more things. Like I said, a hundred years ago, technology would double, they said like every 150 years. Now, they say it doubles like every couple weeks, or every month. It's just moving faster than people can even imagine. And it's simply for the lust and the pleasure seeking, and life being easier.

That's not necessarily wrong. Like it's nothing wrong with having a washing machine. You know, there's nothing more righteous when spending five hours a day, and we did it when we lived in Honduras. We didn't have a washing machine. My wife had a wash the clothes on one of those little racks. So there's nothing, evil about that, but the point is, when you look, **what are you doing with all that extra time** that you don't have to wash the clothes, or you don't have to do this?

In the Amish book I was reading, it was real interesting because there was the debate that came up, and one of the Amish men was saying, "Well, you know, if we were able to take a car, then we could get into town quicker,

and then, we would only have to go once a week, and we could save all that time, that we could be doing something else.” And then the other Amish man said, “Well, the reality is, if you had a car, you wouldn't be going to town once a week. You'd be going to town twice a week, or three times a week, and you'd actually be spending more time.” It's human nature.

So that's the point. We don't need more, pleasure seeking, easier things in our life, conveniences. That's the word I'm looking for. We don't need more of them. That's not what we need. What we need is sanctification. What we need is a mind of sanctification, that when we see these things, we abstain immediately if we know it's not of Yahweh. 1st Timothy 6 and verse 3:

1st Timothy 6:3-6 *If anyone teaches differently, and does not consent to sound words, those of our Master Yahshua Messiah and to the doctrine of the fear of Elohim, he is proud understanding nothing, but harps upon the use of a word concerning doubts and arguments, and this is the cause of envy and controversy, evil-speaking, evil suspicions, meddling, of men whose mind has been corrupted and deprived of the truth, who think that worshiping of Elohim is for worldly gain. Keep away from such people ... The Achan syndrome ... But our gain is greater contentment, for it is the worship of Elohim.*

Comment: So like I said, we don't need more conveniences. We need greater contentment, is really what we need.

1st Timothy 6:7-11 *For we have brought nothing into the world, and it is plain that neither can we carry anything out. But having food and clothing, let us be satisfied with these. But those purposing to be rich fall into temptation, and a snare, and many foolish and hurtful lusts, which plunge men into ruin and destruction. For the love of money is a root of all evils, by means of which some having lusted after it were seduced from the faith, and they themselves pierced through by many pains. But you, O man of Elohim, flee these things and pursue righteousness, holiness, faith, love, patience, and meekness.*

So these are the things that we should be having on our mind. These are the things that we should be trying to grow in every day of our life. We are to refrain from the lust of the world, the mammon of Satan's system. Matthew 25, this, what I'm going to read now is going to be happening very, very soon; a few small, short years when Yahshua returns. This very thing will happen. Matthew 25 in verse 31. Says:

Matthew 25:31-34 *But when the Son of Man comes in His glory, and all the holy cherubs with Him, then He will sit on the throne of His glory. And before Him will be gathered all the nations; and He will separate them from one another, as the shepherd separates the sheep from the goats. And indeed He will set the sheep off to His right, and the goats off to His left. Then the King will say to those on His right, Come, the blessed of My Father, inherit the kingdom prepared for you from the foundation of the world.*

And I think it's kind of interesting, like I was saying in the world today, the right has shifted. So here it is Yahshua has a right and a left. But His right and left don't shift. But in the world today, it has shifted. And even like President Trump, who recently ... because again the Republican way is supposed to be against abortion and for rights ... but President Trump came in and shocked all the Republicans and none of them will stand up to him. And said, “No, no, no, we have to have abortion up to whatever, 15 weeks, whatever.” They were like shocked, “What is he talking about?” And he's like, “Well, we have to win the election, don't we?”

Does that show you something? Yeah, so if we got to kill babies to win the election, you know? So it's really ironic that there's people out there thinking and believe me, like I said, I only hope that President Trump wins because I think it'll give us a little more time, compared to if Harris gets in there with the things they have planned. But President Trump has no ideology whatsoever. Period! He will switch, he will change it to the point of even the killing of children.

If you can't have an ideology on that, not to change, then what on earth wouldn't you change, if you'll change that simply to win an election? So that's the point. The right has switched in the world that we're living in today, but not Yahweh's kingdom. So what side are you on? Are you on the right? Or are you on the left? Drop down the verse 41.

Matthew 25:41-43 *Then He will go and say to those on the left, Go away from Me, you cursed ones,... because they brought cursed things in their life ... Go away from Me, you cursed ones into the everlasting fire having been prepared for the Devil and his cherubs. For I hungry, and you did not give Me a thing to eat. I was thirsty and you did not give Me a thing to drink; I was a stranger, and you did not take Me in; naked, and you did not clothe Me; sick, and in prison, and you did not visit Me.*

Matthew 25:44-46 *Then they will answer Him, saying, Master, when did we see You hungering, or thirsting, or a stranger, or naked, or sick, or in prison, and did not minister to You? Then He will answer saying, Truly I say to you, in so far as you did not do it to one of these, the least, neither did you do it to Me. And these shall go away to everlasting punishment, but the righteous into everlasting life.*

So you want to know something? Whether you're on that right or you're on the left, you can't just leave it to chance. It's not like spinning a wheel. You have to make that happen. You have to look what Yahweh says and He gives direct commands to disciples and you have to do it. You have to get a plan like I was saying the other day. **You have to be working on this every day of your life. This has to be the most meaningful important thing in your life more than anything - is pleasing Yahweh and making sure that you are on that right side when our Master comes.** Are you on the right or the left? We need to get rid of the cursed things in our life.

And I didn't have this plan to the school, but it just kind of happened, took a life of its own after we went to Lot's Cave, where Lot's wife was. And we put a box out there. We put a box out of the things in our life that we wanted to get rid of. What are those things that you want to get rid of? I put it up there just like as a symbolism to give people an idea, but everybody put stuff in there. It was so meaningful when we all went together and took that box and left the camp and went outside the camp and took it to the dumpster and got rid of that. And again, it's a visual thing to make a statement, but that doesn't solve all your problems. But sometimes you do have to **visually** do that.

You have to mentally ... and a lot of people told me how much that helped them to overcome, by writing it down and saying what they wanted to get rid of, what they wanted to leave behind, and put it in that box and say that's it. I'm starting new. I'm going to get rid of this. We're going to get rid of this.

There was one guy, one brother there, who was from Thailand, who was just starting to deacon that nobody asked him to, but all of a sudden he went to the side of the place. He took his iPhone and he took it, threw it over the side there. And what was really interesting, this young man had just had a baby. And at that point that

was the only way for him to communicate with his wife and his child until we went home. But he said how free he felt when he threw that thing away.

All that garbage that comes on that thing; all the stuff that's being infiltrated every day; all of that kinetic energy that's coming into the mind, and he was just like, "Wow, I feel so free that I got rid of that." And it's sad because sometimes, like I said, I've had people in my family that were addicted to cigarettes. And actually come up to me and say, "I admit, I hate this. I don't want to do it anymore." Some got cancer. And even when they got cancer, they couldn't stop it because it becomes a part of you. And that's what Elon Musk said. He said, "You don't need anything else. The phone is already an extension of the hand. It's an extension of you." And is that what you want to be remembered for? A dumb, satanic iPhone that's in the hand, the right hand? Interesting, most people use it. But it was powerful. It was powerful to take those things and get rid of them. 2nd Corinthians 6 and verse 15:

2nd Corinthians 6:15 *And what agreement does the Messiah have with Satan?*

Comment: Right? Is there like is ... Satan have a middle ground? Is there anything like it when politicians come? Like in Russia now is going to meet with America and they're going to have a meeting. What do you do as politicians? You look for middle ground, right? Where you can, kind of have middle ground? So do you think that Satan and Yahshua can get together and find a middle ground? No, there's no middle ground. It's as far as as the east is from the west. Yahweh is one way, Satan is another way. There is no middle ground. But that's what Satan wants us to believe. There is a middle ground. So like he says:

2nd Corinthians 6:15-16a *What agreement does the Messiah have with Satan? Or what part does a believer have with a non-believer? And what harmony has the sanctuary of Elohim with idols?*

We don't realize these things are idols if they're controlling our life, if we can't get rid of them if we wanted to, and sometimes we'll make excuses. Like I said, sometimes people have told me, "Well, oh no, I need it because my Bible is on here." How much time are you really spending reading your Bible and how much time is reading all the other stuff that you're doing on it? And like I said, if it's only for your Bible, then you don't need the internet.

And the internet is pretty expensive too. I was shocked. My brother was telling me he pays like \$100 a month for internet. He pays \$100 or \$130 a month for some kind of cable. Television, are you kidding? You're paying almost \$250 a month for a dumb phone and cable news that you're being brainwashed by the same story every single day. The four or five days I was there. I think it was at the time where they were trying to get rid of Biden. And that was it. Like 24 hours a day, they're just telling you how senile Biden is. I could watch him for 30 seconds and I could tell you that. I don't have to keep hearing it over and over and over. That's only what brainwashing does. It's the same thing over and over and over and it works. It works because of the way that our minds work. So we need to get rid of these things like he says here.

2nd Corinthians 6:15-16a *What harmony ... What unity, ... what echad ... has the sanctuary of Elohim have with idols.*

That's what we saw with Achan, right? He didn't think it was so bad. He didn't think it was going to hurt anybody else, so what. So he took some physical things that *looked good*, right? *Wow, that robe looks great.*

That's going to look great on me. He hid it in his tent. But what harmony had it? What did it bring? Nothing but downfall!

2nd Corinthians 6:15-16a *For you are the sanctuary of the living Elohim, even as it is said, "I will dwell in them and walk among them, and I will be their Elohim, and they will be My people."... The Holy Spirit is living inside of you.*

And just like I told a man one day, that said he wanted to go. He felt inspired to go and witness in these bars, because he's going to take back, that street. And I told him, "You know what? You could do whatever you want. You have free will. But I'll tell you right now, you walk in that bar, you're walking alone. Spirit of Yahweh isn't going in that bar. I can tell you."

When you do it, that's why a lot of times why people fail. Why sometimes, you wonder, why can't I overcome this? Because we're putting ourselves in situations that are causing. You have to protect yourself. You have to protect yourself and you have to protect your environment.

2nd Corinthians 6:16b-18a *And YAHWEH says, "I will walk in them and I will be their Elohim. They will be My people. Because of this "**Come out from among them and be ye separated**, says YAHWEH, and **touch not the unclean thing**, and I will receive you."... "And I will be a Father to you, and you will be sons and daughters to Me, says YAHWEH Almighty."*

Comment: Stop buying the New World Order's lie that there's neutrality in there. Neutrality is of the devil. **Something is either good or something is either bad.** That's what Yahweh says. And get the bad things out of your life and build up the good things. Right? This is what He's saying here.

2nd Corinthians 6:17-18 *"Come out and be separate and touch not the unclean thing and I will receive you." "And I will be a Father to you, and you will be sons and daughters to Me, says YAHWEH Almighty."*

Comment: So this is what Yahweh is telling us. We're commanded to come out of Satan's commercial Babylon system and the things of that system that He created.

2nd Corinthians 7:1 *Then having these promises, beloved, let us cleanse ourselves from all defilement of flesh and of spirit, perfecting holiness in the fear of YAHWEH.*

That's what it's about. You're never going to do it unless you get rid of the cursed things in your life. You've got to get rid of them or they're going to take you down and they're going to take everybody with you. Luke 17 ... Luke chapter 17, Verse 24 ... Verse 24.

Luke 17:24-27 *As flashes lightning from heaven, and all that is under heaven is lit. Such will be the Son of Man in His day. But first it is necessary that He suffer many things and be rejected of that generation ... scary thought. And but we see Yahshua being rejected ... But as it was in the days of Noah, so also it will be in the days of the Son of Man. They were eating, drinking, marrying, giving in marriage, until the day Noah went into the ark. And the flood came and was destroyed.*

Comment: Right? So society continues, even COVID. There were marriages and deaths and things that came up. Right? So society is going to go on until this happens. They're not going to change. It's going to be the same. Things are going to go on like it's nothing.

Luke 17:28-30 *And likewise, in the days of Lot, they were eating, drinking, buying, selling, planting, building; but on the day Lot went out from Sodom, YAHWEH rained fire and brimstone from the heaven and destroyed them all. According to those things, it will be in the day the Son of Man is revealed.*

So to the world it is going to go on the same. There's not going to be a comet that's going to give you the sign. And now it's the time for me to come out. We have the sign. We've had it for 2000 years. **The sign is the Ruach H'Chodesh living in us that should be inspiring us to come out of the world.** It should be sharing with us to come out of these things. It's an evil and wicked generation. That's why we're to be separate from commercial Babylon.

John 17. And it's really interesting because this was Yahshua's last prayer to the Father before His crucifixion. The very last thing that He wanted to pray to Yahweh that He thought was extremely important. Starting in verse 6. Yahshua talking to Yahweh, the Father says,

John 17:6a *I revealed your name to the men who you gave me out of the world. ...*

Comment: Right? He gave these men to Yahshua **out of the world.** There's the kingdom of Yahweh and there's the kingdom of Satan of the world. You can't have one foot in and one foot other. You have to be in one or the other. He says:

John 17:6b-9 *They were Yours, and You gave them to Me; and they have kept Your Word. Now they have known that everything that you have given to Me I have given to them and they received them. And they know that I have truly proceeded from Your presence, ... Did He pre-exist? Of course He did ... and they believe that You have sent Me. I pray concerning them; I do not pray concerning the world, ... He's not praying for all the people out there that are going along with this ... I do not pray concerning them in the world, ... Yet, these are in the world. We can go to the wilderness, but we can't get out of the world. We're going to be here until He returns ... but concerning the ones whom You gave to Me, because they are Yours.*

John 17:10-11 *I pray concerning them; I do not pray concerning the world, but concerning the ones whom You gave to Me, because they are Yours. And all My things are Yours, and Yours are Mine; and I have been glorified in them. And no longer am I in the world, yet they are in the world; and I come to You. Holy Father, keep them in Your name, those whom You gave to Me, that they may be echad (united) as We are united.*

And that's His prayer for us because we have to live in this demonic system. But we don't have to be part of it. You certainly don't have to be part of it. And it's not easy. Like I said, there's a lot of laws and places against homeschooling. There's laws and places as we saw with COVID, with all that stuff. So it's not going to be easy but we have to do it. And Satan ... who are the most important people on his hit list, are people like us. He doesn't care a whole of people out there that are already following him. He could care less. But he does care about us. He wants to take down everybody he can. Verse 14 says:

John 17:14 *I have given them your word and the world hated them because they are not of the world. As I am not the world.*

Comment: Right? Did you see how much during COVID, how people hated our guts simply because we didn't want to take that death shot? You see on the news, like the people, you see these people in the news saying that people like us, we shouldn't be able to go to hospitals when we're sick. If we have a heart attack, let them die in the street using every kind of curse word simply because we didn't want to take a vaccine that would kill us. And the world does hate us. It's that simple. And if you're trying to get the world to like you, then you have a bigger problem. We're to be abstaining. We don't need the world to like us. We want Yahweh to be the One who likes us.

John 17:14-17 *I have given them Your Word, and the world hated them because they are not of the world, as I am not of the world. I do not pray that You take them out of the world, but that You keep them from the evil ...* Right? He's not going to take us up to Mars. We're not going to go on the space station for three and a half years until He comes. We have to stay here, but we can be separated. Right? ... *Sanctify them in Your truth. Your Word is truth.*

And praise Yah like for that. Praise them every single day because a lot of these people in the world are not bad people. They're just deceived. And praise Him that we have that truth. Praise Him that He's given. Last scripture, still in John 17, drop down to verse 18.

John 17:18-21 *As You have sent Me into the world, I also have sent them into the world, And I fear for their sakes. I sanctify myself so that they may also be sanctified by Truth. And I do not pray concerning these only, ...* So He's not just praying for those apostles then ... *but also concerning those who will believe in Me through their word; ...* here we are 2000 years later ... *that all may be echad (united), as You are in Me Father and I in You, that they also may be echad in Us, that the world may believe that You sent Me.*

Right? So this is our greatest testimony. Our life may be the only Bible that some people will ever read. If you look in the world overall, it's a very small percentage of people that have read by the Bible, even Christians. A lot of Christians have the Bible but never read it. **Our life may be the only Bible that some people ever read.**

And what is our example? Do people see we're different? Like I said, the worst insult anybody can ever give you is, "I didn't know you were a Christian!" And people laugh, "I'm not a Christian. Christian does the wrong name." No, that's not what they're saying. When someone says, I didn't know you were a Christian, they're saying, "I didn't know you believe in the Bible. There's nothing I see from you that makes me think you believe in the Bible." So if you don't see that as an insult, you have a problem.

You're becoming ... I call it not paranoid. I call it pagan-oid. And it's true. That's the worst insult somebody can give you if they don't see anything in your life that's different than anybody else. Like I said, think about that every time. It doesn't matter whether you're in a supermarket paying somebody. Think that woman in which he has to deal with all day long with nasty people and taking money and just have one little smile and saying thank you could make somebody's day.

Our life may be the only Bible some people ever read. And I've seen over my years as a believer in all my years as an elder, I've seen many more people come to faith through somebody else's example than through our

doctrine. The doctrine comes later. And once they see you're different and once they see, "I want to be like you," then they're willing to almost accept anything in the doctrine. Then it's like, "Yeah, teach me, teach me. Oh, okay. Oh, okay. Elder Don, what else? What else?" Then they can't get enough of it. But, words on a paper on itself is not going to change anybody if they don't see it in our life. And that's why we need to be different.

You look at the Amish and that's one great thing, not that they have everything. But one thing is when people look at them, they see somebody different. And for the most part, 90% of the time, people don't even know nothing about the Amish, if you just ask them, they'd have something positive to say. They're not looked at as bad or evil or whatever. They're looked at to admire in a lot of ways.

So our greatest witness is for us is to stay sanctified from the world. Is our life sanctified in truth? Or are you defiled by partaking in cursed things? Time is short. We got to get every cursed thing out of our life now. Yahweh bless. Chag Semeach.
